

CONLEY

ANNUAL FALL PRODUCTION SALE

4:30 P.M. CST - SATURDAY, SEPTEMBER 16, 2023 - SULPHUR, OKLAHOMA

WELCOME

WELCOME to our biggest event of our year, the 13th Annual Fall Production Sale at Conley Cattle. This is without a doubt the largest offering that we have presented in the history of our breeding program. We look forward to this event every year, as it brings back our best customers and friends from all over the country. We also look forward to the opportunity of meeting many new friends and the chance to earn your business!

This past year has been one for the record books, and there is absolutely no way possible that we could have done it without the level of talent that we are very fortunate to have on our team at Conley Cattle. When it comes to work ethic and self-motivation I would put Alex Bauer, Cole Atkinson, Jacob Toombs, and Kristen Lovett up against anyone in the business! They are great role models not only to our boys, but other juniors that they have the opportunity to interact with. We are truly humbled to have them represent our operation.

I am excited to feature progeny sired by the record selling Conley Lead The Way 0738, as well as Conley Ransom 1810, the 2022-2023 ROV Show Bull of the Year, and Conley DS Clear Cut 0510, the 2021-2022 ROV Show Bull of the Year. The impact that these herd sires have made to this point has exceeded our wildest expectations!

Full and maternal sisters to the 2022-2023 Show Heifer of the Year will also sell, along with many sisters and daughters of past National Champion females that have become influential donors for our partners. We have made the difficult decision to offer our entire Simmental breeding program, along with the hand selected other breeds that we have assembled over the last few years. These females have the ability to generate, and as our focus remains on the Angus cattle, we felt that it was time to allow access to these cornerstone type females!

We invite you to join us for our 13th Annual Fall Production Sale as we offer over 200 head from the heart of our program! This is an opportunity for you as we have mated these females to our most proven herd sires to maximize your return on investment. We would like to thank our past customers, and partners for one of our most successful years to date. Your success is what drives us! Please contact any of us with your questions regarding the sale offering, we look forward to seeing you in Sulphur, Oklahoma on September 16!

CCI.Live - ONLINE BIDDING

It is indeed a pleasure to welcome you to the Conley Cattle 13th Annual Fall Production Sale. Kyle and Amanda Conley and their boys have built one of the premier multi-breed registered seedstock operations in North America. The emphasis on quality, cow family significance, and maternal excellence is evident throughout the pages of this catalog, regardless of which breed is your focus. This is an operation that is driven by customer success, whether in be in the show ring, the pasture, or the sale ring – these cattle have the genetic consistency to accelerate progress within your breeding program!

This will be one of the monumental marketing events of the fall sale season as Conley Cattle offers the entire Simmental breeding program up for your appraisal! In addition to the Simmental cow herd, the Maine-Anjou, Chianina, Charolais, and Red Angus females that Kyle has hand selected will also sell. This group of females are represented by National Champions and influential cow families within their respective breed. The Simmental division is highlighted the influence of the legendary "Sheza Star" cow family. Conley High Rise F3, the \$100,000 AI sire has made his mark on the business, and now this is your opportunity to acquire daughters, sisters, or even his prolific dam, Conley Sheza Star D3.

The herd sires that have been produced at Conley Cattle are without a doubt making a significant impact on the business, regardless of if they are utilized on Angus females or across breed lines – the consistency they offer is derived from the maternal prowess that is scattered through their lineage.

Consider this your personal invitation to join us on Saturday, September 16 in Sulphur, Oklahoma for a historical event in the registered seedstock business. Opportunity knocks – make sure you're there to answer!

- Conley Lead The Way 0738 is the most exciting Angus bull in the industry! In January of 2023 at the 17th Annual Embryos on Snow held in conjunction with the Cattlemen's Congress, Conley Lead The Way 0738 commanded a \$460,000 hammer price for 50% US semen interest that was purchased by Hawes Cattle Company of Texas.
- His rookie calf crop exceeded even the wildest of expectations, with the first 10 heifer calves averaging \$57,000 at Conley Cattle in September of 2022, while a full sister to Conley Lead The Way 0738 commanded a \$75,000 hammer price the same day.
- Sexed Female semen has been sold as available to the tune of more than \$1,500 per unit to some of the top breeding programs in North America, with intentions to be utilized on the most prolific donors in those respective programs.
- Conley Lead The Way 0738 is, without question, one of the most talked about and highly anticipated young sires that the breed has ever witnessed!
- It's safe to say that the hype is REAL! As you flip through the following pages of this sale catalog, you will take notice of the monumental impact that Conley Lead The Way 0738 has made on this year's sale offering.
- Saturday, September 16, 2023 will be your next opportunity to acquire semen on the \$920,000 valuation Angus AI sire, the legendary Conley Lead The Way 0738 – don't be left out!

