CUSTOMER SERVICE

Customer service and the day-to-day preparation of showing is something that we are very passionate about. We want to work with our customers and are always willing to lend a helping hand. If you would like to have your heifer clipped throughout the year prior to ANY show, you are welcome to bring the cattle back to Udell Cattle Company at no additional cost to be clipped by one of our talented team members. Advice relating to breeding, feeding, daily care, and/or any question you may have is always welcome. We are here to make your project a successful and enjoyable venture for your family.

TERMS & CONDITIONS

The terms of the sale are cash or good check payable immediately upon the conclusion of the sale before animals will be transferred or removed from the sale facility. Cattle sell under the standard terms of their respective breed association. All sales are final, and the cattle will become the property of the buyer when the auctioneer says "SOLD". All females are sold as sound breeders. Seller guarantees each female to produce a live calf or transferrable embryos.

REGISTRATION PAPERS

Registration papers will be transferred upon completion of payment for purchases. Please let the clerk know at the time of settlement how you wish to have your purchase(s) transferred. If you need your registration paper transfers expedited, please make plans to make settlement the night of the sale.

INSURANCE

All cattle sold will become the responsibility of the buyer as soon as they are sold. To properly insure your investments, **James F. Bessler, Inc.**, 815.762.2641.

SUPPLEMENTAL INFORMATION

A supplement sheet and sale order will be available with up-to-date information the day prior to the sale. All announcements made on the sale block as well as updates to the supplement sheet will take precedence over material listed in this catalog.

HERD HEALTH

All of the cattle selling will be ready for immediate shipment and accompanied by proper health certificates. Udell Cattle Company has a full vaccination program.

LIABILITY

All persons who attend the sale do so at their own risk, legal or otherwise, for their safety or for behavior of the animals. Udell Cattle Company, the sale management firm, and the sale staff assume no liability for property loss or any accident that may occur.

LOAD OUT & TRUCKING

Load out will begin at the conclusion of the sale. We ask that you pick up your purchases within a reasonable time. We are happy to assist you with reliable and affordable trucking arrangements. However, we assume no responsibility for trucking rates.

RETAINED FLUSH/CELL LINE

Udell Cattle Company reserves the right to two successful flushes at the buyer's convenience and seller's expense. Udell Cattle Company reserves the right to the DNA cell line and cloning rights on all animals sold.

We are excited to welcome you to Udell Cattle Company for our 8th annual production sale. We have sorted, sifted, and handpicked 60 of our very best open females, and couldn't be more pleased with this group selling on October 19th. Whether you are shopping for your first-year showman, final year, or simply looking for your next donor cow, we are confident you will find high quality females, out of our very best genetics, that will make an impact on your breeding program down the road.

A sincere **THANK YOU** to our customers. It is truly humbling that so many families put their trust in our program, and we appreciate each and every one of you. The memories made, and friendships formed have been priceless, and remain one of the greatest things about this industry.

Anyone that shows or sells cattle knows there is absolutely no way to make it possible without a great crew. Our "farm crew" continues to be second to none, and we couldn't do this without each and every one of them. From making breeding decisions, calving, weaning, working cows, running the show barn, breaking calves, washing, clipping, and everything in-between, it is all hands on deck all year long.

We appreciate your interest in our program and welcome you to come see this set in person anytime between now and Saturday, October 19th. Please do not hesitate in contacting anyone here at Udell Cattle Company or our sale management team if you have any questions. We would be honored for you to be a part of our team this upcoming year!

WELCOME TO “THE ADVANTAGE” 2024 EDITION

The climb to the top is determined by the paths you choose to reach the ultimate summit, which lies before you in whatever you seek to conquer. Once that level is achieved in business, the goal is to remain there for as long as necessary to continue building an empire that exceeds the goals set out to achieve. The longevity and staying power to remain in the upper echelon are determined by one’s grit, mindset, and the luck needed for each decision to turn out as predicted. When dealing with mother nature, work ethic, ambition to succeed, and strength of mind contribute to a goal-oriented mindset without question. In the beef business, all of the aforementioned applies, and when dealing with an opinion-based marketplace, it doesn’t hurt to have a loyal customer base as well.

The Udell family is no stranger to success at any level in their lives. They have found success in family life, businesses, and the beef industry, specifically in the show heifer trade. Cattle of multiple breed affiliations and price points have left the great facilities and the team in Sioux City, IA. These cattle have been successful at local, state and national levels for several customers over the years. The annual sale offering, aptly titled “*The Advantage*”, is loaded with stock for families and junior exhibitors to remain at the top end of their competitive contemporaries.

John Sullivan is no stranger to success or winning, and he has invested in this program for many years with record-setting purchase values, backdrops, and hardware achieved to justify his quest. John respects and appreciates the program due to Bret’s aggressive but educated approach to setting the foundation for what the operation is known for today. Bret Udell acquired females such as KDJ Queen Ruth 502, SLL Ellie 2201, FCF Phyllis 532, Hoffman H/G Blackbird 620, SLL Keymura Katy 5009, Hara’s Miss Princess 100Z, and JSUL Red Thunder 9051W during Mitchell and Maddy’s show careers and countless others that most are familiar with. Each of the previously mentioned donor females has impacted the program in some shape or form since they retired from the tan bark, and each of those continues to influence the annual sale offering. Two of the more reputable, noteworthy cows in the arsenal on Hedge Avenue would be KDJ Queen Ruth 502 and Silveiras Saras Dream 2335, which respectively gave rise to the next generation in donor power, UDE Queen Ruth 0204 and UDE Saras Dream 1086, each with progeny featured in this sale offering as well. The Udell crew invested in the right stock to win, then turned the investment into the dynamic program that it is today! Making an acquisition in “*The Advantage*” will give your program’s future the edge it needs to take the next step in your respective production model and enrich your young exhibitor’s show experience.

The point is, when the opportunity presents itself to tie into what the empire is offering, it will ensure your family is part of the dynasty that lies ahead. This family outfit and team are not going anywhere anytime soon. They still have a lot that they plan to accomplish, and those accomplishments will most likely improve the industry by upholding the kind and quality within the stock that they produce. Good cattle will never go out of style, and cattle with genuine shape, dimension, substance, skeletal quality, and balance will always be in demand. Mark your calendars for October 19, 2024, for one of the very best offerings in the 2024 sale season, with multiple heifers and breeds to select from. Feel free to reach out to any member of the Udell Crew or the Innovation AgMarketing team if you have questions or need assistance.

