Welcome

FROM HARTMAN CATTLE COMPANY

With the cooperation of fellow breeders from 10 different states, we are proud to bring you what we feel is one of the strongest and most dynamic sets of females that we have ever offered in this event. We have always placed great selection pressure on the cattle in this sale. It is in our interest that every single animal can contribute to breed improvements.

We believe each one of these heifers offer the phenotype necessary to impact future generations of Simmental cattle. Cattle from past sales have made a great accounting for themselves. You will note while studying this catalog that many heifers selling are supported by dams and grandams that have sold through this sale. This speaks volumes for the productivity and profitability of cattle sold in the Customer Appreciation Sale.

Here at Hartman Cattle Company, we place strong emphasis on structural soundness, fleshing ability, and phenotypic eye appeal. These components will outlive any trend. With that in mind we wholeheartedly recommend this sale offering. As always, we invite your inspection of the cattle. If we can be of assistance, please give us a call. We look forward to seeing each of you on December 11, 2021 as we celebrate our 25th Anniversary Customer Appreciation Female Sale.

Respectfully,

Mike Hartman

- We initiate the 25th Anniversary HCC Customer Appreciation Female Sale with a female that represents the most proven, predictable, and profitable genetic lines that stem back to Tecumseh, Nebraska. Al Swanson invested \$50,000 in the 2012 Hartman Cattle Company Customer Appreciation Female Sale to acquire WAGR Panarama 204Z. She has evolved into one of the top dollar generating Simmental females in the history of the breed.
- WAGR Panarama 204Z is product of the famed MR HOC Broker x 3C Melody M668 mating that has yielded countless champions, high sellers, and individuals of influence. WAGR Panarama 204Z is a maternal sister to the legendary WAGR Driver 706T, WAGR Lullaby 703T, and WAGR Dream Catcher 03R to name a few of Melody's most notable progeny.
- SWSN Panarama 51J is a stunning April born daughter of 204Z that is sired by the record selling \$530,000 herd bull SO Remedy 7F. WAGR Panarama 204Z is the dam of the \$400,000 Profit, \$350,000 Justified, as well as the \$130,000 Panarama 52C that was the 2016 NAILE Reserve Grand Champion Purebred Simmental and 2017 NWSS Reserve Grand Champion Purebred Simmental for Miranda Raihel and Herbster Angus Farms. Panarama 451C, another full sister to Profit, was also selected by Herbster Angus Farms for \$200,000. SWSN Panarama 900G is a member of the Freking Cattle Company donor battery and recently produced a \$30,000 heifer calf sired by MR CCF 20-20 in August.
- Without a doubt one of the most unique females to ever be offered at Hartman Cattle Company. The generating potential of 51J is simply unrivaled!

SWSN MAGNOLIA 118J

- SWSN Magnolia 118J is an April daughter of the \$530,000 SO Remedy 7F that is backed by the famed SJF Countess 118Y tribe.
- The maternal side of 118J incorporates the influence of the \$200,000 MR TR Hammer 308A ET, one of the truly great breeding bulls to ever call home to Hartman Cattle Company. The Countess cow family has served as the foundation of the breeding program in Tecumseh since the introduction of Simmental genetics to the program in 2009.
- WAGR Driver 706T also supports the maternal side of this female's lineage. There is no denying the strong maternal impact that WAGR Driver 706T has had on the Simmental breed.
- SWSN Magnolia 118J is a sharp featured, bold centered female that sets to the surface with confidence and ease. One of the standout SO Remedy 7F daughters to be offered this fall!

- 4/B Miss Remedy 126J is a stout featured, robust bodied, square built daughter of the record selling \$530,000 SO Remedy 7F. She defines the fundamentals of what a brood cow should be!
- The dam of 126J is 4/B Miss Step Up 64B, the WS A Step Up X27 sired daughter of GLS Miss Tammy Z36, one of the true power cows to come out of the Grass Lunning Simmentals program.
- 126J is a March show heifer/donor prospect that offers an outcross pedigree to the major sire lines at Hartman Cattle Company. Her mating flexibility in this set of females would be unmatched, due to the absence of Profit, Driver, Hammer, and many other popular and proven sire choices in the HCC herd bull battery.
- We admire her stoutness of foot and bone work, genuine base width, and stoutness of hip and pin set. There is no question that SO Remedy 7F has exceeded expectations with his rookie calf crop, and we anxiously await the day that his daughters enter production.

