Cattle on display all day 4:30 PM - Dinner and Hospitality 6:00 PM – JS Midwest Made Elite Female Sale Begins

SALE LOCATION JS Simmentals Sale Facility 9713 S 88th Ave W Prairie City, Iowa 50228

Welcome to this year's edition of the Midwest Made Elite Female Sale,

As I sit down to write this I can't help but reflect on the year we've had, the livestock we've bred, and most importantly the friendships we've made. It is always a true pleasure to get to see these females go out and make a name for themselves in their new respective homes. We enjoy working with new and old friends year in and year out and put a heavy emphasis on service after the sale to ensure we do everything we can for everyone to have the most successful and enjoyable experience that they so desire.

With that being said we would like to personally invite you out to the farm in Prairie City, Iowa this fall for your personal and careful inspection of this set of females that we have assembled. As always we will have a selection of these females on display at the American Royal in Kansas City, MO as well as the NAILE in Louisville, KY. We would like to personally thank everyone who has stopped in thus far this fall and reached out on the offering. We look forward to meeting with you this fall and as always please feel free to reach out to anyone of our crew members with any questions pertaining to the offering. We hope you can join us December 8th here in Prairie City for the 2023 edition of the JS Midwest Made Elite Female Sale.

JS SIMMENTALS

Ken & Claudia Steenhoek (515) 979-9713 Jay, Dani, Chesney & Coy Steenhoek (515) 238-5938 Scott, Amy & Grady Grass (515) 689-1012 Derek & Callie Counsell, Herdsman (641) 715-4138 Jeff Williams, Herdsman (402) 380-9049

I think I can personally speak for everyone on behalf of this year's set of females that we have assembled. The careful embryo matings along with the edition of some new donor females to our arsenal combined with bulls from our stud battery along with many of the industry's leading sires have lead us to these females that we present to you today. It's been all hands on deck this fall around the barn with countless hours put in prepping this set of females for your appraisal. Each year we set out with the same common goal in mind, producing the highest quality, soundest structured, and most eye appealing Simmental and Siminfluenced cattle along with our selection of Angus and Hereford females as well. We continue to dig deep and add to our already highly prolific donor battery and are even opening it up to you this year. We could not be any more excited for the future of our operation and influence on yours!

Sincerely,

Derek Counsell, Herdsman

NOTE TO BUYERS

JS Simmentals reserves the right to two successful flushes with a minimum of 12 embryos, unless otherwise noted. This will be done at the sellers cost and buyers convenience. We also reserve the right to create a cell line or clone any female in the offering. Disposition, quality, soundness will become the responsibility of the buyer when the animal leaves JS Simmentals. We do recommend purchasing insurance from the listed agents at the conclusion of the offering for further protection.

TERMS AND CONDITIONS

All lots sell in accordance with the suggested guidelines of the American Simmental Association or their respective breed association. For updated EPD's and information please visit www.simmental.org. Announcements made sale day from the block during the sale take precedence over printed material in this catalog. Payment will be accepted in the form of cash, cashier's check, or check. All cattle must be paid for prior to release. All funds are to be paid to Innovation AgMarketing, LLC in U.S. currency. No cattle will be transferred, delivered, or released without full payment. In the event you need expedited registration paper transfers please make plans to pay in full on sale day. All sales are final.

ANNOUNCEMENTS

A supplement sheet will be available sale day with updated information, corrections and additional information. This sheet and any announcements made sale day and from the auction block during the sale will take precedence over printed material associated with this sale.

LIABILITY

JS Simmentals, Innovation AgMarketing, LLC, and authorized sale personnel assume NO liability for injury, accident, or damage to persons or personal property. All persons who attend the sale do so at their own risk.

FERTILITY & RETAINED FLUSHES

JS Simmental will retain the right to (2) two successful flushes on each female in the offering. This is to be done at the buyer's convenience and seller's expense. Females will sell in correlation with their respective breed associations.

All females are sold as sound breeders. However, if we feel that a heifer has been fed to an extreme level of obesity, we will hold the feeder responsible for any reproductive problems. Seller reserves the right to take possession of any animal(s) that presents difficulty conceiving before a sale credit will be issued. Seller guarantees each female to produce a live calf or transferrable embryos.

VACCINATIONS

All females have been bangs vaccinated and are tagged with an EID Button. All have been vaccinated with Enforce, Once PMH, poured with Clean-Up, Dewormed with safe-guard twice, multi-min, Vision 7 with spur, and CD&T.