Enjoy the stock,

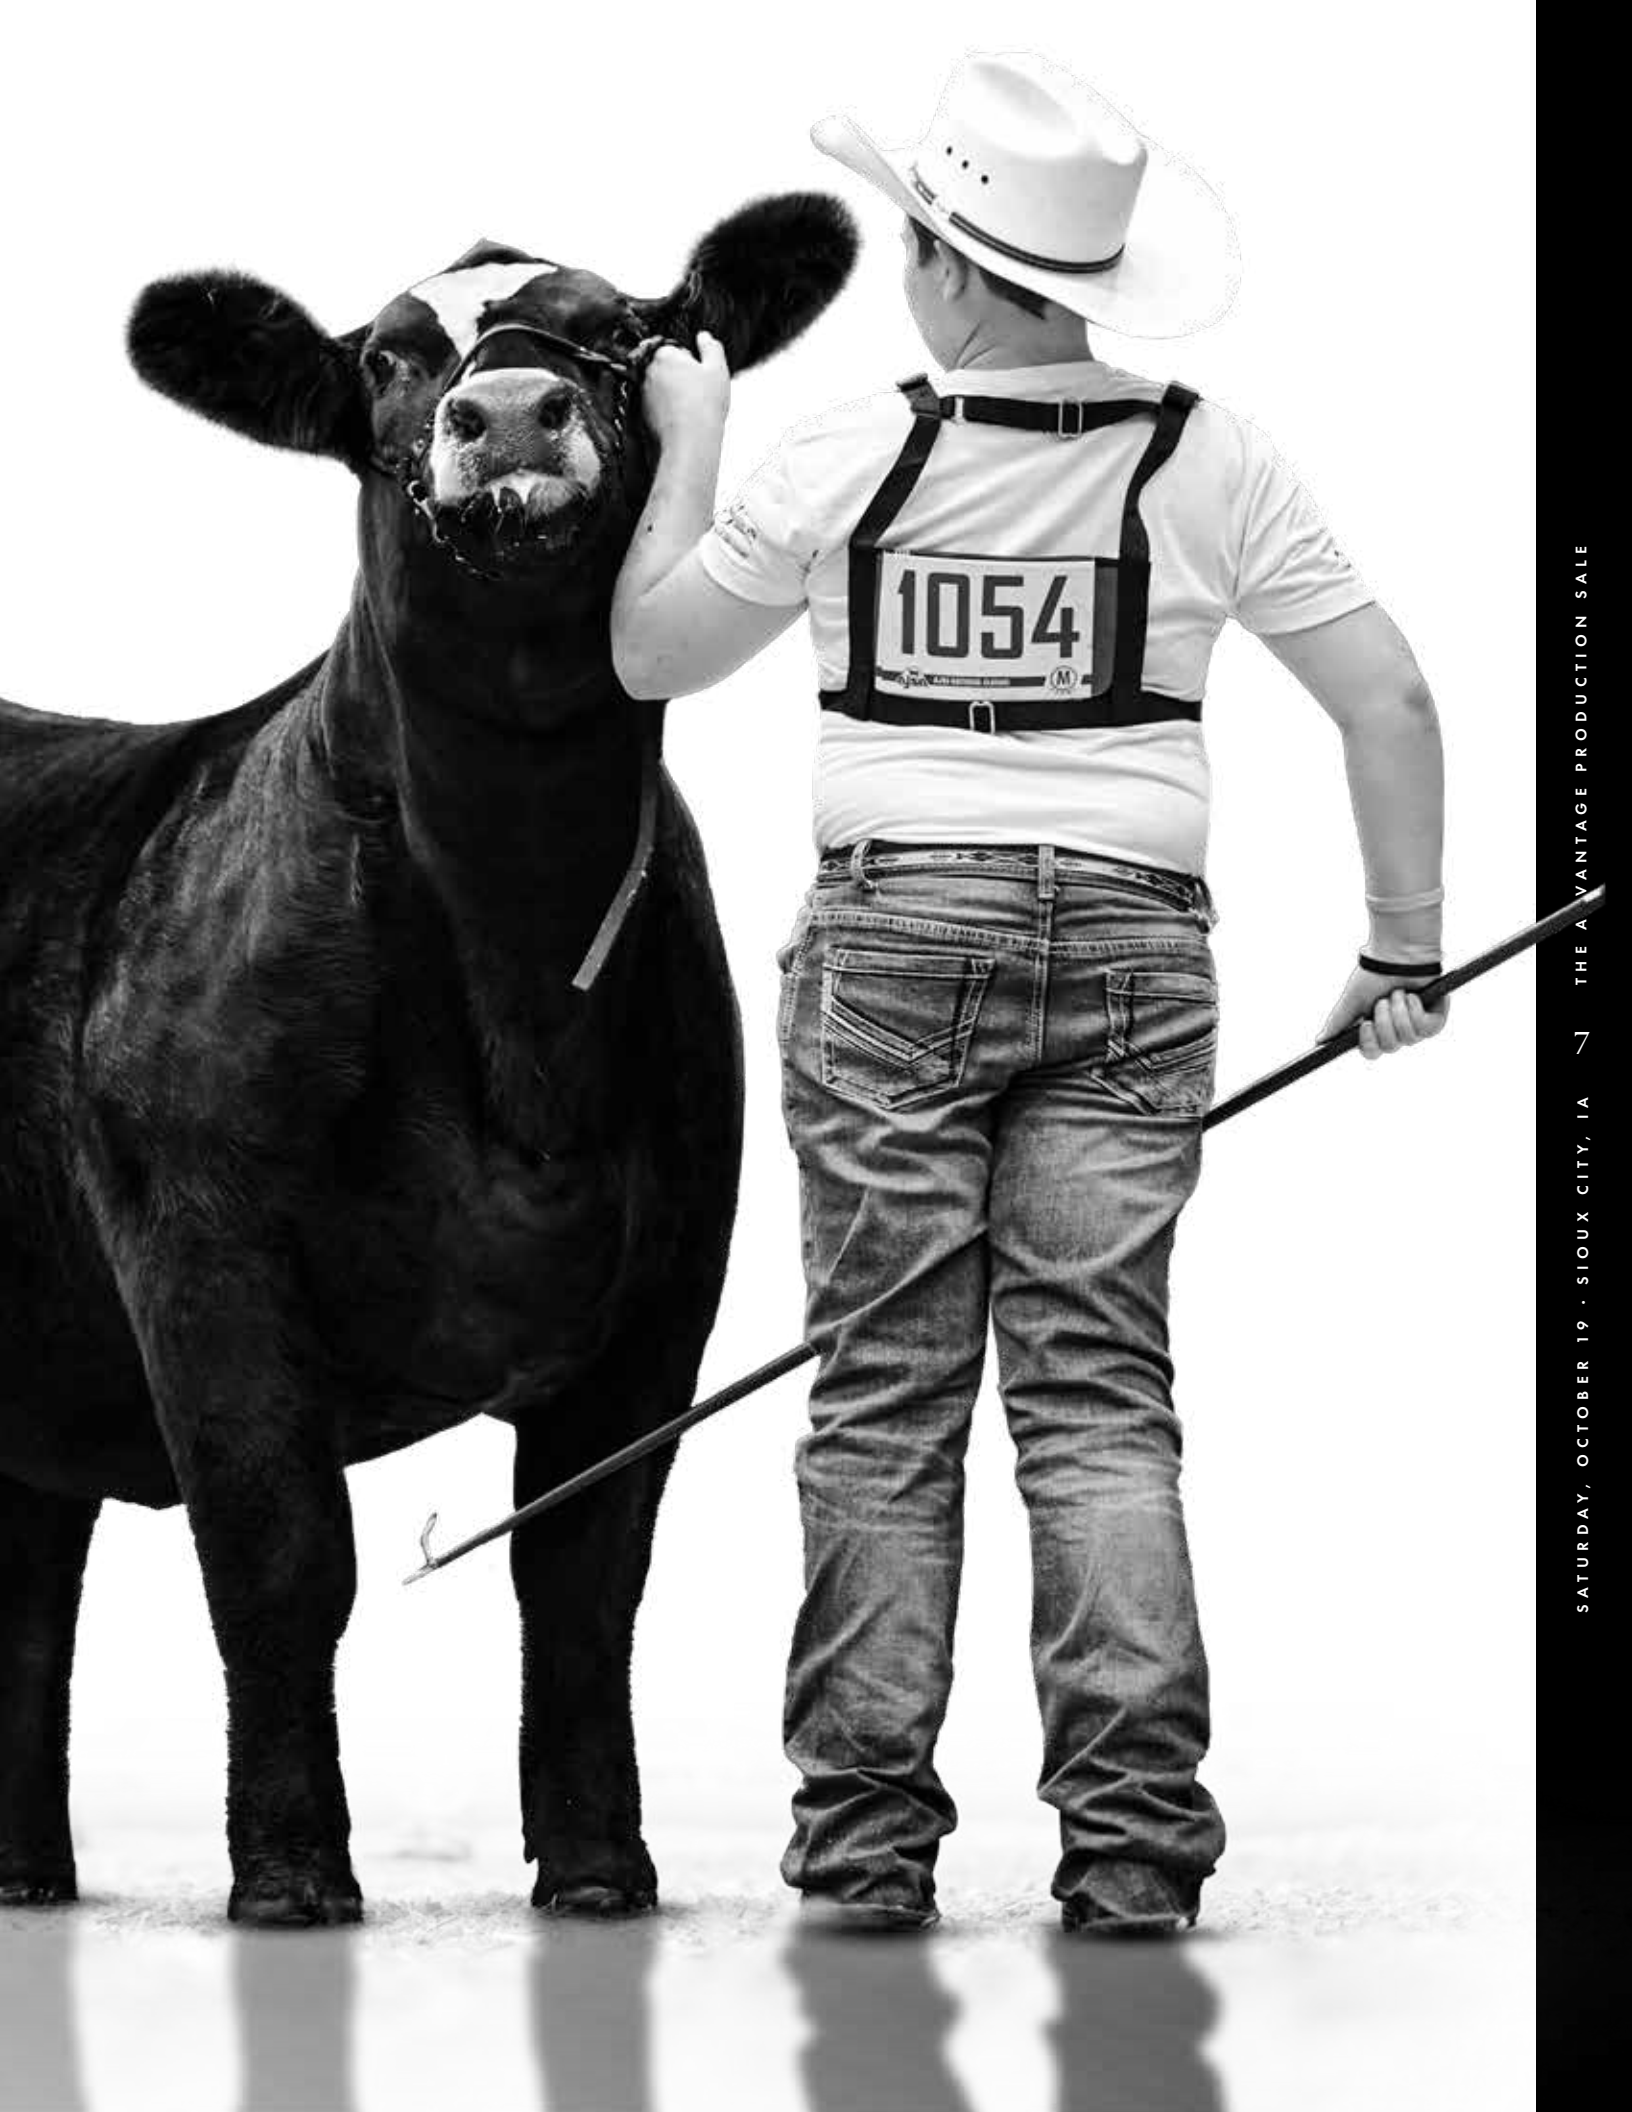

Graham Blagg *Jim Anderson* *Jered Shipman*

CONGRATULATIONS BRODY WENELLI

SATURDAY, OCTOBER 19 · SIOUX CITY, IA ↘ THE ADVANTAGE PRODUCTION SALE

KDJ QUEEN RUTH 502

DAUGHTERS LOTS 1-8 • GRANDDAUGHTERS LOTS 9-10

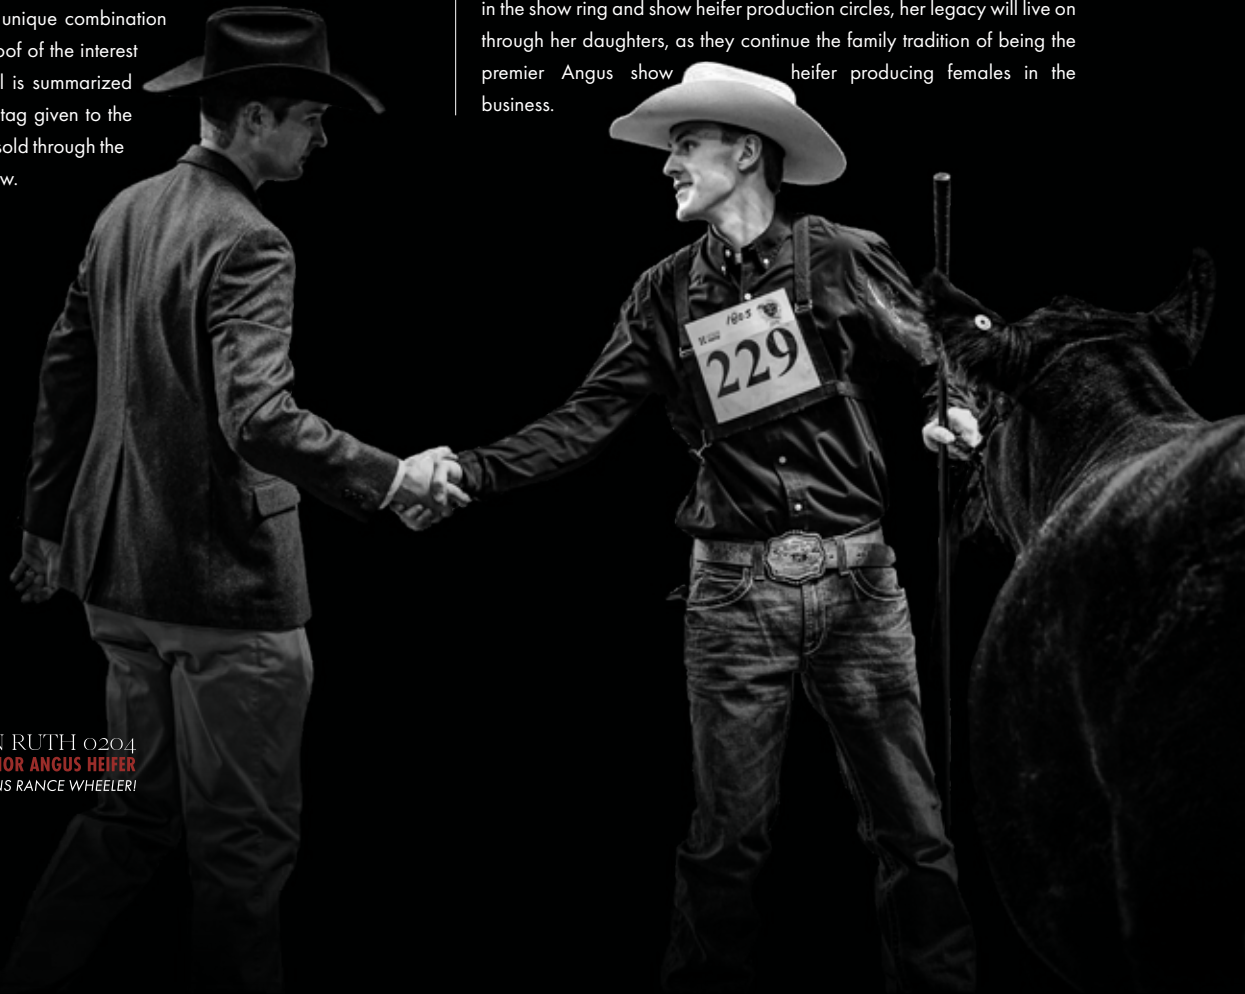

KDJ Queen Ruth 502 continues to lead the pack as one of the most dominant producing Angus females at Udell Cattle Company. She consistently puts the good ones on the ground! KDJ Queen Ruth 502 was a dominant show heifer for Maddy in 2016. She was the American Royal Grand Champion Angus Heifer and NAILE Reserve Grand Champion Angus Heifer. In October of 2017, UDE Queen Ruth 109E, began the dynasty that KDJ Queen Ruth 502 would have on "The Advantage" Production Sale still to this day, when the SMA Watchout 482 daughter topped the Angus division at **\$50,000**. That heifer went on to be successfully campaigned by Shayne Myers of California to the title of Reserve Grand Champion Angus Heifer at the 2018 NJAS in Madison, Wisconsin!

KDJ Queen Ruth 502 again produced another featured heifer calf of "The Advantage" Production Sale in October of 2020, she commanded **\$37,000** and was sired by the great KR Casino 6243. That turned out to be a monumental day in the life of Rance Wheeler as UDE Queen Ruth 0204 went on to completely dominate the show circuit from coast to coast for the next year, her most notable wins included the 2021 American Royal ROV Grand Champion Angus Heifer, both the 2021 NAILE ROV and Junior Show Grand Champion Angus Heifer and the 2022 Cattleman's Congress ROV Reserve Champion Angus Heifer. She was admired by cattlemen and women from all segments of the business for her unique combination of form and feature. Proof of the interest in her genetic potential is summarized by the **\$43,000** price tag given to the right to flush 0204 that sold through the 2022 Embryos On Snow.

