2:00 PM – Equipment Auction

4:00 PM – Cattle Auction

(Semen & Embryos will follow the cattle)

*Welcome friends and fellow cattle enthusiasts,*

It is a bittersweet moment as we welcome you to The Dispersal of Heart Felt Farms on July 24, 2021, at the farm in Gettysburg, Pennsylvania. For nearly three decades I have lived on this farm, it has been a huge portion of my life and has been a great passion we have shared as a family. In February of 2006 we were able to hire Kyle Fleener, a young man that has taken our program to levels that I never could have imagined. In 2009 he was an integral part in my son, Kyle Delaplaine, exhibiting the Keystone International Livestock Show Supreme Champion Female.

During the development and growth of Heart Felt Farms we were able to experience tremendous success on a National Level with the direction of our talented leadership, Mr. Kyle Fleener. Over 15 National Grand and Reserve Grand Champions came through the show barn at Heart Felt Farms, including the widely popular triple crown winning KYLD Vegas 910W. Kyle and Kelsey both experienced tremendous show careers during their eligibility as junior exhibitors. Individuals such as KYLD Vegas 910W, AHFF Pit Crew 207Z, AHFF Nalanie 204Z, KYLD Blackbird 280Z, MAGS What It Takes, AHFF Nalanie 830U, AHFF Daytona, AHFF Dakota Thunder, EXLR Luvly, WLR Tainted Love, and CSS Candice would be some of the foundation breeding pieces that we had the privilege to breed, campaign, and build our program from. National Championship titles would be the common denominator of these powerful individuals.

Over the past few years, we have remained focused on the quality aspect of our operation, shifting the breeding program to offer a more diverse product for our customer base. By incorporating Angus, Simmental, Maine-Anjou, and Shorthorn genetics to the cow herd we have been able to provide more opportunities for a larger number of junior exhibitors. In addition to the success we have been fortunate to experience in the Limousin breed we have also found great success in many other circles that we are proud of.

It comes time to close the door on the last chapter of Heart Felt Farms. We appreciate the support, comradery, and friendships that we have made over the past 27 years in the business. The time has come to disperse the cow herd and the equipment on July 24, 2021 at the farm in Gettysburg, Pennsylvania. The equipment auction will begin at 2:00 PM and the cattle will follow at 4:00 PM. We hope you will join us on site or online at CCI. Live. If you have any questions about the offering, please reach out to myself, or any of the auction staff. Thank you so much for all the good times!

Sincerely,

*Annette Delaplaine*

## **SALE MANAGEMENT**

Innovation AgMarketing, LLC  
Graham Blagg: (530) 913-6418  
Jered Shipman: (806) 983-7226  
Tim Anderson: (605) 682-9343

## **AUCTION STAFF**

Col. Jered Shipman, Auctioneer: (806) 983-7226  
Mitchell Armitage, Ringman: (405) 641-9438

## **HEART FELT FARMS**

Annette Delaplaine, Owner: (717) 752-5568  
Kyle Fleener, Herdsman: (717) 304-9116

## **LIABILITY**

All persons who attend this sale do so at their own risk, legal or otherwise, for their safety or for the behavior of the animals. The owners, sale management firm, and other sale staff assume no liability for personal injury, property loss, theft, or any accident that may occur.

## **TERMS & CONDITIONS**

Cattle will sell under the standard terms and conditions recommended by their respective breed association. All sales are final, and the cattle will become the property of the buyer when the auctioneer says "SOLD". Announcements from the auction block on sale day regarding the cattle and equipment selling will take precedence over the information printed in this catalog. No cattle or equipment will be loaded until paid for in full.

## **HERD HEALTH**

All cattle sell as is. The herd health on all cattle is in proper order and they are ready for interstate transportation. Heart Felt Farms herd veterinarian will be on site to write health papers the day of the sale. The herd bulls sell with a satisfactory breeding soundness exam. The breeding age female offering is 100% AI bred with NO BULL EXPOSURE. Some of the breeding age females have not been exposed at the time of the sale and are ready to be bred to your service sire of choice. The breeding records are provided under each specific lot. These breeding records DO NOT guarantee a pregnancy.