It is with great anticipation and enthusiasm that we welcome you to the 2023 edition of the Midwest Made female offering. Ken and Jay Steenhoek are no strangers to success but like a lot of the highly awarded families in this business, the journey hasn't been one of ease in nature. The stubborn, hard-headed mindset and the willingness to persevere is why they are in the prime position they are today within the breed. Jay and Amy's families, have both had success on the tanbark, but several of their customers have as well, making it a great endeavor for all junior families and breeders that have invested in the family and their annual harvest.

A year ago, they assembled one of the elite of the elite sets ever offered from the sale pavilion in Prairie City, lowa and those cattle were met with astronomical acceptance and praise. Many of those cattle had successful campaigns in the summer and the fall outlook on those cattle in full maturity looks very much in the program's favor. This operation has always maintained focus on creating a certain type and kind that truly has not waivered since the onset of the program. They have hustle and the relentless pursuit of perfection drive that enables them to always be on the lookout for the next great matron or industry impacting sire.

Over the past five years sires bearing the JS prefix have become more and more noticeable as well as increasing in the number of them. Bulls like WHF/JS/CCS Double Up 365G, WHF/JS/CCS Woodford J001, and the \$165,000 2023 OKC Embryos On Snow feature JS Double or Nothing 4K, just to mention a few that have and will leave their footprint on many programs moving forward in the years to come. The JS team is also very aggressive and competitive in bull acquisitions of all breeds but even more so on the Simmental side as they tied into studs like the many time percentage champion Harker's Unleashed, the 2023 Cattlemen's Congress Champion R/C SFI Credence 417J, and several more that highlight the sire lineup for the family, both proven and new.

Track records and successful results have brought attention to a great family program, however, it's the after-purchase service that justifies the investment with JS. Derek, Willie, Scott, Jay, and Ken will do absolutely everything they can to help your young exhibitor get the most out of the experience with your purchase. They will also cater to those that tie into the open or bred stock that seek assistance in marketing the resulting calves or offer breeding insight for the next generation as well. All hands-on deck, full court press approach to make sure that your purchase never misses a beat is a major part of this journey as the family and crew will be there every step of the way if you want them to be.

There's no doubt or question that this set of females offered on December 8 are the best ever. Proven matings that have been proven over and again with positive outcomes resulting in numerous backdrop photo opportunities. Sure, there will be some new genetic blends as well and we know that those will have as many, if not more fans than those proven backdrop earners from years past. Investment advisors have been encouraging money placement in precious metals since 2008, but we suggest proven seedstock and genetics for this tax year, something one can enjoy.

Please consider this your personal invite and introduction to the 2023 offering at JS Simmental. We know that you will agree that it is one of the absolute best offerings of Simmental, SimGenetic, Angus, and other breed females one can find. The cattle are supported by a class act family with class act, top-shelf employees that are second to none as well. If you have not ever been to JS or are a past client, we encourage you to make the trip and view the offering anytime once you receive this sale book. The trip to Prairie City won't be a waste of time or fuel, there's so much to evaluate and see from the sale offering, to the donor pen, to the sire lineup at the bull stud, you won't be disappointed when you leave.

Graham Blagg

LOT 1 CCS/JS SUMMER 4L

We initiate the 2023 JS Simmentals Midwest Made Female Sale with a female that is backed by one of the most successful and proven matings in the business! CCS/ JS Summer 4L is the result of the W/C Relentless 32C x WHF Summer 365C mating hat has yielded countless high sellers and champions over the past few years as any other Purebred Simmental mating in the industry. Her most notable sister, CCS/JS Summer 33H, was the 2021 NAILE Grand Champion Purebred Simmental Heifer for Kaylee Langford. This mating also yielded a pair of full sisters that were the result of an Embryos On Snow purchase by Lafrentz Cattle Company. Those sisters averaged \$24,625 in October. WHF Summer 365C is undeniably one of the greatest Purebred Simmental females to ever grace the green chips of Freedom Hall, however her true value has come in production. Another daughter of the iconic WHF Summer 365C that will write her own chapter in the history book! *Retaining 50% Embryo Interest*

