

HANEL'S BLACK SIMMENTALS

THE 2019 BULL SALE • MARCH 4 IN COURTLAND, KANSAS AT 1 P.M.

Welcome to the Sale

Welcome to the inaugural Hanel's Black Simmentals Bull Sale. Having sold bulls for over 20 years through private treaty, we are excited to share the opportunity to buy into our Simmental program. Our bulls epitomize performance and have a proven history to produce a consistent calf crop year in and year out. We produce honest, hard-working cattle that adhere to the standards we place on our own females for performance and function. I encourage you to consider buying into our program.

We are honored to have Cody Cattle Company joining us in our Black and White Bull Sale. Every bull selling in this offering will enhance your bottom line with increased performance and carcass traits. Our efforts for continued growth have culminated in the construction of a new sale facility. We look forward to sharing our new facility with you on sale day. I invite you out to the ranch to look at our offering and join us for a steak lunch before the sale. I hope to see you on sale day Monday, March 4, 2019.

Also, mark your calendar for the 3rd Annual Female Production Sale on Monday, November 4, 2019.

Schedule of Events

MARCH 2ND & 3RD

Cattle on display all weekend prior to the sale.

MARCH 4TH

Cattle on Display - 9:00 AM
Steak lunch served - 12:00 PM
Sale Starts - 1:00 PM

Cattlemen,

Welcome to the Inaugural Black & White Bull Sale. It is with great excitement that we introduce two programs that are no stranger to the beef business or the respective breed they are affiliated with. Hanel's Black Simmentals and Cody Cattle Company will proudly offer 125+ Simmental, SimAngus and Charolais bulls for your appraisal. There is no denying that these bulls are backed by hard working, functional, fault-free cows that are required to earn their keep and work for a living! This set of bulls will rival any when it comes to real-world performance, substance, and genuine dimension. They are backed by proven and predictable pedigrees that have stood the test of time.

The Simmental, SimAngus, and Charolais bulls offered will add terminal value to their progeny. The yearling bulls have been ultrasounded and the carcass data will be provided throughout the book along with performance data. Many of these bulls rank among the top 10%, 15%, and 20% of the breed when it comes to performance related EPD's, with the actual data to support it! These bulls are big footed, rugged in their basic build, big testicled, and ready for heavy service.

Hanel's Black Simmentals and Cody Cattle Company are committed to their customers and to the progression of the genetics that they produce. Both programs are constantly working to improve their product in order to enhance their customer's bottom line! We look forward to seeing you on Monday, March 4th in Courtland, KS for the Inaugural Black & White Bull Sale at 1 PM. Please join us for a steak lunch at noon prior to the sale beginning. The videos of the offering will be available online at DVAuction.com the week leading up to the sale. If you have any questions please feel free to contact either of the breeders or sale staff.

Enjoy the cattle,
Sale Management Team

BULL GUARANTEE:

Unless otherwise noted, all the breeding age bulls will have passed a breeding soundness exam prior to pick up/delivery. In addition to the standard Terms and Conditions of the American Simmental Association and the American International Charolais Association we will provide the first breeding season (the 90-day period immediately following turn out) guarantee on all yearling and older bulls. This guarantee is not an insurance or mortality policy, but a guarantee on functional fertility. It is not a substitute or replacement for poor management. Buyer assumes all risks for injury due to running bulls together or management decisions outside genetic control. For the guarantee to apply, we ask that you contact us as soon as a condition is observed and before the animal is sold. We will work with you to determine whether the animal is returned or sold for slaughter. We will attempt to provide a suitable replacement. If one cannot be provided of equal or greater value, we will issue a sale credit to be used in a future sale for the full purchase price less the salvage value of the animal.

VOLUME DISCOUNT

Purchase 5 or more Bulls and receive 5% off your total purchase price.

DELIVERY

Delivery of sale bulls will begin immediately after the sale. If you plan to make other arrangements the bulls will be cared for until March 15, 2019 free of charge. If you would like us to continue to manage your purchase a yardage fee of \$3.00/Head per day will be charged. An Insurance policy is required on any bull(s) that are left after March 15, 2019.

