2:00 PM - SALE BEGINS

Welcome

FROM HARTMAN CATTLE COMPANY

Welcome to the 11th Annual Hartman Cattle Company Simmental Bull Sale. We are very proud of the bulls that make up this offering. Phenotypically they are the stoutest and most rugged set of bulls we have offered to date. The bulls go through a stringent selection process, where emphasis is put on structural integrity, muscularity, real-world performance, and fleshing ease. It has always remained our priority that they must start with good feet and legs, with the proper angle and flex to their joints. We firmly believe that there are individuals in this offering that have as much potential to be sires of true impact and influence within the business as we have ever offered before.

Here at Hartman Cattle Company, we have always placed strong selection pressure on the maternal aspect of our herd sire battery. Superior sire selection has been emphasized here in Tecumseh, Nebraska. We believe that every great breeding bull is backed by an even better female. As you evaluate this year's offering you will notice that several key females within the industry can be identified throughout the pedigrees. Maternal stability increases performance, fertility, and longevity. These are all essential traits of the modern-day beef production cycle. You will also notice several of the bulls selling are ET flushmate brothers to several of the highlighted females that sold in the 28th Annual Customer Appreciation Female Sale. By utilizing only the most proven sires, the nucleus of our cowherd herd has improved exponentially in terms of quality and consistency.

Each year we sort the very top end of our bull calf crop for this sale. These bulls, along with choice selections from our fellow breeders make up this deep and dynamic offering. They are all a reflection of the discipline and diligence that make up the Hartman Cattle Company breeding program. Bulls that had previously sold at Hartman Cattle Company have been selected as the Grand Champion Simmental Bull in Denver, Oklahoma City, and Louisville! We are proud of the accomplishments that our customers have experienced with their HCC genetics. In addition to the 26 elite herd sire prospects, we have sourced 12 top shelf bred heifers from our good friends and long-time customers at Vogler Cattle Company. This is a set of females that deserve serious consideration!

We look forward to being back in the Mile High City for the historic National Western Stock Show, an event that we will showcase 14 bulls from our sale offering that will sell on February 2, 2025. We invite you to stop by our pen in "The Yards" to visit about the cattle. We wish you a happy, healthy, and prosperous New Year, and we look forward to seeing each of you! Please call if we can be of assistance in your genetic selection process.

Respectfully,

Mike Hartman

Mike & Kay Hartman - Mike: (402) 440-6825

Tecumseh, NE 68450

With post-election enthusiasm at an all-time high for our great nation, so is the fever for the search of the next herd sire or breed influencer! Industry wide, the thirst for next-generation genetics will be met with a record setting pace as the commercial cow-calf producer continues to line their pockets with more cash than witnessed before, and the pressure for any responsible seedstock provider to step up their respective game to provide their customers with what they need to meet or surpass the challenging industry standards! As we have toured a few outfits in the late stages of November and much of December, we can attest that the needed talent is out there, and the pool is deep, depending on what a breeding program might be in need of.

If you are in search of an elite phenotype driver or one that can be an investment AI sire, we can certainly tell you that the lineup is as deep as it has ever been in Tecumseh, Nebraska. Regardless of what breed affiliation Hartman Cattle Company has been involved in, the set of SimGenetic studs will not disappoint. Sure, there are critics and always will be, it's human nature, but we can attest that this set has been searched for, and sorted like none before. This set will feature one of the all-time elite sons of MR HOC Broker. The influence of SO Remedy 7F will be both direct and through sons like 4/B Dynamo, a sire that is quickly solidifying his worth! The entire bull battery of Hartman Cattle Company influences the offering through the top, bottom, or generationally both sides of the equation in nearly every one of the prospects available for appraisal on February 2, 2025. We guarantee that you will be able to find something that you like and appreciate in the 2025 bull pen north of Highway 41.

Just as last year, there is an elite offering of bred heifers that could headline any donor pen in the not so distant future. Again, the quality is as deep as anyone could expect, with as much future and promise as any set of bred females marketed this past fall or even yet this year. They will be carrying the service to the now deceased \$450,000 3BCC KCC1 Krypton 100K and the Vogler acquisition from Ruby Cattle Company, Ruby NFF Sriracha K247. Marketability and performance will not be sacrificed with the first calf out of these leading ladies of distinction. Return on investment is on board and the winning bidder will be able to reap the benefits and reward of what is to come.

It's no secret that all cattle enthusiasts are sorting quality tougher than ever before! 2025 will not be the time to sit on the porch and watch your neighbors and competitors get to the front of the line, it will be the year that advances those willing to take the risk and see the investment through. 2025 will also be the year that determines your operation's place in the pecking order of the business. It shouldn't matter if you plan to invest or not, this is an offering that anyone who breeds SimGenetic stock needs to see and evaluate, so you can grip what to potentially incorporate into your breeding program!

We sincerely hope that you can make it prior to or on February 2, 2025, to evaluate the offering that Mike and Dalton have assembled for your viewing pleasure. Please consider this your personal invitation to the state of the art facility in Tecumseh, Nebraska! The quality of the stock being offered will only be surpassed by the people and hospitality on sale day!

Thank you for your interest, and as always, enjoy the cattle.

Graham Blagg Jared Shipman Tim Anderson

LOCATION

Located from the Junction of Hwy 136 & 50, in Tecumseh. Go North 3 Miles on Hwy 50, 2 miles west on Hwy 41 and 1/4 Mile North at the Hartman Cattle Company sign.

TRANSPORTATION

Tecumseh is located at the junction of highways 136 & 50, just 30 minutes West of I-29. Commercial air service is available into Omaha and Kansas City. Major rental car companies serve these terminals. Please call HCC if you need assistance with your travel plans.

