RUST MOUNTAIN VIEW RANCH AGGRESSIVE INCENTIVE PROGRAM

To qualify for this Aggressive Incentive Program the individual or ranch must meet the following criteria.

- Bulls individuals purchase price must exceed \$3,250 per bull. For example, buy 3 bulls above \$3,250 per each bull and you will receive a 4% discount. If you buy 4 bulls and 3 are above \$3,250 each but the 4th bull is purchased at \$3,000 you will receive the 4% discount on the 3 bulls, but the 4th bull would not qualify for a discount.
- All purchases must go to the same individual or ranch. Bulls cannot be lumped together between neighbors or friends.
- At anytime Rust Mountain View Ranch believes this Aggressive Incentive Program is being abused by any individual or ranch, the Incentive Program will no longer apply to that individual or ranch.

3 BULLS – 4% DISCOUNT
4 BULLS – 5% DISCOUNT
5 BULLS – 6% DISCOUNT
6 BULLS – 7% DISCOUNT

7 BULLS – 8% DISCOUNT
8 BULLS – 9% DISCOUNT
9 BULLS – 10% DISCOUNT
10 BULLS PLUS – 15% DISCOUNT

Yellow Cattlemen & Cattlemen,

It is with great pleasure to welcome you to the 2nd Annual Rust Mountain View Ranch "Spring Turn Out" Online Bull Sale. In an effort to bring you the same quality and consistency of genetics you have come to expect in Mercer, North Dakota, the Rust family has held back a select group of Simmental, SimAngus, Red Angus, and even Charolais service age bulls for your breeding season needs. 2021 has been welcomed with great enthusiasm and optimism in the agriculture industry. As we reflect on the past 12 months, we can all agree that we are extremely fortunate to have the opportunity to work hand in hand producing the safest, most wholesome form of protein known to man, beef! As beef producers we have a critical role in the food supply chain, and because of the changing times, enhanced technologies, and growing demand we must utilize the tools and resources provided to ensure that we continue to produce a product that is met with great demand by the consumer.

With turn out right around the corner, this is a prime time to purchase bulls that are from the cow families and sire lines that have built this program. These bulls have never been offered for sale before and are most certainly not left over! There is no denying the focus and diligence that Josh and the entire Rust family has when it comes to forward progression and staying true to their goal of constantly improving their product for their customer base.

A strong emphasis has been placed on the maternal aspect, with a large portion of the offering stemming from the most elite donor dams in the industry. These females represent the most proven and elite genetics in the industry. We emphasize that these herd sire prospects stem from generations of proven lineage to add predictability and profitability to your operations bottom line. The cattle for this event are selected based on visual appraisal of quality and performance. They offer a rugged, masculine, and three-dimensional build with the athleticism that is necessary to not only survive, but rather thrive in the toughest elements. They are beef bulls that are built to last and offer pedigree that is saturated with maternal strength and consistency.

The customer comes first at Rust Mountain View Ranch, plain and simple! The Rust family stands behind their product 100% and puts strong emphasis on customer satisfaction. We will have the bulls on display, and everyone is welcome to stop by to view the offering. The same guarantee, volume discounts, and delivery options will stand with this set of bulls that we offer to our customers in February. Consider this your invitation to join us on May 1, 2021 in Mercer, North Dakota for hospitality and the 2nd Annual Rust Mountain View Ranch "Spring Turn Out" Bull Sale. Join us following the sale at Chester's Tavern in Mercer, North Dakota to celebrate the 10th year of marketing bulls at Rust Mountain View Ranch! Videos of the offering will be available online at CCI.Live for your convenience. If you have any questions, please feel free to contact any of the sale staff to visit about the offering.

Enjoy the cattle,

The Innovation AgMarketing Team

FULLY GUARANTEED

We stand behind our bulls. Shall a bull fail to be a satisfactory breeder, he will be replaced with another bull of equal quality or a credit will be given. No refunds.

EPD'S

The EPD's listed are the current EPD's at time of print. Please note the EPD's may change from the time the sale catalog is printed until registration papers are transferred.

SEMEN INTERESTS

Rust Mountain View Ranch is retaining 1/3 semen interest in all sale bulls and reserves the right to collect any bulls at their expense and the buyers convenience.

ANNOUNCEMENTS & SALE TERMS

Announcements made from the auction block during the sale take precedence over printed material in the catalog or other printed material associated with this sale. Anyone attending this sale attends at his or her own risk. Breeders and sale force will not be held responsible for any personal injury for attending this sale. We highly recommend you insure your purchase on sale day, if they stay at our ranch. All cattle sell under the Suggested Terms and Conditions of the American Simmental Association.