VIDEO PREVIEW OF SALE CATTLE

Videos of the sale cattle available online the week prior to the sale.

TERMS & CONDITIONS

All cattle will sell under the terms and conditions of their respective breed association. All sales are final.

ANNOUNCEMENTS

A supplement sheet will be available sale day with updated information, corrections and additional information. This sheet and any announcements made sale day, from the auction block during the sale, will take precedence over printed material associated with the sale. Anyone attending this sale attends at their own risk. Hanel's Black Simmentals or the sales team will not be held responsible for any personal injury from attending this sale.

VIDEO AUCTION

All cattle will sell while being viewed on large screen monitors in the sale facility. There will be multiple large screens playing videos of the animals while the respective animal is being auctioned. Cattle will not come into the sale ring during the auction and we will not travel through equipment during the auction. Please make plans to arrive early and preview the sale offering prior to selling.

TRUCKING

The sales team will be able to help you with transportation for your cattle purchases. We will also have professional transporters available sale day.

There is no denying the excitement that we have for announcing our inaugural bull sale! We have been in the business of selling bulls for several years now and have a loyal customer base that is second to none. We have finally decided it is time to sell our bulls in an auction format and what a way to begin this powerful offering! 8079 is without a doubt one of the most unique Purebred bulls we have ever had the opportunity to produce and offer up for sale. He is a big boned, stout topped, wide based, thick ended bull with tremendous EPD's and balanced scan data. We admire his athleticism, rugged build, and overall capacity in which he balances so well. A true herd sire prospect that will sell on March 4th in Courtland, Kansas!

Without a doubt one of the most phenotypically impressive bulls in the entire offering! Sired by Connealy Capitalist 028 and backed by a role model female sired by GW Lucky Man 644N. He is a long sided, thick topped, bold sprung half-blood that is build right from the ground up with a big foot, stout boned, and clean jointed. We have admired his genuine shape, capacity, and overall pattern since he hit the ground. He offers a WW ratio of 110, an impressive 4.9 IMF, and a 15.8 REA! He is the complete package when it comes to finding a beef bull that offers terminal merit and is still capable of siring a set of replacements to build a program around!

Look to F8089 to optimize your profits!

BULL GUARANTEE

Unless otherwise noted, all the breeding age bulls will have passed a breeding soundness exam prior to pick up/delivery. In addition to the standard Terms and Conditions of the American Simmental Association and the American International Charolais Association we will provide the first breeding season (the 90-day period immediately following turn out) guarantee on all yearling and older bulls. This guarantee is not an insurance or mortality policy, but a guarantee on functional fertility. It is not a substitute or replacement for poor management. Buyer assumes all risks for injury due to running bulls together or management decisions outside genetic control. For the guarantee to apply, we ask that you contact us as soon as a condition is observed and before the animal is sold. We will work with you to determine whether the animal is returned or sold for slaughter. We will attempt to provide a suitable replacement. If one cannot be provided of equal or greater value, we will issue a sale credit to be used in a future sale for the full purchase price less the salvage value of the animal.

VOLUME DISCOUNT

Purchase 5 or more Bulls and receive 5% off your total purchase price.

BULL DELIVERY

Delivery of sale bulls will begin immediately after the sale. If you plan to make other arrangements the bulls will be cared for until March 15, 2019 free of charge. If you would like us to continue to manage your purchase a yardage fee of \$3.00/Head per day will be charged. An Insurance policy is required on any bull(s) that are left after March 15, 2019.

There is no denying that this next set of bulls is built to perform! We have been mating Simmental and Charolais cattle for a number of years in order to develop the ultimate in heterosis and capitalize on the true performance that these cattle have to offer. This mating has proven great success as a terminal cross that doesn't sacrifice the maternal traits that we have diligently worked so hard to maintain. This pair of full brothers is by the Cowboy Cut Simmental sired stud and from a LT-WC Templeton 1483 PLD ET bred dam. F8049 scanned with a 4.46 IMF and over a 15.5 REA! F8050 scanned with a 3.79 IMF and an impressive 17.4 REA! These full sib brothers ranks among the top 2% for WW, YG, and REA. A truly elite terminal cross that will maximize profit margins!