CCS/JS SUMMER 2J \$15,000 Full Sister to Lot 1

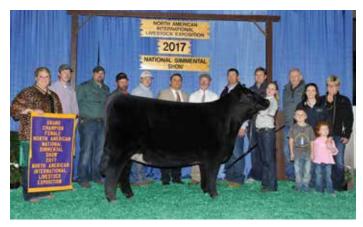

CCS/JS/BL SUMMER 38J \$10,000 Full Sister to Lot 1

CCS/JS Summer 39L is the first of three ET flushmate sisters by WLE Copacetic E02. We love this snip nosed female's combination of body mass and stoutness. Her ability to combine so much volume and capacity while maintaining such an eye catching look from the side is hard to deny. A full sister to these three females, CCS/JS Summer 19K, was the \$62,000 high selling female in last year's sale that sold to Udell Cattle Company and Golden Acres Simmentals. A truly elite female that is one of the stoutest featured, boldest made daughters of the great WHF Summer 365C to date... bid with confidence!

LOT 2B CCS/JS SUMMER 13L

13L is a March born daughter of WHF Summer 365C by WLE Copacetic E02 that is so flexible in motion, offering a flawless design at the surface. Her extra flexibility, looseness of spine, and reach out of her front end is very distinctive of the cow family that supports her lineage. We anticipate this female to be an absolute force as a heavy bred next fall and winter! *Retaining 50% Embryo Interest*

WHF/JS/CCS WOODFORD J001 Maternal Brother to Lots 1-5

LOT 2C CCS/JS SUMMER 24L

The youngest member of the WHF Summer 365C daughters in the sale, but don't let her youth fool you, she has the pieces to be one of the very best! An ultra-refined, sleek fronted heifer that is long and level in her topline, square from hooks to pins, and offers a robust shape to her forerib and center body. There is no question that she will be a force in the early summer division next summer in Tulsa!

LOT 3A CCS/JS SUMMER 47L

We have mainly focused on creating elite Purebred progeny from WHF Summer 365C, while sampling bulls such as Gateway Follow Me F163 with tremendous success. We didn't think twice about mating 365C to the dominant champion, Harkers Unleashed. To say we are pleased with the results would be a HUGE understatement! 47L is a perfect blend of form and function, with the overwhelming volume and capacity that 365C stamps her progeny with every time, and the exquisite look about her front third that set Unleashed apart on the tan bark. One of our favorites in this year's offering!

Retaining 50% Embryo Interest

CCS/JS SUMMER 30K 2022 American Royal Division Champion & Maternal Sister to Lots 1-5

We recently lost Harkers Unleashed, but his legacy and influence will live on through daughters like CCS/ JS Summer 50L. This striking blaze faced female is just what the doctor ordered! So elegant and refined about her head and neck, clean chested, and transitions into a bold forerib and center body shape. We love the balance and symmetry that this set of ET flushmate sisters offer! *Retaining 50% Embryo Interest*

The next pair of ET flushmate sisters are both April born daughters from the Harkers Unleashed x WHF Summer 365C mating. 49L is undeniable in terms of her look and presence from the profile. She is the longest fronted and most chiseled about her front third. A younger female that is greener in her condition, but her futuristic build and quality is certain to pay off when it truly counts!

CCS/JS SUMMER 61K \$60,000 Maternal Sister to Lots 1-5

LOT 3C CCS/JS SUMMER 49L

LOT 3D CCS/JS SUMMER 46L

Another April born Harkers Unleashed sired female from the iconic WHF Summer 365C. This full faced baldy is extra stout at the surface. She is big footed, rugged built, and offers a bold and three-dimensional body style. We appreciate the extra mass and dimension that this female represents. Just imagine the earning potential when you consider that she will produce Purebred progeny if mated accordingly... bid to own!

LOT 4 CCS/JS SUMMER 71L

LOT 5 CCS/JS SUMMER 12L

Two shots of the iconic WHF Summer 365C! Check out the functionality and quality that this daughter of JS Keepin it 90 39H daughter possesses. Another direct daughter of WHF Summer 365C that is a full sister to the \$19,000 female that was featured as lot 1 in our 2022 JS Simmentals Midwest Made Female Sale. CCS/JS Summer 1K was selected by longtime customers and friends, the Hotz family of lowa. We like the chances of 71L being a program enhancing donor prospect that offers breed leading growth figures to compliment her phenotypic excellence.