DELIVERY & IMPORTATION

If any of our Canadian customers have interest in specific bulls, Rust Mountain View Ranch will test the bulls prior to the sale at our expense so we can have delivery to Canada within the week of the sale. Rust will cover all importing expenses and delivery to the border crossing. Contact Rust or BMS for further information and to request specific bulls to be tested and paperwork started prior to the sale.

PAYMENT

U.S. Currency only, contact Graham Blagg at (530) 913-6418 immediately after the sale to receive wire transfer information.

How to Bid Online

Tips and Tricks to Master Online Bidding

STEP 1. Use Chrome or Safari, a newer browser or download the CCI.live app at Google Play or Apple App store.

STEP 2. Open your app or go to the address of www.CCI.live in your browser. CCI.live can be used on a cell phone, tablet, laptop or desktop. Some older models may not be compatible and will show a yellow caution symbol if so.

STEP 3. Create an account and then request bidding credentials through CCI.live. Use the bank information listed on your check. Please use a correct phone and email address.

STEP 4. Once you are accepted for bidding credentials you will receive a text message and/or email notification. Proceed to "Get Buyer Number" on the actual sale page of your interest. Some sales may also require a passcode to obtain a buyer number. On these auctions, you will obtain passcodes from the sale office phone number for the specific auction you are interested in. Please closely read the terms!

STEP 5. You are ready to go! Make sure you understand, once you are logged in, have a buyer number and are watching the sale that you are on a highly sensitive web page. **Be careful when scrolling that you do not accidentally hit the bid button and watch children closely as they tend to grab cell phones and accidentally bid.**

TIPS FOR SUCCESSFUL BIDDING

- Make sure you have good service. Bidding and driving is not recommended. You should have two - three bars on your cellular devices. At home you should have an UPLOAD speed of 2 mg or more UP. Use this site to test your internet: www.speedtest.net.

REFRESH YOUR SCREEN AT SALE TIME

If you have logged in over an hour prior to sale time, you may need to login again. DO NOT let the computer set idle and then return and try to bid, the website may have logged you out.

CCI.live does not accept payment, you will pay the sale management, farm or ranch direct.

Help videos can be found at www.CCI.live

BOHRSON MARKETING SERVICES

Scott Bohrson:(403) 370-3010

An outstanding opportunity awaits on Saturday, May 1 in Mercer, North Dakota as the Rust family hosts The Spring Turn-Out Bull Sale. The quality that RMVR annually produces is second to none with a dynamic cross section of embryo-transfer bulls that represent the best cow families in the industry. Cow power and maternal greatness is the backbone of this program and when you invest in genetics here, you are getting the very best that money can buy in these progressive breeds.

The Simmental section is elite and whether it is a cow bull or heifer bull that you seek, there are many options available. 6 direct sons of the infamous 8543U are available and those are genetics that are the breeds very best. Other W/C donors like 8598F and 8609F are represented as the maternal strength is endless throughout. The Y127 donor knocked it out of the park this February with the \$27,500 high selling son along with a daughter who topped last Octobers sale with full brother in this sale selling as lots 10 & 11. 202Z is one of the most famous Simmental donors in the world and she continually produces high sellers and is a cornerstone donor for the Rust program. The offering is stacked and continues on with influence from breed greats like Scream 215Z, Buck Cherry, Ava B408, M68 and 12W who are big time donors. To analyze the genetic power throughout this offering truly is impressive and when you lay eyes on the bulls in the flesh, it is a set of bulls unlike any other. A select offering of Red Angus & Charolais compliment the stacked offering of Simmental bulls and once again, they are backed by the best cow families in the industry.

The Rust family is truly one of the most genuine, salt of the earth families that are deeply passionate about the agriculture industry. Their desire to produce the best genetics for their valued customers is evident with this stacked set of bulls that they have invested into with confidence. They're awesome people to work with and with their stacked set of bulls on offer, it is an easy choice to make your next herd bull purchase at RMVR. If you can't make it sale day, feel free to contact the Rust family or any of the staff members to represent your needs in a professional manner but we hope to see you sale day in Mercer, ND.

Best regards,

Scott Bohrson

In the industry there are great cows and then there are legends-Miss Werning KP 8543U is a LEGEDARY Simmental donor. Generating nearly \$8 Million in actual progeny sale, 8543U is the highest valued Simmental donor in the business and continues to make a substantial impact on every segment of the industry. 8543U has produced as many promotional AI sires of impact as any other female in the breed. Sons of major influence would include W/C Relentless 32C, W/C Bankroll 811D, W/C Bullseye 3046A, W/C Executive Order 8543B, W/C Executive 187D, and W/C Night Watch 84E. Top daughters are working in some of the most established cow herds in North America. Here is a unique opportunity to invest in an own son of the legendary 8543U matriarch, sired by the \$435,000 Rubyls Currency 7134E. There is no question that this trio of brothers have the capabilities to follow an extensive AI protocol with outstanding results. Sound built, smooth made, eye-appealing herd sire prospects that are backed by generations of proven, time-tested, results driven genetics!

