

THE FEMALE SALE

at Hanel's Black Simmentals

November 2, 2020 at 1:00 pm

HANEL

at the Ranch in Courtland, Kansas

Welcome to the 4th Annual Female sale at Hanel's Black Simmentals. This set of females represents a powerful sampling of the maternal power that lines the cowherd in Courtland, Kansas. We hope that this letter of greetings finds each and every one in good health and spirits with optimistic outlooks towards 2021.

This year's set of cattle are as end product minded and directed as any offered to date, both registered and commercial. As Brock and company continue down the road of working towards the best protein source, they can provide for the food chain, they continue to place selection pressure on genetics that can perform the full circle. The females must maintain fertility, structural, and hoof integrity, withstand the pressures of the environment, climate, and resources, and produce the kind that are assets to their customer base. Brock and his feeding partners buy and feed a lot of customer cattle throughout the year; they believe in what they do as proven by their investment. This year's commercial females represent a group of contemporaries that grade 100% choice with an average yield grade in the high 2's.

The cattle business is the Hanel family's business, plain and simple. They live and breathe the beef industry day in and day out, much like their customers. Brock, Lannie, Braden, Eric can relate to their customers during the most challenging of times and the most rewarding. This is a hard-working, functional, and long-lasting cowherd that backs this female offering. The females must earn their keep year after year in order to remain in the herd. Fertility, functionality, and fleshing ability are prerequisites in order to carry the Hanel brand.

We invite you to join us on November 2, 2020 in Courtland, Kansas for a steak lunch and exceptional hospitality. The females will be on display at the sale facility leading up to the sale, along with the bull calves that will be offered on March 1, 2021 in the 3rd Annual Black & White Bull Sale with Cody Cattle Company. If you are unable to attend the sale in person, please feel free to contact any of the sale representatives. The sale will be broadcasted by CCI. Live if you are unable to attend in person.

Enjoy the offering.

Welcome to the 4th Annual Hanel's Black Simmentals Female Production Sale. We continue to strive to enhance our genetic offering and our labors have resulted in several changes on the ranch including enhancements to our heifer development program. These enhancements have produced an exceptional set of female cattle ready to complement your program at home. We produce honest, hard-working cattle that adhere to the standards we place on our own females for performance and function. With over 30 years of AI work done on both the registered and commercial herd these heifers come from, they possess some of the breed leading genetics and carcass data and will enhance your bottom line. Please call with any questions about our program or stop by the ranch anytime to see in person our operation.

In addition to our female sale, we are thrilled to announce we will hold our 3rd Annual Black & White Bull Sale on Monday March 1, 2021 with our sale partner Cody Cattle Company. Our bulls epitomize performance and have a proven history to produce a consistent calf crop year in and year out. I encourage you to consider buying into our program through the purchase of a female, bull or better yet, both.

I invite you out to the ranch to look at our offering and join us for a steak lunch before the sale. I hope to see you on sale day Monday, November 2, 2020.

Sincerely,
Brock Hanel, DVM