CCS/JS SUMMER 1K 2022 IA State Fair Calf Champion & \$19,000 Full Sister to Lot 4

CCS/JS Summer 12L is a FULL SISTER to the influential WHF/JS/CCS Double Up G365, the many times champion that has evolved into one of the premier AI sire options in the Simmental breed for creating elite SimGenetic progeny without sacrificing calving ease or maternal strength. This female is also a full sister in blood to the \$165,000 half-interest promotional AI sire that we sold in the 17th Annual Embryos On Snow sale to Hilltop Simmentals, JS Double Or Nothing 4K. This female is supported by a pedigree that you can hang your hat on!

75L is a super broody, stout featured daughter of the late JSUL Something About Mary 8421 that is out of WHF Andie 369F, the many times national division champion shown by Grady Grass. 369F is a maternal sister to the 2017 American Royal Supreme Champion, WHF Summer 365C. 75L is a full sister to the \$23,000 fall born female, GGC/JS Andie 66K, that was selected by Ty Kitzerow. A very high quality female that will be a productive and profitable breeding piece.

LOT 7 CLRS DAIRY QUEEN 606D

With great excitement and a bit of reservation we proudly offer the opportunity to acquire one of the cornerstone donors of the JS Simmentals breeding program. CLRS Dairy Queen 606D is the absolute rare blend of ideal phenotype and curve bending genetic markers on paper. A female that can be mated to nearly any bull with substantial growth, but most of all, quality and still read relatively good on paper in comparison to contemporaries. Her most successful mating to date would be to "the king of the ring" himself, MR HOC Broker. JS Dairy Queen 56G was selected by Tucker Bayer of Wisconsin. She was the popular 2020 World Beef Expo Reserve Grand Champion Simmental Heifer. A full sister, JS Dairy Queen 57G, was the 2021 IA State Fair Grand Champion Purebred Simmental Heifer and has evolved as one of the premier young donors in Prairie City.

Another popular daughter, JS Dairy Queen 29H, the 2020 American Royal and NAILE Division Champion that was a featured lot in the 2020 JS Midwest Made Elite Female Sale. Her and a full sister commanded hammer prices of \$25,000 and \$22,000. JS Dairy Queen 28H was Reserve in her Division at the 2020 American Royal and JS Dairy Queen 27H was Reserve in her Division at the 2020 NAILE. This pair of Percentage females were the talk of the Percentage Division at JS Simmentals in 2020 where they sold for \$18,000 and \$15,000. 606D is also the dam of JS Keepin It 90 39H, the many times champion and herd sire at XTB Cattle and Fenton Farms.

Here is one of the hottest matrons in the tried-and-true donor pen at Prairie City, Iowa. Invest in a once in a lifetime opportunity that has the potential to make for a HUGE return on investment!

JS DAIRY QUEEN 28H Daughter of Lot 7

JS DAIRY QUEEN 27H Daughter of Lot 7

JS DAIRY QUEEN 56G Daughter of Lot 7

Oklahoma City, we knew that this was a bull that we had to sample! His genuine shape, foot size and quality, overall mass and dimension, and eye appeal is what set him into a league of his own. JS Dairy Queen 74L is the first of four ET flushmates sired by Next Level that are supported by the tried and true CLRS Dairy Queen 606D. We adore the extra power and stoutness that this set of females bring to the table, without sacrificing an ounce of eye appeal!

When Jared Boyert and the crew at Buck Creek Ranch displayed Next Level at the Cattlemen's Congress in

LOT 8A JS DAIRY QUEEN 74L

NEXT LEVEL Sire of Lots 8A-8D

Another daughter of 606D sired by Next Level. JS Dairy Queen 53L is so dense bodied, loose built, and flexible at the surface. She is heavy structured, square built, and has been blessed with tremendous hair quality as a bonus! This brockle faced female is an absolute must see on sale day if you're serious about locating a Purebred that can run at any level!

LOT 8C JS DAIRY QUEEN 60L

JS Dairy Queen 60L is a massive featured, huge footed, dense made daughter of Next Level that is supported by 606D. This March born prospect has also been blessed with substantial body mass, volume, and capacity. She combines this extra dimension with a well-balanced and symmetrical look from the side.