- A year ago we decided to dig back in the history books and resurrect the "Honey Bear Sophie" name when registering the daughters of Conley Sandy 8934. Honey Bear Sophie was the 1991 NAILE and 1992 NWSS Grand Champion Angus Heifer, ultimately being named the 1992 ROV Show Heifer of the Year. A short four years later she was named the 1996 ROV ET Dam of the Year. A daughter of Honey Bear Sophie, WK Sadie, was the 1996 NWSS ROV Grand Champion Angus Heifer. Two years later, another daughter, WK Sandy 6375, would be selected as the 1998 NWSS Grand Champion Angus Heifer, initiating the "Sandy" name. This foundation female in the Krebs Ranch breeding program is the matriarch of the "Sandy" cow family, a household name in today's industry.
- 3638 is a full sister to Conley Honey Bear 2147, the \$190,000 high-selling heifer in the 2022 Fall Production Sale that was selected by Houston Ferree. Another full sister, Conley Honey Bear 2147, sold to Circle M Farms and Josie Phillips for \$180,000 in the 2023 Spring Production Sale.
- Maternal sibs to Conley Sandy 8934 have secured their place among the most prolific individuals of influence in the breed, producing countless National Champions and high sellers.
- Conley Sandy 8934 has secured her place as one of the great producing "Sandy" derivatives in existence. 3638 is a special sale attraction, offering the extra "bells and whistles" essential to being a true force.

- Balanced, complete, fault free – the list of ways that we feel most accurately describe this Conley Sandy 8522 daughter.
- She ties in smoothly at the top of her shoulder, remains clean jointed, and transitions into a bold forerib and center body.
- A full sister to this group of ET flushmate sisters sold for \$10,000 in last year's sale.

- 3013 is the oldest of the ET flushmate sisters sired by Conley Lead The Way 0738 that is backed by the impressive sale feature, Conley Sandy 8522.
- Conley Sandy 2746, a three-quarter sister to the ET flushmates, was purchased for \$70,000 in the 2022 Fall Production sale by Kathryn Coleman; she was selected as the 2023 Western National Angus Futurity Division II Champion Junior Heifer Calf.
- A well-balanced, stout-featured female that offers a bold and maternal look.
- A full sister sold in the 2022 Fall Production Sale for \$10,000 to Hannah Whitehouse.
- This group of ET flushmate sisters combine the most proven and profitable cow families that call home to Conley Cattle.
- Conley Sandy 7662, a maternal sister to the Conley Sandy 8522, recently produced the \$150,000 half interest AI sire prospect, Conley Bristow 2317. This set of ET flushmate sisters are three-quarter sisters-in-blood to this exciting young prospect!

- A special sale attraction! Allow us to introduce you to Conley Sandy 2421 and Conley Sandy 2820, a pair of ET flushmate sisters that are direct daughters of Conley Sandy 8522 that are sired by performance trait leader and outcross sire, KR Cadillac Ranch!
- 2421 has been campaigned by Case Conley in the Bred & Owned Division with great success. Her captivating presence is further complimented by her stoutness of feature. From the ground up she is huge footed, stout boned, and wide based.
- We love the natural spring and curvature that she offers to the center portion of her body cavity, with extra stoutness and length of hip. She ties high at the top of her blade, remaining ultra-feminine about her head and neck despite the extra power and substance that she contributes.
- Bred to calve 5/10/22 to CONLEY A 1 (AAA 20177675).
- Selling 50% embryo interest with the option to double.

