We're Back!

It will be hard to put into words how excited I am to be healthy and back doing what I love. The Fall of 2020 and Spring of 2021 was difficult for me, I was battling a chest injury and a hand injury that just wouldn't subside. The choices became clear that the cattle operation would have to slow down, and in November of 2021 we had the historic three day sale to deplete our numbers.

At Bruhn Cattle Company, family comes first, and it was a hard decision only made easy knowing how well these cattle would do for our customers. Our customers are what drives us at Bruhn Cattle. We truly feel what we do at Bruhn Cattle is provide opportunity.

Since the start of our program, we have consistently used Artificial Insemination on 100% of the Cattle...100%!

Seeking elite bulls in the beef business to create opportunities again for our customers. When we say these bulls are elite, we mean they are not common bulls found in the local shopping market, this is semen that costs from \$100 to \$2,000 per unit and most of it not available on the open market.

Bulls like the now deceased FRKG Victory 78J, that in his first calf crop has exceeded our wildest expectations! Females selling will also carry the service of the \$620,000 world record selling STCC Tecumseh 058J that has the entire Simmental business in a buzz! This past February we purchased FRKG Classic 948K and used the sexed semen inventory exclusively on this set of females. No where will you find females for sale bred to these bulls in this volume! Utilizing that semen on a base of females from our own herd bull battery like WAGER Driver 706T, SFI Savage D20, and W/C Cyclone 385H, then add in the proven but rare herd sires like SO Remedy 7F, TL Ledger, Conley High Rise F3, and W/C Bankroll 811D. As you'd expect, great things start to happen!

Finally, we top all of that off with an Ultra Aggressive Embryo Transplant program with Simmental females like the full sister to MR HOC Broker, Halls Steel My Heart, as well as the newest member of our donor pen, BS Curiosity 10G. We have utilized select Angus donors such as Lazy H Bar Forever Lady 371 from the famed "Forever Lady" cow family and Mill Coulee 814.

The aforementioned recipe brings us to our "NEXT GENERATION" sale of 2023. Come to Dunlap and see for yourself. Everyone talks about the cattle business and how exciting it is, let's talk about "OPPORTUNITY" for you our valued customer!

We look forward to seeing you all on November 18 in Dunlap, Iowa!

Bruhn Cattle Company has become a household name that is synonymous with the terminology "herd building" genetics. Over the past few years the Bruhn family has rebuilt their herd with an aggressive embryo transfer program focused on producing the highest quality product possible. The philosophy has been basic and simple as they have stayed focused over the course of time to build a set of cattle with eye appeal, fleshing ability, and longevity. These are the type of cattle that cattlemen from all segments of the industry desire and admire. The Bruhn family has deep tying roots in the cattle industry, the farming business, and the local community. They are committed to providing a product that feeds the world, and they are deeply passionate about agriculture and the people that make this industry so genuine.

The offering holds true and is defined by the adjective that brands the sale. Where else in America will you have the chance to invest in herd building genetics that will sell 100% guaranteed safe in calf AI bred, with no bull exposure? Dunlap, Iowa is the place to be on November 18! The cattle have been bred with precision, as every bred female sells safe in calf to one of the hottest and most proven AI sires in the game! AI sires such as SO Remedy 7F, TL Ledger, STCC Tecumseh 058J, FRKG Classic 948K, In God We Trust, and many more can be identified throughout!

The entire offering will have videos that have been prepared by Ideal Video Productions for those of you that are unable to attend the sale. Consider this your personal invitation to join us for the Bruhn Cattle Company Next Generation Incredible Female Sale! Lunch will be served prior to the start time of the sale on Saturday, November 18. You can trust in the fact that the hospitality will be unparalleled at this event. We look forward to seeing each of you at the sale.

If you have any questions or would like to visit about the sale offering, please reach out to anyone listed from Bruhn Cattle Company or any of the authorized sale representatives. A live broadcast with real-time bidding will be provided by CCI.Live for those of you that would like to evaluate the cattle prior to the sale and bid from your home or office. We appreciate your interest in this dynamic offering!

Enjoy the cattle,

A Very Special Selection of
BULLS | OPEN FEMALES | GENETICS

LOT A1 - BFJV VICTORY L334

We initiate a hand selected group of bull calves that undoubtedly have herd sire credentials with a direct son of the \$210,000 and now deceased FRKG Victory 78J. There is no question that L334 has the body, dimension, and overall masculinity needed to be a herd sire of significance for any program that makes the investment. This stud is a true beef bull, exemplifying the fundamentals without sacrificing the extra eye appeal and skeletal quality that is demanded by today's industry. The dam of L344 is the impressive BS Curiosity 10G donor dam, a direct daughter of the great JASS On The Mark 69D. A full sister sold at Meyer Genetics for \$13,500 and a maternal sister sold for \$21,000. Here is your opportunity to get in on the ground floor of one of the very best herd sire prospects to ever surface in Mapleton, Iowa!