The fall of 2022 revealed more exponential growth in the interest of the potency that comes from the KR Casino 6243 x KDJ Queen Ruth 502 combination, four full sisters were cataloged as lots 1-4 in the "The Advantage" Production Sale, they commanded **\$500,000, \$135,000, \$80,000, and \$18,500** to average **\$183,500**. Two other daughters sired by SCC SCH 24 Karat 838 also sold in October for a total of 6 daughters of KDJ Queen Ruth 502 to gross just under three-quarters of a million dollars in one evening! One of which was Sara Sullivan's Third Overall Owned Champion Female, UDE Queen Ruth 2003 at the 2023 National Junior Angus Show.

The resume that 502 has assembled is unlike another in the nation, with a high sellers list that consists of daughters at **\$500,000, two at \$135,000, \$110,000, \$90,000, \$87,000, \$80,000, \$52,000, \$50,000, \$42,000, \$37,000, \$33,000, \$27,000, \$25,500, \$22,000, \$20,000, \$19,000, \$18,500, \$16,500, and \$13,000...** but this does not include the several other daughters that have been sold over the last 5 years from **\$7,500 to \$12,500** and have gone on to be competitive show heifers turned proven producers. Upon that will find daughters of the Casino x Queen Ruth 502 mating as influential young donor dams that are headlining the business, including the Lashmett & Weis owned, UDE Queen Ruth 9088 and the UDE Queen Ruth 0204 donor dam.

There is much more to come from the 502 empire! There is no questioning the domination that the KDJ Queen Ruth 502 influence has asserted both in the show ring and show heifer production circles, her legacy will live on through her daughters, as they continue the family tradition of being the premier Angus show heifer producing females in the business.

- We initiate "The Advantage" Production Sale with a set of ET flushmate sisters that are supported by arguably the most consistent mating in the history of Udell Cattle Company! The influence of KDJ Queen Ruth 502 is nothing short of legendary when you consider the quality that she generates year after year!
- UDE Queen Ruth 4002 is the lead off female in this year's sale, and is one of the most unique individuals that this mating has ever yielded!
- She is HUGE boned, massive bodied, and flexible on the go. She offers so much power and dimension, yet still balances from the side despite her overwhelming mass. The opportunity to acquire a direct daughter of the great KDJ Queen Ruth 502 will present itself on October 19th in Sioux City, Iowa.
- DONOR DELUXE!

- UDE Queen Ruth 4009 is a prime example of why the KR Casino 6243 x KDJ Queen Ruth 502 mating has been so highly sought after and admired.
- Daughters of 502 have become cornerstone females for the respective families and programs that have invested in the genetics. She is very similar to UDE Queen Ruth 1001, the \$90,000 sale feature from "The Advantage" Production Sale in 2021 that was selected by Bohrsen, KT Ranches, and Black Gold Simmentals. She was the 2022 FWSS Grand Champion Junior Angus Heifer.
- A February born female that is extra stout featured with tremendous extension from her shoulder forward. A proud female that travels with authority.

THE ADVANTAGE PRODUCTION SALE

14

SATURDAY, OCTOBER 19 - SIOUX CITY, IA

- Next up would be an interesting pair of April born ET flushmate sisters from KDJ Queen Ruth 502. They would also be full sisters to the \$500,000 UDE Queen Ruth 2003, the 2023 NJAS Third Overall Owned Heifer that was campaigned by Sara Sullivan.
- Both females offer tremendous look and style through their front third. They are extremely angular females that are built right at the ground.
- 4027 is a shot stouter boned and bolder bodied, but on the other hand 4032 is exquisite about her front third and more neatly chiseled about her neck and chest.
- The choice is yours depending on where your priorities lie... pick your poison on October 19th!

FCF PROVEN QUEEN 419	KDJ QUEEN RUTH 502

- Gather 'round... UDE Queen Ruth 0204, affectionally known as "Wheeler", is about to put on a show that you do not want to miss! When 0204 sold to the Wheeler family of Missouri it was certainly a gamble for them. She was admired by even the most critical, however she had some "red flags" that held buyers back. She overcame those adversities and became one of the of the most admired Angus females to be campaigned in recent years.

- This stunning Angus female is a maternal sister to the widely popular ROSE Apex 3204L, a Maine Angus promotional AI sire that was "the buzz" this spring!

- 0204 stamps her progeny with a look of quality and balance that is hard to deny. The genuine stoutness, skeletal quality, and capacity that set her apart during her time on the tan bark has been transmitted to her progeny!

- If you're a sucker for a long neck, neat chest floor, robust rib cage, big pin set, and impeccable running gear... well, then here's your girl!

LAZY H BAR FOREVER LADY

7153

The Lazy H Bar Forever Lady 7153 donor represents their next generation of elite caliber, mass revenue generating genetic masterpieces here at Udell Cattle Company. Lazy H Bar Forever Lady 7153 is from a long line of prolific females tracing to the legendary Lazy H Bar Forever Lady 5001, the absolute cornerstone of Barry Hageman's program. 2022 represented the initial set of embryo calves to be marketed from 7153 in "The Advantage" Production Sale, they averaged more than **\$15,000** per head! However, 2023 saw her potential realized as her KR Casino 6243 progeny featured at the top of the high sellers list at **\$190,000** and **\$97,000** for a total average of just shy of **\$143,500** each!

The leading lady from the freshman class of 7153 daughters was purchased by the Lemenager family of Illinois for **\$37,500**. The SCC SCH 24 Karat 838 daughter was debuted at the 2022 Winter Warm-Up where she was selected as the Reserve Grand Champion Heifer in Ring B and the 4th Overall Heifer in Ring A. The KR Casino 6243 mating on 7153 was what yielded the **\$190,000** and **\$97,000** heifers from the 2023 edition of "The Advantage". The six digit valued sister was KayLee Langford's, Third Overall Champion Female at the 2024 National Junior Angus Show and is one that will be an absolute force to be reckoned with heading into the fall. The latter of the pair of sisters was purchased by Ethan Moore of Oklahoma and will headline their emerging and progressive Angus donor pen.

7153 is one of the most impressive females on the farm in Sioux City, Iowa. Unbelievable power, shape, and stoutness with a look from the side that is tough to mimic! Udell Cattle Company is home to some of the industry's most influential matriarchs. Lazy H Forever Lady 7153 joins the long list of females that have produced high sellers, National Champions, and herd building individuals.

DAUGHTERS LOTS 22-24

UDE SARAS DREAM 1086
 \$600,000 DAM OF LOTS 22-24

We could not be more excited than to introduce the influences of one of the most anticipated Angus females in the history of the business, the record shattering **\$600,000**, UDE Saras Dream 1086 that was campaigned by Sara Sullivan. UDE Saras Dream 1086 was described by some of the most astute cattlemen, breeders and show families in the business as "the best" heifer calf of any breed they had ever laid eyes on. Profound terms such as "pristine", "incredible" and "flawless" were used to depict the first impression that UDE Saras Dream 1086 portrayed. Her elite combinations of power, poise, and perfect confirmation resounds strongly in her trio of daughters that will sell on October 19th.

Yet one could have never doubted her potential as a producer when you are reminded of her lineage, as she stems from a pedigree that is lined with the best the business has seen, being a daughter of the legendary Silveiras Saras Dream 2335. Silveiras Saras Dream 2335 was the 2013 American Royal ROV Champion Angus Heifer and is a full sister to the great Silveiras Saras Dream 1339. 1339 is most notably recognized as the dam of Colburn Primo 5153 and his band of dominantly competitive sisters which includes the Nowatzke's American Royal Supreme Champion. Colburn Saras Dream 5116 was also the 2016 NJAS Grand Champion Owned Heifer, 2016 NAILE Grand Champion Angus Heifer and 2017 NWSS Grand Champion Angus Heifer among many other victories. Her most notable progeny would be BNWZ Dignity 8017, who has cemented his name among the leaders of the show heifer producing business.