- LKCC Miss Crysteel's Remedy 44J is sired by the \$530,000 SO Remedy 7F, the 2021 Cattlemen's Congress Grand Champion Purebred Simmental Bull.
- BF Crysteel Tango has recorded over 80 progeny with the American Simmental Association Herdbook and continues to remain a prolific producer at 10 years of age.
- The most notable progeny of BF Crysteel Tango would include the \$100,000 Firefly 311A, the \$120,000 Lady Di, the powerful donor dam that is employed in the Swanson program, the \$70,000 VCL LKC Dagger 605D, Thor 503C, VCL LKC Profit Maker 604D, and VCL LKC Dagger 605D.

- 218J is sired by the \$530,000 SO Remedy 7F and compliments the consistency with equal relevance on the south side of her lineage. The dam of 218J is VCL LKC Crysteel CeeCee 513C, the WS Pilgrim H182U daughter of the \$114,000 BF Miss Crysteel Tango that was crowned 3rd Overall Purebred Bred & Owned Female at the 2016 AJSA National in Des Moines, Iowa for Stephanie Kersten.
- A full sister to the dam of 218J is the \$100,000 Firefly 311A, the prolific dam of the \$185,000 ACLL Fortune 393D. Several other daughters from BF Miss Crysteel Tango have been put to work in the donor pen at some of the Nation's most respected operations.
- If you are on the search for a female that will competitively show and dominantly produce, then look no further! The cow family that supports this future breed matriarch have credentials that are simply unrivaled!

BAILEY'S WILDEST DREAM 101J

- It is no secret that Bailey's Ms Dreamy 946W has wrote her very own chapter in the Simmental history books. Bailey's Ms Dreamy 946W is a breed leading donor from Bailey Livestock at Towner, North Dakota. She is without question one of the highest dollar generating Simmental females in history!
- Maternal sisters to Bailey's Wildest Dream 101J have sold for \$195,000, \$135,000, and \$45,000 in Tecumseh. Bailey's Profit's Dream topped the sale at \$195,000 selling to Sara Sullivan of Dunlap, Iowa. She was named Grand Champion Purebred at the 2018 AJSA National Classic in St. Paul, Minnesota.
- Bailey's Ms Dreamy 946W has generated more than a million dollars in progeny sales to date. The list of high sellers and individuals of influence continue to accumulate.
- Bailey's Wildest Dream 101J is sired by the \$530,000 record selling SO Remedy 7F. Remedy was selected as the 2021 Cattlemen's Congress Grand Champion Purebred Simmental Bull this past January. We admire the natural mass, dimension, and stoutness that 101J possesses, while maintaining the signature "Dreamy" look of style and maternal prowess.
- Very few females can generate with the consistency at the level that Dreamy has for the past 5 years.

BAILEY'S DREAMWEAVER 123J

- Pedigree, pedigree, pedigree! Bailey's Dream Weaver 123J is a product of the famed Profit x Bailey's Ms Dreamy 946W mating that has yielded as many high sellers and show ring champions as any single mating ever offered at Hartman Cattle Company.
- Bailey's Profit's Dream topped the sale at \$195,000 selling to Sara Sullivan of Dunlap, Iowa. She was named Grand Champion Purebred at the 2018 AJSA National Classic in St. Paul, Minnesota. She has followed in the footsteps of 946W since entering production. This fall she produced a \$90,000 heifer calf, JSUL Some Dream 1315J, that was sold by Schaeffer Show Cattle of Indiana.
- A full sister to 123J, Bailey's Dream Girl, was selected for \$135,000 and has become a staple in the donor pen at Freking Cattle Company. In 2020 she produced KTE FL Hazel 1H ET, sired by the \$200,000 EC Rebel 156F that sold for \$50,000 to Eagles Crest Cattle. Dream Girl is also the dam of the \$230,000 high-selling bull in the 2021 Hartman Cattle Company Bull Sale that was purchased by King Cattle Company of Indiana.
- An elite January show heifer/donor prospect that has the build to carry on the tradition of excellence set forth by Bailey's Ms Dreamy 946W!