## **PAYMENT**

U.S. Currency only, please contact Innovation AgMarketing, LLC immediately after the conclusion of the sale to receive payment instructions. All sales are final, and payment is to be made in cash or check. Master Card or Visa will be accepted with a 3% convenience fee.

## **REGISTRATION PAPERS**

All cattle selling with registration papers from their respective breed association will be transferred to the buyer once full payment has been received.

## **YARDAGE**

Cattle will be available to load out at the conclusion of the sale. Absolutely no cattle or equipment will be permitted to leave the premise of Heart Felt Farms without full payment. Any cattle that are not paid for and removed from the premises by August 7, 2021 will endure a \$10.00/day feed and yardage bill. Any other arrangements to be made must be discussed with owner and management prior to the auction.

## **FROZEN GENETIC OFFERING**

All Semen and embryos will be available for pick-up at the farm the day of the sale. The frozen genetics have been professionally stored and managed. The semen and embryos sell without a guarantee. Following the sale, all semen and embryos will be transported to Trans Ova Genetics, Maryland to be shipped or picked-up. Semen and embryos will be released once payment is received. A detailed paid report will be provided to Trans Ova Genetics weekly to ensure that each buyer can have their frozen genetics shipped in a timely fashion. For shipping instructions please contact Trans Ova Genetics.

Welcome friends,

It is indeed a privilege to welcome you to Heart Felt Farm's complete and total dispersion. Annette, along with her daughter Kelsey, son Kyle, and Kyle Fleener have built an awesome program over the years with the consistent investment in only the very best, highest quality seedstock and have therefore influenced each breed that they acquired with significance. They are a recognizable force in the Northeastern Quadrant of the United States and have maintained that competitive edge on the National level as well. The reputation is one of the highest level with respect from many competitive cattlemen across the country.

The success was initiated in the Limousin breed and as most of you know, those cattle and the national organization have made quite the change over the past two decades. Annette met that change head on and reaped the rewards with multiple champions to their program's honor and an imprint on the breed yet today. Even though they have downsized that sector of their program, the best of the best is still left for your appraisal on July 24.

With the successful journey started they moonlighted into other breeds of influence on the tan bark, making the investment in Angus, Maine Influence, Shorthorn, and club calf genetics and raised the bar there as well. There will be multiple females carrying the service of the elite sires of their breed affiliation. You will find cattle of significant pedigree, genetic merit, and near perfect phenotype throughout this entire liquidation along with a success saturated frozen offering as well.

Annette will be the first to tell you that if it weren't for Kyle Fleener's departure, this opportunity would not be a topic of discussion. As most of you know, she is a great business woman, and knowing the difficulty of finding new help with the skillset and diligence that Kyle has, if a very tough find in today's workforce. Kyle Fleener has ran this program for many years and has a huge part in the successful track record left behind. Annette has made the decision to disperse solely on that reason. One wise but very challenging decision leads us to this day on July 24. Nothing held back!

There is a substantial inventory of light use equipment that will be offered to initiate the auction, so make plans to call and view the equipment prior to sale day if you so wish or have interest. Everything must go! This is a complete and total dispersion of the Heart Felt program. Make plans to attend, but we also encourage you to contact any of the staff with Innovation AgMarketing with questions or concerns.

Sincerely,

Innovation AgMarketing

# How to Bid Online

Tips and Tricks to Master Online Bidding

**STEP 1.** Use Chrome or Safari, a newer browser or download the CCI.live app at Google Play or Apple App store.

**STEP 2.** Open your app or go to the address of www.CCI.live in your browser. CCI.live can be used on a cell phone, tablet, laptop or desktop. Some older models may not be compatible and will show a yellow caution symbol if so.

**STEP 3.** Create an account and then request bidding credentials through CCI.live. Use the bank information listed on your check. Please use a correct phone and email address.

**STEP 4.** Once you are accepted for bidding credentials you will receive a text message and/or email notification. Proceed to "Get Buyer Number" on the actual sale page of your interest. Some sales may also require a passcode to obtain a buyer number. On these auctions, you will obtain passcodes from the sale office phone number for the specific auction you are interested in. Please closely read the terms!