QUEEN MEG FAMILY

- The next five ET flushmate sisters are FULL SIBS to Conley FRKG Queen Meg 1085, the \$95,000 sale feature from the Fall 2021 Production Sale that was purchased by Houston Ferree. There is no denying the dominant career that 1085 endured for the Ferree-Fitzgerald crew, experiencing countless wins at the nation's largest and most competitive shows.
- Conley FRKG Queen Meg 1085 was the 2022 National Junior Angus Show Third Overall Owned Heifer, 2022 IN State Fair Supreme Champion Junior Breeding Heifer, 2022 and 2023 Atlantic National Supreme Champion Overall, 2022 American Royal ROV Grand Champion Angus Heifer and the 2023 Cattlemen's Congress Supreme Champion Open Breeding Heifer. Her victories made her the winningest Angus female of the 2022-2023 show season, positioning her to be named the 2022-2023 ROV Show Heifer of the Year for Houston Ferree.
- The dam of these females, Collison Proven Queen 875, traces to the strong maternal influence of PVF SCC Proven Queen 797, a full sister to FCF SCC PVF Proven Queen 615, the maternal granddam of SCC SCH 24 Karat 838. Dameron PVF Proven Queen 010, one of the most famous members of the "Proven Queen" cow family is also the dam of PVF Windfall SCC 9005.
- Generations upon generations of proven and predictable cow families line the pedigree of these ET flushmate sisters. We encourage you to study these sisters in depth, as there are subtle differences in them. Right now everyone has a different favorite!

- Much like her older sister, 3570 is angular about her front third with the signature body mass and dimension of the “Frontier Gal” cow family.
- A dynamic pair of females that have the pedigree to be true generators in production!

- A captivating presence that is complimented by a unique amount of shape, volume, and capacity. The first of two ET flushmate sisters sired by the \$200,000 Conley DS Clear Cut 0510. Conley DS Clear Cut 0510 was selected as the 2021-2022 ROV Show Bull of the Year.
- 3157 has the extras in terms of foot and bone, body mass, and overall dimension. She is as unique of a breeding piece that we will offer this year!
- The dam of 3157, Schelske MSF Maddie 8229 is an up-and-coming female here in Sulphur. Her track record is not near as illustrious as some... yet! You can count on her to be a household name in the near future, she does not miss.

\$165,000 Sire of Lots 45 – 47

- The next three females are ET flushmate sisters sired by J Trademark 1037, the \$165,000 top-selling bull that we purchased with Coleman Angus from the Cattleman's Cut Bull Sale in Nebraska. He offers an elite number profile to compliment his rugged build and eye-appealing design. J Trademark 1037 ranks among the elite 1% of the breed for \$M; Top 2% Angle, HS, \$W, and \$C; Top 3% CW; Top 4% YW and \$F; Top 5% WW; and Top 15% or better for RADG, CEM, and \$B.

- Last year we decided to revitalize the "Honey Bear Sophie" name when registering the daughters of Conley Sandy 8934. Honey Bear Sophie was the 1991 NAILE and 1992 NWSS Grand Champion Angus Heifer, ultimately being named the 1992 ROV Show Heifer of the Year. A short four years later, she was named the 1996 ROV ET Dam of the Year. This foundation female in the Krebs Ranch breeding program is the matriarch of the "Sandy" cow family, a household name in today's industry.

- Maternal sisters to these four females have been among the highest-selling females in the history of the Conley Cattle breeding program. Conley Honey Bear 2147, the \$190,000 high-selling heifer in the 2022 Fall Production Sale that was selected by Houston Ferree. Another maternal sister, Conley Honey Bear 2147, sold to Circle M Farms and Josie Phillips for \$180,000 in the 2023 Spring Production Sale.

- Conley Sandy 8934 has secured her place as one of the great producing "Sandy" derivatives in existence.

- The "Honey Bear" daughters sired by J Trademark 1037 reveal another piece of the puzzle as we move into the future with a constant goal of genetic progress!