- Ladies and gentlemen, we present an own daughter of the \$400,000 Profit that is from the famed JBSF Proud Mary matriarch that calls home to Sullivan Farms.
- The result of an embryo purchase, this stunning February show heifer/donor candidate was raised by Jackson and Adcock, two well-known and decorated programs in the business.
- JBSF Proud Mary was Grand Champion Purebred Simmental at the 2016 AJSA National Classic, 2016 Iowa State Fair Supreme Champion Female, 2016 NAILE Grand Champion Simmental Female in the Open and Junior Show. Since entering production, Proud Mary has produced countless high sellers, national champions, and individuals of influence within the business, including the widely used AI Sire, Something About Mary, "S.A.M." that is sired by Relentless.
- One of the most acclaimed daughters of JBSF Proud Mary is JSUL Mary is Proud 8047F, sired by Quantum Leap. She was Calf Champion and Reserve Overall Purebred Simmental Female at the 2018 NAILE Open Show and she also went on to be selected Grand Champion Simmental Female at the 2019 FWSS Open Show. During the summer of 2019 she was selected as the Grand Champion female in the Jr Sweepstakes show in Louisville, Kentucky and was also selected as the Grand Champion Purebred Female at the 2019 American Royal. Most recently, JSUL Leaping Proud 0117H, another JBSF Proud Mary daughter was selected as the 4th Overall Purebred at the 2021 AJSA National Classic for Sara Sullivan.

CAMPBELLCO CINDERELLA 29J

- Each summer Dalton makes a road trip East, he checks in weekly with reports on what he has seen and what sire groups are working the best. There is no doubt that when he called the day he loaded this Profit daughter at CampbellCo he had a different tone in his voice. This female is the real deal!
- Sired by the \$400,000 Profit, this January prospect defines the fundamentals while offering the extra bells and whistles that it takes to stand out in today's competitive industry. A full sister to 29J was the intriguing red baldy female that was selected as the 2019 NAILE Division I Champion for Fitz Genetics of Oklahoma.
- The dam of CampbellCo Cinderella 29J is a stout made daughter of the triple crown winning MR HOC Broker, a sire group that simply cannot be denied.
- The Cinderella cow family also produced the \$87,500 MLJM Patron 17H, one of the featured lots in the 2021 HCC Bull Sale that sold to Maple Lane Farms of Indiana.
- We love the foot, the bone, and the power that this female possesses. She is square in her pin set, long hiped, robust in her upper rib cage, and near flawless in the way she is designed about her lower third. A very complete and fault free female!

- There are few individuals that can combine so many unique traits, all the while remaining so functional and fundamentally correct built.
- She is more than just a pretty face... her pedigree certainly adds to her campaign. Her dam is the great LAH Mignonne 243Z, an own daughter of the late \$100,000 WAGR Upside 020X, tracing to the immortal 3C Melody M668 BZ. Melody needs no introduction as one of the premier matriarchs the Simmental breed has ever known. Melody has generated more than a Million dollars in lifetime earnings. LAH Mignonne 243Z was bred in the Horstman Cattle Company program in Lafayette, Indiana. 243Z is a direct daughter of the foundation PRC Looking Good T94 matron that was bred in the Conley/Penner program at Sulphur, Oklahoma.

SCARLET ANGEL 135J

- The lone red head of this year's offering, but quite possibly the best red hided female that we have ever offered in Tecumseh. We will cut to the chase and say it, this mating flat works... every single time!
- Scarlett Angel 135J is a full sister to many greats, including the \$110,000 high seller from the HCC 2020 Customer Appreciation Female Sale, Perfect Angel 58H. That female went on to be selected as the 2021 Indiana Stock Show Supreme Champion Female Overall Breeds for Colby Sinclair.
- Another full sister to Scarlett Angel 135J is the 2018-2019 Triple Crown winning, Mari 785E that was expertly campaigned to the Grand Champion titles in both the Junior and Open shows at the 2018 American Royal, 2018 NAILE, and 2019 NWSS by Jack Dameron of Illinois. Now in production, Mari 785E has followed in the footsteps of her dam and has produced several high sellers this Fall between Bloomberg Cattle and Red River Farms.
- The iconic donor dam of 135J, Angel 1B was selected for \$15,000 in 2014 and went on to be selected as the Supreme Champion Heifer at the 2015 Nebraska State Fair.
- Several positive adjectives can be used to describe the presence that she displays, but we believe she defines the word elite.

- 4/B Miss Profit 175J is direct daughter of the \$400,000 Profit that is supported by the TLLC One Eyed Jack x 4/B Miss Upgrade 10B mating on the maternal side of her lineage.
- The dam of 175J, Miss Upgrade 10B, is a cornerstone female in the 4/B program at Sioux City, Iowa. A daughter by W/C Relentless 32C topped the Foundation Female sale for \$20,000 selling to the Spangler family of Illinois. Two daughters of 10B that were sired by W/C Bankroll 811D were sale features in "The One" sale at the National Western Stock Show, selling to Triple D Cattle Co. and Nickolas Wiley.
- A maternal sister to the dam of 175J, 4/B Miss Quantum Leap 20H, was a featured lot in the 2020 Hartman Cattle Company Customer Appreciation Female sale where she commanded \$29,000 to Foster Bros. Farms in Lockney, Texas.
- 175J is a big footed, stout boned, square pinned show heifer prospect that we admire for her genuine athleticism, structural integrity, and bold maternal look.
- Profit daughters have proven that their true value comes once entering production. The high selling bull in the 2021 HCC Bull Sale was out of a Profit sired dam. Tremendous return on investment opportunity awaits!