**STEP 5.** You are ready to go! Make sure you understand, once you are logged in, have a buyer number and are watching the sale that you are on a highly sensitive web page. **Be careful when scrolling that you do not accidentally hit the bid button and watch children closely as they tend to grab cell phones and accidentally bid.**

### TIPS FOR SUCCESSFUL BIDDING

- Make sure you have good service. Bidding and driving is not recommended. You should have two - three bars on your cellular devices. At home you should have an UPLOAD speed of 2 mg or more UP. Use this site to test your internet: [www.speedtest.net](http://www.speedtest.net).

### REFRESH YOUR SCREEN AT SALE TIME

If you have logged in over an hour prior to sale time, you may need to login again. DO NOT let the computer set idle and then return and try to bid, the website may have logged you out.

CCI.live does not accept payment, you will pay the sale management, farm or ranch direct.

Help videos can be found at [www.CCI.live](http://www.CCI.live)

LOT 1 - AHFF PAY TO PLAY 002H

The Simmental program may have only been young at Heartfelt Farms, but the genetics that we have put together have quickly proven to be potent, this son of the National Champion Purebred bull in SC Pay the Price C11 has been impressive from day one. His aristocratic pedigree doesn't end there, his mother is one of our sale features in Hara's Princess 164F, one of the most eye appealing and elite phenotype Simmental features we have added to our battery. The Broker x Hairietta pedigree is synonymous with high valued show cattle and hitting the winners circle as often as any pedigree in the Percentage Simmental show ring over the past decade. 002H is a three-quarter blood Simmental herd sire prospect that is ultra-ruggedly designed, big bodied, powerful and sound, along with having a great temperament. I can assure you we were excited to inject his influence into our young Simmental cow herd and build upon his elite phenotype and genotype.

LOT 2 - AHFF FIRE FOX 605D

AHCC Fire Fox is a 5-year-old mature herd sire for Heartfelt Farms, he is an own son of the infamous Maine Anjou Sire in GOET I-80 and has been our go to for several of the past breeding seasons. His influence is seen throughout this offering with both progeny and pregnancies and you'll quickly notice that he consistently sires cattle with added eye appeal, heavy substance of bone and foot, and a big square hip. His pedigree is highlighted by generations of maternal with the influence of our time tested 473M donor. Full and maternal siblings to Fire Fox have been sale highlights and toppers including AHFF Foxxxy 425B who Emilie Campbell won Grand Champion banners with at the Keystone International Livestock Exposition. We believe that the exponential potential of Fire Fox has only been slightly tapped, and that his ability to sire high valued, ultra-attractive offspring make him one of the most exciting herd sire prospects to ever come out of the Heart Felt program.

**LOT 3 - AHFF SHOCKTOP 018H**  
(Pictured December 2020)

The trend towards nontraditionally colored livestock is upward more than ever, and this son of the catalyst towards the movement, In God We Trust supports the hype. Shock Top is a unique creature, regardless of your vantage point he is destined to impress, ultra-bold about his upper skeleton, wide at the ground and fluid in his conformation. We think his potential is endless for raising high valued show stock on either end of the spectrum, haired or slick, heifers or steers. It may not be evident on sale day, but trust us when we say that the haircoat that Shock Top was blessed with is impressive. Place your trust in the ability for Shock Top to elevate your program, and consistency is certain with AHFF Hearts Of Candice 119Y ET on the bottom side of his pedigree.

LOT 4 - AHFF SIGHTLINE 023H

If you're looking for a future herd sire that is supported by breed leading genetics, then your inspection is well warranted here. A son of the purple banner certified Angus sire in PVF Insight 0129 a name that has been etched not only into the show cattle industry's Hall of Fame, but as a producer of industry relevant and commercially acceptable seedstock. The maternal lineage of AHFF Sightline 023H is impressive too, his dam, KYLD Blackbird 280Z is a National Champion herself, being selected Grand Champion Limousin Female for Kelsey Delaplaine at the 2013 North American Livestock Exposition. If you're looking to introduce added maternal function, soundness, consistent coat color and polled genetics to your cowherd in one generation then this is a very logical selection for your program.

