ONLINE BROADCASTING

Watch and bid online at CCi.live

Fellow breeders and guests,

We welcome you to the Clear Vision Spring Production Sale at C&C Farms! We firmly believe that this set of show heifer/donor prospects may very well be the deepest and highest quality set that we have ever offered. Additionally, we are proud to offer a set of spring calving females that are from the heart of our respective operations. The pedigree, phenotype, and potential that support this set of females is second to none! We welcome you to the farm in Winder, Georgia to evaluate this set of cattle for yourself. I urge you to study with utmost attention to detail in this select offering.

C&C Farms has developed a very solid reputation over the years. We know that our pursuit for excellence and perseverance to win have led to many backdrop photos for us and our clients alike. We have maintained a dominant presence over the years on the tan bark and have earned the utmost respect from our peers and fellow breeders. Bulls like Vision, 20-20, The Duke, and Clarified (to name a few) have raised the bar for multiple programs nationwide with a whole lot of repeat use. Between the covers of this book, one will notice two primary cow families being Fantasy and Jestress. These two matriarchs have made us what we are today and with several daughters in production, we feel very secure with our breeding program that we will remain in the forefront for years to come.

We are very excited about this offering as we feel it is one of the very best, we have ever assembled. A huge thank you to our guest breeders and genetic partners that make this event possible with their quality stock. This year has had its challenges for our family, and we can't thank our closest friends and family enough for all the prayers, support, and assistance through those times. There's no doubt that the good lord has had his watchful eye and graceful hand on our family, without our faith and family, the rest doesn't matter.

Respectfully,
Dwight Cooper

The Clear Vision Sale Group

INNOVATION

— AgMarketing, LLC —

Ladies and Gentlemen,

It is certainly a pleasure to welcome you to the 2022 Spring Edition of the Clear Vision Sale hosted by C&C Farms. The Cooper family has put their absolute, best foot forward without question. The sale partners that they surround themselves with have assembled an excellent set that is very complimentary to what was produced on the Georgia pastures owned by the Coopers.

The cattle that carry the C&C Farm prefix have continued to dominate the field year after year throughout the Southeast, and the females that have left the region have found tremendous success across the country for the families that have trusted in these genetics. The most recent victory would have come in Perry, Georgia where the Miss CCF Jestress H031 females continued her winning ways on the tan bark. She was selected as the 2021 Georgia National Supreme Champion Overall Female for Morgan McDaniel and family!

The CCF influence can be identified throughout the business. The Cooper family has proven to be resilient in their relentless pursuit of breeding the “good stuff” in the business. AI Sires such as Vision, 20-20, The Duke, and Clarified have influenced the business within the breed and this offering consistently. Multiple sons and daughters by 20-20 have bested the marketing field this year and they continue to chip away in C&C fashion. The cattle produced here are what they are from day one with no extras offered and that’s why they continue to get better every day they are alive with max potential realized at the right point of maturity. These cattle are consistently sound with the right skeletal design, good feet, great running gear, with the right amount of body and power to maintain overall balance and kind. They are simply the kind that win and the kind that build programs in the continuation of their great cows that back each lot in this offering.

This is your opportunity to add a shot of the Fantasy, Jestress, Above & Beyond, Blackbird and many of the great cow families in the represented programs to your operation. There’s no doubt that the stock in the offering can gather banners and generate ROI post show career, so don’t let this offering pass you by if you are on your search for excellence in stock and people. Consider this your open invitation to join us in North Georgia on Friday night, March 11, 2022!

Enjoy the stock,

Graham Blagg Jared Shipman Tim Anderson

TERMS & CONDITIONS

All lots sell in accordance with the suggested guidelines of the American Simmental Association. Announcements made sale day from the block during the sale take precedence over printed material in this catalog. Payment will be accepted in the form of cash, cashier's check, or check. All cattle must be paid for prior to release. All funds are to be paid to Innovation AgMarketing, LLC in U.S. currency. No cattle will be transferred, delivered, or released without full payment. In the event you need expedited registration paper transfers please make plans to pay in full on sale day. All sales are final.

INSPECTION

Sale cattle will be available for inspection at the sale site all day on Friday. Please call to schedule an appointment to view the offering anytime prior to March 11, 2022.

