Put Elite Genetics to Work in Your Herd

On behalf of Red River Farms, we welcome you to Texas for the “Ladies of the Lone Star” production sale. Please join us on October 7th for an evening packed full of exciting Simmental genetics and second to none hospitality. Our dedication to the Simmental breed and maternal cow families is evident in the offering, we are extremely confident that the quality runs deep and that the cattle assembled appeal to cattle producers across many levels.

One thing is for certain, our program was built on a foundation of integrity while providing a high level of service to our customers. In doing so, we have developed relationships with some of the top breeders in the country that are as dedicated as we are in providing top genetics and reliable service. Rocking P Livestock and their partnership with Circle M Farms along with Wallace Cattle Company have reached deep into their genetics to offer some cornerstone females and elite frozen genetics only to be offered at this production sale.

As with any business or operation within the field of production agriculture, the time and dedication it takes to become successful is a testament to those that believe in the program. We could not put on an elite production sale without thanking the individuals that put forth so much effort. We would also like to thank all of the individuals involved in our California farming operations for their commitment to Red River.

We thank you for taking the time to join us and appreciate your interest, please reach out to a sales/marketing representative if you have any questions. We also would like to remind you to attend The Black Label Sale on October 8th in Grandview, Texas which is just 1.5 hours from the Red River Farms Sale Facility.

Sincerely,

Bob & Michael Mullion AK Phillips

INNOVATIONAGMARKETING.COM

Fellow Simmental Enthusiasts, Breeders, & Junior Members,

We are pleased to welcome you to East Texas to the beautiful Red River Farms sale facility in Grand Saline. It is always a pleasure to work with the Mullion family and their very talented staff that make up the team at Red River Farms, led by general manager, Mr. AK Phillips. You can always count on unparalleled hospitality and customer service when at the "Ladies of the Lone Star" sale!

Red River Farms is synonymous with quality, and genetically advancing their herd is something that this firm takes very seriously. Attention to detail, precise breeding decisions, and extraordinary management through all stages of development have once again yielded an impressive offering of open show heifer-donor prospects, bred heifers that are safe AI to the most popular and proven sires in the business, and proven females from the heart of the program. Each year Red River Farms emphasize headlining the sale offering with a special individual that has been a pivotal member of their embryo transfer program, and this year is no exception! On Friday, October 7th the opportunity will be yours to acquire the stunning TEX Rita 5553, a prolific matron within the program that is responsible for countless success stories that all lead back to the "Ladies of the Lone Star" marketing event. She sells safe in calf to the \$100,000 OBCC CMFM Deplorabull D148, the same mating that produced the many time champion for the Jackson family. RRF Rita 215G culminated her show career as the 2019-2020 PTP Ring of Champions Percentage Show Heifer of the Year!

Again in 2022, we are pleased to welcome Rocking P Livestock, Circle M Farms, and Wallace Cattle Company as contributing breeders to the sale. These seedstock operations conduct their business with a like-minded approach, sharing in the common goal of constant genetic progression with strong emphasis of aligning the most proven cow families in the breed. Countless individuals of influence, National Champions, high sellers, and cornerstone matrons can be easily identified throughout the pages of this book. Full and maternal sisters to reigning National Champions will be offered in the 2022 Edition of the "Ladies of the Lone Star" sale, making it one of the most anticipated SimGenetic offerings of the 2022 Fall sale season!

We invite you to join us on Friday evening, October 7th in Grand Saline, Texas for a tremendous offering of genetics, world class hospitality, and fellowship at Red River Farms! We will have videos of the entire offering available online the weeks leading up to the sale, as well as a live broadcast with real-time bidding hosted by CCI.Live if you are unable to attend. If you have questions about the cattle selling, please reach out to any of the authorized sale representatives or breeders to discuss the offering and find the best fit for your program. We look forward to seeing each of you in Texas!

Enjoy the cattle,

Graham Blagg | Jered Shipman | Tim Anderson

Liability

All persons who attend this sale do so at their own risk, legal or otherwise, for their safety or for the behavior of the animals. The owners, sale management firm, and other sale staff assume no liability for personal injury, property loss, theft, or any accident that may occur.

Terms & Conditions

Cattle will sell under the standard terms and conditions recommended by their respective breed association. All sales are final, and the cattle will become the property of the buyer when the auctioneer says "SOLD". Announcements from the auction block on sale day regarding the cattle selling will take precedence over the information printed in this catalog. No cattle will be loaded until paid for in full.