- Conley Miss FR Sandy 1503 is a stunning first calf heifer that offers a captivating look from the side. She is so elegant about her front third, offering an elite look of quality about her head and neck, remaining flat shouldered and transitioning into a bold forerib and center body. The set to her hip and hind leg is textbook, while her undercarriage has the perfect sweep from her chest to her rear-rib and flank. Truly a picture perfect silhouette.
- Once you realize that she is on your shortlist based on phenotype alone, it'll be fairly difficult to leave Sulphur without this one onboard. 1503 is a three-quarter sister-in-blood to the legendary Silveiras S Sis Sandy 2355. Last year alone, 2355 produced four heifer calves that sold for \$180,000, \$70,000, \$26,000, and \$15,000 in the Conley Cattle 2022 Fall Production Sale. She is also the dam of the \$130,000 Conley Sandy 8522, a female that is a featured donor in this year's sale. Conley Sandy 7084 is another daughter of 2355 that sold for \$80,000 to Sara Sullivan. She was the 2018 NAILE ROV Reserve Grand Champion Angus Heifer.
- Conley No Limit, Conley American Express 0159, and Conley Verified 0853 would be a few of the promotional AI sires out of Silveiras S Sis Sandy 2355.
- The guesswork is done, the time is right, and her phenotype solidifies the deal... bid to own and get ready to move up a tax bracket!
- Bred to calve 2/23/24 to CONLEY LEAD THE WAY 0738 (AAA 19881255). Examined Safe.

- Grubbs Miss Rowena 30 is a daughter of the \$65,000 S A V Extension 6856. Her dam is a daughter of BC Balance 516-7.
- This female has a pair of daughters that are definite standouts in the bred heifer division. Her heifer calf at side is sired by the \$70,000 Conley Ransom 1810.
- Annually this female puts everything she has into raising her calf. Conley Rowena 3300 is proof positive results of what this young female is capable of generating.
- 3300 is as neat necked and elevated about her front third as you could possible design one. She is big footed, stout boned, and offers unique proportion from her chest floor back through her rear rib and flank. From the side, this young show heifer prospect is hard to deny!
- The quality is as deep in this year's sale as it ever has been. Study these spring heifer pairs, something great is destined to come from this division!
- Bred to calve 3/14/24 to CONLEY RANSOM 1810 (AAA 21074820). Examined Safe.

- A high-volume daughter of the Pathfinder sire, Connealy Confidence Plus. Sankey Duchess 710 is a beautifully designed female that is backed by a daughter of the Pathfinder sire, S A V Final Answer 0035.
- 710 is a long-sided, high-capacity female that offers a strong maternal look.
- A full sister to 3710 is working in the Sankey Angus program in Indiana. Another daughter of 710 by EXAR Leader 9010B was purchased by LaiCee Scott of Kansas.
- The heifer calf at side, Conley Duchess 3710 sired by DB Iconic G95, offers a very balanced number profile. She is a big-centered, larger-outlined heifer calf with tremendous performance, fleshing ease, and maternal strength.
- Bred to calve 3/14/24 to J TRADEMARK 1047 (AAA 21060403). Examined Safe.

- The bred heifer division of the 2023 Fall Production Sale at Conley Cattle is saturated with proven, predictable, and profitable genetics that have stood the test of time. The standard of quality upheld through the offering is not something that has been done overnight, it has taken generations of Angus cattle to quantify the results. There is something for everyone in the bred heifer offering – this is a group of females that we are proud to offer!
- Conley Enamel 2918 is a daughter of Conley No Limit that is supported by Whitestone Enamel 918, sired by the \$400,000 Conley Express 7211. The maternal granddam of 2918 is the impressive Triara Enamel 894U by Connealy Power One.
- 894U has produced countless high sellers, including the Virginia Beef Expo Supreme Champion Breeding Heifer. 894U was undefeated as during the 2010-2011 show season as a Cow-Calf Pair. She was also selected as the Canadian National Junior Angus Show Grand Champion Heifer.
- A maternal sister to Whitestone Enamel 918 is the \$40,000 Whitestone Enamel C249.
- 2918 is big boned, correct in her angles, square built, and offers a look of balance and symmetry that is undeniable. A must see on sale day if you're looking for a donor caliber bred heifer to add to your lineup!
- Bred to calve 2/28/24 to CONLEY SOUTH POINT 8362 (AAA 19248022). Examined Safe.

