

Fellow Simmental Enthusiasts,

It is indeed a privilege to welcome each and every one of you the fifth edition of "THE EVENT". Where has the time gone?! It has been a true pleasure to represent the breeders behind this elite genetic partnership that has evolved into one of the premier Simmental and SimAngus marketing evening in North America. The breeders behind have been very aggressive in making seedstock acquisitions that have and will continue to propel them towards the top of the seed-stock business. They have focused in on elite cow families that will enable them to build for generations to come with enhanced predictability and proven results.

As you thumb through the pages of this sale book, one will notice cows like 3C Melody, Harkers Stars, Dolly, Victoria, Foxy Lady and Crysteel Tango along with sires as Profit, Broker, Hammer, Ledger, Fortune, and other top-notch proven sires. The profitability, predictability, and success rate of these cattle moving forward will continue to gather steam not only for these producers but you, also, as prospective customers. Many of the cattle in this offering are full or maternal sibs to past champions in the last 3-5 years at numerous national shows. This includes sisters to females that previously sold through The Event and have gone on to make the top 10 at the AJSA Summer Classic for the past three summers! Along with this statement, some of the cattle in this offering are sibs, both direct and maternal, to cattle that will be highlighting upcoming Hartman Cattle Co. marketing events.

This genetic collection is a very talented set that needs serious attention. The success rate of the cattle sold last year was monumental, as many of the females sold through the sale went on to and great success on the tan bark, as well as in the pasture. We could not be more excited about the offering this year, due to the magnitude and depth of quality that is being offered.

This will be a video sale with cattle available for viewing at each of the respective producers' ranches prior to Thanksgiving week, then they will be available at the Hartman Sale Facility, just outside of Tecumseh, Nebraska from November 25th through sale day the 30th of November. Again this year we are excited to announce that CCI.Live will provide the broadcast with real-time bidding available for those of you that are unable to attend the sale. If you need any assistance or have any questions related to this offering do not hesitate to contact the genetic partners involved or the sale management team and their listed sale representatives.

Have a Happy Thanksgiving and enjoy the cattle!

THE FLUSH | PUREBRED SIMMENTALS

VCL ForesightFull Brother to Lot 1 Donor

Lot 1 | VCL COUNTESS 255F

Five years, where has the time gone? It only seems fitting for the fifth annual sale to begin with one of the most unique opportunities that we have ever offered through the ring on the Saturday after Thanksgiving! We present a genetic opportunity that will put any program on the fast track to success and it is with great enthusiasm that we offer the right to flush, either conventionally or IVF, the 2019 Indiana State Fair Grand Champion Simmental and 4th Overall Breeds Female that was successfully campaigned by the Colby Sinclair and family of Indiana. Bred and raised by Vogler Cattle Company, VCL Countess 255F was a featured female in the 2018 Hartman Cattle Company Customer appreciation sale where she commanded a \$77,000 hammer price! Her career was capped off by her victory at the Indiana State Fair this summer, but her track record included countless breed and overall champion titles throughout the state of Indiana for Colby Sinclair. There is no denying that this female is backed by true cow power, as a flush mate brother VCL Foresight was selected by the progressive Hicks Cattle Company program of Covington, Indiana for \$18,000 in February of 2019 and has experienced heavy service both naturally and the in the ET program at The Diamond H. There is no doubting the impact of Profit daughters in production, and 412D is no exception. She was flushed as a virgin heifer to 20-20 and produced over \$110,000 in progeny before her 2nd birthday! On November 30, 2019 the opportunity to flush the multi-time champion female, VCL Countess 255F. The hardest decision you will have to make is what sire to use. See you in Tecumseh, Nebraska for The Event Vol. V!

Lot 2 | VCL FORTUNES GIDGET 965G

What a way to begin the open Purebred section with none other than a striking May born female sired by the \$185,000 ACLL Fortune 393D stud that has proven to be one of the great Simmental breeding bulls in the business for consistency and quality. Fortune himself keeps the tradition of the Crysteel Tango cow family alive, as an own son of the six-figure "Firefly" female, the AJSA Summer Classic Reserve Grand Champion Purebred and American Royal Grand Champion Purebred for the Effling family of South Dakota. Countess 105E is a Profit sired female that is backed by the influence of the late Driver, one of the breed's all-time great maternal sires. This May female has the credentials, phenotype, and presence to make a splash in Grand Island in 2020 as a true force in that early summer Division. A top Purebred show prospect from one of the most proven and predictable cow families!