BEJV MS PROFIT J008

- Emphasis on pedigree relevance, generating capabilities, and dollars earned would be among the forefront of selection pressure at Hartman Cattle Company once they pass the oldest and most reliable evaluation process of all time... visual appraisal.
- The dam BEJV Ms Profit J008 was the featured lot 1 female in the 2018 HCC Customer Appreciation Female Sale. She was selected by Mike Moser and Al Bruhn, two astute cattlemen that know how to breed the good ones.
- STN Miss Star Light is the TJ High Calibre 556B sired dam of lots 14 and 15. STN Miss Star Light is a maternal sister to the \$300,000 TL Bottomline and the \$250,000 TL Ledger. Miss Star Above has been the cornerstone of the Tree Lane Farms Simmental donor battery, with countless daughters employed by some of the top programs in North America.
- Her look and confident presence set her into a league of her own!

- When this female sets herself into motion the word "pristine" comes to mind when describing her balance, eye appeal, and structural integrity. Plain and simple, the lone EC Rebel 156F daughter is one of the most intriguing individuals ever offered at Hartman Cattle Company!
- EC Rebel 156F is the \$200,000 promotional sire for Freking Cattle Company that has evolved as one of the great breeding Profit sons we have ever used. Rebel progeny have commanded top dollar at public auction, with daughters selling for \$75,000, \$55,000, \$34,000, and \$20,000 to name a few of the highlights.
- FRKG Countess 924J is backed by the \$40,000 HCCO Countess 924G, the MR CCF Vision daughter of the great Limestone Brylee 125B. 924G produced a full sister to Lot 16 that was purchased in the 2021 Summer Gala that sold for \$34,000 to Tod Quiring.
- True genetic consistency can be identified on both sides of this female's pedigree. The dam of EC Rebel 156F has produced \$405,000 to date with four calves registered to her name. The dam of 924G has yielded four natural calves for an average of \$19,000 per head!
- Cow family, structural integrity, eye appeal, and presence. . . FRKG Countess 924J checks all the boxes!

LAA LJR EBONY CROCUS 3171J ET

- LAA LJR Ebony Crocus 3171J is another daughter of the now deceased Embryos on Snow high seller, JBSF Berwick 41F. A powerful blaze face female that maintains a balanced and smooth look from the side.
- The rookie calf crop from Berwick has been met with high demand this Fall and we believe that this pair of Texas natives are sure to impress. 3171J is bold and three-dimensional in her rib cage, deep bodied, and offers tremendous width and squareness about her hip and pin set.
- 3171J traces to the prolific ETR Ms Black Crocus L105 matriarch via the influence of FBFS Sobe 622S. L105 is the dam of the great HPF Ms Crocus U326, a featured donor in the historic Hudson Pines program that now works for White Farms in Oklahoma. U326 is the dam of the \$40,000 Card Up roar 49Y daughter that was a National Western Stock Show division champion, HPF Ms Crocus A083.
- SNF Miss Ebony Crocus Z06, a daughter of FBFS Sobe 622S, was purchased through The Black Label in 2013. She was a sale feature that was massive in her type and kind, bold bodied, and dense made.

FRKG COUNTESS 915J

- FRKG Countess 915J is the lone daughter of the CK Cattle and Wager Cattle herd sire, Outlaw, in this year's offering. Outlaw has done an excellent job during his tenure in South Dakota. Outlaw is sired by the now deceased \$100,000 WS Pilgrim H182U and backed by one of the most productive and highest dollar generating half-blood Driver daughters at Hartman Cattle Company. Outlaw has evolved as a heifer safe option. Outlaw is a true athlete, and his daughters might just be his most valuable attribute!
- SJF Countess 130Y has never been flushed during her tenure at Hartman Cattle Company yet has produced more than \$100,000 on natural calves. Her high sellers list would include progeny sold for \$40,000, \$30,000, \$15,000, \$12,500, \$10,000, \$9,750, \$6,500, and \$5,500.
- 915J was raised by a tremendous two-year-old dam sired by the \$250,000 TL Ledger that was bred in the Vogler Cattle Company program. 915G is backed by the TR MR Hammer 308A ET x WAGR Driver 706T genetic combination.