A peer into the crystal ball could very easily reveal the dominance that this debuting cow family is bound to have on the business, just as the branches of its family tree has had to this point. Be sure to give these daughters of UDE Saras Dream 1086 some serious consideration, with the confidence that they have the supporting credentials of the most illustrious in the business.

SILVEIRAS SARAS DREAM 2335

- Here is the big, stout, powerful January born daughter of the \$600,000 UDE Saras Dream 1086, a female that was admired by some of the most critical cattlemen in the business and claimed to be "the best Angus female I have ever laid eyes on" by several!

- From the second you set foot in the pen; her natural presence will draw you in! She ties so high at the top of her shoulder, remains bold and full in her forerib, and transitions into a massive center body shape!

- We love her extra stoutness at the surface, and she handles her added volume and mass with ease when set into motion. Her lineage stacks the famous "Saras Dream" cow family both top and bottom side of her pedigree.

- The maternal granddam of these three females, Silveiras Saras Dream 2335, was the 2013 American Royal ROV Grand Champion Angus Heifer. She is a FULL SISTER to Silveiras Saras Dream 1339, the dam of Colburn Primo 5153 and CCC Sara's Dream 5116.

- Study this female hard on sale day, she's the kind that it takes to win a big banner!

SILVEIRAS SARAS DREAM 2335

• We could write chapters upon chapters about this female and throw every descriptive adjective in the book at her, but it still wouldn't be enough to properly describe how good she truly is!

• She reminds us so much of her mother at this age, yet better in terms of her squareness of build, shoulder angle and curvature to her knee. Her neck ties so neatly at the top of her blade, which remains perfectly smooth to the point of her shoulder. She is tucked up nice and neat at the base of her chest floor and transitions with unbelievable progression of depth back into her rear rib and flank. The set to her hip and hind leg is simply impeccable, while her pin set remains wide, square, and stout!

• Females like UDE Saras Dream 4010 are the kind that you build a cow family around.

• It's so hard to put a price on presence, but this female defies the odds!

Blackbird 620

Hoffman H/G Blackbird 620 was the **\$80,000** high selling Angus heifer calf that sold in the 2016 Hoffman Ranch Annual Female Sale. Her long list of victories for Maddy would include being named the 2016 Kansas Beef Expo Supreme Champion Female, 2016 Badger Kick-Off Reserve Supreme Champion Female, 2017 NWSS Early Spring Heifer Calf Champion, 2017 NJAS Grand Champion Owned Female, 2017 American Royal Grand Champion Junior Angus Female, and 2017 NAILE Reserve Grand Champion Junior Angus Female. This long list of accomplishments is impressive, but what 620 has been able to do in production is on an entirely different level!

Hoffman H/G Blackbird 620 wrote her own chapter in the Angus history books as she produced the **\$300,000** record selling heifer calf, UDE Blackbird 0153, selected by Mercedes Ferree of Indiana in "The Advantage" Production Sale in 2020. Her presence, stoutness, style, and unparalleled look of quality set her into a league of her own. A full sister, UDE Blackbird 0150, sold for **\$26,000** to Buck Creek Ranch of Oklahoma. UDE Blackbird 0153 began her career in the fall of 2020 when she was selected as the Hoosier Beef Expo Supreme Champion Overall Heifer. 0153 was the talk of the barns in OKC at the Cattlemen's Congress where she was a Division Champion in the Junior Show before being selected as the ROV Reserve Grand Champion Angus Heifer in the Open Show. 0153 was also the 2021 KY Beef Expo Supreme Champion Overall Heifer and the 2021 Atlantic National Reserve Grand Champion Owned Heifer in the Junior Show. A new addition to the family tree emerged from the 2022 "The Advantage" Production Sale with UDE Blackbird 2002, another SCC SCH 24 Karat 838 daughter that commanded **\$55,000** and was the Reserve Champion Angus Female for the Bartlow family at the 2023 Illinois State Fair.

The guesswork has been removed from the ability of these Hoffman H/G Blackbird 620 progeny to win on the biggest of stages and go onto to out generate themselves once their time on the end of the lead comes to an end. Sink your teeth into an exclusive opportunity to own a direct daughter of 620, one of the most unique built Angus females to ever surface.

Lots

TWENTY FIVE & SIX

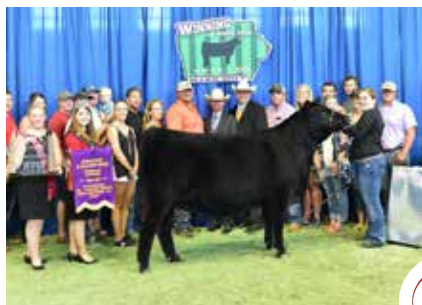

- We lead off the Hoffman H/G Blackbird 620 cow family with a pair of females that are sired by the widely utilized BNWZ Dignity 8017, a son of the dominant champion, CCC Sara's Dream 5116.
- A pair of January ET flushmate sisters that are from the \$80,000 high selling Angus female from the 2016 Hoffman Ranch Female Sale. 620 was a dominant champion during her tenure on the show road. She was selected as the 2017 NJAS Grand Champion Owned Heifer, 2017 American Royal Grand Champion Junior Angus Heifer, and 2017 NAILE Reserve Grand Champion Angus Heifer.
- 4003 and 4005 are maternal sisters to the \$300,000 UDE Blackbird 0153, a female that has three daughters selling as lots 28, 29, and 30.
- These two females are so fundamentally correct in terms of their skeletal quality, rib shape, and overall balance. There is no doubt that they will show competitively, but truth be told, their true value will come in production!

UDE Sandy 1H

DAMERON NORTHERN MISS 3114

CONLEY SANDY 5104

- UDE Sandy 4029 is a stunning April born female that is supported by a pedigree that is lined with the "good stuff"!
- You read that right, she is a direct daughter of the iconic Dameron First Class, a bull that transformed the Angus show cattle industry and catapulted the game to another level!
- The dam of 4029 is UDE Sandy 1H, the result of an embryo purchase from the 2016-2017 ROV Show Heifer of the Year, Conley Sandy 5104! There is no denying the influence that 5104 has had on the Conley Cattle and Lookout Ridge Farm, as she has generated well over the \$1 million mark in progeny sales. 5104 is the dam of Conley DS Clear Cut 0510, the 2021-2022 ROV Show Bull of the Year. She has also produced countless other show winners and high sellers.
- 4029 has the unique features and basic build to be an incredible breeding piece when her show career comes to an end.
- Pedigree, phenotype, and profit earning potential... they're all-inclusive with UDE Sandy 4029!

- Extremely complete, well-designed female from the famed "Sandy" cow family!
- 4012 is a daughter of the widely popular BNWZ Dignity 8017 that is supported by SCC SCH Sandys Tradition 928, a daughter of the 2017 NWSS Reserve Grand Champion Junior Angus Heifer, BCII Sandy 0215.
- This February born show heifer prospect is so smooth from the side, offering a perfect design to her shoulder and tying high at the top of her blade.
- She is incredible in the shape and depth of her mid-rib and underline, offering tremendous progression of depth through her flank.
- A surefire bet if you're hunting a show heifer prospect that will compete at the highest level and then transition into a lucrative donor!

- The next pair of ET flushmate sisters are the result of an embryo purchase that we made from Express Ranches. EXAR Princess 1080 is a FULL SISTER to the \$1 million dollar producing EXAR Princess 6680 "Pebbles" and the dam of \$920,000 valued Conley Lead the Way 0783, EXAR Princess 1637.

- They are sired by the 2018-2019 ROV Show Bull of the Year, C&C Intuition 7104.