BF Miss Crysteel Tango *Dam of Lots 3A - 3B*

Lot 3A | LKCC MISS GEM 067G

Crysteel Tango, the all-time high selling female of The Event at \$114,000 strikes again! There is no denying the track record and the influence that this powerful matron has left behind. Daughters of Crysteel Tango include the \$100,000 Firefly female that was named Grand Champion at the American Royal and Reserve Grand Champion at the AJSA Summer Classic for Chesney Effling. The \$120,000 Lady Di female that was selected by the Swanson family of lowa that most recently produced the \$350,000 Cash Flow stud. Sons of significance would include Profit Maker, one of the premier Profit sons that walks the pastures of Rust Mountain View Ranch in Mercer, North Dakota. Dagger, a flush brother to Profit Maker that was also a member of the Reserve Grand Champion Pen of Three bulls at the National Western Stock Show is employed in the Double Bar D Program of Canada. Equity is the highest selling son of Crysteel Tango and has become a must use sire to create elite show heifers that win on the tan bark and that was evident by the female produced by in the Schaeffer's Heartland Cattle Company program that has had a dominant career in lowa. Here are two sisters from the immortal Crysteel Tango herself, which are sired by the \$250,000 TL Ledger! 067G is the sleek made, angular, super feminine and well-balanced female that we feel to be one of the elite show heifers to ever come from Crysteel, while 094G offers the added length, stoutness, and three-dimensional build it takes to create the next generation of elite seedstock. Rest assured, no matter which female you select, these Crysteel Tango daughters will be generators!

922G is backed by Star Struck C906, the \$18,000 daughter of Awe Struck Y417 that is a leading donor for our great friends at The Outback Ranch. We felt fortune to have the opportunity to purchase a flush from Ty. We decided that Profit Maker was the best fir for C906 and couldn't be more ecsatic with the results. This striking baldy female is massive in her body shape, deep sided, and soft flanked with the balanced and symmetrical look from every angle. Her angles and build are near flawless and we believe that this Purebred female will endure an exceptional career at the end of the leather lead. There is no denying the generations of cow families that stack both top and bottom side of her pedigree, only enhancing her true genetic potential and generating capabilities when her show career comes to a close. Pay attention to the quality, eye-appeal, and possibilities that 922G offers, we believe she is one of the best females ever produced in the Vogler program!

Sleek made, attractive, and captivating from the profile are the ways that best describe this daughter of JBSF Logic 5E, the full brother to the Grand and Reserve Grand Champion Purebred Females at the 2019 AJSA Summer Classic in Louisville, Kentucky. Steel Magnolia will go down as one of the breeds all-time most significant Simmental donors due to her dominant presence. Proud Marv would be Logic's most famous maternal sister that was a past AJSA Summer Classic, Iowa State Fair Supreme Champion, and NAILE Grand Champion Purebred female. The dam of this female is the BT Blackbird Lady A885 matron that is owned with Tucker Cattle Company. Here is your chance to tie to one of the most dominant cow lines in the business!

JBSF Logic 5E Sire of Lot 8

ACLL Shannon 385C Dam of Lot 9

Lot 9 | LKCC MISS JEWEL 104G

ACLL Shannon 385C has become one of the more consistent producers in the Kersten Cattle Company program, and it is no surprise due to her strong heritage and tie to the Countess tribe. Jewel 104G is a stout constructed, long sided, big hipped, powerfully made female that offers tremendous shape and dimension throughout. Her look from the profile reads with a futuristic pattern of quality and potential. The Shannon daughters we have working in production have proven to have excellent udder quality and maternal characteristics. This female is one we believe will be a successful show heifer, and when her time on the road comes to a close will be a contributing producer being sired by the \$435,000 Ruby's Currency 7134E.

TKCC Victoria 57AMaternal Granddam of Lots 10A & 10B

KCC1 Havana 83E is the only full sister to the \$120,000 Cowtown Classic all-time high selling bull, Exclusive! The granddam of this pair of females is the late TKCC Victoria, a female that generated over \$250,000 during her first flush to Hammer. Other individuals of influence from that powerful flush include Enterprise, the \$35,500 high selling bull in the Kearns Cattle Company Annual production sale. Havana was successfully campaigned by Brecken Shipman and is quickly proving her worth in production, having raised a \$13,000 daughter by Innovator that sold in The Black Label. The Profit and Innovator matings have proven to generate elite, stout made, attractive, good built progeny of both sexes, with several bull mates that will make the trip to Denver in 2020. The influence of Dolly Y83 can be identified as the maternal great grandam of this dynamic pair of females. Dolly is the staple of the donor pen at Kearns Cattle Company, widely responsible for countless herd sires of significance within the breed, six-figure progeny, and three National Western Stock Show Grand Champion Pen of Three Purebred Bulls. There is no doubting the influence of the legendary Dolly cow line, and these great granddaughters are further proof to solidify the significance!