INSURANCE

Jame Secondino-Krieger (812) 208-0956
James F. Bessler, Inc. (815) 276-2641

LIABILITY

All persons attending this sale do so at their own risk. The owners, auction service, or sale staff assume no liability for accidents or property loss. Cattle become the property of the buyer when sold.

HEALTH PAPERS

Interstate Health Papers will be available on all cattle selling. Canadian buyers are appreciated and welcomed, but all tests and board will be at cost.

ANNOUNCEMENTS

All announcements from the block will have precedence over the materials printed in this catalog. The auctioneer will settle all bidding disputes.

TRUCKING

We will assist in your trucking needs. We will have reliable truckers on site. Trucking will be coordinated at the best rates and in a timely manner in consistency with settlement.

Dick Coleman: (765) 461-0954

REGISTRATIONS

All cattle with a registration number listed for their respective breed will be transferred to the new owner in a timely manner following settlement.

ONLINE BROADCAST

Online Broadcasting will be provided by CCI.live

Lot 1 - MISS CCF IMPRESSION

We initiate the 2022 Clear Vision sale with a set of ET flushmate sisters that are from arguably the most consistent SimGenetic mating that has ever been produced at C&C Farms. These flushmate sisters are sired by the widely popular WLE Copacetic E02, one of the most consistent breeding sons of HPF Quantum Leap Z952. The dam of these sisters is the prolific Miss CCF Jestress B79, affectionately known as "Diddo". B79 is one of the most dominant females that we have ever campaigned and there is no denying that she has followed in the footsteps of her great dam, JAS Jestress 9015, when it comes to production. A full sister to these females, Miss CCF Jestress H301, is the many times champion across the region for the McDaniel family, with countless victories at the most competitive shows in the state. She was selected as the 2021 Grand Champion Heifer at the GA National Fair. Another full sister to H301 followed her to the backdrop at the 2021 GA National Fair where she was selected as the Reserve Supreme Champion Heifer. This mating also produced the decorated Champion that was campaigned by the Arthur family of Oklahoma. She was the 2021 American Royal Reserve Grand Champion Percentage Simmental Heifer, Kansas Beef Expo Reserve Supreme Champion Breeding Heifer, and found the winners circle at the 2022 Cattlemen's Congress. These females are bred in the purple, and we are proud to offer one of the deepest and most elite sets of SimGenetic females to ever originate in Jefferson, Georgia... Bid with confidence!

Lot 5 MISS CCF EVIDENT

Out of the Jestress B79 "Diddo" donor and sired by W/C Executive Order 8543B... the mating that keeps on giving! Full sibs have won across the nation. A few wins to mention, Reserve Champion Percentage female 2019 Jr. Nationals, Supreme Champion female 2019 Georgia National Fair, Champion Percentage bull 2021 Simmental Breeders Sweepstakes. Past the banner hanging these females and herd sires are going on to write their own stories in the programs they are working for. Evident has some big shoes to fill but she is up for the challenge. One major attribute to the B79 progeny is that they just get better with time. When you have the quality build that this one has, you can only move forward. Her head, neck, and shoulder blend together very well. The hip, pin width, and hind leg set is on point and her center body matches the build. It's EVIDENT that she is up for any task.

Lot 6 BELIEVE IN D J40

This pays to believe daughter of Miss CCF Double D D101 is awesome haired and just as sound as her mom was. Very symmetrical and balanced as they come. She's way laid back and is the one for a first-year showman. We're not crazy about selling this one because we can't find any faults with her and know she will produce just like her mother.

MISS CCF DOUBLE D D101

Dam of Lots 6 - 9

What can we say...You only raise one like this when your son's show career is over. Double D had an amazing show career and now we think her best days are ahead producing heifers like this one. Super stout legged and boned but just as sound as Double D was as a baby... Her name speaks for how we think her show career will go. Invest with confidence.

Lot 8 SCSF MIRROR

When the Lamberth family purchased the dam of Mirror, Miss CCF Double D, we had very high expectations for her. Not only what we thought she could win as a show heifer but what she could achieve as a donor. Well, let's just say, the day we clipped Mirror out all we could picture was her mother at that age. This Relentless daughter is wicked cool about her front third in how she ties together about her head and neck. This size of this female's foot, bone and structure is crazy for the elegant look that she gives yet she doesn't give up the adequate belly shape. She gets our hearts pumping every time we walk in the sale pen.

