Welcome

TO CONLEY CATTLE

We welcome you to our annual spring production sale at the Artesian Hotel in downtown Sulphur, Oklahoma. We would like to thank Justin Williams for helping coordinate this event from the start and help making it a success! In saying thanks, I would truly like to say thanks to Cole Atkinson for making the females in this sale come together in a very short amount of time. He is one of the biggest assets to our program and we can't thank him enough! Jacob Toombs, Jacob Hanen, and Kristen Lovett have also logged a tremendous number of hours in preparation for both of our spring sales. We appreciate all that they do each and every day! We have a great team at Conley Cattle that works tirelessly day in and day out. We couldn't do it without each of them, and for that I am thankful.

This sale wouldn't be possible without some of the best partners in the business; C-4 Land & Cattle, Diamond T Cattle, Halverson Ranch, Lookout Ridge Farm, K&M Cattle, Van Zee Cattle, and Rosanky Cattle. Together we have assembled our best fall and summer born show prospects to date. We are excited to let you evaluate them on March 30th in Sulphur!

This year's sale offering will feature many ET flushmate sisters that are supported by some of the very best Angus females in the business. The reigning 2023 NJAS Grand Champion Angus Heifer sold in this very sale two years ago to the Collum family. We firmly believe that the females represented between the covers of this sale catalog have the credentials to find success at any level! Additionally, you will notice a featured lot in the Lot 100 AI sire prospect on the inside back cover, Conley DS Quintin 2176, a full brother to the 2021-2022 ROV Show Bull of the Year!

We invite you to Sulphur, Oklahoma to view the offering, or visit our website to see the videos of this impressive group. We are excited to offer them and watch them this summer. Please give us a call if we can be of any assistance. See you on sale day!

Thank you for your interest,

Kyle

ANGUS HEIFERS

This mating never misses!

• Over two years ago we decided to dig back in the history books and resurrect the "Honey Bear Sophie" name when registering the daughters of Conley Sandy 8934. Honey Bear Sophie was the 1991 NALIE and 1992 NWSS Grand Champion Angus Heifer, ultimately being named the 1992 ROV Show Heifer of the Year. A short four years later she was named the 1996 ROV ET Dam of the Year. A daughter of Honey Bear Sophie, WK Sadie, was the 1996 NWSS ROV Grand Champion Angus Heifer. Two years later, another daughter, WK Sandy 6375, would be selected as the 1998 NWSS Grand Champion Angus Heifer, initiating the "Sandy" name. This foundation female in the Krebs Ranch breeding program is the matriarch of the "Sandy" cow family, a household name in today's industry!

• Full sisters would include the \$190,000 Conley Honey Bear 2147, the high-selling heifer in the 2022 Fall Production Sale that was selected by Houston Ferree. Another full sister, Conley Honey Bear 2147, sold to Circle M Farms and Josie Philips for \$180,000 in the 2023 Spring Production Sale.

• Conley Honey Bear 3953 is the third sister from the famed Conley Sandy 8934 donor dam, that has evolved as one of the most lucrative females in the Angus breed! Her look of quality and style from the side is hard to deny.

• We love the extra stoutness of foot, bone, and pin width that this female brings to the table. Her phenotype combined with her pedigree makes her one of the most interesting females in this year's offering.

• Unlimited potential in the show ring, with a big upside when her campaign comes to a close and she enters production. We anticipate her to follow in the footsteps of her prolific donor dam and the females that line her pedigree!

- The first of the largest and most dynamic flush of ET heifers produced at Conley Cattle in the fall of 2023! Allow us to introduce you to Conley Maddie 3171, a full sister to the \$220,000 high selling female from the Conley Cattle 2023 Fall Production Sale, Conley Maddie 3157!

- Her full sister, Conley Maddie 3157, has experienced tremendous success on the tan bark since she sold last fall. 3157 was the 2023 Hoosier Beef Congress 4th Overall Junior Breeding Heifer for the Ferree family of Indiana.

- Much like her sister she offers a captivating look from the side, with an abundance of shape, power and substance. This female has the credentials to be a big league contender!

- This is honestly one of the most consistent and highest quality matings that we have EVER offered. 3175 is the next sister from one of the greatest sets of ET flushmate sisters we have brought to town. Conley DS Clear Cut 0510 will experience heavy use this spring after this set of flushmate sisters are evaluated in Sulphur!
- 3175 is one that we are constantly drawn to. She is so long and extended about her front third, much like her donor dam, yet offers the body, substance, and capacity through the mid portion of her body cavity that her paternal granddam, Conley Sandy 5104, constantly stamps her progeny with!
- We think one built like this will be a force as a senior yearling in the summer of 2025... come look for yourself, we promise you will be glad you made the trip!

SIMMENTAL + MAINE HEIFERS

- The lone Purebred Simmental heifer in this year's offering, but I can assure you that she has the quality and presence to compete at the highest level! This female is sired by the 2023 Cattlemen's Congress Grand Champion Purebred Simmental Bull, R/C SFI Creedence 417J. He is one of the most unique individuals that we have ever owned part of, regardless of breed! He is unparalleled in terms of the way he ties together from end to end, is as long fronted and high tying of a Purebred Simmental as you will ever find and does this with a perfect structural build.

