JCL RED ANGUS

Spring Online Sale

APRIL 18, 2022

7:00 pm

CCI
LIVE **LiveONLINE™**

In Honor of a Life Well Lived.....

Welcome to the Sale

2021 and early 2022 have been landmark years for JCL Red Angus – in many ways. As you may know, Dad's (JCL's) lifetime of work has given way to his legacy. We carry his lessons with us each day, and hope that you will make this set of calves a part of your program, as a way of honoring his hard work and commitment.

When JCL Red Angus began, just over 4 years ago, our goal was simple: to breed the best Red Angus Cattle possible, given the constraints of remaining small, and focused.

In 2022, we were fortunate to co-exhibit JCL Polo to be the National Champion Red Angus Bull. This bull marked national Champions spanning 6 decades of Dad's career in breeding/exhibited registered cattle, beginning with the National Champion Polled Hereford bull in 1962.

2021 was packed with great things including Premier Breeder and Premier Exhibitor at the 2021 American Royal Show in Kansas City. The 2021 Junior National saw JCL bred heifers win many classes, and 2 divisions – all of this from a program that sold fewer than 2 dozen heifers in the previous year.

Whether YOUR goal is to purchase a show prospect (with long-term cow quality) for a junior or to add a breeding piece to your herd, please consider the lots we offer on April 18, 2022.

For the first time, join us for a live auction at 7 p.m. (EST) CCI.live

Kindest regards,
Cheryl Linthicum
JCL Red Angus

The sale is a Live Auction event hosted online by CCI.live.
Text 516.366.0734 for assistance.

Nothing excited Dad (JCL) more than a great bull calf.

Meet JCL's Legacy.

His attitude says he knows he's good - even as a seven month old calf.

His look says: "You won't forget me."

He's green, yet thick. He's big-boned, yet angular and smooth. His hip and stifle are expressive. His shape down his top says "I am for real."

He started his life (and is still known in the barn) as "Robinhood".

We think this bull calf, and his new owner(s) are destined for many adventures - in the showing and beyond."

JCL's

GT CITA 4060 - Legendary 3rd Generation Maternal Granddam of Lots 1 & 2

*2019 FWSS Reserve Grand Champion Red Angus Heifer
Full Sister to Dam of Lots 1 & 2*

Her full brother is JCL Legacy (AKA Robinhood). That would be enough for most folks to want to own her. Robin is a strong heifer in her own right. She is super correct, easy doing and very calm. Like her brother, she loves to strike a pose.

Like her stall mate, JCL Lucy, Robin is one of those heifers we have used to train the younger heifers to walk (to the picture pen, the wash rack, etc.). Like other heifers in the sale, she'll do even better with time.

She is an easy doing "no problems" kind of gal!

JCL J-Lo has quiet style. Honestly, this is one that looks much better today, in person, than in her picture.

Dad might say, this is one you would miss, if you never saw her in person.

She is smooth from tip to tail. She was a little under the weather in the days leading up to her picture, so we'll try to post a more recent one on Facebook.

Better yet, come see her, and the others in person.

Dad (JCL) loved Covergirl. This heifer was his favorite from the time she was about 8 weeks old. He loved her front end, her angle of shoulder, her natural depth, and her movement. He thought she was stunning. He also believed that she would make a donor material cow, long after her show days were behind her.

He named her early, and that name stuck.

We used MLK Big Foot a bit for this calf crop. Here's the oldest of the Big Foot daughters... JCL Lucy... born in September. Lucy is a maternal half sib to JCL Coco and JCL Covergirl.

Lucy is a heifer that we use to walk the ""rookies"" to the wash rack... She's a mother hen. (She came in the barn when everyone else did... but she has assumed that role.)

RED ANGUS

Remember JCL Molly, JCL Polly, JCL Dolly, and JCL Golly? Meet their younger sisters - JCL Dixie and JCL Trixie

Dixie and Trixie are September calves. Super correct, deep, square-hipped and easy keeping!

If you are junior who wants to build a cow family, long after your show days are over, or a breeder who wants a "sure thing" with lots of breeding possibilities... Dixie and Trixie could be your gals!

If they are anything like their big sisters, they will make great cows, as well as show heifers.

JCL POLLY - Many Times Champion Heifer in Nebraska
Full Sister to Lots 8 & 9

This baby tank is just a November. She's a little chunk right now... but as that baby fat comes away, she will look sleeker and better.

This heifer is from a growthy, very correct J6 cow. Her dam is an up-and-coming donor in the JCL program.

MLK BIG FOOT - Sire of Lots 7 & 11-13

Cinnamon Sugar is the youngest of the November calves. She didn't have the best recipient Momma and it showed... but she is making great headway once in the barn (since March 3rd).

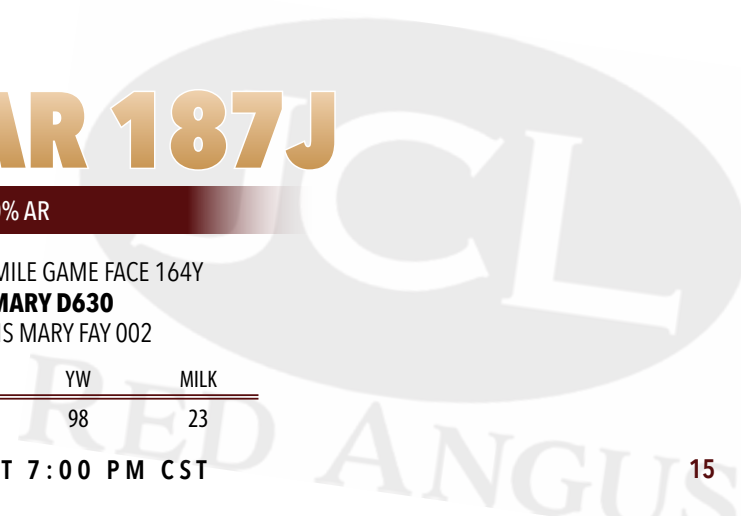

Cinnamon Sugar is super green but has the pedigree to work. She is long hiped, sweet fronted and may be the buy of this sale. If you are not looking to show next week, or are looking for a cow prospect, she may be your girl!

This November heifer is a favorite of many.

She's a beautiful, rich red, and is oh, so sweet. Just a November, she came into the barn and quietly made her way into our hearts with her total correctness and "no drama" disposition.

Her mother is an old cow - that we sold at 13. When we sold "Sam", she still had a perfect udder and great feet. Help yourself to this little gal- she definitely will show, and she gives you many a breeding opportunity for the future.

ROYCE'S SENSATIONAL 14 - Dam of Lot 13

Roxie is the right kind – she has the bone, top and shape to make a cow, and is growthy and classy enough to show. She was not on the best recipient (her recip mother was shipped after Roxie was weaned) and she only gets better now that she is in the barn.

One of the first cows we purchased at JCL was the Royce's Sensational Cow. She was expensive – brought \$54,000 in the Denver Mile High Sale in 2016. Sensational became the EPD Queen at JCL, and daughters remain in the herd. Check out Roxie's EPDs – top of the breed in weaning, yearling and milk.

Magnolia a 50-50 - dual registered as a percentage Red Angus and a LimFlex.

Note her age: She is a July - an "off season" heifer that can be just right for that summer class.

She is from the last, purebred red Limousin cow we flushed at JCL. Her sisters have been successful as show heifers, and her brothers are favorites among JCL bull buyers.

If you want a heifer that can show in two breeds, she's your girl.