Rust Rio Grande 137H is a unique Purebred Red hided herd sire prospect that combines two of the highest dollar generating and influential females the Simmental business has ever known. 137H is an own son of the \$8 Million generating 8543U and sired by the \$60,000 Rust Rio Grande 7022 ET. Rio Grande was a past sale feature here at Rust Mountain View Ranch, commanding \$60,000 to KT Ranches and Canadian Sires. Rio Grande is the WFL Westcott 24C son from the iconic RF Certainly Flirtin 202Z, a leading matron produced at Rancier Farms. Progeny of 202Z would include the \$130,000 RF Supercharged 9150G, the \$60,000 Rust Rio Grande 7022, RF Certainly Flirtin 532C who sold for \$45,000, the \$55,000 RF Certainly Flirtin 740E, the \$42,500 RF Certainly Flirtin 528C, and the RF Certainly Flirtin 970G at \$45,000. 202Z has also has several grand progeny that have commanded top dollar at auction, including sons and daughters that have sold for \$65,000, \$62,000, and 30,000 respectively. 137H charts top 20% CE, top 15% Doc, top 3% YG, and top 3% REA. A true sale feature!

Introducing Rust Structure 557G and Rust Structure 101H, a pair of flush mate brothers to the \$27,5000 Rust Night Moves 100H. Rust Night Moves 100H was a featured lot in the 2021 Ace in the Hole Bull Sale at Rust Mountain View Ranch in February of 2021 and a member of the 2021 Cattlemen's Congress Reserve Grand Champion Pen of Three Purebred bulls. A full sister, Rust Ms Cut Above 002H was Canadian Donors selected in the Rust Mountain View Ranch Female Dispersal at \$11,000 in October of 2020. The dam of 557G and 101H is the prolific and stunning R&R Miss Cut Above Y127, a true matriarch within the Simmental breed. Her most notable accomplishment would be producing the North American Grand Champion Percentage Simmental Bull, FHEN Halftime A127, a true breeding bull that has left a monumental impact on the business. At the Black Hills Stock Show, she would be the dam of last year's Champion Simmental Bull that went on to be the high seller of all breeds. She too, produced a full sib to Halftime that commanded \$16,000 as a bred in "The One" 2 years ago. A proven, elite mating with an outcross pedigree twist!

Here he is... a full brother to the \$130,000 RF Supercharged 9150G! Supercharged was the \$130,000 high seller in the 2020 Rancier Farms bull sale to Westgold Simmentals and Canadian Sires. 404H is a combination of the two most prominent cow families in the Rancier Farms program. He offers a perfect blend of performance, muscle and maternal power. His dam is over \$800,000 in receipts to date and is backed by generations of great udders and huge bodied, efficient females. Rust Capacity 404H is a bold ribbed, dense bodied, thick ended herd sire prospect that will add value to any program!

Rust Proclamation 140H is a direct son of the \$44,000 RF Not Just A Flirt 404B, the Captain Morgan sired daughter of the great RF Certainly Flirtin 202Z. 404B produced the \$16,500 RF/Rust Backdraft 981G that was purchased by Polzin Cattle and Kevin Healy in 2020. 404B produced the \$62,000 RF/Rust Flirt 827F, as well as other progeny at \$65,000 and \$28,000. 104H is a homozygous black and polled Purebred that charts top 10% CED, top 15% WW, top 10% YW, top 4% ADG, top 15% Milk, top 2% Doc, top 10% CW, top 20% Marb, top 15% API, and top 10% TI. 140H holds true to his big spread on paper and upon visual appraisal, offering a moderate 78 pound birth weight and spreading to a 742 pound weaning weight. 140H is the number 1 weaning weight bull in his contemporary group boasting a WW Ratio @ 110. Pay attention to the cow family, genetic predictors, and phenotype that 140H offers on sale day!

LOT 15

Rust Right Now 125H is a true standout among the yearling bull division to sell on the first of May in Mercer, North Dakota. 125H is a stout featured, smooth made, sound footed son of the calving ease specialist Right Now. 125H is backed by the legendary RF Certainly Flirtin 202Z, a female that is hovering around the million-dollar mark in progeny sales! His dam, the \$18,000 Miss Rusgold 115F is sired by the great SVS Captain Morgan 11Z. 125H ranks top 15% CE, top 20% WW, top 10% YW, and top 2% ADG. A moderate birthweight combined with his genetic predictors and phenotype make him a calving ease option for use on well managed heifers.