Payment

U.S. Currency only. All sales are final, and payment is to be made in cash or check to Innovation AgMarketing, LLC. Master Card, Visa, or American Express will be accepted with a 4% convenience fee.

Registration Papers

All registration papers from the American Simmental Association or American Angus Association will be transferred to the buyer once full payment has been received. Please provide transfer information at buyer registration.

- We proudly initiate the “Ladies of the Lone Star” 2022 edition with a special sale feature that has been a pivotal member of the donor battery at Red River Farms, TEX Rita 5553. Rita is a SimAngus maternal sister to the Select Sires standout TEX Playbook 5437, one of the great Basin Payweight 1682 sons in existence. TEX Rita 5553 traces to the multi-million dollar producing Rita 5F56.
- TEX Rita 5553 is phenotypically one of the most impressive SimAngus females that we have ever laid eyes on. She was the \$36,000 featured lot that we purchased in 2017 from Teixeira Cattle Company. In terms of volume, capacity, and udder quality, TEX Rita 5553 sets the bar.

THE RITA 5553 COW FAMILY

- The most notable daughter of TEX Rita 5553 is RRF Rita 215G, the daughter of OBCC CMFM Deplorabull D148 that was competitively shown by Morgan Jackson of Texas.
- RRF Rita 215G was the 2019-2020 PTP Ring of Champions Percentage Simmental Show heifer of the year. RRF Rita 215G was a 2020 NWSS Division Champion, 2020 FWSS Reserve Grand Champion Percentage Heifer, and the 2021 AJSA National Classic Reserve Grand Champion Percentage Simmental Cow/Calf Pair.
- TEX Rita 5553 is confirmed safe in calf back to the \$100,000 OBCC CMFM Deplorabull D148, making the pregnancy she is carrying a full sib to Morgan Jackson's RRF Rita 215G.

- Another daughter by OBCC CMFM Deplorabull D148 was the featured bred heifer in 2020 that was purchased by KenCo Cattle Company of Tennessee for \$15,000.
- Let's not forget what the JF Milestone 999W daughter that initiated the 2021 Ladies of the Lone Star sale accomplished with \$12,000+ average on three bred heifers before commanding \$35,500 to Osborn Cattle Enterprises.
- Offering a pivotal member of the Red River Farms breeding program in the form of TEX Rita 5553.
- *AI bred on 6/22/22 to OBCC CMFM Deplorabull D148 (ASA 3150188).*
- *Vet confirmed safe. Estimated due 3/31/23*

The Legacy of Queens Valentine R9

THE QUEENS VALENTINE R9 COW FAMILY

- RRF Loving the Profit 207K initiates the PCC Queen Valentine R9 cow family through the influence of a new and exciting female in the donor pen at Red River Farms, BFSC Loving the Profit.
- BFSC Loving the Profit is sired by the \$400,000 Profit and out of the legendary RP/MP Right to Love 015U, making her a maternal sister to HPF Quantum Leap Z952 and THSF Lover Boy B33.
- 207K is elegant in her design, sleek about her front third, and offers a symmetrical look of balance and quality from the profile.
- 207K is sired by SJW Exit 44 7111E, the LLSF Pays to Believe ZU194 son from Wallace Cattle Company's leading matriarch, CMB Yolanda Y658.
- A must see on sale day if you're in the market for an elite Purebred show heifer that has the credentials and lineage to make her mark as a donor!
- *Entered in the 2022 American Royal & NAILE*

- RRF Loving the Profit 205K and RRF Loving the Profit 212K are the next duo of ET sisters from the young and productive BFSC Loving the Profit donor dam. They are sired by the 2021 Cattlemen's Congress Grand Champion Purebred Simmental Bull that sold in the Embryos on Snow sale for \$530,000 for one-half interest.
- There is no question that SO Remedy 7F works as well on Profit daughters as any sire in the business, so it should come to no surprise that these females offer a captivating look of quality about their front end, are bold in their rib cage, and set to the surface square and true.
- The legendary RP/MP Right to Love 015U can be identified throughout the pedigree of 202K and 212K three different times!