OPEN HEIFERS PERCENTAGE SIMMENTALS

The next pair of percentage females are sired by the triple-crown winning MR HOC Broker, arguably the most dominant Simmental sire in the business, especially when it comes to clicking on Angus power cows to create elite half-bloods that have won at every state fair in the country. G192 and G319 are backed by Oleo Fern Lass 201Z, arguably one of the most consistent donors in the Windy Ridge and Sullivan Ranch donor arsenal when it comes to consistently creating the "good ones"! This same mating produced WRS Echo E733, the 2018 Simmental Breeders Sweepstakes Grand Champion Percentage Simmental Female for the Drach family. A maternal sister by Profit was selected Grand Champion Prospect Breeding Female at the NE State Fair. G192 is the snip nosed, white flanked female that is ultra-complete, big centered, soft structured, correct in her angles, and handles herself effortlessly on the move. Her presence is consistent with the same look and design of what it takes to make it to the final drive of the percentage show! She was a class winner at the 2019 lowa State Fair and Nebraska State Fair open shows, along with being Supreme Champion Female in the open show at the Saline County Fair and Supreme Champion Feeder Heifer at the Gage County Fair. In the Junior Show at the Nebraska State Fair she was FFA Calf Champion Percentage Simmental and Reserve Grand Champion Percentage Simmental Female! Little sister, G319 offers the same body mass, dimension, and shear power as her sister without the added chrome. She is flat shouldered, sleek necked, and clean chested with a world of future as a spring yearling a year from now. She is awesome haired and offers a high-quality look from every angle. Study this pair of females on sale day, they are the right type and kind it takes to garner purple on the big stages! Offering choice in this powerful pair of females.

The \$20,000 dam of this pair of striking half-blood females compiled an impressive show career which included the 2013 Indiana State Fair Grand Champion Owned Female, 2013 Indiana State Preview Show Reserve Grand Champion Female, and 2014 NWSS Reserve Intermediate Champion Female. The half-blood cattle have continued to trend in an upward direction because of their dominance in the show ring during the Supreme drive, and this pair of flush mates only solidify the facts. G7 and G8 from Tucker Cattle Company are elegant in their design, sleek made, upheaded, well-balanced females with exceptional body mass, width, and genuine power. Their sire, the \$400,000 Profit continues his reign as one of the most dominant sires of champions, Al sires, donors, and high sellers alike from coast to coast and border to border. The March and April sisters are two females we believe will have the potential to find great success in the show ring at the highest level of competition. The SAV Bismarck 5682 influence on the southside of their lineage will only aid in their success as brood cows in production. Study the pedigree, phenotype, and elite presence that these females offer on November 30th!

Lot 13 VCL MISS PROFIT MAKER 953G

Profit Maker continues to sire the "goods", and 953G from Vogler Cattle Company is no exception! There is no mating more consistent than the Profit x Broker combination, and this blaze faced beauty is exactly what we expected when we mated one of Profit's top son's, Profit Maker to the half-blood Broker daughter, 74G. This three-quarter blood female is big footed, wide based, bold ribbed, and offers a superior look of quality and presence from every angle!

Lot 14 | LKCC MISS GENESIS 78G

78G is sired by the \$400,000 Profit himself and backed by a productive half-blood High Voltage daughter that consistently raises quality. 78G is bold bodied, big boned, stout hipped, and offers a more three-dimensional look than most. Her added stoutness and power will aid her in production and we feel this female offers exceptional mating flexibility. Seller reserves the right to show LKCC Miss Genesis 78G through the 2020 National Western Stock Show in January for the Pen of Three Percentage Simmental Heifer Show.

TKCC Georgia 800G comes to us from one of the most prominent cow families in the Angus breed, SAV Blackcap May 1657. There is no denying the impact that the Blackcap May has had on the beef industry and this females dam, TKCC Ms Echo 40E, is an exciting young half-blood donor in the Kearns program that is sired by the \$400,000 Profit stud. Kearns Cattle Company purchased a full brother to 40E, Money Maker, the \$19,500 high selling Percentage bull in the 2019 CK and Wager bull sale this past spring. 800G is sired by the exciting Style son that was a sale feature in the Werning program a few years back that was selected by the progressive Western Cattle Source program of Crawford, Nebraska. Son of A Biscuit is a grandson of the great 8543U matron, without a doubt the highest dollar generating female in the Simmental breed. Cow power top and bottom side with a show ring presence that can not be denied!

Lot 24 | RAINS LOADED INSTINCT G50

Rains Loaded Instinct G50 is sired by the popular and industry proven W/C Loaded Up 1119Y and backed by our pick of the Angus cows in the 2015 Yardley Cattle Company Focus on the Female sale. We have always had a great deal of respect for Gib Yardley and the cowherd he has built in Utah. X84's sire, Duff Basic Instinct, is a bull with excellent prole, body capacity, and stoutness. He's a new generation bull with fleshing ease and muscle built in. His daughters are phenotypically correct, moderate made females, with great udders and fleshing ability as exemplified in X84. This motley faced daughter of Loaded Up 1119Y is ultra-attractive and extended from her shoulder forward with an elegant look of class and style. G50 offers more frame and growth than her sire group contemporaries. She is sound built, big ribbed, and is one we believe offers the futuristic look necessary to make a competitive spring yearling next summer and fall.