- The matriarch of the "Sheza Star" cow family, Conley Sheza Star D3 is undeniably one of the most prolific females in the history of the Conley Cattle SimGenetic breeding program.
- Daughters of D3 would include the \$20,000 TL Ledger daughter, Conley Sheza Star F912, successfully shown by Madilyn Norvel. F912 was the 2020 FWSS Reserve Grand Champion Purebred Simmental Heifer.
- Another female sired by TL Ledger from the "Sheza Star" family was selected as the 2021 OYE Supreme Champion Percentage Female for the Yocham family.
- Conley Sheza Star H575, an exceptional female linebred to the "Sheza Star" cow family was the 2021 OYE Reserve Grand Champion Purebred Simmental Heifer for the Norvell family.
- D3 is the dam of the \$100,000 Conley High Rise F3 that is owned with Hartman Cattle Co. and Schmidt Family, LLC. Another son of D3, Conley Load & Heavy 410J was selected by Volk Livestock for \$25,000.
- It is a premium investment opportunity to secure a female in her entirety that offers credentials of this caliber – bid with confidence!
- Bred to calve 1/25/24 to RP/BCR EMINENCE H005 (ASA 3701500). Examined Safe.

LOT 102

- This group of ET flushmate sisters are supported by the influence of the great Conley Sheza Star D3, making them maternal sisters to countless high sellers, show ring champions, and individuals of influence.
- They are sired by LKCC Bold Stock 194F, a son of the now deceased WS Pilgrim H182U that is supported by the \$114,000 BF Miss Crysteel Tango. For nearly a decade this prolific donor dam has produced National Champion caliber Simmental seedstock. Most recently, a daughter by SO Remedy 7F was selected as the 2023 AJSA National Classic Grand Champion Cow-Calf pair for Morgan Jackson.
- 936L is the most unique in terms of her features, offering an exquisite look about her front third. She ties her neck high at the top of her blade and transitions into a bold forerib and center body.
- This is a very high quality set of ET flushmate sisters that are being led off by a big league show heifer prospect!

- Conley Sheza Star F912 is arguably the most well-known and admired daughter of D3. She is sired by the \$250,000 TL Ledger, therefore aligning the WAGR Panarama 204Z and Miss Star Above cow families, two of the all-time high dollar generating females in the Simmental breed.
- F912 was successfully campaigned by Madilyn Norvell to countless wins across the country. She was the 2019 Tulsa State Fair Reserve Grand Champion Purebred Simmental Heifer, 2019 OK Beef Expo Supreme Grand Champion Breeding Heifer, 2020 FWSS Reserve Grand Champion Purebred Simmental Heifer, and 2020 OYE Grand Champion Purebred Simmental Heifer.
- F912 is a full sister to Conley Sheza Star F909, the 2020 OYE Supreme Grand Champion Purebred Heifer for Finley Yochar.
- Her maternal brother, the \$100,000 Conley High Rise F3, has proven himself as one of the breed's most consistent maternal and calving ease sire options. His first calf crop yielded tremendous results that included an \$85,000 herd sire prospect out of a first calf heifer.
- F912 is a massive bodied, dense made female that is flawless on her feet and legs, and balances with a look of true maternal function.
- A definite sale feature!
- Bred to calve 3/1/24 to RP/BCR EMINENCE H005 (ASA 3701500). Examined Safe.

- Conley Sheza Star D2 is an ET flushmate sister to Conley Sheza Star Z32, backed by the famed Conley Sheza Star Z32. Sired by the triple-crown winning MR HOC Broker, this duo has the credentials to be major individuals of influence like those that can be identified throughout their lineage.

- This dark cherry red blaze faced female is stout featured, bold bodied, square built, and loaded with quality from end to end.

- The dam of D2 is a maternal sister to the \$50,000 Conley GCC Shocker C19. Conley Sheza Star Z32 is one of the premier daughters of the \$100,000 WAGR Driver 706T in existence.

- The red hided Simmental cattle continue to surge in popularity, and rightfully so when they are built like D2. Just imagine the mating options and revenue deriving possibilities that await!

- Bred to calve 1/16/24 to RP/BCR EMINENCE H005 (ASA 3701500). Examined Safe with a Heifer Pregnancy.

- Conley Sheza Star 2L is a daughter of D2 that is sired by RP/BCR Eminence H005, a sire that we believe in wholeheartedly. He is one of the most phenotypically impressive individuals that we have ever owned. A big footed, athletic built herd sire that has the cow family and credentials to solidify his significance in our breeding program.

