

**TWO**  
IS BETTER THAN  
**ONE**

It is with great pleasure that we welcome you to the third annual, 'Two is Better Than One' sale hosted by Fitz Genetics and Weis Cattle. We are proud to admit that this hand selected, exclusive offering of open heifer calves has become one of the leading multibreed sources of later born show heifer prospects in the nation, and gives buyers the chance to secure National Champion caliber show heifers, late in the selling season. Proof to this point comes with the Reserve National Champion Polled Hereford Female at the 2024 NJHE of Copeland Paulsen's selling in this sale last year. The two firms involved continue to push the needle at the front end of this business from a quality and management standpoint, and are both well versed on the etiquette of collecting banners on a national stage. This comes as a testament to the quality, genetic relevance, and future of the set of cattle that are sourced by the young gentlemen involved, and the relationships they have built with other industry leaders in the show cattle business. Both Nick and Willie have blazed a trail of success individually within their own respective programs. The opportunity to join forces only solidifies and strengthens the offering, and that is just what they have done again in 2024!

Both programs have been the source of countless National Champions over the past year, and continue to foster relationships with junior exhibitors and their families that return year after year, once they discover the first-class experience both Weis and Fitz offer to their customers. Both families hosting this impressive lineup of show heifer prospects have their roles within the industry and will continue to be major advocates and contributors for many years to come. From feeding to customer service to advising on mating decisions and marketing strategies, there is no question that Nick Fitzsimmons and Willie Weis are what's good and wholesome about this business!

Not only is the post-sale service some the best in the business, but everything that goes into the offering before the sale is of mirrored quality. A majority of the offering stem from females that either have been themselves, or have generated siblings to the offering that have been National Champions. Both Nick and Willie will attest, that the cow families behind these show heifer prospects are just as important as the phenotypic value they carry themselves. Cattle within each breed represented in this offering have the aptitude to perform on the largest stages in the nation. One thing to keep in mind is that the quality and the management of this set of cattle has always been targeted towards this event. These are NOT cattle that were targeted for an earlier sale and didn't make the cut, these females were sifted for this sale and geared for this event from late in the summer. Your experience in doing business with these two gentlemen and their families will be as good for your kids and the learning process as one could ever invest in.

Nick and Willie are well connected and respected throughout the nation, so no matter where you call home, they will do what is necessary to assist you with your purchase and will definitely source help if and when it is needed.

Folks, the stock is undeniable and more than worthy of your in person visual inspection. Please make plans to stop by the home of Fitz Genetics in Perry, Oklahoma. Rest assured that these two firms have your success in mind, what's good for you is great for them! Feel free to reach out to any of the crew or the Innovation AgMarketing team for inquiring about this offering at any time.

We wish you a happy holiday season!

PLUM CREEK ANNIE LU 4472

Serious Angus enthusiasts gather around here, there are few matings in the business that can keep up with the potency of pedigree that backs this phenom. MURR Annie Lu 441M is a full sister to females that have been awarded the most prestigious banners in the nation over the past two years, being sired by the hottest Angus bull in the breed, BNWZ Dignity 8017, and backed by the impressive Plum Creek Annie Lu 9271 and furthermore Plum Creek Annie Lu 4472. Over the past two sale seasons, 9271's ET progeny have sold for \$109,500, \$55,000, two at \$42,000, \$40,000, \$25,000, and \$19,000. Sloan Curtin's full sister to 441M was the Reserve Champion Female at the 2024 NJAS, she then went on to be crowned the Grand Champion Female at the 2024 American Royal ROV Angus Show. Another full sister is the Thoreson families, Kruse Annie Lu 9152 that was the Supreme Champion Breeding Heifer at the 2023 Iowa State Fair. The high selling Angus female from the 2024 Weis Cattle October Sale was also a full sister to lot 1, it seems like there is no break from the stranglehold in sight. Truly this is a female that carries the credentials and confirmation to play on the major league stage, so jump in and never look back with this opportunity. **WEIS CATTLE IS RETAINING 50% EMBRYO INTEREST.**

PLUM CREEK ANNIE LU 4472

The second daughter of the rising star in the breed, Plum Creek Annie Lu 9271 is supported by a fresh mating. Being sired by the STAG Good Times 201 ET stud, brings to the equation the maternal powers of the herd bull generating, SCC SCH Phyllis 6104 matron. This maternal sister to lot 1, the Curtain families Reserve Champion NJAS female and the Thoreson families, Kruse Annie Lu 9152 that was the Supreme Champion Breeding Heifer at the 2023 Iowa State Fair, stands up to the high standards set by those illustrious members of her family tree. It seems there is no wrong to be done by associating your program with one of these daughters of the Annie Lu influence. Keep in mind, their maternal granddam, Plum Creek Annie Lu 4472 is the mother of Braelyn Schaeffer's Supreme Champion Female at the 2022 Hoosier Beef Congress, Reserve Champion Angus Female at the 2023 Cattleman's Congress, and Reserve Champion Angus Female and 4th Overall at the 2023 North American, along with being a full sister to Plum Creek Paradox.