LOT 9A JS/HOTZ DAIRY QUEEN 33L

CLRS Dairy Queen 606D seems to NEVER miss, that's one reason that we will regret offering her for sale in her entirety, but it's our commitment to always offer our very best! JS/Hotz Dairy Queen 33L is sired by the late Harkers Unleashed, the many times National Champion that is quickly proving to be one of the most consistent and highest quality half-blood sire options in the game. 33L offers superior skeletal quality, while maintaining an abundance of body mass and capacity. She is so long and extended from her shoulder forward, adding to her look of balance and eye appeal from the side.

JS DAIRY QUEEN 25J \$13,500 Maternal Sister to Lots 8A-9C

Another three-quarter blood January born prospect sired by Harkers Unleashed. 5L is so long and extended about her front third, neat chested, and offers an excellent set to her hip and hind leg. We appreciate the smooth and angular look from the side that she brings to the table.

JS DAIRY QUEEN 31J \$15,000 Maternal Sister to Lots 8A-9C

THE OPEN FEMALES

LOT 9C JS DAIRY QUEEN 6L

The third member of this trio of ET flushmate sisters is JS Dairy Queen 6L. This February born show heifer prospect represents the same futuristic look and skeletal quality that sets this set of females apart. 6L is the most chiseled about her front third yet does not sacrifice an ounce in terms of shape and pin width from behind. There is no denying the strong influence of 606D!

JS DAIRY QUEEN 32J \$13,000 Maternal Sister to Lots 8A-9C

34L is a three-quarter sister to the females that sells as lots 9A through 9C. Her dam is JS Dairy Queen 57G, the 2021 IA State Fair Grand Champion Purebred Simmental Heifer for Coy Steenhoek. 57G is the MR HOC Broker sired daughter of 606D that is a full sister to Tucker Bayer's many times champion, JS Dairy Queen 56G. 34L sets the bar when it comes to eye appeal and skeletal quality. We love her presence, eye appeal, and symmetrical look. She is so long and sleek about her front third, smooth shouldered, and robust in the shape of her upper rib cage. She is stout and square from hooks to pins and maintains a textbook set to her hip and hind leg. One of the best percentage Simmental heifers that we have ever offered...don't miss out!

JS Dairy Queen 57G is quickly proving to be one of the rising stars in the donor pen here at JS Simmentals. The next five females are sired by the popular Next Level, one of the exciting young AI sires in the business that has absolutely knocked it out of the park in his rookie sire season. 59L is a blaze faced female that is unrivaled in terms of body mass, density, and overall dimension. We appreciate the balance that she offers with her optimum progression of depth from her chest back through her rear rib and flank. A very high quality set of ET flushmate sisters that deserve serious consideration!

The next pair of ET flushmate sisters are sired by WHF/JS/CCS Double Up G365, arguably the most consistent and reliable herd sire that we have ever produced here at JS Simmentals. He has experienced record use across the country, with countless producers putting him to work in their Al and ET programs. He experienced tremendous success in the show ring, but there is no question his greatest accolade has come in the form of his progeny's success in the sale ring and show ring. 36L and 38L are backed by JS Dairy Queen 57G, therefore offering a pedigree that combines the two highest dollar generating females in the JS Simmental breeding program in WHF Summer 365C and CLRS Dairy Queen 606D. They are full sisters to the \$22,000 JS Dairy Queen 51J, the November born female selected by Samantha Roberts in our 2022 Spring Online Sale. A must see pair of sisters with BIG TIME earning potential!

JS DAIRY QUEEN 51J \$22,000 Full Sister to Lots 12A & 12B

DECEMBER 8, 2023 IN PRAIRIE CITY, IOWA

A February born show heifer prospect sired by the national champion, WLE Copacetic E02. Her dam is the young donor dam, JS Dairy Queen 57G, a female that is very quickly making her way up the ladder in the donor pen at JS Simmentals. 73L is so sleek and elegant about her front third, loose spined, and sound built at the surface. Her angles and joint work, coupled with her length and squareness of hip and pin set is what we believe sets her apart in this offering. Her best days will be next fall and winter as a heavy bred...don't let this one get away!

BURLY!!! Check out this January born maternal sister to the 2015-2016 Triple Crown winning JS Black Satin 9B donor dam that is known across the industry affectionally as "Boots". We absolutely adore the massive shape and capacity that this female offers through the center portion of her body. "Boots" will forever be remembered as one of the greatest Purebred Simmental females to ever grace the tan bark. Her paternal granddam, WHF Summer 365C, was the 2017 American Royal Supreme Champion Junior Breeding Heifer for Chesney. There is no denying that this trio of sisters are bred in the purple!