- RRF Miles of Love 615J and RRF Miles of Love 616J are ET flushmate daughters of JBSF Logic 5E, the full brother to the 2019 AJSA National Classic Grand and Reserve Grand Champion Purebred Heifers that were campaigned by the Guyer and Walker families. JBSF Breckyn 6F continued her winning ways and was selected as the 2019 NAILE Grand Champion Purebred Simmental for Ashtin Guyer.
- The dam of these females is a maternal sister to HPF Quantum Leap Z952 and THSF Lover Boy B33, two of the most utilized AI sires in the breed.
- BFSC Miles of Love 48D is sired by the tried and true maternal legend, JF Milestone 999W. Milestone is the sire of the featured lot 1 donor in this year's sale, TEX Rita 5553. The \$35,500 lot 1 donor in 2021, OBCC Lola 137Z, was also sired by Milestone.
- A unique pair of sisters that offer an elite combination of cow family and pedigree from top to bottom. They both sell safe in calf to RRF Trading Up E777, the brother to Private Stock and Eminence, therefore injecting the A021 influence into the next generation... bid with confidence!

Sells Open & Ready for Embryo Production.

- It has remained our commitment at Red River Farms to offer our very best, whether that be in the form of open show heifers, elite bred heifers, or in this case a proven donor dam from one of the most popular cow families in the business!
- RP/CMFM Built To Love E10 initiates this prolific cow family that traces to the legendary NJC/SVF Love Me Don't You L32, the 2003 NWSS Reserve Grand Champion Percentage Female. L32 then produced the great MCLF/RP Ms Love Me S311, the 2008 NWSS Grand Champion Percentage Simmental Female. S311 quickly followed in line by producing the 2009 NAILE and 2010 NWSS Grand Champion, MCLF/RF Loves to Smile 029U. 029U is a maternal sister to females such as 076W, 078W, 073W, X135, A004, and 2070B to name a few of the most influential.
- 076W's most notable daughter would be the iconic RP/MP Built To Love A021, a female with a list of accolades that few have rivaled. A021 was the 2014 AJSA National Classic Reserve Grand Champion Bred & Owned Female, 2014 American Royal Grand Champion Junior Female, 2015 NWSS Reserve Grand Champion Junior Female, and the 2015 FWSS Grand Champion Female. Few have rivaled the list of accolades that A021 did during her tenure on the road.

THE LOVE ME S311 COW FAMILY

B C R Built To Love 307J - \$150,000 Maternal Sister to Lots 8 & 9

- A021 followed in the footsteps of her dam as has emerged as one of the highest revenue generating members of this illustrious cow family. She has produced the \$150,000 B C R Built To Love 307J, and the \$130,000 B C R Built To Love 031J.
- Rocking P Private Stock H010, the 2021 NAILE and 2022 FWSS Grand Champion Purebred Simmental Bull is a three-quarter brother to E10. Another son of A021, RP/BCR Eminence H005 is making big waves with his 2022 calf crop at Buck Creek Ranch.
- RP/BCR Built To Love G303, is the stunning half-blood daughter of A021 that is sired by PVF Insight 0129. G303 was the 2019 NAILE Division II Champion, 2020 NWSS Division II Champion, 2020 FWSS Grand Champion Percentage Female, and the 2020 AJSA National Classic Grand Champion Bred & Owned Percentage Female. G103, a full sister to G303, was selected as the 2021 AJSA National Classic 5th Overall Percentage Female for Josie Phillips.
- E10 combines the two most astute cow families at Rocking P Livestock that are derived from PCC Queens Valentine R9 and MCLF RP Ms Love Me S311. This one alone is worth the drive to Grand Saline, Texas!

21

B C R Built To Love 031J - \$130,000 Maternal Sister to Lots 8 & 9

THE LOVE ME S311 COW FAMILY

- Wallace Built To Love 200K is a special sale feature that is a FULL SISTER to the 2021 NAILE and 2022 FWSS Grand Champion Purebred Simmental Bull, Rocking P Private Stock H010. Another full brother to this genetic gem is RP/BCR Eminence H005, the exciting young herd sire that is working at Buck Creek Ranch, C-4 Land & Cattle, and Conley Cattle.
- 200K offers the signature "A021" maternal design in terms of her center body, depth of rib, and overall capacity. We have admired her genuine build and futuristic look of quality since day one!
- A021 is no stranger to the limelight, whether it be her countless victories during her show career or her illustrious career in the donor pen. A021 is one of the most prolific females in the Simmental breed.
- Maternal sisters to 200K demanded the attention of breeders and junior show families from across the country when they commanded \$150,000 and \$130,000 at the Buck Creek Ranch "Grand Event" in December of 2021.
- Friday night in Grand Saline, Texas the opportunity will be yours to add the timeless influence of the legendary A021 to your program!
- *Entered in the 2022 American Royal & NAILE*