LOT 5 - HARA'S PRINCESS 167F

Hairietta is one of the most dominant producing females that the industry has EVER seen. She has sold well over \$2 million in progeny sales, including bulls, females, and steers. To make a complete list of her accomplishments would take an entire catalog. Hairietta is the most successful female ever in the club calf and composite producing business. The Hairietta x Broker mating sets the standard for SimSolution show cattle and is the most consistent, high selling and winning mating of any breed. In 2018 her progeny would include: The 2018 NAILE Champion SimSolution Heifer Champion shown by Kolten Greenhorn, sired by Broker. 2018 World Beef Expo, Illinois State Fair, Kentucky State Fair and Michigan State Fair Champion Females, all sired by Broker. Other 2018 Top sellers include the \$140,000 High seller in Paulsen's Donors & Divas Sale, a \$50,000 female sold out of the pasture, other sold for \$25,000 and \$19,000 in the Sullivan Maternal Legends sale and a \$10,000 daughter in the Tree Lane Sale. In 2017, her daughter sired by Broker was slapped the Grand Champion SimSolution heifer in the NAILE Junior Show for Stewart Skiles of Texas. This heifer was also named Grand at Fort Worth and Houston! Another sister, to this champion, was named the 2017 Supreme Grand Champion heifer over all breeds at the Indiana State Fair! Hairietta has now had the Grand champion SimAngus female at Denver three times, NAILE three times and has also won Kansas City twice. She has produced champion heifers at most major Beef Expos and many Jackpot and State Fairs. High sellers during her lifetime would chart at \$190,000, \$150,000, \$140,000, \$100,000, \$86,000, \$60,000, along with several others between \$25,000 and \$45,000. Here is the unique opportunity to invest in several direct daughters and maternal granddaughters of the legendary Hairietta! *AI BRED 2/25/21 TO JSUL SOMETHING ABOUT MARY 8421 (ASA: 3565879). HARA'S DISTINCTION - Maternal Brother to Lot 10 & 11

There have been very few cow families that have come close to generating the amount that the WAG Hairietta 9145J female and her clones are responsible for. The list of great Hairietta-influenced cattle that have made a high sellers list, been admired from ringside, or been the crowd favorite at the backdrop is simply too long to list. It has been said by the most critical cattlemen that Hairietta 9145J's most valuable flushes were to Meyer 734, resulting in Miss USA, Miss America, Miss Meyer, and Miss Universe, as well as the highly proven flush to Steel Force that yielded the great Hara's Miss Platinum. This mating combines two of the highest dollar-generating females in the business with the influence of W/C Executive Order 8543B, the maternal brother to industry greats like W/C Relentless 32C and W/C Bankroll 811D. The \$8 Million producing 8543U continues to leave a lasting impression on the Simmental breed and beef business. Here is another pair of flushmate sisters that warrant your attention and a trip to Gettysburg!

SCC ROYAL BLACKBIRD GAF 116  
LLSF PAYS TO BELIEVE ZU194  
**WOOD KEYMURA KATY 8077F**  
SLL KEYMURA KATY R547

AHFF Queen Katy 015H is a powerful Maintainer female that is backed by an elite conglomerate of notable matriarchs within the Angus breed. The sire of 015H is our 2019 Pennsylvania Farm Show Grand Champion Maintainer bull, AHFF The King 847F ET, an own son of I-80 that is backed by the 2012 National Junior Angus Show Grand Champion Owned Female, SCC Royal Blackbird GAF 116. SCC Royal Blackbird GAF 116 is a full sister to the popular First-N-Goal promotional AI sire for Stertzbach and Dameron. The dam of 015H traces to the influence of the great Keymura Katy cow family that has had a substantial impact on the Angus and Simmental breeds for those that have utilized the powerful lineage of SLL Keymura Katy R547. A stunning maintainer female that is out of a half-blood Simmental dam sired by multiple-time National Champion Pays to Believe. . . absolutely bred in the purple!

LOT 17 - AHFF FOXY 921G

LOT 18 - AHFF FOXY 903G

AHFF 473M is a staple in the Heart Felt Farms program. Here is a pair of flushmate sisters that are sired by the \$160,000 WS Revival stud that took the breed by storm when he topped "The One" sale at the National Western Stock Show in 2015. AHFF 473M is the dam of resident herd sire, AHFF Fire Fox 605D, the 2017 PA Farm Show Grand Champion Maintainer Bull. A full sister to Fire Fox, AHFF Foxxxy 425B was named Grand Champion Maintainer Female at the 2014 Keystone International Livestock Exposition for Emilie Campbell. 425B was a many times Champion across the Eastern United States before being selected as the 2016 PA Farm Show Supreme Champion Female. Another maternal sister, AHFF Foxette 520C was the 2018 PA Farm Show Grand Champion Maintainer Female. The influence that 473M has had on the Heart Felt Farms program is immeasurable, she is a true matriarch. Study this pair of uniquely built half-blood SimSolution females that are both bred back to the popular GOET I-80.

