### *Yellow Cattlemen & Cattlegirls,*

It is with great pleasure to welcome you to the Rust Mountain View Ranch "Spring Turn Out" Online Bull Sale. In an effort to bring you the same quality and consistency of genetics you have come to expect in Mercer, North Dakota, the Rust family has held back a select group of Angus, Red Angus, Simmental, and SimAngus™ bulls for your breeding season needs. We are faced with trying times in the world that we have never seen before, but we must remember as agriculturists, farmers, and ranchers that we are a resilient breed that is most certainly essential to the world that we live in. Tough times don't last, but tough people do!

With turn out right around the corner, this is a prime time to purchase bulls that are from the cow families and sire lines that have built this program. These bulls have never been offered for sale before and are most certainly not left over! There is no denying the focus and diligence that Josh and the entire Rust family has when it comes to forward progression and staying true to their goal of constantly improving their product for their customer base.

A strong emphasis has been placed on the maternal aspect, with a large portion of the offering stemming from the most elite donor dams in the industry. These females represent the most proven and elite genetics in the industry. The herd bull battery that walks in Mercer, North Dakota sire many of the larger sire groups. Again, we emphasize that these herd sires stem from generations of proven lineage to add predictability and profitability to your operations bottom line. The cattle for this event are selected based on visual appraisal of quality and performance. They offer a rugged, masculine, and three-dimensional build with the athleticism that is necessary to not only survive, but rather thrive in the toughest elements. They are beef bulls that are built to last and offer pedigree that is saturated with maternal strength and consistency.

The customer comes first at Rust Mountain View Ranch, plain and simple! The Rust family stands behind their product 100% and puts strong emphasis on customer satisfaction! **With the current COVID-19 conditions we are all dealing with, we have decided to move the sale to an online format, hosted by CCI.Live on May 2, 2020 at 7:00 PM with an extended bidding close-out.** We will have the bulls on display, and everyone is welcome to stop by to view the offering. The same guarantee, volume discounts, and delivery options will stand with this set of bulls that we offer to our customers in February. Consider this your invitation to join us on May 2, 2020 in Mercer, North Dakota for hospitality and the Rust Mountain View Ranch "Spring Turn Out" Online Bull Sale. Videos of the offering will be available online at CCI.Live for your convenience. If you have any questions, please feel free to contact any of the sale staff to visit about the offering.

Enjoy the cattle,

A handwritten signature in black ink, appearing to read 'Josh Rust'.

Welcome to the first annual Rust Mountain View Ranch Spring Bull Sale with never offered before bulls that are suited to your needs. This pasture ready offering of bulls still has the same high quality offering that they offer through every sale that they hold. This will be a CCI.live online sale and is user friendly and you'll have the ability to access some of the very best genetics in the business. Whether it is Simmental, Red or Black Angus that you seek, you'll find bulls in this offering that will suit your needs and fit the bill to cover your cows and get them serviced and add profitability through their genetics.

The amount of embryo transfer work that the Rust Mountain View family does throughout the year is simply impressive and you know when you are investing in the Rust program, you are getting the very best genetics in their respected breeds. The high amount of customer satisfaction through past purchasers is always high and these cattle go out and improve the bottom line with their excellent pedigrees, EPD's and phenotypes that are right for times. Foot, udder and structural quality is as high as any in the Rust program and you'll get attractive, low-maintenance cattle that also perform.

The Rust program has been appreciated continent-wide and you're not just investing in excellent cattle but the people that stand behind them are integrity driven and a pleasure to do business with. This family-operation is passionate about the purebred seedstock industry and cover every corner to ensure you're happy with the product put forth. We encourage you to visit with any of the sales staff and directly to the Rust family as we are positive there are multiple options throughout this sale that will suit your bull buying needs.

Best regards,

*Scott Bohrson*

Rust Motive 36G is an impressive half-blood that offers added muscle shape and expression. He is a long sided, smooth made, shapely son of the maternal legend, Soo Line Motive 9016. Motive was the top selling lot in the 2010 Bases Loaded sale and the star of the Champion Pen of Three Bulls at the 2010 NWSS in Denver. Since then he has remained his status as one of the most consistent and elite Angus sires in the world that has left behind a trail of daughters that have made a substantial impact on countless programs across the globe. Daughters are productive, moderate, easy fleshing females with excellent udder quality. The dam of this stout made half-blood is backed by the influence of the great Ellingson Legacy M229. A moderate birth bull with a 16 CED that ranks him among the top 10% of the breed. Study the quality, calving ease, and maternal strength that 36G offers!

Rust Renown 416F leads off an impressive set of Red Angus bulls that are backed by an intriguing set of proven donor dams. Rust Renown 416F is a strong aged son of Red U-2 Renown 193C and backed by the influential Red Bar-E-L Too Too 218C, an own daughter of the legendary Red Bar-E-L Kassie 117X. Kassie 117X has produced National Champion Females, National Champion Bulls, and sale topping progeny that continue to make an impact on the industry. The 2016 NWSS Grand Champion Red Angus Female, Kassie 29B is a maternal sister to the dam of 416F, along with the 2020 NWSS Grand Champion Red Angus Bull, Chivas, a maternal brother to the dam of 416F as well. 416F is an up headed, long fronted, smooth made herd sire prospect that is near flawless on his feet and legs, big topped, thick ended, and offers an athletic build. EPD's rank him among the top 1% of the breed for ME, top 6% Stay, top 9% Milk, and top 16% YG. A true standout among the offering and a bull that has the chance to make a major impact on any Red Angus program!

## LOT 16

Rust Trump 129F is sired by the National Western Stock Show and NAILE Grand Champion Bull, Damar Trump C512. There is no denying the impact that Trump has made on the business with progeny continuing top sales across the continent. The dam of 129F is, U2 Dolly Python 236B, our purchase a few years back as an open heifer calf from Las Rojas. As an open heifer calf, she was one of the stoutest, most three-dimensional, and productive young females we had ever laid our eyes on! 129F is a stout featured, big topped, wide pinned stud that is robust in his rib cage, thick ended, and loaded with power from end to end. If your program is hunting a herd bull to add pounds, shape, and volume in a single generation, then pay attention here!

Rust Redemption 405G is a smooth made, attractive yearling Red Angus bull that is sired by the Brown JYJ Redemption Y1334 son, 78C. He is backed by the staple donor dam, Red Bar-E-L Too Too 218C, from the legendary Red Bar-E-L Kassie 117X. He ranks among the top 10% of the breed for HerdBuilder, top 13% ME, and top 7% Stay. His basic build and moderate birth weight suggest he is a logical option for use on well-managed heifers.