Hanke Phyllis 44M has a showstopping kind of phenotype, the proportions she is built with are incredible in our minds. She is so elongated, feminine and refined about her head and neck, yet still transitions into a massively robust forerib and center body shape. We think her captivating presence, smoothness of build, and angularity should allow this female to only get better with age! One thing we do know for sure is that skeletal quality will never go out of style! A look into the pedigree of 44M reveals the FCF Phyllis 770 female that was the 2019 NJAS 4th Overall Owned Heifer for Tucker Bayer, that stems from the legendary SCC Phyllis 05I, making her a maternal sister to the million-dollar producing, FCF Phyllis 532. Being bred from Angus royalty, you can trust that an investment here comes with security of powerful pedigree!

Here we feature a direct daughter of the 2016 NWSS Reserve Grand Champion Red Angus Heifer, SLGN Stony's Becca 4215, a female that has proven her wins in the show ring were just the beginning of an incredible story! This daughter of SLGN Bojangles 479B is a maternal sister to both the \$116,500 high selling H/H Becca 1006 that was selected by Circle M Farms that went on to be crowned the 2022 NWSS Grand Champion Red Angus Heifer and the \$70,000, EEG Becca 17L that was purchased by the Hartman family out of the 2023 Weis Cattle October Sale. EEG Beccas Lucky Day 247 is one of the most unique Red Angus females we have come across, and breed for breed offers as much upside as any! She is so elegant about her front third, neat chested, and transitions into a robust forerib and center body, she too is stout featured and handles it with comfort and ease. Her center rib shape, dimension, and volume is unprecedented. An intriguing female that has the "bells and whistles" needed to be a BIG-TIME producer when her time on the tan bark comes to a close.

2015 JNHE GRAND CHAMPION HORNED HEREFORD HEIFER

MATERNAL GRANDDAM OF LOT 7

A direct daughter of the 2019 NWSS Reserve Grand Champion Horned Hereford Heifer, Lillies Spice 77E that is becoming a leader in the donor pen of the Allen family. Another generation back reveals the H BL Miss Spice 405 ET female that was the 2015 JNHE Grand Champion Horned Hereford Heifer for Lillie Skiles. This May born prospect has the BIG parts and pieces to be an absolute force on the tan bark, just like those National Champions that build her pedigree. You don't find Herefords built like this every day, we think her proportions are outlandish, being so chiseled and angular about her neck and throat latch and then how overwhelming she is in her body shape and underline. Her ability to combine so much look and quality with the prestige of stemming from the Spice cow family leads us to believe that the new owner of this female better get used to being at the backdrop!

Maine Anjou enthusiasts gather round here! A big league, later born prospect sells that has all the pieces to be a force on the tanbark, all the way through her career. Trendy enough in her pieces and futuristic enough to get it done as a baby, yet has an upside potential that will land her at the backdrop when the banners mean the most. She comes with the XL sized extremities, but is built flexible in her joints, swoopy in her underline and chiseled about her neck and chest line. Tracing her maternal lineage finds her to be a descendant of the legendary GEF Miss Dominatrix 236A that would be responsible for the man of the hour, BBR Memphis Mafia 3E ET. From a sire standpoint she stems from a new sire on the scene, FIRES MCF Highway 69J ET, who offers more of an outcross to some of the most popular Maine Anjou genetics being used at the moment, allowing more mating flexibility once she enters the donor pen. Certainly a sale attraction that is bound for banners and bright lights.

DUNK LUCY'S MOMMA MIA 725E

**16**

Seldom do individuals come along that are this unique in their build, so genuine in their structural integrity and so seamless about the transitions between their pieces. As you break Macy 45M down it becomes quickly evident that there is little further to desire, as she comes with a big circumference of foot and bone to meet the earth, a fluid set of locomotive joints and an extra shaggy hide. All built to carry the extra volume and mass that she continues to mature with. This is one that needs to be inspected in the flesh as she comes flawless in her basic build, yet excels in regard to all the extras that are trendy, it's not often can you have both, and to this point we aren't sure we you will find many out there that can match up to the quality of this dual registered Chianina and Mainetainer female. Peering into her pedigree reveals her ties to the immortal Dunk Lucy lineage that has become a mainstay source for show heifer showman that are looking to add purple banners to their résumé.