LOT 14B JS FLIRT AWAY 41L

41L is the February born daughter of the iconic JS Flirt A-Way 59Y that is sired by WHF/JS/CCS Double Up G365, the WHF Summer 365C son that is experiencing record use across the breed. 41L is as dense made, stout featured, and high quality as you can possibly make one. Her unique combination of mass and capacity with eye appeal and balance make her one of the premier donor cow prospects in the offering! Maternal prowess lines her pedigree.

JS FLIRT AWAY 52H Maternal Sister to Lots 14A-14C

LOT 14C JS FLIRT AWAY 66L

66L is the youngest member of the 59Y flushmate sisters. This March born prospect is the longest, smoothest, and most extended of the three sisters. We appreciate her extra length and levelness of her hip, and the functional set to her hind leg. She is stout feature while maintaining a "lady like" look about her front third. 59Y continues to make a substantial impact on the Simmental breed!

We initiate the Angus division with a pair of daughters from the 2018 NAILE Grand Champion Junior Angus Heifer, UDE Ellie 153E. CCS Ellie 203L is sired by the popular sire of choice among Angus enthusiasts, KR Casino 6243! Her stoutness of feature, rugged design, and square built at the surface has laid the foundation for true skeletal quality. We have always admired the extra dimension that this female possesses. Maternal sisters to 153E would include Sara Sullivan's 2020 NJAS Grand Champion Owned Heifer and 2020 NAILE Grand Champion Junior Angus Heifer, UDE Ellie 9230. Another popular maternal sister to 153E, UDE Ellie 9197, a many times champion for Kaylee Langford. There is no question that 203L is one of the best 153E daughters we have offered to date!

UDE ELLIE 153E Dam of Lots 15 & 16

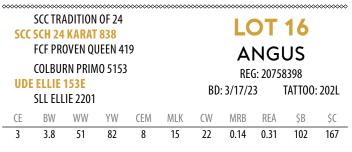

MIDWEST MADE ELITE FEMALE SALE

CCS ELLIE 204K \$25,000 Maternal Sister to Lots 15 & 16

CCS ELLIE 202L

CCS ELLIE 205K \$20,000 Maternal Sister to Lots 15 & 16

202L is a March born daughter of 153E sired by the widely utilized SCC SCH 24 Karat 838. She is extra stout featured with an eccentric look of quality about her head and neck. Maternal sisters to 202L and 203L would include the \$25,000 CCS Ellie 204K and the \$20,000 CCS Ellie 205K. The influence of a cow family consistency will never go out of style!

31

LOT 17A CCS LADY NELLIE 216L

The March born sisters from the trio of daughters out of the impressive Greimans Lady Nellie 298, the impressive Dameron First Class daughter that we selected from the historic Greiman Angus Program in northwest Iowa. Her dam, SCC Echo Dell Nellie 810, was produced in the Stertzbach Cattle Company program of Ohio. We love the rich tradition and history of elite Angus genetics that line these females' pedigree from top to bottom. Generations of the most proven and predictable cow families can be identified. The choice is yours on December 8 in Prairie City!

MIDWEST MADE ELITE FEMALE SALE

The third sister from the SCC SCH 24 Karat 838 x Greimans Lady Nellie 298 flush is certainly one that will stop you in your tracks! This beautiful profiling April born show heifer prospect has "the look" and quality that is demanded to be competitive on the largest stages in the business. Her silhouette from the side is hard to mirror. She ties high at the top side of her shoulder, is smooth jointed, neat chested, and offers near perfect progression of depth through her rear rib and flank. Tremendous quality combined with an elite pedigree makes 208L a must see on sale day!

GATEWAY FOLLOW ME F163 Sire of Lot 18

CCS Missie 210L is the lone daughter of the legendary Gateway Follow Me F163 in this year's Angus division but is a prime example of what he continues to see record use throughout the industry and across breed lines. She is so dense bodied, loose built, and heavy constructed. The dam of this March born powerhouse is PVF Missie 8089, the Colburn Primo 5153 sired daughter of PVF Missie 0084, making her a maternal brother to the iconic PVF Insight 0129. 0084 is also the dam of the \$100,000 PVF Missie 5216 and PVF Missie 4149, the Grand Champion Heifer at the National Junior Angus Show for the McCabe family of Kansas. A true genetic gem from the heart of our Angus program!