- RP/BCR Eminence H005 is the homozygous black and polled Purebred son of RP/MP Built To Love A021, a foundation breeding piece in the Circle M Farms donor arsenal. He is a FULL BROTHER to the 2021 NAILE and 2022 FWSS Grand Champion Purebred Simmental Bull, Rocking P Private Stock H010.

- G575 is a maternal sister to H575. Their dam, Conley Sheza Star E575 is sired by the \$300,000 1/3 interest TL Bottomline, the 2016 American Royal and NAILE Grand Champion Purebred Simmental Bull. E575 is a maternal sister to the \$50,000 Conley GCC Shocker C19.
- Her maternal sister, H575 was the 2021 OYE Reserve Grand Champion Purebred Simmental Heifer for the Norvell family. G575 is sired by the \$200,000 MR TR Hammer 308A ET.
- Her half-blood heifer calf sired by Conley Verified 0853 sold for \$77,500 in the National Angus Bull Sale at the Cattlemen's Congress. She is confirmed back safe in calf with a heifer pregnancy sired by RP/BCR Eminence H005!
- Bred to calve 12/15/23 to CONLEY RANSOM 1810 (AAA 21074820). Examined Safe with a Heifer Pregnancy.

SHEZA STAR FAMILY

- An impressive three-quarter blood SimAngus female from the legendary Conley Sheza Star W32 that is sired by the two-time NWSS Grand Champion Purebred Simmental Bull, SC Pay The Price C11.
- 144F is a long sided, smooth made female that ties together seamlessly from end to end. She is big footed, stout boned, and travels with true athleticism.
- Much like the females that line her pedigree 144F offers superior udder quality and fleshing ease. Her March born Purebred heifer calf by the \$530,000 SO Remedy 7F is a prime example of what this female is capable of producing! The sky is the limit to generate elite Purebred seedstock with this solid black donor prospect.
- Bred to calve 2/11/24 to RP/BCR EMINENCE H005 (ASA 3701500). Examined Safe.

\$50,000 Maternal Brother to Lot 110

CONLEY SHEZA STAR W32

Matriarch of the "Sheza Star" Cow Family!

- Here is a direct daughter of the very prolific and profitable Conley Sheza Star W32, the B C Lookout 7024 sired daughter of SVF Sheza Star S803. With nearly 40 direct progeny recorded to her name in the ASA herdbook, W32 is a female that needs little introduction.
- The sire of E544 is the iconic W/C Loaded Up 1119Y.
- Swanson Cattle Company, Brooks Cattle, Fletcher Nichols, Dean Hansen, Knapper Cattle Company, William Price, Kaylee Langford, Emma Meeks, Finley Yocham, Kevin Lewis and Kunzler Livestock have progeny of W32 working in their respective breeding programs.
- A moderate framed, unique featured baldy female that has tremendous body capacity and dimension to accompany her balanced look of quality.
- She has worked well to sires such as MR TR Hammer 308A ET and TL Ledger. This past year she produced and raised an excellent RP/BCR Eminence H005 heifer calf that will also sell!
- Bred to calve 1/16/24 to RP/BCR EMINENCE H005 (ASA 3701500). Examined Safe.

- Here is another “Sheza Star” derivative that is influenced by the performance oriented CDI Authority 77X. H80 is sired by the ST Genetics Simmental sire known as MG/GSC Authority W14C. Several daughters have been high sellers and individuals of influence within the Gerdes Show Cattle, Owen Bros. Cattle Company, and C-4 Land & Cattle programs respectively.

- The dam of H80 is sired by the \$200,000 MR TR Hammer 308A ET and backed by the \$100,000 WS Pilgrim H182U on the maternal side of her lineage.

- Her fourth generation dam, SVF Sheza Star S803, was a staple in the donor pen at Moore Land & Cattle, Hudson Pines Farm, Maple Lane Farm, Tolle Show Cattle, Guyer Cattle Company, and Sunset View Farms during her tenure in production.

- Proven, predictable, and profitable genetics at work!

- Bred to calve 2/11/24 to RP/BCR EMINENCE H005 (ASA 3701500). Examined Safe.