Next up is a herd sire prospect that is hard to deny! This striking blaze faced stud is all bull to say the very least! Massive in the shape of his rib cage, soft bodied, huge hiped, and loaded with power from end to end. We love the extra substance and mass that this bull offers. He is another direct son of our BS Curiosity 10G donor dam, a female that continues to knock it out of the park regardless of our sire selection. BFJVF SAM L344 is so three-dimensional in his shape, wide based, and genuine from end to end. A big scrotal bull that is rugged in his design, offering the credentials of a herd bull prospect that are simply unrivaled. A must see on sale day!

The open heifer calves in this year's offering have been hand selected from a contemporary group that is absolutely loaded with quality and style. L47 is no exception from a pedigree standpoint being sired by the \$620,000 record selling STCC Tecumseh 058J. A full sister to this female recently sold for \$21,000 and a full brother will be on display at the National Western Stock Show in the Hartman Cattle Company stalls. We believe that her quality and presence, combined with the genetic consistency that supports her is a winning combination that will allow her to follow in the footsteps of her dam in production. A competitive show heifer prospect, but at the end of the day a future donor that has the credential to generate at the highest level! BFJV Ms Loaded Up J177 represents exactly the kind that has made W/C Loaded Up 1119Y a go to for crossing on Angus bred cows, perhaps the only other sire that comes to mind that works as potently as 1119Y would be his \$205,000 son, W/C Bankroll 811D. One of the Simmental breeds best kept secrets is the sire of lots 106 and 107. W/C Pinnacle E80 is the full brother to W/C Bankroll 811D that sires as much if not more volume and density, and consistently puts a perfect blaze face on his progeny. Lot 106 is a bold sprung, massive ribbed female that comes mated to the \$530,000 SO Remedy 7F, it sounds like a recipe for success!

This 5/8 Simmental is the second of two outstanding W/C Pinnacle E80 daughters. She carries the maternal power of the \$8 million dollar plus generator, Miss Werning KP 8543U and her dam is sired by the in herd legend, BFJV Margin D9040, a sire that will inject look, mass, bone, and udder quality in the first generation. We think the TL Ledger heifer calf coming in February out of J179 will be one you quickly sift to the replacement pen.

BFJV Ms Fortune J171 is not only a purebred female by the papers, but one that comes with a fancy pedigree with several very notable individuals littered throughout. This daughter of ACLL Fortune 393D is a direct daughter of the Miss Star Above donor that has a very illustrious régime. J171 would be a maternal sibling to the American Royal and NAILE Grand Champion Bull TL Bottomline, the sire of influence at Bruhn Cattle, TL Ledger and STN Miss Star Light, the dam of the \$510,000 GPG Cornerstone 1K.

LOT 133 - BFJV VICTORIAS MARGIN F312

This daughter of BJFV Margin D9040 could easily be one of the most phenotypically elite animals in our entire bred female offering, this one's build is so intriguing. The way she combines an eloquent and square topside of her skeleton with a robust and overwhelming bottom half puts her in another category in our opinion. Add the splashes of chrome and mating to In God We Trust and we think the opportunity for quick ROI here is big time!

Another of these Red Angus influenced females that is overwhelming about her body cavity shape and dimensional build. We love the clean throat latch, and cool head of this gem, her mating to W/C Cyclone 385H aligns perfectly with this her phenotype too. There are many opportunities that will sell in Dunlap, take ahold of the cow families we have built and let them work just as successfully for you!

A tricked out, fancy featured red cow that is sure to garner plenty of attention as we approach the sale. Super attractive, with a big wide pin set and the big set of feet and legs that we think will transmit consistently into her offspring. Bred to calve with a Sim Solution heifer calf by the proven female maker SFI Savage D20.

Once you see this one you won't forget her, check out the big set of fuzzy ears and perfect markings that this one was blessed with. There is no shortage of dimension and mass all the way through her build, get behind her and check out the back and hip shape. She is an absolute powerhouse that we think could flat raise one, her mating with W/C Cyclone 385H is just the beginning.

Watch the Sale on CCI.live!

*The best, the fastest and most
comprehensive marketing & bidding tool!*

How to Bid Online...

- **As a buyer**, you do not need an account or to login to watch the sale but you must have a validated account to bid.
 - After you are logged in, you must proceed to the sale page for any and every auction and click **"Get Buyer Number."** Some auctions require a pass-code to obtain a buyer number even after you are approved by CCI.live. Pass codes generally come from the sale manager or ranch for that particular sale.
 - CCI.live will operate with ease on a **cellular device, laptop, desktop or tablet.**
- A **modern or current browser** is important and will make your experience better. You do not need to install the app on cellular devices to watch a sale. CCI.live is a browser-based application meaning it will play on most new browsers, but you can also download the CCI.live app at the Apple App Store or through Google Play.
- **For successful bidding you must have good Internet service!** It is very important to be stationary. If you are driving and bidding, expect to have some service issues. If you are stationary on a good device, with healthy Internet, expect a very successful bidding environment. If you have slow Internet watch the "asking price" on the screen - it is real time and refresh your browser if you feel like you have some lag.
- **Support line open during all sales. 405-400-9505** - Please contact the ranches for invoices and trucking.