MISS CCF SUGAR AND SPICE

Full Sister to Dam of Lots 6 - 9

Lot 9 SCSF GAMBLE

Let's not overlook quality because of greenness. She took weaning a little harder than others, but boy has she made a turn around. We had high hopes that this mating would click and that it did! Gamble ties so many good things together. Sound, big footed, beautiful skeletal build, and that arrogance to catch your eye. Sometimes you must Gamble a little to win big!

MISS CCF DOUBLE D D101
Dam of Lots 6-9 & Lot 10 Embryos

Double D, what can we say except we are so pumped at what "DD" has done and what we expect her to accomplish! We own 5 donors with the Coopers and are fully vested in 9015 and Jestress B79 "Diddo" genetics. This is the first calves we have put in their sale and are mesmerized at how good they are. We never believed we could produce cattle of this quality! Double D passes on the traits of elegant fronted, sound footed with a hind leg structure second to none and easy keeping and soft made but so attractive with her symmetry. Not many cows can claim these attributes. This set of embryos are sired by the \$175,000 FRKG CKCC Platinum 009H ET sire that took the breed by storm last year when he topped the CK Cattle and Wager Cattle Production Sale in Highmore, South Dakota. The dam of Platinum, WAGR Ms Profit 7054E is one of the rising stars in the donor pen or Freking Cattle and CK Cattle. This mating stacks elite cow families from top to bottom. Trace is a senior and this is the whole collection up for grabs. These cattle don't just win shows; they perform and produce! Invest in these genetics and I promise under the right management they will astound you with what they can accomplish.

Offering 1 Package of 3 Conventional Embryos sired by the \$175,000 FRKG CKCC Platinum 009H ET. Guaranteeing 1 60-day pregnancy if transferred by a certified technician.

MISS CCF JESTRESS C102
 Dam of Lots 11 & 12

This Executive Order daughter is one that keeps getting better and better every day. She is sound at the ground, with a very well-balanced look. Awesome genetic profile on both top and bottom of her pedigree.

Lot 13 MISS CCF STORM

Sired by JSUL Something About Mary 8421, "SAM" and out of the Miss AF Blaze donor. This baldy female is super complete in her build. One that is hard to pick a major hole in. Sound on her feet and legs, awesome turn to her rib with that long elegant front one third. Her dam Blaze is a full sib to the Jestress B79 donor. Maternal sibs have sold well in the past sales at \$11,000 and \$10,000. Promising future with a pedigree for the times.

MISS CCF SHIMMER
Maternal Sister to Lots 13 & 14

Lot 14 SCSF TIMELESS

SCSF Timeless is an ultra-complete three-quarter blood SimAngus female that is sired by MR CCF The Duke and backed by the full sister the Miss CCF Jestress B79. Miss AF Blaze is a stunning daughter of the legendary JAS Jestress 9015, that upholds the family tradition of phenotypic excellence. Timeless is flawless at the ground, bold ribbed, deep sided, and offers a super cowy and productive look of quality. This female will be competitive on the tan bark, and even more valuable in production to create the next generation of elite Purebred seedstock. Timeless combines the most prolific cow families at C&C Farms in a single pedigree... help yourself to a unique investment opportunity!

Lot 15 MISS CCF FOREVER LOVE

This is one that has caught the eye of many that has looked through the sale heifers. Her overall mass and dimension is something to admire but what is truly impressive is the way she handles this when out on the move. With all this added substance she still looks like a lady. Very square and good footed with an awesome pin set. Her dam is sired by the now deceased MR CCF 20-20 and is one of the up-and-coming donors here at C&C Farms and owned with the Lamberth family. Awesome pedigree on the top and bottom side of this young female. *Seller retains the right to 1 successful flush with a minimum of 6 transferable embryos. Work to be done at the buyer's convenience and the seller's expense.*

MISS CCF BLOWN AWAY
Dam of Lots 15 & 16

Lot 16 BLOWN APART

This one has the fresh front one third that Blown Away had as a baby, but with more volume and shape in her hip, body, and flank area. This one will be easy keeping and will make one incredible cow after her show career is done. Kid friendly!