Rust Finnigan 123H is a powerful, shapely, good looking son of DCR MR Finnigan F446. He is backed by the influence of Bailey's Buck Cherry, the \$40,000 high selling female from our female sale this past fall. Buck Cherry is the next generation from the famed Dreamy 946W cow family. 946W is the dam of the \$195,000 Profit sired female that was selected as the Grand Champion at the AJSA Nation Classic, the \$135,000 female that was selected by Freking and recently produced the \$230,000 Reset and the \$50,000 Lot 1 female from the Hartman Cattle Company customer appreciation female sale in 2020. Dreamy has produced countless other females that have sold from \$20,000 to \$100,000 over the last few years. Here is the opportunity to invest in a direct daughter of Buck Cherry, one of the hottest young Red hided Purebred Simmental females in the breed!

Rust Rio Grande 211H is sired by Rust Rio Grande 7022 ET, the \$60,000 son of RF Certainly Flirtin 202Z. He is an own son of the great RF Scream 215Z, the prolific dam of late BGS/BM Captain Scream 63D, the dominant Red hided Simmental sire that made a substantial impact on the business during his tenure at Black Gold Simmentals. After a dominant show run in 2016 being named Champion Bull at Lloydminster, Calf Champion at Farm Fair and Agribition as well as President's Classic Supreme Champion, he started his 2017 show season being named Supreme Champion at Lloydminster Stockade, Farm Fair, and Agribition Grand Champion. Due to his untimely demise, there was VERY limited semen ever available. Here is a monumental opportunity to acquire a maternal brother to the late Captain Scream that is sired by Rio Grande, combining the elite 202Z and 215Z cow families. Power in the blood!

Rust Depth Chart 200H is a powerful, bold bodied, deep sided son of W/C Depth Charge 0266E, the Red Answer son that we selected from Werning Cattle Company a few years back. 200H is a direct son of WSF Ms Yankee 13T 12W. Yankee was our \$76,000 purchase from Blairs.Ag that has been one of the most influential donors in the breed and her production can rival with the most elite. She has produced many great ones including the \$60,000 Bingo along with more sons at \$34,000 - \$16,000 - \$14,000, - \$10,500 - \$10,000 and a daughter at \$16,000 that was sired by King Of The Cowboy. We are offering our very best from the most proven cow families that have ever graced our program. Yankee is now deceased, this may be the last opportunity to acquire a direct son. Bid with confidence!

Rust Depth Charge 132G initiates the W/C Depth Charge 0266E sire group among the age advantage bulls to sell on the first of May. 132G is a dark red, bold bodied, deep sided, thick ended Purebred herd sire prospect that is backed by a young and productive Royal Red daughter that traces to the influence of TNT Miss Sadie M68. Depth Charge was our selection from the Werning Cattle Company bull sale a few years back due to his structural integrity, performance, and real-world functionality. Depth Charge is sired by the late Red Answer, the red baldy flush mate to the great Bullseye. 132G ranks top 25% YG and top 20% REA to compliment his length, shape, and rugged build.

*W/C DEPTH CHARGE 0266E - Sire of Lots 26-32*

LOT 27

128G is an absolute powerhouse son of W/C Depth Charge 0266E and backed by the influence of the great TNT Miss Sadie M68. 128G is a full brother in blood to Rust Depth Charge 132G, both backed by TNT Miss Sadie M68 daughters that are sired by NUG Royal Red 324A. 128G ranks top 5% WW, top 10% YW, top 15% ADG, and top 15% MWW. 128G is an impressive performance standout that boasts a WW Ratio @ 118. His dam, Rust Miss 6224D offers a WW Ratio @ 103 on 3 head to date. 128G is a surefire option to add pounds, pay weight, and genuine shape to a set of calves.

Rust Depth Charge 145G is a thick ended, square built herd sire prospect that offers tremendous shape down his top and from behind. He is a sound footed, flexible herd sire prospect that is another maternal grandson of the great TNT Miss Sadie M68, one of the truly great Red hided females to ever grace the pastures in Mercer, North Dakota. He boasts an WW Ratio @ 106. The dam of 1456G, Rust Miss 5215C has been a role model female in production with a WW Ratio @ 110 on 3 head. A daughter of 5215C sired by Loaded Up is working for Meadow Acres Farms in Lampman, Saskatchewan. 145G ranks among the top 5% Doc and top 25% Marb.