MINN LIVE ACTION 203Y  
**WEIS ALL ME 10F** **X** **KANE WEIS LEXI 888H**  
 BSC CANDI 42Z DIAMOND

Look, presence, style, quality, elegance...you name it, Weis Lexi 888M has it! While her obvious chrome color pattern may catch your attention, it is the fundamentals of pin width, muscle shape, turn to her ribcage, high tying neck attachment and striking poise that really elevates our opinion of this show heifer/donor prospect. She comes extra rugged in her bone work, and hits the surface with a big foot, flexible ankle and fluid hock joint. The cow family in support of this All Me 10F daughter represents a major cornerstone in the Weis Cattle program, stemming back to the Diamond female who has been a potent source of genetic matriarchy through several daughters that continue to lead the donor pen. Her direct dam, Kane Weis Lexi 888H is certainly one of the most recognizable members of the donor pen, and is becoming one of the most potent producers of quality, being the dam of Hudson Cromwell's 5th Overall Chi Composite Heifer at the 2024 National Junior Chianina Heifer Show this past summer, and furthermore a full sister to Lot 17. Power in the blood is an understatement in this scenario.

This April born daughter of MINN Class On Class 77E ET certainly ties together some very intriguing pieces. She is a female that is so long necked, massive sided, rugged boned and angular, and comes with the trendy soft hairs and chiseled jawed. She has been high on the list of favorites because we just aren't sure what more you could ask for her to be and maternally she stems from a sale highlighting bred heifer out of the historic Bruhn Cattle dispersal of 2021 that goes back to the legendary SVF Steel Force S70I. In a time where the show ring continues to lean towards cattle that are faultless and extremely balanced, she presents herself as a leader of the offering.

This daughter of GOET Drivin 80 is one that you have to admire because of the stoutness of feature, rugged design, and square build that she has at the surface, these factors have laid the foundation for her immense skeletal quality. Additionally we have always admired the extra dimension from both a width and depth standpoint that this female possesses. DUNK FTZS Molly 493M is one that catches a gear every day, and as we approach sale time she will find the attention she deserves because her upside potential is significant! She does all the intangibles so right, and is the kind that make you stare when she poses, yet makes you fall in love when she sets in motion. Her pedigree links her to HDLY Princess 607D, the 2017 National Junior Heifer Show Grand Champion Bred & Owned Chianina Heifer and the Reserve Grand Champion Maintainer Female for the Dunklau family. She will be ready to collect banners whenever you are!

Dunk FTZS Molly 493M is an incredible built female that sells with a set of dual registration papers! She is huge footed, stout boned, and offers a look of quality and style from the side that is nothing short of captivating. The dam of 492M is quickly building a reputation as one of the most prolific and dominant producing females of high sellers and champions in the game. WLFF Miss Fran 37E was the 2019 NWSS Reserve Grand Champion Maintainer heifer for the Dunklau family. A maternal brother to 492M, Dunk Francisco 201K ET, was the 2023 American Royal Grand Champion Maintainer Bull. He was a featured lot in the 2024 AMAA Bright Lights sale where he sold for \$15,000 to Jimmy Harrell of Oklahoma. Her most famous full sister is Dunk FTZS Franny 227K ET, the 2024 NWSS Grand Champion Maintainer Heifer for the Fox family and Blind Badger Ranch! 227K was also the 2023 American Royal Reserve Grand Champion Maintainer. 492M is even more exotic in terms of her look and quality. A true sale feature that we believe will be an absolute force on the tanbark!

If you're hunting a female that has the "WOW" factor, then punch in 9976 Chisholm, Perry, Oklahoma into your GPS! 46M is a dual registered female that is a half-blood Simmental and Chi Composite, offering twice the opportunities for trips to the backdrop. 46M is sired by the very popular Holtkamp CLAC Change Is Coming and backed by the everlasting influence of Dunk Ace 948G ET, a direct daughter of the legendary BMW Ms Ace 422C! 422C was the many time champion Chianina female that was campaigned by the Skiles family. Her most notable win was in 2016 when she was selected as the Grand Champion Chianina Heifer on the green chips of Freedom Hall at the North American. She is so extended and tall about her front end, neat chested, and transitions into a bold forerib and center body shape. She is a big hip, stout featured female that offers a textbook set to her hip and hind leg. An elite female that offers unlimited upside potential!