RP/BCR Eminence H005 - Full Brother to Lot 9

- Rocking P Loves to Smile H081 is a top daughter of HPF Quantum Leap Z952 that is from the S311 cow family via the influence of her maternal granddam, MCLF/RP Loves to Smile.
- The dam of H081 was raised by Jones Show Cattle and is sired by Heck The Outsider 64A, a son of SVF/NJC Built Right N48, therefore making her an indirect three-quarter sister in blood to 076W and 078W.
- H081 is a three-quarter sister in blood to Rocking P Wildfire H129, the 2022 AJSA National Classic 5th Overall Bred & Owned Purebred Heifer.
- A beautiful profiling baldy female that is supported by balanced genetics on the top and bottom side of her pedigree. This is an asset that will never go out of style!

AI bred on 5/3/22 to RRF Trading UP E777 (ASA 3277726). PE 6/3/22-7/20/22 to Rocking P Pays J012 (4089123). Vet confirmed safe AI. Estimated due 2/9/23

- MMM-RRF Miss Red River 202J is the JSUL Something About Mary 8421 daughter of CMFM Gotta Love Me D311 female.
- D311 is the dam of 211H, the \$18,000 RRF Trading Up E777 daughter that was a division champion at the American Royal.
- She is safe in calf to SJW Exit 44 7111E, due early for a quick return on investment with a high quality Purebred on the way!

AI bred on 4/11/22 to SJW Exit 44 7111E (ASA 3416614). Vet confirmed safe. Estimated due 1/18/23

KCC1 Tiara 130Z - Matriarch Donor Dam

- MMM-RRF Tiara 021K is the stunning April Purebred daughter of KCC1 Tiara 130Z by SJW Exit 44 7111E. Without question one of the best built, boldest ribbed, and most eye appealing females in the entire offering.
- 021K is backed by one of the leading ladies in the donor pen at Red River Farms, KCC1 Tiara 130Z. This powerful daughter of WAGR Driver 706T was bred in the Kearns Cattle Company program of Rushville, Nebraska. She was a member of the flush that also yielded the 2013 NWSS Grand Champion Pen of Three Simmental Bulls.

- The most notable full brother to 130Z is KCC1 Pinnacle 118Z, the \$16,000 high selling bull that was selected by Yardley Cattle Company at the National Western in 2013. Sibs to 130Z have been selected by Hidden Oaks Cattle, Nixon Family Farms, Swanson Cattle Company, Pleasant Hill Farms, and K-Ler Cattle Company to name a few.
- 021K offers an elite look of quality about her front third yet transitions into a bold and three-dimensional body type and maintains a square and genuine structural build.
- *Entered in the 2022 American Royal & NAILE*

LOT 14A

- The next pair of sisters are FULL SISTERS to RRF Tiara 203H, the \$16,000 high seller from the 2020 Ladies of the Lone Star sale that was purchased by Abbie Melton of Cumby, TX.
- 203K and 215K are built for the long haul, offering superior structural integrity, length of body, and extension about their front third.
- The WLE Copacetic E02 x KCC1 Tiara 130Z mating has been proven time after time to yield cattle with a futuristic look of quality and true maternal function.
- **Entered in the 2022 American Royal & NAILE**

- A maternal sister to 005K, RRF Precious Cotton 014J, was purchased in the 2021 sale by the Kelch family of Italy, Texas.
- 005K offers a royal pedigree. Some of the most influential individuals in the Simmental breed can be identified throughout her lineage.
- *Entered in the 2022 American Royal & NAILE*