- Conley Kimberly 022L is without a doubt one of the premier heifer calves in this year's sale offering. A beautiful profiling, sleek designed female that has the balance and proportions of a future champion!
- Her neck ties in perfectly at the top of her smoothly laid in shoulder, transitioning into a bold forerib and center body shape. She is neat chested and offers the appropriate progression of depth through her rear rib and flank. She is flawless at the surface when set in motion and has been blessed with a high quality hair coat as an added bonus.
- A definite sale feature that is worth a hard look!

- 2034H is sired by the calving ease specialist at Select Sires, WLE Uno Mas X549. Her dam is SHER Rosebud 804F, a Chestnut Knockout sired daughter of the foundation donor at Sherwood Cattle Company, 83U.
- 804F is a maternal sister to the \$120,000 SHER The Wood 83F herd sire. Sherwood Rosebud 83U is a full sister to the great Cherry Knoll LSC Rosebud 401, the 2005-2006 ROV Show Heifer of the Year.
- Another full sister to 83U, SHER/LSC Rosebud 403B, was the 2015 American Royal Grand Champion Angus Heifer for Nowatzke Cattle Company.
- 806F is a full sister to 804F, sired by Chestnut Knockout 204. She was the 2019 IA Beef Expo Reserve Supreme Champion Breeding Heifer, 2019 Badger Kick-Off 5th Overall Junior Breeding Heifer and the 2019 IA State Fair Grand Champion Angus Heifer.
- A true genetic gem that offers tremendous mating flexibility!
- Bred to calve 3/10/24 to R/C SFI CREEDENCE 417J (ASA 3980387). Examined Safe.

- SWSN Panarama 51J is without a doubt one of the most impressive females to ever set foot in Sulphur, Oklahoma regardless of breed. She is sired by the \$530,000 record selling SO Remedy 7F and a direct daughter of WAGR Panarama 204Z, one of the highest dollar generating females in the history of the Simmental breed.
- Maternal sibs to 51J would include the \$400,000 Profit and \$350,000 Justified. The \$130,000 Panarama 52C was the 2016 NAILE and 2017 NWSS Reserve Grand Champion Purebred Simmental heifer for Miranda Raitel and Herbster Angus Farm. Panarama 451C is another full sister to Profit was selected by Herbster Angus Farm for \$200,000. A full brother to 51J was selected by Caldwell Cattle Company of Texas for \$15,000 this past year.
- SWSN Panarama 900G is a maternal sister to 51J that is one of the rising stars in the Freking Cattle donor pen. She is the dam of the \$210,000 FRKG Victory 78J that was purchased by Bruhn Cattle Company. FRKG Victory 78J anchored the 2022 Cattleman's Congress Grand Champion Pen of Five Purebred Simmental Bulls. 900G has produced 6 head that have averaged more than \$51,000 per head during her first two years of production!
- Opportunities like this only present themselves in dispersal sale settings, and there is no denying the generating power that lies within! SWSN Panarama 51J has a stellar bull calf at side by RP/BCR Eminence H005 that offers herd bull credentials. We look for this female to make a major impact as she follows in the footsteps of her dominant donor dam. Invest in the future of your breeding program with a true cornerstone dam!

- 758K is the solid black ET flushmate sister to 737K. She is unrivaled in terms of stoutness and genuine power. This extra big footed, stout boned female is square built, robust bodied, and dense from end to end.
- Much like her dam, Conley Sheza Star D3, we anticipate these full sisters by TJ High Calibre 556B to mature into role model brood cows.
- The two full sisters to Conley High Rise F3 will be "must see" attractions on sale day!
- Bred to calve 4/15/24 to B C R CLOUD 9 J001 (ASA 4168525). Examined Safe.

- Conley Sheza Star K544 is one of the premier bred heifers within the Simmental division. She is sired by the resident herdsire for Conley Cattle and C-4 Land & Cattle, LKCC Bold Venture 194F.
- The dam of LKCC Bold Venture 194F is a daughter of the famed BF Miss Crysteel Tango, one of the highest dollar generating females in the Simmental breed. LKCC Bold Venture 194F is a three-quarter brother in blood to the \$100,000 Firefly 311A, the 2014 AJSA National Classic Reserve Grand Champion and 2014 American Royal Grand Champion.
- Other progeny from BF Miss Crysteel Tango would include the \$120,000 Lady Di, \$70,000 VCL LKCC Dagger 650D, \$35,000 LKCC Miss Crysteel's Remedy 44J, and \$27,500 GPG Foremost 417K.
- K544 is feminine and refined about her front third yet offers a bold and three-dimension center body shape with tremendous depth and sweep to her rear rib and flank.
- Without a doubt, one of the exciting young Purebred females to sell this fall!
- Bred to calve 4/12/24 to B C R CLOUD 9 J001 (ASA 4168525). Examined Safe.