Lot 17 MISS CCF HONEY PAIN

The demand for elite red hided cattle continues to surge, and females like Miss CCF Honey Pain are a prime example of this trend. We absolutely love this TMAS Can't Touch This 8513F sired daughter of Miss CCF Panda that will be a dominant force in the SimAngus division early and often. She exemplifies skeletal quality, presence, and balance from every angle. Her dam, Miss CCF Panda, was a competitive show heifer, and has turned into a role model in the donor pen. Can't Touch This progeny offer the added feature and form necessary to find the winners circle at the most competitive stock shows in the nation. Bid with confidence!

MISS CCF PANDA
Dam of Lots 17 & 18

Lot 18 MISS CCF FORGIVENESS

Forgiveness has been a favorite since birth. Her mother is becoming one of our rising donors here at the farm because of her ability to produce high quality cattle but also her versatility when it comes to choosing matings. We chose to mate the upcoming Can't Touch This herd sire to the Panda donor and these two females in this sale show nothing but true potential. She stomps the ground with a big sound foot and pastern and does it in a graceful form. Let's just add that she is dang good looking while she's on the move. Big square hipped, plenty of rib shape and has awesome hair.

Offering 1 Package of 3 Conventional Embryos. Guaranteeing 1 60-day pregnancy if transferred by a certified technician.

Lot 19 T-T BLACKBIRD J10

The backbone of T-T 8003 does it again. We were excited to see how W/C Double Down would work on her and man are we glad we decided to flush her this way. J10 is so cool looking from the profile with added shape and dimension for a half-blood. She excels in foot shape and bone, with added shape through her middle and a great disposition to boot. 8003 is a no miss type female and J10 has us extremely excited.

CHAMPION HILL BLACKBIRD 8003
Dam of Lot 19

Lot 20 T-T BLACKBIRD J204

J204 has the parts to make an extremely fun show heifer project and even more productive cow. She has the wow factor frontend, with a huge center body and great running gear. Her donor dam, A203, has been as productive a female as any at T-T and this female only adds to this great cow family's legacy. J204 is super gentle and should work for any junior project.

One of the youngest females in the sale but she will catch your eye on sale day. Weaned from a first calf heifer Style daughter, and let's just say once her mother calves again, she will enter the donor pen. This Duke daughter has loads of potential with that killer show ring look. Her granddam is the well-known Champion Hill Georgina 6518. Sound and soft in her pastern when put on the move, with tons of center body. Ones like this are hard to part with at such a young age because it's hard to say what their ultimate potential could be. But we feel that she has the best of both worlds genetically and phenotypically!

Tuition is one of the youngest percentage females in the sale but is has lot of intriguing pieces. This Broker daughter has an extremely long and extended front one third. Add that with her awesome skeletal build and sound structure. Her dam is sired by the PRY Southern Style herd sire who has made his name in making beautiful first calf heifers with perfect udders. One with lots of potential. KID FRIENDLY!

Lot 25 M2C JAIME 234J

This beautiful Copacetic daughter is an intriguing three-quarter blood female that is backed by the cornerstone female of Metzger Cattle Company, SVF Above & Beyond T87. Above & Beyond is one of the most timeless females in the business when considering the impact that she has had on the business for the last decade. This October show heifer prospect offers a flawless design in terms of her structure from the ground up, remains flexible in her spine, and posses with a look of quality that is hard to ignore. Pay attention here... this female has the parts and pieces to be a big-time contender in the percentage division!

SVF ABOVE & BEYOND T87
Dam of Lots 25 & 26

Lot 26 M2C JULIA 235J

We initiate the Purebred division of the 2022 Clear Vision Spring offering with a direct daughter of the legendary SVF Above & Beyond T87 that is sired by the \$205,000 W/C Bankroll 811D. We love the build, design, and skeletal quality that she represents. She is long sided, loose built, and comes to town ready to hit the road. She is a maternal sister to countless champions and high sellers, including the \$140,000 Eternity that was selected as the 2015 American Royal Grand Champion Purebred Heifer for Miranda Raithehl of Nebraska. A unique pedigree that combines two of the most dominant producing females in the history of the breed!

If you want your show projects to be heavy structured, sound made, level and cool fronted then Southern Star is your lady. Her dam Breaking Hearts is on fire for producing high quality cattle. Three full sibs sold last spring in the Clear Vision Sale and averaged \$14,000. Two maternal sibs sold as pairs in the fall for \$17,500 and \$13,000. This one could quite possibly be the best one yet. This young baldy female should have plenty of admirers on sale day.