LOT 17A

LOT 17B

- A special sale attraction that we are proud to offer! There is no denying the pedigree and the revenue generating potential that this pair of sisters possess.
- The sire of these female is the deceased JBSF Berwick 41F. He sold for \$109,000 for one-third interest in the 2020 Embryos on Snow sale to F4 Land & Cattle. He has been utilized on some of the most elite donors in the business with outstanding results.
- The dam of K004 and K043, ML/RJ/STCC Serena D47 is the WS Pilgrim H182U sired daughter of the legendary HF Serena. D47 was selected as the 2017 AJSA National Classic Reserve Grand Champion Purebred Simmental for Claire Trennepohl. She is now following in the footsteps of her dam, one of the highest revenue generating females in the Simmental breed.
- A full sister to K004 and K043, STCC Lila 116J, was purchased by Kai Thomsen and was selected as the 2022 SD Summer Spotlight Supreme Grand Champion Breeding Heifer.
- A three-quarter sister in blood to K004 and K043, KC2 Miss Serena 74J, was selected as the 2022 AJSA National Classic Reserve Grand Champion Purebred Heifer for Chloe Clark.
- A maternal brother to this pair of females will be one of the featured herd sire prospects to sell at Hartman Cattle Company in February of 2023, while the dam of these beauties is a maternal sister to the \$620,000 world-record selling STCC Tecumseh 058J!
- Power in the blood would be an understatement!

Miss Time to Shine Y251 - Legendary Maternal Granddam of Lot 18

A Rich Simmental History

BCR Time To Shine 012G – Dam of Lot 18
2019 American Royal & 2020 NWSS Division Champion Purebred
Simmental Heifer

LOT 19

- The maternal granddam of MMM-RRF Lola 206K is no stranger to the spotlight! OBCC Lola 137Z initiated the 2021 Ladies of the Lone Star as the lot 1 female, commanding \$35,500 to Osborn Cattle Enterprises of Oklahoma.
- OBCC Lola 137Z was the 2013 AJSA South Central Regional Grand Champion Owned Heifer, 2013 Simmental Breeders Sweepstakes Reserve Grand Champion Heifer, 2014 NWSS Division Champion, and the 2014 AJSA National Classic Grand Champion Percentage Simmental Heifer for Tanner Howey.
- Three bred heifers were featured in last year's sale. Those maternal sisters to 206K sold for \$20,000, \$9,000, and \$7,500. They are now working in the C-4 Land & Cattle, Trennepohl Farms, and Gerdes Show Cattle operations.
- RRF Lola 208H was competitively shown by Dakota Heidt during the 2020-2021 show season. Her list of accolades would include division wins at the American Royal, North American International Livestock Exposition, and the Cattlemen's Congress. 208H was also selected as the 7th Overall Purebred at the 2021 AJSA South Central Regional.
- This W/C Relentless 32C sired female was raised by a first calf daughter of OBCC Lola 137Z that is sired by HPF Quantum Leap Z952. RRF Lola 010G is a new and exciting member of the donor pen at Red River Farms. We look for her influence to be as impactful as the females that line her pedigree.
- *Entered in the 2022 American Royal & NAILE*

SJW Yolanda 68D
2017 AJSA National Classic Grand Champion
Percentage Simmental Heifer
Maternal Sister to Lot 20

- If you have followed the Wallace program, then there is no denying the influence and the impact that their genetics have had on the Angus and Simmental breeds. Storied cow families that have stood the test of time and set the standard for maternal function and practicality. Wallace Yolanda 1183J is straight from the heart of the program, being a direct daughter of CMB Yolanda Y658.
- CMB Yolanda Y658 was a many time champion for Mark Moriondo before entering production. She has produced countless high sellers, show ring champions, and individuals of influence within the breed.
- In 2018 a pair of daughter by FHEN Halftime A127 were selected as the Fort Worth Stock Show Grand Champion and Reserve Grand Champion Percentage Heifers. Another full sister, SJW Yolanda 68D was selected as the 2017 AJSA National Classic Grand Champion for Braelyn Berlowitz.
- MMR Yolanda 106E, another sister by FHEN Halftime A127 was the 2019 NWSS Reserve Grand Champion Percentage Heifer in the Open Show.
- Y658 is also the dam of SJW Exit 44 7111E, one of the most successful AI sires in the breed that has experienced tremendous success over the last year. In fact, SJW Exit 44 7111E sired the Supreme Champion Junior Breeding Heifer at the Kentucky and Missouri State Fairs this past summer!
- Another maternal brother to this beauty is WCC/RRF Troubadour 0130H, the 2022 FWSS & 2022 Simmental Breeders Sweepstakes Reserve Grand Champion Percentage Simmental Bull.
- A unique breeding piece that ties together the influence of Y658 and 015U, the dam of HPF Quantum Leap Z952 and THSF Lover Boy B33. Power in the blood would be an understatement!