LOT 22 - AHFF SWEET SHELBY 992G

2017 IL Junior Beef Association Jackpot Show Grand Champion Heifer – Full sister to Lots 21 & 22

Moore Shelby 283Y needs no introduction to the business when it comes to quality, consistency, and generating capabilities. 283Y was a member of the illustrious donor pen at Hudson Pines and left a lasting impact on the program's that employed her progeny. 991G and 992G are flushmate full sisters to the \$30,000 high selling female that sold in The Living Legacy XII to the Dearwester family and Jace Mixer. That powerful I-80 sired female was named calf champion at the NAILE Maine Anjou show. She continued her winning tradition being selected a champion in Denver and Supreme Champion Female at the Illinois Junior Beef Association Jackpot show. A maternal sister to 991G and 992G sired by the late Quantum Leap commanded \$22,000 to the Tanner family of Texas and was competitively campaigned throughout the Lone Star State. WLE CNS Shelby T335 was a foundation in the Moore Land & Cattle program of Jerseyville, Illinois and her impact is still seen today. 283Y has over 50 progenies recorded between the American Simmental Association and American Maine-Anjou Association. Here is an elite opportunity to acquire not just one, but two direct daughters of the immortal Moore Shelby 283Y.

LIMOUSIN

LOT 41 - TMCK STRAWBERRY PIE 6025X

TMCK Strawberry Pie 6025X is one of the most impressive females to ever come out of the Tubmill Creek Farms program. She is a homozygous polled and homozygous black female that stems from one of the most potent cow families in the breed. 6025X is a full sister to TMCK Durham Wheat, one of the featured herd sires at Highland Stock Farms in Canada and experienced an undefeated record in the show ring. Durham Wheat would be the sire of Riverstone Crown Royal and Riverstone Charmed, two of the most influential individuals in the history of the breed! Riverstone Charmed, affectionally known as "Larissa" is one of the absolute most DOMINANT producing Limousin females in history, generating more than a Million dollars in lifetime earnings. "Larissa" was the 2016 NAILE Supreme and many times National Champion for the Ratliff family of Kansas. Since she has entered production, she has produced countless National Champions and high sellers. A true investment opportunity to acquire a full sister to the legendary Durham Wheat that is nursing an excellent Follow Me heifer calf!

KYLD BLACKBIRD 280Z  
2013 NAILE Grand Champion Junior Limousin Heifer and  
Daughter of Lot 42

LOT 43 - AHFF 951G

What a set of females to highlight the Limousin division of the Heart Felt Farms dispersal sale! KYLD Blackbird 280Z is an own daughter of Schilling's Wallace and backed by KYLD Blackbird 044X, tracing to the foundation EXLR Blackbird 7182R matron. The Blackbird cow family has proven to offer as much maternal power, stoutness, and eye-appeal as any in the breed. KYLD Blackbird 280Z was selected as the 2013 NAILE Grand Champion Junior Limousin Heifer for Kelsey Delaplaine. A popular son of KYLD Blackbird 280Z sired by SCC First-N-Goal is owned by Kenneth Merrill. Here is your opportunity to purchase two of the foundation females that helped to build the Limousin herd at Heart Felt Farms.

### FROZEN GENETIC OFFERING

All Semen and embryos will be available for pick-up at the farm the day of the sale. The frozen genetics have been professionally stored and managed. The semen and embryos sell without a guarantee.

Following the sale, all semen and embryos will be transported to Trans Ova Genetics, Maryland to be shipped or picked-up. Semen and embryos will be released once payment is received. A detailed paid report will be provided to Trans Ova Genetics weekly to ensure that each buyer can have their frozen genetics shipped in a timely fashion. For shipping instructions please contact Trans Ova Genetics.

**Trans Ova Genetics Maryland**  
**7441 Sharpsburg Pike**