MISS CCF BREAKING HEARTS *Dam of Lot 30*

MISS CCF RED EYE G89 *\$17,500 Maternal Sister to Lot 30*

Lot 31 DADC DREAM CHASER 2106J

DADC Dream Chaser 2106J is another success story from the Clear Vision sale group that traces back to 2020 when Daniel Dobbs purchased the dam of this late October beauty. The initial investment was in a great built Pays to Believe daughter that traced to the legendary Miss CCF Sheza Looker cow family that played an integral role in the development of C&C Farms. 2106J is sired by the late HPF Quantum Leap Z952, a sire that has left a lasting impact on the business. 2106J is a bold ribbed, sound footed, loose made Purebred that combines RP/MP Right To Love 015U, LLSF Ur A Baby Doll U194, and Miss CCF Sheza Looker all in the same pedigree... Power in the blood!

MISS CCF SHEZA LOOKER
3rd Generation Dam of Lots 31 & 32

Lot 32 T-T DREAMING J148

Double Down worked extremely well for us over the past year and this female is no exception. J148 is a 3/4 sib to our high selling female in the 2021 Clear Vision spring sale commanding \$19,000. J148 is a bit younger and green but has all the parts to make a great show heifer. The purebred side of the breed is as tough as ever and we believe she can hold her own. J148 is so soft haired for a purebred, while being sound structured and good looking. Her mother was an awesome show heifer for Madison McDaniel, and we fell she will follow right in her footsteps.

Lot 33 S/P LOVELY J30

Ladies and gentlemen, we proudly present a unique pair of Purebred ET flushmate sisters sired by W/C Executive Order 853B that are backed by the HPF Right To Love 283C. This genetic combination makes this pair of sisters full sibs to the 2020 AJSA National Classic Reserve Grand Champion Purebred Simmental Heifer that was campaigned by Sara Sullivan. 283C is a role model donor in the Palmer program and there is no denying the influence that the great 015U female has had on the business, most commonly known as the dam of Quantum Leap and Lover Boy. Both sisters have been blessed with the same quality of build and style as their big sister, with the all-inclusive blaze face that is sure to turn heads when they hit the tan bark!

How to Bid Online

Tips and Tricks to Master Online Bidding

STEP 1. Use Chrome or Safari, a newer browser or download the CCI.live app at Google Play or Apple App store.

STEP 2. Open your app or go to the address of www.CCI.live in your browser. CCI.live can be used on a cell phone, tablet, laptop or desktop. Some older models may not be compatible and will show a yellow caution symbol if so.

STEP 3. Create an account and then request bidding credentials through CCI.live. Use the bank information listed on your check. Please use a correct phone and email address.

STEP 4. Once you are accepted for bidding credentials you will receive a text message and/or email notification. Proceed to "Get Buyer Number" on the actual sale page of your interest. Some sales may also require a passcode to obtain a buyer number. On these auctions, you will obtain passcodes from the sale office phone number for the specific auction you are interested in. Please closely read the terms!

STEP 5. You are ready to go! Make sure you understand, once you are logged in, have a buyer number and are watching the sale that you are on a highly sensitive web page. **Be careful when scrolling that you do not accidentally hit the bid button and watch children closely as they tend to grab cell phones and accidentally bid.**

TIPS FOR SUCCESSFUL BIDDING

- Make sure you have good service. Bidding and driving is not recommended. You should have two - three bars on your cellular devices. At home you should have an UPLOAD speed of 2 mg or more UP. Use this site to test your internet: www.speedtest.net.

REFRESH YOUR SCREEN AT SALE TIME

If you have logged in over an hour prior to sale time, you may need to login again. DO NOT let the computer set idle and then return and try to bid, the website may have logged you out.

CCI.live does not accept payment, you will pay the sale management, farm or ranch direct.

Help videos can be found at www.CCI.live

A full sister to the featured lots 1 through 4 in this year's offering, as well as the powerful H301 female that has been recognized as one the most successful daughters of B79 to date. This January prospect is beautiful in her pattern from the side, smooth shouldered, long necked, clean chested, and transitions into a bold and three-dimensional rib design. We love the presence and the style that this mating represents. Put yourself in a different age division with a female that has the credentials and the lineage to find the winners circle!