- The Maine-Anjou division of Conley Cattle might be small, but the quality certainly runs deep! We selected this BOE Epic daughter from Buck Cattle Company for Case. She was the 2022 National Champion Maine-Anjou Female at the National Show in Fort Worth.
- The dam of 109J is CMCC Yum 105, the 2012 NAILE Grand Champion Maine-Anjou Heifer.
- There is no denying the influence that her sire, BOE Epic has had on the breed. His daughters are entering production and quickly proving his true worth! 109J is a full sister to the \$120,000 female purchased by the Walker family. That full sister went on to be selected as the 2019 NWSS Grand Champion Maine-Anjou Heifer and 2019 National Junior Heifer Show Reserve Grand Champion Maine-Anjou Heifer.
- 109J was a highly successful show heifer, however when you see the heifer calf that she raised during her rookie season of production we are confident that you'll be blown away by her generating potential!
- Big league producer with a royal pedigree — this female has a very bright future!

- A high speed show heifer prospect that has the credentials to win big when it truly counts! This female is sired by the \$100,000 Conley A 1 herd sire that is a three-quarter sib in blood to the \$460,000 record selling Conley Lead The Way 0738.
- 401L is exquisite from the side, high tying in her neck attachment, neat chested, bold ribbed, and has a picture perfect set to her hip and hind leg.
- 401L will be a force in the Low Chi division. The ultimate show heifer prospect with all the "bells and whistles"!

- The next pair of Chiangus show heifer prospects are sired by the \$960,000 valuation Angus AI sire, Conley Lead The Way 0738. The dam of these ET flushmate sisters is an R&R Ace 4104 daughter that was bred in the R&R Cattle Enterprises program at Keithville, Louisiana. R&R is home to some of the most impressive Chiangus females in North America, and R&R Brandy 136L 2012 was no exception in her prime!

- The maternal granddam of this duo is the iconic R&R Brandy 367 136 1CA, the 2002 NAILE Grand Champion Chiangus Heifer. She continued her winning ways being selected as the 2003 FWSS Grand Champion Chiangus Heifer.

- The influence of R&R Brandy 367 136 1CA made a substantial impact on both the R&R Cattle Enterprises and Talmo Ranch programs alike.

- Conley Nancy H1 is a maternal sister to the highly productive Conley Nancy D6, the 2017 National Reserve Grand Champion Charolais Heifer.
- H1 is sired by BFI/KKCC/PZC Honky Tonk 641C, a son of CML Diablo 2X that is backed by the legendary Thomas Ms Impressive 0641.
- She sells with a steer calf at side sired by In God We Trust. He will be eligible to be shown at next summer's AIJCA Junior National Show in Belton, Texas.
- She is so feminine and refined about her front third, bold centered, and offers a beautiful udder design. This young female is in the prime of her life. She is a single unit of M&M Outsider 4003 PLD away from raising your next high seller!
- Bred to calve 3/16/24 with a Purebred Simmental Heifer Pregnancy. RP/BCR EMINENCE H005 (ASA 3701500) x CONLEY SHEZA STAR D3 (ASA 3143836).

• In God We Trust continues to surge in popularity, and rightfully so! The consistency and quality that he sires when mated to Charolais cows is simply undeniable.

• Here is another daughter of Conley Nancy B1, the matriarch of the cow family that has yielded two National Champions to date. K1 is a maternal sister to Finley Yocham's 2018 NWSS Reserve Grand Champion Charolais Composite Heifer.

• Smooth built, big ribbed, and sound structured – the only decision you'll have to make is which popular AI sire to mate her too next!

• Bred to calve 2/2/24 to DUFF RED BLOOD 17114 (RAAA 4091208). Examined Safe with a Bull Pregnancy.