- 208L is backed by a female that was bred in the Walter Cattle Company program of Elk City, a long standing Simmental and Sim Genetic breeding program that has produced countless national champions! The maternal granddam of this female is LLSF Cayenne UP401, the 2010 NWSS Grand Champion!

- Study her build, her presence, and her genuine quality. This one reminds us a lot of the Bell families 2022 AJSA National Classic Grand Champion Purebred Simmental Heifer... it only takes one!

- She is sired by a bull that Dusty Collum owns named C-4 GCC Play It Safe H420, a son of the iconic Coleman Bravo that is supported by the prolific Juanada 9100 donor dam. The dam of this female is DUP Jelly Yum 109J ET, the 2022 FWSS Grand Champion Maine-Anjou Heifer that Case showed! She is supported by generations of national champions that have been bred in the Buck Cattle Company program of Madill, Oklahoma.

- We admire this female for her flawless build, bold rib design, and futuristic look of quality. The Maine-Anjou Junior Nationals is just a short drive up the road in Springfield, Missouri. Anyone that has ever taken their family always raves about what a fun and family oriented week the AJMAA does hosting this event. Bid with confidence, this female is very high quality!

CONLEY BULLS

FROZEN GENETICS

- Conley Lead The Way 0738 is the most exciting Angus bull in the industry! In January of 2023 at the 17th Annual Embryos on Snow, held in conjunction with the Cattlemen's Congress, Conley Lead The Way 0738 commanded a \$460,000 hammer price for 50% US semen interest that was purchased by Hawes Cattle Company of Texas. His rookie calf crop exceeded even the wildest of expectations, with the first 10 heifer calves averaging \$57,000 at Conley Cattle in September of 2022, while a full sister to Conley Lead The Way 0738 commanded a \$75,000 hammer price the same day. In the spring of 2023, a son of Conley Lead The Way 0738, Conley Bell Bristow 2317 commanded \$150,000. Daughters sold for an impressive \$180,000, \$40,000, and \$39,000!

- Fast forward to the fall of 2023, the second set of Conley Lead The Way 0738 daughters set a record of their own, where 24 daughters averaged \$28,520! The high selling females from the sire group included prices of \$215,000, \$135,000, \$85,000, and several more from \$20,000 to \$50,000. A pair of full sisters to Conley Lead The Way 0738 averaged \$80,000 the same day!

- Owned with Hawes Cattle Company, C-4 Land & Cattle, & Harlan Yocham.

- The first public semen offering from the \$160,000 high selling bull from the 2024 Conley Cattle Bull Sale! We are pleased to introduce the iconic Rosewood Bellagio 090, arguably the most impressive son of the great KR Casino 6243 in existence!

- It is no secret that KR Casino 6243 has made a substantial impact on the Angus breed in a short amount of time with extremely limited semen available. We have searched near and far to find an alternative to KR Casino 6243, and in our opinion we have found a better option that brings even more cow power to the table!

- Rosewood Bellagio 090 is supported by the famed Champion Hill Georgina cow family that produced the iconic Conley DT Georgina 1076, the 2023 NJAS Grand Champion Owned Heifer for the Collum family of Oklahoma. 1076 was also selected as the 2023 Cattlemen's Congress ROV Reserve Grand Champion Angus Heifer.

- Rosewood Bellagio 090 is a MUST USE sire in the spring of 2024! We think you can expect the same stoutness and power that KR Casino 6243 offers, with more length and extension in a smoother made package!

- This is the ONLY semen to sell in 2024 that will not be in the form of a 40 unit breeder package, don't let this opportunity pass you by!

Quintin Smith, a true Angus legend.

Not much to say about this picture, outside of a set of Angus icons.

Quintin Smith encouraged Lanas to buy 5104, he knew she was special! 5104 went on to be the 2016-2017 ROV Show Heifer of the Year. She is approaching \$2 million in progeny sales!

• Conley DS Quintin 2176 is a special bull that was named after a special person, the legendary Quintin Smith, a once in a generation Angus breeder and enthusiast that paved the way for future generations of Angus breeders. Quintin was a visionary that bred, raised, marketed, and exhibited some of the best Angus cattle in the country!

• A full brother to the \$400,000 Conley DS Clear Cut 0510, Conley DS Quintin 2176 is an elite herd sire prospect that offers tremendous thickness, structural integrity, and eye appeal. He is supported by the 2016-2017 ROV Show Heifer of the Year, Conley Sandy 5104, one of the greatest producing Angus females in the business. 5104 has far exceeded the million-dollar mark in progeny sales, and her legacy continues through progeny from coast to coast and border to border.

• Conley DS Quintin 2176 will carry the torch into the future, offering true genetic potency being supported by some of the most influential Angus matrons in the business. We firmly believe that Conley DS Quintin 2176 will etch his name in the history books and leave behind a legacy that mirrors that of the influential cattleman and friend that he carries the namesake of.