W/C Lock N Load 1143YSire of Lot 32 and flushmate brother to W/C Loaded Up 1119Y

Lot 33 | RAINS DOLLY F83

This sleek made, ultra-feminine solid black female is the result of a past purchase made by Rains Simmentals through The Event from Kearns Cattle Company. That female was then brought back a year later, when Cory offered one-half embryo interest in Dolly 49C. That embryo interest was selected by Brandon Bird of Bird Cattle Company, a progressive Simmental and SimAngus program in Lubbock, Texas. The Executive Order component to her top side only adds more cow value through the influence of the legendary 8543U matron, who has produced in excess of \$8 Million in progeny sales. The bottom side of her lineage offers females such as the great Ford RJ Dolly Y83 and Harkers Stars P117. She sells safe to the American Royal, NAILE, and FWSS Grand Champion Percentage Bull, Copacetic due in February! AI BRED 5/9/19 TO WLE COPACETIC EO2 (ASA: 3299037). ESTIMATED DUE DATE 2/15/20.

TKCC Dolly 49C Dam of Lot 33

Red Answer | Service Sire to Lot 34 Pictured is a Red Answer daughter raised by Bird Cattle Company

Lot 34 I RAINS EXECUTIVE LOCK F439

Rains Executive Lock F439 is a unique red headed beauty that combines some of the most proven and prominent sires in the business with W/C Executive Order 8543B, W/C Lock Down 206Z, and Plainview Lutton E102 identified throughout. She offers an elite look of balance, fault free structural base, and a balanced number profile that spreads from a negative BW EPD to over 100 for YW. This mating is certain to yield a red hided calf of excellent quality, being safe in calf to the late Red Answer, the Red Baldy flush mate brother to Bullseye, for a linebred 8543U red head! AI BRED 4/18/19 TO W/C HOC HCC RED ANSWER 33B (2911590). ESTIMATED DUE DATE 1/25/20.

SUCCESS THE ACCOMPLISHMENT OF AN AIM OR PURPOSE 1

Dagger

Dagger is sired by Profit and backed by the \$114,000 Crysteel. Dagger was a member of the 2017 Reserve Grand Champion Pen of Three at the NWSS! Owned by Double Bar D Farms.

Exclusive

The \$120,000 1/2 Interest stud produced in her Kearns program. His prolific dam and granddam have been cornerstones in the Kearns program!

Owned with Wiles Land & Cattle.

Profit Maker

Profit Maker was the high selling member of the 2017 Reserve Grand Champion Pen of Three at the NWSS! Owned by Rust Mountain View Ranch.

Dolly 49C

TKCC Dolly 49C was selected by Rains Simmentals and shown successfully by Carly Rains throughout the state of Nebraska. She is a daughter of the famed matriarch of the Kearns program, Dolly. She is an up and coming donor in the Rains Simmentals and Bird Cattle Company programs. Another success story that carries far beyond the backdrop!

2017 High Selling Bred Female

The high selling bred female in The Event Vol. III was selected by Double Bar D Farms and is a full sister to Profit Maker and Dagger. Since entering production she has become a role model two-year old that offers a promising future in the donor pen! Owned by Double Bar D Farms.

5th Overall Percentage Female

The Event Vol. II high selling open heifer was a dominant force on the tanbark where she was selected 5th Overall Percentage Simmental female at the 2017 AJSA Summer Classic in Mississippi. A powerful Hammer daughter that is making an impact in production. Congratulations Brecken Shipman!

10th Overall Purebred Female

The Event Vol. III high selling open heifer was shown successfully throughout the spring and summer. She was a class winner at the National Simmental Show in Fort Worth, Texas and was the 10th Overall Purebred Simmental at the AJSA Summer Classic in Minnesota this summer! Congratulations Brecken Shipman!

3rd Overall Purebred Female

CeCe, an own daughter of Crysteel Tango, was selected in The Event Vol. I by Stephanie Kersten and endured great success during her career on the show road. She was selected 3rd Overall Bred & Owned female at the AJSA in Des Moines, Iowa! Congratulations Stephanie Kersten!

5th Overall Percentage Female

Tony Jeffs and the Skiles family selected this Battle Cry x Stars female from Kearns Cattle Company and Rockin' J Ranch. Stars is the dam of the prolific Dolly matron in the Kearns program. She was successfully campaigned during the 2019 AJSA Summer Classic in Louisville where she was named 5th Overall Percentage Simmental Female. Congratulations Caitlyn Skiles!