Setting Standards

THE YOLANDA Y658 COW FAMILY

WCC/RRF Troubadour 0130H - Lot 20 Semen Sire

- The initial offering of SEXED FEMALE semen from the popular WCC/RRF Troubadour 0130H, the 2022 FWSS & 2022 Simmental Breeders Sweepstakes Reserve Grand Champion Percentage Simmental Bull. It is no secret that the CMB Yolanda Y658 cow family has assembled a resume that few can mimic, with countless National Champions, high sellers, and individuals of influence.
- WCC/RRF Troubadour 0130H is a maternal sib to the highly proven and predictable AI sire, SJW Exit 44 7111E, a bull that has experienced heavy use due to the continued success of his progeny.
- Here is your chance to incorporate a young and exciting AI prospect that combines the maternal influence of RP/MP Right To Love 015U, CMFM Joy 02ZB, & CMB Yolanda Y658, three females that would have countless National titles to their name. . . . Troubadour is bred to be!

THE YOLANDA Y658 COW FAMILY

- MHM-RRF Ms Primrose 024K is the stunning red hided three-quarter blood beauty that is sired by THSF Lover Boy B33, one of many influential individuals derived from the RP/MP Right to Love 015U cow family.
- The dam of 024K is a daughter of MR HOC Broker that is backed by a TC Total 410 daughter that was selected from the famed Vintage Angus Ranch.
- She offers a unique look of quality combined with a flawless structural build. She is angular about her front third, neat chested, and transitions into a bold rib cage and offers optimum progression of depth through her rear rib and flank.
- She is eligible to be shown in the ORB division at the Texas majors. Ultimately, we believe that MHM-RRF Ms Primrose 024K will be a force in the show ring at every level.
- *Entered in the 2022 American Royal & NAILE*

- AKP/RP Holley K02 is a May born daughter of SJW Exit 44 7111E that is further influenced by the legendary Coleman Blackcap 0208 cow family on the maternal side of her pedigree. A maternal sister to K02 by WLE Copacetic E02 sold in last year's sale to Lee Wright of Alba, Texas.
- K02 is much like her maternal sister in terms of body mass, foot and bone, and extension. A competitive option for the Late Spring Yearling Division.
- *Entered in the 2022 American Royal & NAILE*

The Bred Females

LOT 23

AI bred on 4/24/22 to Reckoning 711F (ASA 3553633). Vet confirmed safe. Estimated due 1/31/23

- Focus on cow family has been at the forefront of our selection criteria at Red River Farms, it is something that we believe in and recognize. Last fall we made the decision to seek out a daughter of the legendary JBSF Proud Mary 317C, a female that is quickly climbing the ladder on the list of the all-time high revenue generating females in the business.
- JBSF Proud Mary 317C frequented the backdrop during her entire show career, however her biggest victories would include being selected as the 2016 AJSA National Classic Grand Champion Purebred Heifer, 2016 IA State Fair Supreme Champion Junior Breeding Heifer, and the 2016 NAILE Grand Champion Purebred Simmental Heifer.
- The most notable son of JBSF Proud Mary 317C, JSUL Something About Mary 8421, has proven to be one of the best breeding sons of the great W/C Relentless 32C that the industry has ever seen.
- Countless full sisters to JSUL Leapin Proud 1152J have been campaigned to the top at the highest levels year after year. Full sisters have highlighted sales across the country and are now proving their ultimate worth in production by carrying on the "Proud Mary" legacy.
- JSUL Mary is Proud 8047F is one of, if not the most notable FULL SISTER to 1152J. She was the 2018 NAILE Calf Champion and Reserve Grand Champion, 2019 FWSS Grand Champion, 2019 NWSS Calf Champion, 2019 Simmental Breeders Sweepstakes Grand Champion, and 2019 American Royal Grand Champion to name a few of her biggest accolades.
- The opportunity to own a share in the future of what this female has to offer will present itself on October 7, 2022 in Grand Saline, Texas. A true sale feature!
- *Red River Farms will offer 50% embryo interest in this future matriarch, without the option to double.*

- RRF Lady Blackbird X062 was one of the most impressive specimens to ever grace the pastures of Grand Saline, Texas. She has made a tremendous impact on our program in the effort to “breed up” from the highly productive half-blood daughters that she has produced. Unfortunately, we lost RRF Lady Blackbird X062, and very limited inventory of frozen genetics remain.
- These full sisters are unrivaled in terms of body, genuine base width, squareness of build, and offer the easy fleshing maternal look that is necessary to generate.
- A maternal sister by SC Pay the Price C11 was purchased by Circle M Farms in 2021 for \$10,000. This will most likely be the last time any daughters from X062 are offered for sale.
- 410H and 412H are both sired by RRF Trading Up E777, the son of the great RP/MP Built To Love A021, making him a maternal brother to Rocking P Private Stock H010, RP/BCR Eminence H005, as well as the pair of sisters that commanded \$150,000 and \$130,000 at Buck Creek Ranch last December.
- Both females sell safe in calf to the 2019 NAILE, 2020 NWSS, and 2021 Cattlemen’s Congress Grand Champion Percentage Simmental Bull, Reckoning 711F.