The Hereford division may be small in numbers, but the same breeding philosophy and principles are strictly in place. Cow families matter more than anything in our program, and that is evident by the significance of the donor dams that are represented throughout this sale offering. This trio is sired by the popular H Montgomery 7437 ET and backed by SCC TCC Diana 4068B ET, a daughter of the \$600,000 C Miles McKee 2103 ET that is out of the many times National Champion, TCC Ms Diana 01. 105L is a perfect blend of power and poise, with a well-balanced and feminine look of quality that cannot be denied!

LOT 19B CCS DIANA 102L ET

LOT 19C CCS DIANA 104L ET

CCS DIANA 101J ET \$11,000 Full Sister to Lots 19A-19C

Another pair of ET flushmate sisters from the powerhouse donor dam, SULL TCC Diana 4068B ET. She herself was a many time champion in Iowa for Chesney and is a member of one of the most successful flushes in the history of the Hereford breed. Full sisters to 4068B would include the 2016 NWSS Grand Champion Horned Hereford Heifer and the 2017 FWSS Reserve Grand Champion Hereford Heifer. Daughters of other TCC Ms Diana 01 have become some of the top producing females in the business, raising high sellers and champions from coast to coast. 102L is a stout featured, ultra-heavy built female that will be a valuable breeding piece for her new owner. 104L is the youngest female in this set of ET flushmate sisters, but her quality, presence, and structural integrity follows suit. Bred in the purple would be an understatement when describing the Hereford division!

CCS/JS Summer 30K leads off the bred heifer division of this year's sale. There is no question that 30K has the features to be an elite donor dam for her new program, following in the footsteps of her legendary dam, WHF Summer 365C. She is sired by Gateway Follow Me F163, one of the most popular Angus sire options in the business for creating elite phenotype Angus and SimGenetic cattle. She offers overwhelming shape and depth through the center portion of her body, with more than enough stoutness and pin width from behind. She is safe in calf to WHF/JS/CCS Double Up G365 with a three-quarter blood calf on the way!

LOT 31 CCS ELLIE 202K

CCS Ellie 202K is an exquisite Angus bred heifer sired by the tried and true, Gateway Follow Me F163. Her dam is the 2018 NAILE Grand Champion Junior Angus Heifer, UDE Ellie 153E. We love the balance and symmetry that she possesses from the side, while maintaining the extra stoutness and squareness of pin set from behind. A dense bodied, heavy built female that is certain to leave her mark on the program that initially invests. 202K is a special sale attraction!

UDE ELLIE 153E Dam of Lot 31

LOT 32 JS/GREIMANS LADY NELLIE 12

Another daughter of the great Gateway Follow Me F163 that deserves serious consideration on sale day! She is backed by the influential Dameron First Class daughter, Greimans Lady Nellie 298, a female that needs no introduction to those that follow our breeding program. An extra-deep bodied female that is so long and elegant about her front third, stout featured, and built for the long haul!

GREIMANS LADY NELLIE 298 Dam of Lot 32

MIDWEST MADE ELITE FEMALE SALE

Watch the Sale on CCI.live!

The best, the fastest and most comprehensive marketing & bidding tool!

How to Bid Online..

TRADS OVA

- As a buyer, you do not need an account or to login to watch the sale but you must have a validated account to bid.

- After you are logged in, you must proceed to the sale page for any and every auction and click "Get Buyer Number." Some auctions require a pass-code to obtain a buyer number even after you are approved by CCI.live. Pass codes generally come from the sale manager or ranch for that particular sale.

- CCI.live will operate with ease on a cellular device, laptop, desktop or tablet.

- A modern or current browser is important and will make your experience better. You do not need to install the app on cellular devices to watch a sale. CCI.live is a browser-based application meaning it will play on most new browsers, but you can also download the CCI.live app at the Apple App Store or through Google Play.

- For successful bidding you must have good Internet service! It is very important to be stationary. If you are driving and bidding, expect to have some service issues. If you are stationary on a good device, with healthy Internet, expect a very successful bidding environment. If you have slow Internet watch the "asking price" on the screen - it is real time and refresh your browser if you feel like you have some lag.

- Support line open during all sales. 405-400-9505 - Please contact the ranches for invoices and trucking.

SALE CATALOG, VIDEOS, and LIVE BROADCAST... all at your fingertips from the sale page at
