

JCL Red Angus
FALL ONLINE SALE

OCTOBER 4, 2021 | CCI.LIVE

Extended bidding begins at 7:00 PM CDT

Welcome

Welcome to the 2021 Fall Online Sale. It has been a good year at JCL.

We have been fortunate to be both the premier breeder and premier exhibitor for Red Angus at both the 2020 American Royal Livestock Show and the 2021 Cattleman's Congress in Oklahoma City.

Quality is important to us. Our goal is never to be the biggest; quality is our first goal. We emphasize on structure in feet and udders, overall performance and disposition.

Meanwhile, more than 12 of the 19 heifers sold in the last years have gone to young, junior exhibitors from 8 states. Eight showed in the NJRAE (National Junior Show) and JCL Bred heifers won 4 classes and 2 Division Champions that day.

We've only been breeding Red Angus for 4 years – but we are proud of the breed, and the folks we have the honor to work with – young and old. We look forward to visiting with you or hosting you at the JCL barn to view this offering!

Kindest regards,

JCL Red Angus

Jimmy Linthicum, Sr. Cheryl Linthicum

111	87	24	13	-0.7	71	112	24

Snowflake is an all-around good girl . . . easy to work with, beautiful hair (even in the 100 degree heat of August). Like her full brother, JCL Bandito, she is super smooth although she is darker red than Bandito. Notice her strong EPD's for weaning and yearling. Full sister to JCL Bandito, a member of the 2020/2021 Show string. She has a pedigree that works . . . her mother is SO consistent. She's the kind that can work in the ring and in the pasture.

JCL Bandito - Full Brother to Lot 1

PRS	HB	GM	CED	BW	WW	YW	MILK
119	85	34	14	-1.6	75	122	35

Have a wish list? Sparkle may check a lot of boxes... EPD's, plus structure, plus depth of rib. She's from Northline Tucker, the Champion bull at the 2020 Fort Worth show. Her dam is the \$54,000, top selling female from the 2017 Denver Champion... Royce's Sensational. She is now deceased, so if you want a daughter, get her now! Take a gander at her EPD's... Tough to find this EPD/pedigree/structure combo.

Red Northline Tucker 54E - Sire of Lot 2

85	48	37	13	-2.3	64	106	24

So deep red, she almost looks black in the morning light. Cheryl's favorite heifer. . . that's why we are only selling half. Why? Sweet Cherry Pie has brood cow in her pedigree, a daughter of PIE Milestone and a great young cow in the herd. She has the topline, fore and rear rib, and natural correctness of foot and flex that can make herd bulls. Such a cool pedigree – so many matings are possible. JCL Sweet Cherry Pie is entered in the American Royal.

Lot 4
OPEN HEIFER

One of JCL's favorites from her first days... Babe is a half sib to Chanel, from Northline Tucker – the Fort Worth Champion Bull in 2020. Babe is a daughter of top donor, Lazy MC Lorin (mother of JCL Fire N Ice, JCL Jacqueline, JCL Jackie-0 and more). She is classy, and has really grown a lot since this picture of 9/6/2021. We think you'll like her in person, and on paper! She has hair like crazy in AUGUST. Imagine what fun you will have this Fall and Winter! JCL Babe is entered in the 2021 American Royal.

Need a little spice? How about a heifer that can show in 2 breeds? She's a 50-50 half Purebred Limousin (from our last, red Limousin cow), and half Red Angus (sired by Tango). Note her dual registration and get ready . . . you can pivot between the Limflex shows and the % Red Angus shows (which are becoming more numerous and popular by the month). Look at her pattern and shape. . . She's on track... to make a splash... in the long run.

TWG Tango 156D - Sire of Lot 9

The Bred Females

Up to this point, we have only offered show heifer prospects and bulls in our sales. Buyers have asked us to sell some bred heifers and young cows. We went through the herd and selected a few to offer. Each female is AI'd safe to a JCL Bull with semen that is unavailable on the open market.

A daughter of the \$105,000, 9 Mile Franchise, "Mimi" as we know her, comes from the famous C-Bar herd in Kansas. Mimi's first daughter is now a show prospect in Texas. Mimi herself is a beautiful fronted, modest framed cow with a perfect udder. She's bred to JCL Polo – Our Calf Champion at the 2021 National Red Angus in OKC (semen has not been made available to the public). This is your opportunity to calve one of the first JCL Polo babies ever born, and from Mimi, a young gal with a rock solid pedigree. Calf due in April, 2022.

AI'ED TO JCL Polo (RAAA# 4331181) due 4/20/22

Damar Mimi W085 - Legendary Maternal Granddam

The Genetic Offering

“Do you sell embryos?” That is a common question that Jimmy and Cheryl often receive. Honestly, we have been growing and couldn’t spare much from the heart of the herd. . . until now.

Here is a cross section of some of our matings. . . to a variety of exciting sires. We specifically chose both conventional (non-IVF) and some IVF to offer to you.

Embryos are a great way to try a new pedigree line, and good to have in the tank as a bit of “insurance” when you have open recipient cows, and nothing good to put in the cows.

Where is Fire N Ice? The most mentioned cow at JCL. JCL Fire N Ice was one of the very first Red Angus born at our place. She's only 3, but already managed to work her way into the spotlight. The mother of JCL Molly (Winter calf champ at the 2021 National Open Show, class winner at the 2021 Junior National Heifer Show), JCL Polly (Champion Red Angus and Reserve Supreme Champion at the 2021 Nebraska State Fair), JCL Dolly (class winner at the Junior National heifer show and Breeders Futurity, 2021). The sire is Duff Red Bear... the \$80,000 high seller owned by Trademark Genetics and Pure Beef Genetics. A young bull known for modest birth weights on his progeny that develop with structural soundness, expressive shape and power. **3 x Conventional Embryos**

JCL Polly - Maternal Sister to Lot 15 Embryos

Embryos by Sensational

EMBRYOS

MCPHEE NEW REVELATION

Dam **ROYCE'S SENSATIONAL 14**

JST RUBY'S ROBIN

Royce's Sensational was purchased for \$54,000 in the 2017 Denver Mile High Sale. Sensational comes from the McPhee Red Angus herd of Lodi, California. The McPhee family are long-time Red Angus breeders known for cattle that consistently reach the top 25% (or higher) in breed EPDs. Sensational had been a winning show heifer for Royce McPhee. In short, she embodied structure + performance. She was known as the EPD Queen at JCL. Sensational has passed on, but 2 daughters remain in our herd. Another (JCL Peggy Sue) is offered as a bred cow. Here's an opportunity ... to buy in on the late but great Royce's Sensational, this opportunity will not come around very often!

Miss Ponderosa came to join our herd less than a year ago, and impressed she is a big, deep-sided, sound cow. She is from the herd of Ressler Land and Cattle Company in North Dakota. She came to us with a heifer calf at side that we named JCL Raspberry – she went on to sell to Radford Lewis of Jacksboro, Texas for \$7500. We love Miss Ponderosa’s structure, look and performance. She’s mated to Duff Red Wood, a bull owned by Pure Beef Genetics. We hear good reports, and see great things from this young sire’s early calf crops. We are putting in some of these embryos ourself, luckily Ponderosa is so productive that she made enough that we could share.