LOT 25

AI bred on 4/7/222 to HPF Quantum Leap Z952 (ASA 2649657). Vet confirmed safe. Estimated due 1/14/23

- 062H is another daughter of RRF Trading Up E777 that is supported by the everlasting maternal influence of the iconic MA Bandy Maid 873.
- MA Bandy Maid 873 is the dam of RRF Bandy Maid E719, the MR HOC Broker daughter that is quickly proving her value in production. A full brother to E719 was the NWSS Grand Champion Percentage Bull, M.A.C. Wallstreet 340A.
- 873 also produced the 2011 American Royal Grand Champion Percentage Simmental Heifer in the Junior and Open show, 2011 NAILE Grand Champion Percentage Simmental Heifer in the Junior show, and 2012 NWSS Reserve Grand Champion Percentage Heifer in the Junior show.
- Another full sister to E719, CMFM Bandy Maid 413C, purchased by Fenton Farms of Mississippi was the 2015 NAILE Division II Champion.

- MMM-RRF Wakanda 610J is a powerful daughter of the \$180,000 W/C Fort Knox 609F that is backed by the 923B donor.
- 610J is a full sister to several females that were among the featured lots in the 2021 Ladies of the Lone Star sale that were purchased by the Lindsey, Allen, Wright, and Kelch families.
- She combines the influence of not only the legendary S600, but also Miss Werning KP 8543U, the number 1 highest dollar generating female in the Simmental breed.
- W/C Fort Knox 609F is further backed by the great GW Miss GPRD 028X matron, a leading donor dam that produced the \$170,000 KLER Right Design 012J that was purchased by Brantley Cattle this past February.
- 610J sells safe in calf to the 2021 NAILE and 2022 FWSS Grand Champion, Rocking P Private Stock H010 for a quick ROI.

AKP-RP Erica B079
Dam of Lots 28 & 29

- 614H and 614J are maternal sisters from the powerhouse donor dam, AKP-RP Erica B079. She was campaigned just once as a calf when she was selected Reserve Grand Champion Bred & Owned at the 2015 AJSA National Classic in College Station, Texas.
- B079 produced the lot 1 female in the inaugural sale at Red River Farms, RRF Erica F812. The Executive Order sired female commanded a \$25,000 hammer price to Buck Creek Ranch. F812 went on to be selected at the 2018 American Royal Grand Champion Percentage Heifer Calf. RFF Erica 011F, another daughter sired by HPF Quantum Leap Z952, sold for \$10,000 to 3F Simmentals of Emory, Texas.
- Buck Creek Ranch raised another daughter of B079 by HPF Quantum Leap Z952, B C R Erica H110, the \$21,000 open show heifer prospect that was selected by Boyert and Hoge. H110 entered the show ring in dominant fashion at the 2021 Inaugural Cattleman's Congress where she was selected as the Division I Champion Purebred Female.
- This duo of B079 daughters are by two of the hottest Percentage AI Sires in the breed, WLE Copacetic E02 and FHEN Halftime A127. In fact, both were past NAILE champions themselves.
- They were both mated and confirmed safe in calf to sons of A021, so you count on marketable progeny from both females this coming January.

- AKP/RP Wix H07 is a stylish, well balanced, ultra-complete daughter of HPF Quantum Leap Z952. Her dam is a daughter of MR HOC Broker that is supported by the "Wix" cow family that was integral in the Akers Farm, LLC program.
- H07 is a three-quarter blood SimAngus female that is further influenced by the maternal legend, OCC Emblazon 854E, one of the all-time great female makes in the Angus breed.
- This easy fleshing, bold bodied, elegant designed female is safe in calf to SJW Exit 44 7111E due in January with a Purebred calf.
- Without question one of the most eye appealing females in this year's bred division!