Rust Loaded Up 118G is the lead off son of W/C Loaded Up 79C, our selection from the Werning Cattle Company program a few years back. 79C is the result of arguably the most proven and profitable mating to ever be produced in Emery, South Dakota. 79C is sired by the six-figure valued W/C Loaded Up 1119Y and from the highest dollar generating female in the history of the breed, Miss Werning KP 8543U. This full brother to the \$205,000 W/C Bankroll 811D is just one of several sons from the great 8543U that has made a substantial impact on the breed and beef business. The dam of 118G is backed by the influence of Red SSS Duchess 692X, a past sale feature in the Queens of the Pasture sale and our selection from the historic Triple S program of Canada. 118G is a thick made, deep bodied, sound-built herd sire prospect that offers an eye-appealing profile to accompany his shape and dimension. 118G ranks among the top 3% Doc, top 3% YG, top 10% BF, and top 5% REA. A must see homozygous polled herd sire prospect on sale day!

W/C BANKROLL 811D - \$205,000 Full Brother to Sire of Lots 33 - 35

Rust Loaded Up 152G is a three-quarter brother to 118G, sired by W/C Loaded Up 79C, and backed by a stout made Red Rocket sired dam. The maternal side of his lineage traces to one of the most highly regarded cow families in the Red Angus breed. 152G is backed by the great Red Six Mile Siera 257P through the influence of C-Bar Siera X44. C-Bar Siera X44 is the FULL SISTER to Six Mile Sakic 832S, the famed sire of industry leading PZC TMAS Firestorm 1800 ET. X44 is full sister to Y27, another proven matriarch that has worked in the Rust Mountain View Ranch Red Angus division. 152G is a homozygous polled three-quarter blood SimAngus bull that ranks top 25 Doc, top 20% YG, and top 25% BF.

Rust Trump 131G is the lone Red Angus bull within the offering to sell on the first of May, but he is certainly deserving of your appraisal. 131G is sired by the National Champion, Damar Trump C512, arguably one of the most impressive mature Red Angus bulls we have ever laid our eyes on. The dam of 131G is sired by the tried-and-true Red Soo Line Power Eye 161X, the widely used sire in the industry that can add power, performance, and eye appeal in just a single generation. BKT Larkeisa M288 CK, the maternal granddam of 131G, was our selection from the storied Beckton Red Angus program of Sheridan, Wyoming. Rust Trump 131G is a big bodied, deep sided, bold ribbed, thick made herd bull prospect that is destined to leave behind a sensational set of red hided replacements!

We initiate the Charolais division with a direct son of TR PZC MR Turton 0794 ET, and backed by the powerful JCR Miss Duke 332 ET, produced in the Dikoff program and currently has over 45 progeny recorded with the AICA. A powerful set of flush mate sisters sold in our December 2020 Online Charolais sale, with Rust Ms John Wayne 0508H being a true brood cow prospect that we anticipate making a big impact in production. 602H is a long bodied, deep sided, bold sprung Charolais herd sire prospect that we believe will sire a set of market topping smoke hided steer calves that command a premium. He ranks top 25% for CE, top 25% BW, top 1% Milk, top 20% MTL, and came to the weaning pen with over 700 pounds of pay weight. While our Charolais division is quite small compared to the Simmental and Angus sectors of our program, you can rest assured that the same principles and guidelines have been implemented. Cow power always reigns supreme at Rust Mountain View Ranch!

TR PZC MR TURTON 0794 ET - Sire of Lot 37

LOT 38

**TR MR FIRE WATER 5792RET** - Sire of Lot 38 & 39

Rust Fire Water 601H and Rust Fire Water 600H are flush mate brothers from one of the all-time most productive females in the Charolais breed. 601H and 600H are sired by TR MR Fire Water 5792R, an individual that needs no introduction to any member of the seedstock business, let alone the Charolais breed. The reputation he has built within the last 15 years is bar none as monumental as any bull in modern history. The donor behind this flush, HC Rhinestone 5100, could be described as one of the most impressive bovines to walk the Northern Plains, her repertoire of progeny is highlighted by the herd sires, RMB TR Rhinestone Z38 and RBM Fargo Y111 who is employed at the Lindskov-Thiel Ranch. A Full Sister to Fargo Y111 and therefore daughter of 5100 just entered the limelight when she raised a \$102,000 daughter by Outsider for the Effling Family of CK Cattle in Highmore, South Dakota on their 2020 pasture sale. 601H and 600H are stout featured, heavy weaning Charolais herd sire prospects that are backed by an impressive dynasty of ancestors.