- A maternal sister to lots 34 and 35, EXAR Princess 4168, was the featured lot 101 heifer in the 2024 Express Ranches Big Event sale that sold for \$40,000. EXAR Princess 1080 then sold for \$55,000 to Diamond T Land & Cattle and Jones Show Cattle.

- 4030 is a big footed, stout boned, square designed heifer that is so good in her forerib and center body shape. She is elegant from the side, yet still offers more than enough power. She is a high quality April show heifer prospect that offers a new pedigree twist here at Udell Cattle Company!

- 4035 is the May born sister that is undeniably more refined and chiseled about her front third. She ties in so neatly at the top of her blade and transitions smoothly from that point back.

- High quality pair of ET flushmate sisters from the famed "Princess" cow family!

KDP MISS HOYA HAYLEIGH

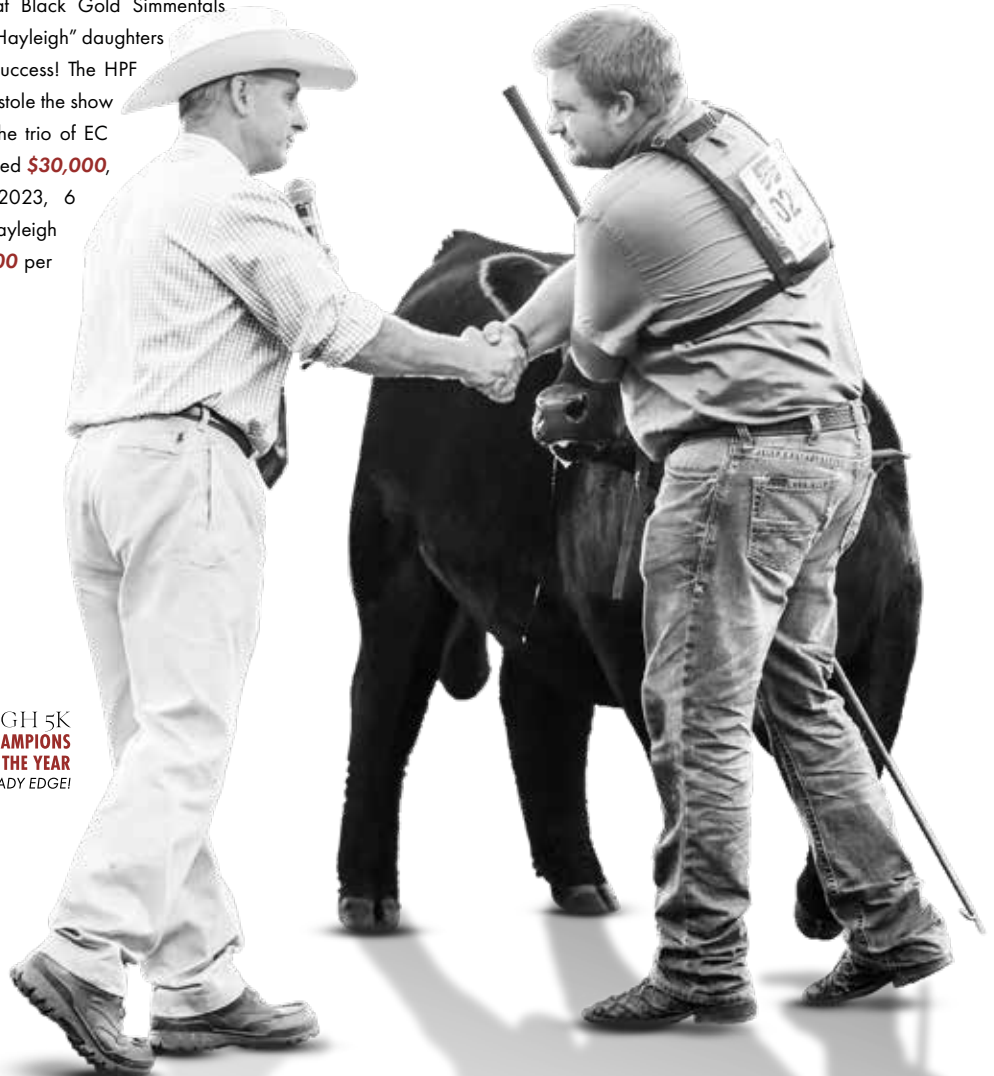

KDP Miss Hoya Hayleigh is the triple crown winning National Champion Simmental female that has gone on to closely mimic these same accolades with her generating capabilities. There is no question that KDP Miss Hoya Hayleigh is unique in her type and kind, as she has matured into a truly special Purebred Simmental breeding piece. KDP Miss Hoya Hayleigh topped the 2019 Paulsen Cattle Divas & Donors Elite Female sale commanding an **\$86,000** hammer price. She was admired by the most critical...and rightfully so. Her first time at the end of the leather lead was at the 2019 Kansas Beef Expo, where she was selected Grand Champion Purebred Simmental and Reserve Supreme Champion Overall. KDP Miss Hoya Hayleigh returned to the backdrop in a dominant fashion at the 2020 American Royal where she was selected as the Grand Champion Open Purebred Simmental, she continued her winning ways on the green chips as she was slapped Grand Champion Purebred Simmental at the North American and completed the triple crown with her win at the Inaugural Cattleman's Congress in Oklahoma City.

2022 saw the initial offering of the KDP Hoya Hayleigh influence, a pair of SO Remedy 7F sisters topped the Simmental division of the 2022 "The Advantage" Production Sale at **\$75,000** and **\$35,000!** Our partners on "Hayleigh" at Black Gold Simmentals merchandised their first litter of "Hayleigh" daughters the same fall with astonishing success! The HPF Quantum Leap Z952 daughters stole the show at **\$73,000** & **\$35,000** and the trio of EC Rebel 156F daughters commanded **\$30,000**, **\$29,000** & **\$16,000**. In 2023, 6 daughters of KDP Miss Hoya Hayleigh averaged an impressive **\$24,500** per head in Sioux City!

The SO Remedy 7F mating has been a dominate combination with "Hayleigh", with four full sisters having sold for **\$75,000**, **\$60,000**, **\$35,000**, and **\$17,000** to average an impressive **\$46,750** each! UDE Hayleigh 5K is a member of this cohort, and was the dominant force campaigned by the Edge family through 2023 and into 2024. She was selected as the 2023 FWSS Grand Champion Purebred Simmental Heifer, 2023 AJSA National Classic 5th Overall Purebred Simmental Heifer, 2023 IA State Fair Grand Champion Purebred Simmental Heifer, 2023 American Royal Grand Champion Purebred Simmental Heifer, 2023 NAILE Grand Champion Purebred Simmental Heifer, 2024 NWSS Reserve Grand Champion Simmental Female and was crowned the 2023-24 PTP Purebred Simmental Show Heifer of the Year.

Just as her intriguing build and feature suggested, the impact of Hayleigh is proving to be monumental in both the Black Gold Simmentals and Udell Cattle Company programs. Her extreme mating flexibility ensures that her place in this business will remain prevalent, and if her first two calf crops foreshadow her generating future, then a wise investor would realize the magnitude of getting onboard with her influence.

- “The Advantage” Production Sale Simmental division is absolutely loaded with quality and power this year! We are proud to offer 10 direct daughters of one of the most consistent and prolific Simmental donors that has ever called home to Udell Cattle Company.
- KDP Hoya Hayleigh has earned her spot among the “best of the best”. This Triple Crown winning show heifer turned big league donor has become the cornerstone of our Simmental breeding program, and the SO Remedy 7F mating has worked with astonishing success!
- Full sisters to lots 36 through 39 have commanded \$75,000, \$60,000, \$35,000 and \$17,000 over the past two years.
- UDE Hayleigh 5K is one of the most dominant full sisters that was a many times champion for Brady Edge. She was the 2023 AJSA National Classic 5th Overall Purebred Simmental Heifer, 2023 IA State Fair Open Show Grand Champion Purebred Simmental Heifer, 2023 American Royal Grand Champion Purebred Simmental Heifer, 2023 NAILE Grand Champion Purebred Simmental Heifer, and 2024 NWSS Reserve Grand Champion Purebred Simmental Heifer.