- RRF Valentina 068H is a beautiful Purebred daughter of MR CCF Clarified that is from the famed "Valentina" cow family that originated in the Schick Cattle Company program of Illinois. J95A is the matriarch of this cow line that is responsible for over 60 progeny recorded with the American Simmental Association for Wonderland Farm, Schick Cattle Company, Five Springs Farm, and Hearthstone Farm. J95A is the dam of the great CNS Power Source 070K.
- We purchased this female's dam from Schick Cattle Company in the 2020 Head of The Class sale to incorporate the tried and true genetics that helped to build the foundation of the Simmental breed nearly two decades ago.
- She sells safe in calf to the now deceased HPF Quantum Leap Z952, creating the next generation of Purebred Simmental with the most proven genetics of yesterday.

- H125 is a sharp featured, elegant, and feminine designed daughter of Rocking P Die Hard C060. Her dam is a top daughter of the legendary performance sire, RC Club King 040R.
 - The dam of H125, HPRP Eventress 021Z, has been a reliable and predictable producer at Rocking P Livestock.
 - A maternal sister by HPF Quantum Leap Z952 was purchased in 2020 by Liberty Cattle Company. A maternal brother was purchased by Cobb Farms in 2017, and several other sisters have been retained in herd. Longevity and constancy is bred into her pedigree.
- AKP/RP Abigrace H101 is a stunning daughter of the \$100,000 OBCC CMFM Deplorabull D148 that is further influenced by the great HPF Quantum Leap Z952.
 - The bottom side of her lineage traces to the legendary Brown Ms Abigrace L7730, the highest dollar generating female in the Red Angus breed. L7730 is known as the million dollar female for R.A. Brown Ranch and is without question one of the most influential females in the entire breed.
 - Her quality build combined with the strong maternal influence that is identified on both sides of her lineage solidifies this females position as a true highlight within the offering!

LOT 42

- RRF Blackbird 210K is an ultra-stylish daughter of the 2020-2021 ROV Show Bull of the Year, Silveiras Forbes 8088. There is no denying the momentum that this sire group has created across the country, as Silveiras Forbes 8088 progeny continue to rise to the top!
- Silveiras Forbes 8088 is one of the most impressive sons of the late Silveiras Style 9303, a legendary breeding bull in his own right. The dam of 210K, PVF Blackbird 5013 was the 2016 Houston Livestock Show & Rodeo Reserve Grand Champion Angus Heifer. A full sister to 5013, PVF Blackbird 5008, was the 2016 IA Beef Expo Supreme Champion Heifer for Maddy Udell.
- A maternal sister to 210K, RRF Blackbird 611J, sired by JBSF Berwick 41F was purchased by Coast Fork Farms for \$10,500 in 2021.
- 210K may be the lone show heifer prospect of the Angus division, but she is one that certainly warrants attention based on pedigree and phenotype alike!

Moore Ned 009X - Sire of Lot 43

- Moore Juanada 38J was our selection in the 2021 Moore Land & Cattle Production Sale based on her unique combination of build, shape, and mating flexibility based on her outcross pedigree. She is sired by Moore Ned 009X, the Limestone Darkhorse U322 son that is out of the foundation Angus matron in Jerseyville, Illinois. The paternal granddam of 38J is Lazy H Bar Forever Lady 8143, the \$26,000 daughter of EXAR Lutton 1831 that topped the Triple C Farms Dispersal in 2009. 8143 is a direct daughter the legendary Lazy H Bar Forever Lady 5001, a female that has made her mark as one of the great producing females in the Angus breed. A three quarter sister in blood, Lazy H Bar Forever Lady 7153, is one of the emerging donors in the Udell Cattle Company donor pen.
- The dam of 38J, Rubys Juanada 603D, is a powerhouse female by Bushes Unbelievable 423 that was a past sale highlight at Ruby Cattle Company in Iowa. She is further supported by the OCC Unbelievable 851U x OCC Priority 882P genetic combination. 603D is an outlier in terms of foot, bone, shape, and genuine dimension.
- 38J is as elegant and refined about her front third, while offering an immense amount of rib shape and capacity. She is flawless in terms of her structural design, without sacrificing any shape or genuine dimension.
- We have elected to share in the genetic diversity that this female brings to the table. With the absence of Silveiras Style 9303 and Dameron First Class in her lineage, the sky is literally the limit when it comes to mating this future matron!
- Red River Farms will offer 50% embryo interest in this future matriarch, without the option to double.**