The first of two stunning daughters of JS Tamara 88H, a FULL SISTER to the legendary JS Black Satin 9B, affectionately known as "Boots" across the industry. 48M is sired by the impressive baldy sire known as Only One, the SFI Platinum F5Y son that is owned by Weis Cattle and Kingdom Cattle. A pair of maternal sisters to 48M sired by RJ Trust Fund 212K and WLE Copacetic E02 sold for \$24,500 and \$18,500 respectively in the Weis Cattle Online Female Sale this past October. This stunning baldy defines the word "fancy" when it comes to her balance and phenotype. We love the angularity that she combines with her extra stoutness and dimension. She is breathtaking from the side, offering a look of quality that is hard to mirror. There is no doubt that JS Tamara 88H is climbing the ranks as one of the most exciting young donors in the business. Invest in the future of your child's junior show career with a female that has the credentials to serve as a future foundation matron when her time on the show circuit comes to a close!

JS FLIRT A-WAY 59Y

Here is a stunning May born daughter of JS Tamara 88H, the FULL SISTER to JS Black Satin 9B "Boots". She is sired by VCL Foresight, the sire of the \$620,000 world record selling STCC Tecumseh 058J. This female offers a "show stopping" look from the side. She is so refined about her front third, sleek necked, clean chested, and offers tremendous progression of depth back through her rear rib and flank. Her body shape is robust, while her pin set is wide and square. We love the skeletal integrity, joint work, and flexibility that she possesses. The lineage that supports 48M and 423M would rank among the most prolific and highest dollar generating cow families in the history of the Simmental breed. Her futuristic look and build suggest that 423M will be a force within her division next summer in Madison, Wisconsin!

M401 is another top shelf Purebred Simmental heifer that is sired by the \$530,000 SO Remedy 7F and further influenced by the young and very proven donor dam, KC2 Miss Victoria 6H! We love the rugged build and extra stoutness that she possesses. There is no denying that daughters of SO Remedy 7F have the credentials and track record to go the distance and win at the highest level. 6H was a many-time champion for the Lashmett family that landed a spot in the top 10 at the AJSA National Classic in 2021. Her most notable sister, Lashmett/Weis Vicki M416, commanded an impressive \$105,000 price tag in the Weis Cattle Online Female Sale in October. Other sisters of M401 have sold for \$33,000, \$14,500, and \$14,000. We love the genuineness of her rib cage, stoutness of hip and pin set, and overall balance that this elite show heifer/donor prospect brings to the equation! **WEIS CATTLE IS RETAINING 50% EMBRYO INTEREST.**

TC Weis Stella M387 is a daughter of the 2019 National Western Stock Show and Fort Worth Stock Show Reserve Grand Champion Purebred Simmental Heifer, Stella 08E "Tink"! M387 is a FULL SISTER to the \$52,000 high selling Simmental heifer that was selected by the Tlach family from the 2022 Weis Cattle Online Heifer Sale! She offers a very similar look of quality and build that separated her sister on the tanbark. We love the extra length and elevation that this female offers through her front third. She sets to the surface with confidence as she takes a long and accurate stride. An extra-long hip, square made female that has been blessed with an ultra-maternal look through the center portion of her body cavity. The Stella 08E "Tink" daughters offer the same consistency and quality that we have come to expect from the "Rudy" cow family. Invest in the future of your breeding program or junior exhibitor's show string with a female that is supported by genetics that you can count on!

We couldn't be more excited to present you JSUL Rosie 4459M, a direct daughter of arguably the highest dollar generating and most prolific Simmental donor that calls home to Sullivan Farms! 4459M is a daughter of Peine/GS Rosie 677D, a female that was raised by the Peine family of Hastings, Minnesota. Her career on the tanbark culminated with a slap for Reserve Champion Simmental Female at both the 2018 National Western Stock Show and Fort Worth Stock Show. The combination of 677D and the untimely deceased JSUL Something About Mary 842I has become the most reliable source of banner winning Simmental seedstock for the Dunlap crew and their affiliates of recent. A daughter of 677D, JSUL Rosie 3418L, was selected as the 2024 American Royal Supreme Champion Junior Breeding Heifer and 2024 NAILE Reserve Supreme Champion Junior Breeding Heifer! The sire of 4459M is WHF/JS/CCS Woodford J001, the 2023 NAILE Grand Champion Percentage Simmental Bull that is making HUGE waves across the industry with his rookie calf crop. This motley faced beauty has the build, the body shape, and the unrivaled genetic potency to be a force in the show ring and most certainly in production. A sale feature that will certainly highlight the offering on December 19, 2024 in Perry, Oklahoma!