RED THUNDER

JSUL Red Thunder 9051W is an Embryos on Snow exclusive donor from Udell Cattle Company and would classify as one of the most dominant producing females in the entire industry, with well over a Million Dollars in progeny sales and a resume of champions that is unparalleled. Her reign continues year after year as she generates high sellers and champions.

The Style x Red Thunder mating remains one of the most dominant show heifer matings of the past decade! The list is long and illustrious, and below are some of the shining moments that this mating has caused for the families who have invested; in "The Advantage" Production Sale of 2020, this mating yielded the **\$50,000** sale feature, UDE Black Thunder 5H. You will now recognize UDE Black Thunder 5H or "Gloria" as the knockout donor to arise from the 2023 sale season that in her first set of embryo calves raised the **\$101,500**, Chosen One daughter.

In October of 2021 the Silveiras Style 9303 x JSUL Red Thunder 9051W mating delivered as UDE Stylin' Thunder 22J ET commanded an **\$80,000** hammer price! She was shown by the Gensini's of Illinois. 22J would have been the 3rd Overall Prospect Heifer at the 2022 National Western Stock Show and the 5th Overall Female at the 2022 Illinois State Fair. Spencer Goettemoeller has campaigned a dominant Style x Red Thunder daughter to countless victories! Miss Worthy 1H ET is the result of an embryo purchase through EOS that developed into one of the most dominant Chianina females in recent history! She was selected as the 2020 NAILE Division I Champion, 2021 IN State Fair Grand Champion Chianina and 3rd Overall Junior Breeding Heifer, as well as the 2021 American Royal Reserve Grand Champion Chianina Heifer. However, her most impressive claim to fame would be her back-to-back defense of the National Junior Heifer Show Grand Champion Chianina Heifer title in 2022 as a cow calf pair after winning the same title as a bred heifer in 2021.

Prior to the aforementioned successes, the trail was blazed by a large group of "Red Thunder" daughters. Here are some of the highlights: UDE Stylin' 28F was the highly decorated 2019 NWSS Grand Champion Prospect Heifer for Kade Gensini. UDE Kate Spade 59D ET sold to Whitney Walker for **\$45,000** and was the 2017 NWSS Grand Champion Prospect Heifer. UDE Stylish Lady 9D ET sold to Abbie Collins for **\$90,000** and was named Supreme Female at the 2017 Scarlet and Gray, 2017 FWSS Reserve Chianina and Supreme Female 2017 Ohio State Fair. UDE Moana 162E sold to Sammi Schrag and was named Champion Female at the 2017 Jordan Mack Memorial. UDE She's Stylin sold for **\$27,500** to Vada Vickland and was named 2015 NWSS 4th Overall Prospect Heifer, 2015 NAILE Grand Champion Chianina Heifer Junior and Open Shows, and 2016 NWSS Grand Champion Chianina Heifer. UDE Chanel 39D ET sold to the Skiles Family for **\$55,000** and was named Champion Heifer at the 2016 Kansas Beef Expo. UDE Vera 98D ET sold to Elliston Morey and was named Champion Chianina at the 2016 Badger Kick Off Classic. UDE Glamour Girl 18B has evolved as one of the most dominant producing composite show heifer donors at Sullivan Farms, producing countless high sellers and champions. A daughter of 9051W sired by SMA Watchout 482 commanded a **\$65,000** hammer price in "The Advantage" Production Sale in 2019. She went on to be the calf champion Chianina female at the 2019 NAILE. She was the 2020 NWSS 3rd Overall Prospect Heifer and was selected as the 5th Overall Chianina Heifer at the National Junior Heifer Show for Turner Longacre of Oklahoma.

- Come back the auction! Ladies and gentlemen, it's safe to say that JSUL Red Thunder 9051W has done it yet again!
- UDE Steal My Thunder 110M is a special female that has been a favorite around the farm since day one. Flawless in terms of her skeletal design, bold in the shape of her rib cage, big hipped, stout pinned, and loaded for bear when it comes to quality and balance from the side!
- The list of champions and high sellers that have been produced from the Silveiras Style 9303 x JSUL Red Thunder 9051W mating is astonishing. Those daughters are now working for some of the top breeding establishments in the country!
- If you're in the market for a heifer that has the credentials to find the backdrop early and often, then set your satchel down and bid to own when Lot 51 hits the ring!

FIFTY TWO

• UDE Black Thunder 36M is a smooth made, elegant featured female that offers more of a breeding heifer look in terms of her body shape and muscle pattern. She is a sleek necked, feminine featured female that is bold and robust in the shape of her rib cage, offering optimum progression of depth from her chest back into her rear rib and flank.

• She is flawless on the move, taking a long and authoritative stride when set into motion. We appreciate her balance and eye appeal from the side.

• She reminds us of her full sister, UDE She's Stylin 424B, the 2015 NAILE Grand Champion Chianina Heifer and 2016 NWSS Grand Champion Chianina Heifer

that was campaigned by the Vickland family of Colorado.

FIFTY THREE

• This chromed up beauty is massive bodied, big hiped, stout boned, wide pinned, and has been blessed with the big hair as an added bonus!

• She is supported by a pedigree that has yielded countless high sellers and champions over the years. What is even more impressive is the fact that those champions have evolved into lucrative donors for the young people that made the investment!

• 11M is one of the stouter featured females that this mating has produced to date. When you consider what some of her sisters have produced when mated to show steer sires, one can't help but think that her basic build and body style would be conducive to raising high dollar show steers that command a big premium.

BSC CANDI 42Z

JSUL RED THUNDER 9051W

- Customer success is a BIG part of Udell Cattle Company. It is our goal for these cattle to be successful not just in the show ring, but most importantly be profitable and productive females for your breeding program. The dam of this female, UDE Black Thunder 5H ET, was a past sale feature in 2020 that sold for \$50,000 to Jeremy Beeson and Jon Langford. "Gloria" was a many times champion for Jade Beeson during her show career, however she has been DOMINANT in the donor pen!

- A maternal sister to UDE LGFD Gloria 357M sold for \$101,500 last year in the Powell Cattle Company online female sale. She also produced several steers that commanded \$10,000+ and we believe that she is just getting started!

- 357M is a May born MaineTainer/Low Chi female that is an absolute unit! We love the BIG pieces and extreme look of quality and style that she possesses. From the ground up she is massive in terms of her foot and bone work, while maintaining a "lady like" look of quality and balance from the side.

- Big league dual registered female that will be a very versatile breeding piece once her show career is over, depending on how you decide to mate her. One thing is for certain... she's the kind that makes money!

- Offered with Langford Cattle Company.

SLL ELLIE 2201

- UDE Ellie 276M is the first of three Maine Angus females that are supported by some of the premier Angus females in our donor pen. 276M is sired by the popular sire of champions, Weis All Me 10F. Her dam, UDE Ellie 9197, is a FULL SISTER to Sara Sullivan's UDE Ellie 9230 that was the 2020 NJAS Grand Champion Owned Heifer.
- 9197 was competitively campaigned by KayLee Langford during the 2020-2021 show season. She was the 2019 KS Beef Expo Reserve Supreme Champion Junior Breeding Heifer, 2020 KY Beef Expo Supreme Champion Junior Breeding Heifer, and 2020 NWSS Division Champion.
- A maternal sister to 276M, UDE Ellie 3013, sold for \$23,000 to Claire Nibe of Melrose, Iowa in last year's sale. She was most recently selected as the 2024 All-Iowa Show Down Reserve Supreme Champion Breeding Heifer.
- A high-quality female with a high quality pedigree, here is one that you can hang your hat on!