Lot 37 MISS CCF BONNIE J608

This fancy 3/4 blood The Duke daughter has caught the eye of many around the farm. The word intriguing comes to mind when studying this one. Her structure is flawless, but she comes by that honestly as the heritability of this trait from her National Champion mother is strong. The skeletal build and overall design of J608 has us excited about how she will mature as a bred heifer, we think she could be a big-time player on the tanbark.

MISS CCF SHEZA BONNIE Y61
2013 NWSS Reserve Grand Champion Female & Dam of Lot 37

Lot 38 T-T BLACKBIRD J09

8003 is the lead donor and matriarch of the T-T females. This female is huge ribbed, great fronted, and has a ton of eye appeal. Her full sister was a past high seller for us and went on to win the Missouri State Fair FFA Junior show in 2020 along with another full sister being Reserve Champion Missouri State Fair 4-H female in 2020. This female has a first-year showman attitude, with senior year quality.

What a female! Miss CCF Jestress H11 is the homozygous polled daughter of the great W/C Executive Order 8543B that is backed by the matriarch of C&C Farms, Miss CCF Jestress B79, affectionately known as "Diddo". H11 is a FULL SISTER to the \$15,000 MR CCF Priority that was featured in the Fall 2021 Production Sale and sold to Ronnie Smith of Texas. Without a doubt one of the most unique built, highest quality females that we have ever offered at C&C Farms. Bid with confidence... this female has the credentials to be a big-time generator!

Lot 42A: MR CCF K4. Bull calf born on 2/27/22 sired by MR CCF The Duke.

MISS CCF JESTRESS H301 Full Sister to Lot 43

2022 GEORGIA NATIONAL SUPREME CHAMPION FEMALE
 Full Sister to Lot 43

It's no secret that Jestress B79 has a special place in the donor pen here at C&C Farms. She is just flat getting it done with the progeny she is producing. Essential is one that we look at every time we walk in the bred pen. Her structure is phenomenal, she has a huge sweeping spring of rib and is beautiful in her build. Her full sister was selected Reserve Champion Percentage Female at the 2022 Cattleman's Congress in the Jr. & Open Show. She is due to calve to MR CCF The Duke before sale day. Join in on the fun and make sure to study this lady on sale day!

PE 4/10/21 to 6/10/21 to MR CCF The Duke (ASA: 3583413). Due prior to sale day.

S/P TRUE LOVE F789 Full Sister to Dam of Lot 65

Lot 101 MR CCF 20-20
DECEASED SIRE OF SEMEN SELLING

MR CCF 20-20 is a Purebred Simmental bull that has gained huge amounts of respect from cattlemen around the nation, even with his untimely passing, several of the businesses most decorated production sales have been highlighted by his progeny and the esteem around the influence he transmits only becomes more lucrative. The cattle he sires have a refreshing looseness of structure, both at the ground and in their spines, the added presence that is common with his service is resounding. Couple this with the rapid injection of back and hip shape he sires and it's no wonder that this outcross breeding option has become so highly sought after.

A direct son of MR CCF 20-20, FRKG CKCC Platinum 009H ET emerged from the Spring 2021 bull sales as one of the most promising Purebred AI sires available. Doug Groth and Michael Harrell made the progressive \$175,000 investment to secure this sire of the future. A Purebred daughter was just recently the \$50,000 selection of the Evenson Family through the 2021 Hartman Cattle Company Customer Appreciation Sale selling as lot 21. Freking Cattle exhibited a powerful set of 20-20 flushmate brothers that made up the 2022 Cattlemen's Congress Grand Champion Pen of Five Bulls. The MR CCF 20-20 sons from that Champion Pen of Five sold for \$210,000, \$30,000, \$13,000, \$10,000, \$8,000!

Before the infinite potency of MR CCF 20-20 was realized he was unfortunately met with an untimely death, therefore the inventory supply levels have never matched the demand. A demand that has skyrocketed as the daughters have entered production and the bulls prove their worthiness of herd sire duties in the most powerful Simmental cowherds across America. The semen inventory is scarce and seldom opportunities have arisen over the past two years to acquire it!
