

# THE *Bull Sale*

1:00 PM - MARCH 19, 2022 - YALE, OK 

AT BUCK CREEK RANCH

MARCH

19

2022

The Moore Family and I would like to give a warm welcome to each and everyone of you to our first annual production Bull Sale. Thank you for this opportunity to serve you as we present this offering of bulls for your appraisal. It is our commitment at Buck Creek Ranch to improve our offering each year to add value to your program for years to come.

This lineup includes 40+ aged bulls that are deep in quality and backed by proven genetics; registered Purebred Simmental, Percentage SimAngus, and a select group of Purebred Angus. This offering will include progeny from our leading donor cows and hand selected AI cows.

From all of us here at Buck Creek Ranch thank you for your time and consideration in viewing our cattle. Feel free to contact us with any questions. We look forward to seeing you on sale day, March 19th!

Best Regards,  
*Garrett Cloud*

The “New Standard” is a quote rarely used and rightfully so. However, in the case of Buck Creek Ranch, it is absolutely fitting and appropriate as they continue their industry endeavor. Someone recently asked, “What’s the longevity at Buck Creek?”, and I responded that leadership and staff combined age value would be less than thirty years of age, so I would gamble to say that the longevity will be realized decades to come. For those that have taken the time to meet Jacob, Garrett, and the family of Buck Creek Ranch, you will readily notice that this is here to stay. Their goals are lofty but attainable, their vision is unrivaled, and the genetics they have put together and continue to propagate will take them down multiples paths of success in the near and distant future.

Quality is first and foremost! From the donor dams and their selective mating strategy to the presentation of the stock, and to the care and management of the land and its resources, thorough quality control and substantial time investment is incurred in each process. The female sales have commanded much attention and positive scrutiny by some of the industry’s best evaluators and critics. This set of bulls would not be any different as many of them would be full or maternal brothers to the highlight females that sold at a record pace back in December. These genetic contributors don’t get the love the girls do on the ranch, they are developed slow and in big pastures to insure athleticism along with structural and hoof integrity. This set of bulls will have the look, the balance, the body, and the shape to enhance any program, seedstock or commercial. You, the prospective customer should know too that the Buck Creek crew will stand behind them every step of the way with excellent customer service as well.

The Innovation team is excited about this bull offering and would like for you to consider this your personal, open-ended invitation to join us on March 19, 2022, for the inaugural Bull event at Buck Creek Ranch just north of Yale, Oklahoma, and a stone’s throw east of Stillwater. We are certain that this set of bulls will impress those who attend sale day or visit prior to. Feel free to reach out to any of the Innovation Marketing team or the Buck Creek Ranch Crew for any details about the offering prior to or on sale day.

## **BULL GUARANTEE**

Unless otherwise noted, all the breeding age bulls will have passed a breeding soundness exam prior to pick up/delivery. In addition to the standard Terms and Conditions of the American Simmental Association, we will provide the first breeding season (the 90-day period immediately following turn out) guarantee on all yearling and older bulls. This guarantee is not an insurance or mortality policy, but a guarantee on functional fertility. It is not a substitute or replacement for poor management. Buyer assumes all risks for injury due to running bulls together or management decisions outside genetic control. For the guarantee to apply, we ask that you contact us as soon as a condition is observed and before the animal is sold. We will work with you to determine whether the animal is returned or sold for slaughter. We will attempt to provide a suitable replacement. If one cannot be provided of equal or greater value, we will issue a sale credit to be used in a future sale for the full purchase price less the salvage value of the animal.

## **TERMS AND CONDITIONS**

All lots sell in accordance with the suggested guidelines of the American Simmental Association, American Angus Association, or their respective breed association. For updated EPD's and information please visit [www.simmental.org](http://www.simmental.org). Announcements made sale day from the block during the sale take precedence over printed material in this catalog. Payment will be accepted in the form of cash, cashier's check, or check. All cattle must be paid for prior to release. All funds are to be paid to Innovation AgMarketing, LLC in U.S. currency. No cattle will be transferred, delivered, or released without full payment. In the event you need expedited registration paper transfers please make plans to pay in full on sale day. All sales are final.

## **ANNOUNCEMENTS**

A supplement sheet will be available sale day with updated information, corrections and additional information. This sheet and any announcements made sale day and from the auction block during the sale will take precedence over printed material associated with this sale.

## **LIABILITY**

Buck Creek Ranch, Innovation AgMarketing, LLC, and authorized sale personnel assume NO liability for injury, accident, or damage to persons or personal property. All persons who attend the sale do so at their own risk.

# How to Bid Online

Tips and Tricks to Master Online Bidding

**STEP 1.** Use Chrome or Safari, a newer browser or download the CCI.live app at Google Play or Apple App store.

**STEP 2.** Open your app or go to the address of [www.CCI.live](http://www.CCI.live) in your browser. CCI.live can be used on a cell phone, tablet, laptop or desktop. Some older models may not be compatible and will show a yellow caution symbol if so.

**STEP 3.** Create an account and then request bidding credentials through CCI.live. Use the bank information listed on your check. Please use a correct phone and email address.

**STEP 4.** Once you are accepted for bidding credentials you will receive a text message and/or email notification. Proceed to "Get Buyer Number" on the actual sale page of your interest. Some sales may also require a passcode to obtain a buyer number. On these auctions, you will obtain passcodes from the sale office phone number for the specific auction you are interested in. Please closely read the terms!

**STEP 5.** You are ready to go! Make sure you understand, once you are logged in, have a buyer number and are watching the sale that you are on a highly sensitive web page. **Be careful when scrolling that you do not accidentally hit the bid button and watch children closely as they tend to grab cell phones and accidentally bid.**

## TIPS FOR SUCCESSFUL BIDDING

- Make sure you have good service. Bidding and driving is not recommended. You should have two - three bars on your cellular devices. At home you should have an UPLOAD speed of 2 mg or more UP. Use this site to test your internet: [www.speedtest.net](http://www.speedtest.net).

## REFRESH YOUR SCREEN AT SALE TIME

If you have logged in over an hour prior to sale time, you may need to login again. **DO NOT** let the computer set idol and then return and try to bid, the website may have logged you out.

CCI.live does not accept payment, you will pay the sale management, farm or ranch direct.