- BIG TIME Maine Angus show heifer prospect that is by the deceased BBR Memphis Mafia 3E ET and supported by the \$115,000 UDE Phyllis 9129, a daughter of Silveiras Style 9303 that is from the iconic FCF Phyllis 532 matron.

- 122M is extremely elegant from the side, tying her neck high at the top of her neatly laid in shoulder. She remains smooth shouldered and neat chested, transitioning into a bold forerib and center body. We love the extra stoutness of bone and shape that she offers. It's so challenging to have cattle balance like she does from the side yet possess so much dimension and power from behind.

- A stunning Maine Angus female that is supported by one of the premier cow families on the farm! We have high expectations for this female.

- Unbelievable length, extension, and skeletal quality! This own daughter of the million dollar producing KDJ Queen Ruth 502 is sired by the deceased BBR Memphis Mafia 3E ET. With the growing popularity of Maine Angus cattle we decided to flush a handful of our very best cornerstone Angus donors to Maine-Anjou bulls. We couldn't be more pleased with the results!
- Countless maternal sisters to UDE Queen Ruth 154M have been high sellers, champions, and are now proving their value in production. The 502 cow family has already found great success when it comes to creating elite Maine Angus seedstock. A daughter of 502, UDE Queen Ruth 0204, was a dominant champion for the Wheeler family of Missouri that has now become a cornerstone breeding piece. 0204 is the dam of the widely popular and heavily utilized Maine Angus promotional AI sire, ROSE Apex 3204L.
- Ultra-competitive show heifer prospect that has the potential to be your next big time donor prospect!

The "minor" breeds at Udell Cattle Company have been established in order to provide a more diversified product for our customers. We are aware of the conflict that can often times arise when siblings are showing and the need to spread them out over multiple breeds. During our pursuit to broaden the horizons, we acquired two females that we felt had the credentials and lived up to the same expectations that we have from our core donor battery. We selected a Hereford female from the Schaeffer-Tice Show Cattle program, Delhawk Mercy 10D ET, a past National Western Stock Show Champion! In 2020, we had the opportunity to purchase half interest in the dam of the 2019 NAJRAE Grand Champion, 2019 NAILE Grand Champion Red Angus Heifer, 2020 NWSS Grand Champion Red Angus Heifer, and 2020 American Royal Supreme Champion Junior Breeding Heifer from the Edge family! Our quest to bring you the best will never waiver, regardless of your personal preference or breed affiliation. Make plans to join us on October 19, 2024 as we offer a dynamic group of Polled Hereford and Red Angus heifers.

MNS

3121

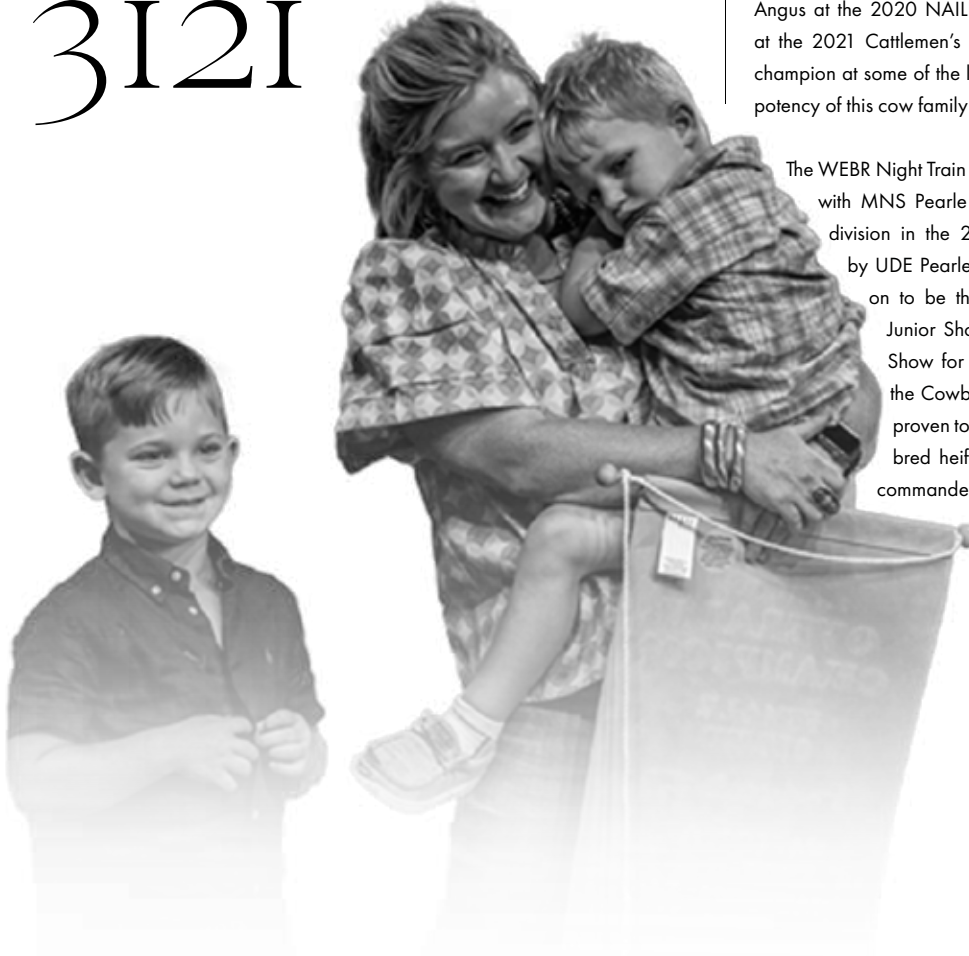

Pearle

MNS Pearle 3121 is the dam of the most dominant and decorated Red Angus female of the 2019-2020 show season! EDG Finley 3121 was successfully campaigned by Hadley Hartman to countless victories. She was the 2019 NAJRAE Grand Champion Owned Heifer and the 2019 NAILE Grand Champion Red Angus Heifer Open and Junior Show. Finley was selected as the 2020 NWSS Grand Champion Red Angus Female in the Open and Junior Show. She completed her show career as the 2020 American Royal Grand Champion Red Angus Female and Supreme Champion Junior Breeding Heifer Overall Breeds for Hadley Hartman!

EDG Finley 3121 was shown at the American Royal with her stunning heifer calf at side that is sired by 4MC King of the Cowboys 706. That heifer calf was later selected Reserve Grand Champion Red Angus at the 2020 NAILE, Reserve Grand Champion Red Angus at the 2021 Cattleman's Congress and was a many times breed champion at some of the largest jackpot shows in the Midwest. The potency of this cow family is legitimate.

The WEBR Night Train derived line is a proven recipe for success with MNS Pearle 3121, and our debut of the Red Angus division in the 2022 "The Advantage" was highlighted by UDE Pearle 224K who sold for **\$18,750!** She went on to be the Reserve Champion Red Angus in the Junior Show at the 2023 National Western Stock Show for Makaylee McCartan. The 4MC King of the Cowboys 706 pairing on Pearle 3121 has also proven to be powerful, as proven through our 2023 bred heifer sale where a daughter of this mating commanded **\$30,000** to Hidden Oaks Cattle!

- The first of two ET flushmate sisters that are out of the prolific MNS Pearle 3121, the Red Angus donor female that we own with the Edge family.
- UDE Pearle 177M is sired by WEBR Night Train 324, making her a full sister to UDE Pearle 224K, the 2023 NWSS Reserve Grand Champion Red Angus Heifer for the McCartan family.
- 177M is a big ribbed, deep sided female that offers a tremendous look of balance and symmetry from the profile. She is beautiful about her head and neck, clean chested, and offers a futuristic look of quality.
- We believe that 177M has the potential to follow in the footsteps of her full and maternal sisters that have come before her. A must see on sale day!