- The dam of 432J is sired by the tried and true MR HOC Broker, a sire that has left a monumental impact on the beef cattle industry from coast to coast and border to border. During the early years, Broker daughters won our hearts with their captivating presence as they dominated the field at every major jackpot, state fair, and stock show in North America. Little did we all realize that MR HOC Broker daughters would secure their place in the donor pen of some of the most progressive breeding programs in all the land.
- The common remark in Oklahoma City this past January was that SO Remedy 7F is the most impressive mature bull they had laid eyes on since MR HOC Broker was selected as the triple crown winning bull in 2012-2013.
- 432J is the exact type and kind of female that we anchored our program around. She is bold centered, stout hipped, big topped, and offers the chiseled look of femininity about her front third that we can all agree on!

BS Classy 101J combines the best of both worlds when it comes to the individuals that line her pedigree. 101J is a direct daughter of the \$400,000 Profit, the top producing son of the immortal WAGR Panarama 204Z, who is also the dam of the Lot 1 female in this sale.
- The dam of BS Classy 101J is a daughter of one of the Angus breeds most well-known cow families to ever call home to Yukon, Oklahoma. C&C Winnie 2048 is the dominant producing Angus female that is jointly owned by Express Ranches, Callahan Cattle, and Blind Badger Ranch. The maternal great grandam of 101J is the dominant RAC Winnie 7456, making C&C Winnie 2048 a full sister to the six-figure valuation C&C McKinley 3000 EXAR. McKinley's most notable son would be the popular Gateway Follow Me F163... are you seeing a trend here?
- It gets better... the dam of 101J, BBRS Ethel 758E is a maternal sister to the 2018 NAILE ROV Grand Champion Angus Bull and 2019 NWSS ROV Reserve Grand Champion Angus Bull, C&C Intuition 7104.
- BS Classy 101J has the credentials to be an ultra-competitive show heifer, but her value will come in production.

MISS JASMINE 192J

- A beautiful strip faced daughter of the \$325,000 SWSN Cash Flow 81E that offers a commanding presence. 192J is a late March three-quarter blood SimAngus female that is backed by a daughter of the \$200,000 MR TR Hammer 308A ET maternally.
- Miss Jasmine 192J is so elegant in her design about her head and neck, clean chested, flat shouldered, and transitions into a robust forerib and center body. She sets to the surface with a flawless design to her hip and hind leg, while maintaining a square and wide pin set.
- 192J possesses the captivating look of balance that we have come to expect from half-blood cattle yet is just a single generation away from producing Purebred progeny.
- We admire this female's build, look, and design. She will be a contender when it counts!

EVERHARTS PIXIE

- Everharts Pixie is the lone Angus sired female of this year's offering and is certainly one to closely evaluate if you're looking for one that will be in the mix at the end of show day.
- The sire of 371J is the widely popular Colburn Primo 5153, while her dam is the tried-and-true matriarch known as Everharts Foxy!
- The mesmerizing presence, robust rib design, and flawless silhouette of balance collectively make this half-blood SimAngus female one of the greatest Percentage Simmental females to ever sell in Tecumseh!
- 371J has become an early favorite of many that have been through the offering, and we certainly wouldn't argue if she was yours.
- Everhart's Roxy, the \$67,500 maternal sister to Lot 29 was selected as the 2021 Hoosier Beef Congress Reserve Grand Champion Purebred Simmental and the 2021 IN State Fair Grand Champion Purebred Simmental for the Hendrickson family.
- A Purebred maternal sister to Lot 29 sells as Lot 11... this cow family never misses!

MDAY MARY KATE 706J

- MDAY Mary Kate 706J is the W/C Relentless 32C sired 5/8 Percentage Simmental female that is backed by the Gambles Safe Bet x MR HOC Broker combination on her maternal side. 706J is further supported by S&S Mary Kate 624D.
- This SimGenetic female is a creature to say the very least! She is extra big footed, stout boned, and square built. If her silhouette from the side isn't enough to draw in your attention, then set her in motion and attempt to pick her apart. Flawless on the go, as she ties together seamlessly from end to end. Additionally, 706J has been blessed with an extra high quality hair coat that adds to aesthetic appeal.
- 706J is long hiped, smooth made, and offers a maternal muscle pattern. She combines the genetics of two sires that have produced as many National Champions as any two Simmental bulls in the last decade.
- Some would say we saved "the best" for last in the Percentage division... we'll let you make the call on sale day!
