

THE FEMALE SALE

at Hanel's Black Simmentals

November 4, 2019 at 1:00 pm

HANEL

at the Ranch in Courtland, Kansas

Welcome to the 3rd Annual Female sale at Hanel's Black Simmentals. This set of females represents a powerful sampling of the maternal power that lines the cowherd in Courtland, Kansas. In March of 2019, Hanel's Black Simmental and Cody Cattle Company teamed up to bring one of the most powerful and dynamic multi-breed offerings of bulls to the auction block, anywhere in North America. The bulls are sound footed, performance oriented, powerful cattle with muscle shape, rib dimension, and trait leaders for growth. There is no doubt that the bull mates to these females were well received by top cowboys from across the countryside this past spring. In addition to the registered female again this year 30+ AI bred top cut commercial bred heifers will be offered!

The cattle business is the Hanel family's business, plain and simple. They live and breathe the beef industry day in and day out, much like their customers. Brock, Lannie, Braden, Eric can relate to their customers during the most challenging of times and the most rewarding. This is a hard working, functional, and long lasting cowherd that backs this female offering. The females must earn their keep year after year in order to remain in the herd. Fertility, functionality, and fleshing ability are prerequisites in order to carry the Hanel brand.

We invite you to join us on November 4, 2019 in Courtland, Kansas for a steak lunch and exceptional hospitality. The females will be on display at the sale facility leading up to the sale, along with the bull calves that will be offered on March 2, 2020 in the 2nd Annual Black & White Bull Sale with Cody Cattle Company. If you are unable to attend the sale in person, please feel free to contact any of the sale representatives. Once again DVAAuction.com will provide videos and a live broadcast on sale day.

Welcome to the 3rd Annual Hanel's Black Simmentals Female Production Sale. We continue to strive to enhance our genetic offering and our labors have resulted in several changes on the ranch including enhancements to our heifer development program. These enhancements have produced an exceptional set of female cattle ready to complement your program at home. We produce honest, hard-working cattle that adhere to the standards we place on our own females for performance and function.

In addition to our female sale, we are thrilled to announce we will hold our 2nd annual bull sale next spring on Monday March 2, 2020. Our bulls epitomize performance and have a proven history to produce a consistent calf crop year in and year out. I encourage you to consider buying into our program through the purchase of a female, bull or better yet, both.

I invite you out to the ranch to look at our offering and join us for a steak lunch before the sale. I hope to see you on sale day Monday, November 4, 2019.

Sincerely,
Brock Hanel, DVM