TERMS & CONDITIONS

All lots sell in accordance with the suggested guidelines of the American Simmental Association or their respective breed association. For updated EPD's and information please visit www.simmental.org. Announcements made sale day from the block during the sale take precedence over printed material in this catalog. Payment will be accepted in the form of cash, cashier's check, or check. All cattle must be paid for prior to release. All funds are to be paid to Hartman Cattle Company in U.S. currency. No cattle will be transferred, delivered, or released without full payment. In the event you need expedited registration paper transfers please make plans to pay in full on sale day. All sales are final.

INSPECTION

Sale cattle will be available for inspection at the sale site all day on Saturday and up till sale time on Sunday. For early inspections please contact Mike at (402) 440-6825 or Dalton at (402) 440-6469 to schedule a visit.

LOT NUMBERS

Ear tags in the sale cattle will correspond to their lot numbers in the catalog.

LIABILITY

Hartman Cattle Company, Innovation AgMarketing, LLC, and authorized sale personnel assume NO liability for injury, accident, or damage to persons or personal property. All persons who attend the sale do so at their own risk.

INSURANCE

James F. Bessler, Inc. will be on site and available at the settlement desk to insure your purchase(s). We strongly recommend the option to insure your investment - (815) 762-2641.

LODGING

Super 7 Inn Tecumseh, NE - (402) 335-3100 7 Miles from sale site	Holiday Inn & Express Nebraska City, NE - (402) 417-0820 39 Miles from sale site
Syracuse Inn & Suites Syracuse, NE - (402) 269-2700 21 Miles from sale site	Lied Lodge Nebraska City, NE - (402) 873-8733 39 Miles from sale site

OUR GUARANTEE

Unless otherwise noted, all the breeding age bulls will have passed a breeding soundness exam prior to pick up/delivery. In addition to the standard terms and conditions of the American Simmental Association, we will provide the first breeding season (the 90-day period immediately following turn out) guarantee on all yearling and older bulls. This guarantee is not an insurance or mortality policy, but a guarantee on functional fertility. It is not a substitute or replacement for poor management. Buyer assumes all risks for injury due to running bulls together or management decisions outside genetic control. For the guarantee to apply, we ask that you contact us as soon as a condition is observed and before the animal is sold. We will work with you to determine whether the animal is returned or sold for slaughter. We will attempt to provide a suitable replacement. If one cannot be provided of equal or greater value, we will issue a sale credit to be used in a future sale for the full purchase price less the salvage value of the animal.

SUPPLEMENT INFORMATION

The week prior to the sale a supplement sheet will be posted online that specifies any special terms & conditions and/or retained semen interest in any of the bulls selling. Scrotal Measurements, Adjusted Yearling Weights, and Ultrasound Data will also be available.

The 39 bulls that sold in the 2024 Hartman Cattle Company 10th Annual Simmental Bull Sale posted the following ultrasound data by the Centralized Ultrasound Processing Lab:

Average Adj. REA of 17.28
Average Adj. BF of 0.284

TERMS ANNOUNCED SALE DAY.

- Over the years there have been several sires of influence that have left lasting impressions on the Simmental breed, however it is hard to put into words what SO Remedy 7F has done for our program and the Simmental breed in a very short amount of time. FRKG Marvel 271M is undeniably one of the most impressive Purebred Simmental bulls that has ever been offered at Hartman Cattle Company!
- His combination of skeletal quality, masculinity, and overall balance from the side is simply breathtaking. From the ground up he is huge footed, stout boned, smooth jointed, and travels with extreme confidence when set into motion. We love the squareness of build that he possesses. He too is a big scrotal bull that is bold bodied and big topped.
- The cow family that stands behind FRKG Marvel 271M needs zero introduction to the industry! Another AI sire prospect that is a direct son of the legendary "948" donor that has exceeded the \$1 million mark in progeny sales with just two sets of ET calves. "948" is the dam of the \$700,000 world record selling FRKG Alpha 311L and the \$210,000 FRKG Classic 948K. FRKG Marvel 271M is also a FULL BROTHER to the 2024 NWSS Grand Champion Purebred Simmental Heifer that was campaigned by Kenidey Effling!
- He offers the phenotype, the genotype, and the generating potential to catapult the Simmental breed to new heights. Ladies and gentlemen, we present one of the great breeding achievements EVER produced in the Freking Cattle Company program!
- NWSS DISPLAY BULL.**

LOT 2 | JSUL REMINGTON 4363M

- JSUL Remington 4363M is another top shelf son of the \$530,000 SO Remedy 7F that offers tremendous power, substance, and structural integrity. We love the smoothness of build, balance, and overall quality that he possesses.
- 4363M is a son of \$280,000 4/B Miss Honey Butter 08J, one of the premier Simmental donors that calls home to Sullivan Farms. She was also the 2023 Cattlemen's Congress Grand Champion Purebred Simmental Heifer and Supreme Champion Junior Breeding Heifer. Countless high sellers, champions, and individuals of influence have been derived from this prolific cow family.
- A royal pedigree supports this tremendous herd sire prospect!

Junior Breeding Heifer
Dam of Lot 2

LOT 3 | LKCC MR MOSCOW MULE 153M

- LKCC MR Moscow Mule 153M is the third son of the dominant SO Remedy 7F that highlights this year's offering. The dam of this ultra-attractive herd sire prospect is a daughter of the \$400,000 Profit, an influential sire that has left behind an incredible string of daughters across the breed!
- The dam of 153M is LKCC Shannon's Hope 155E, one of the most powerful donors in Gretna, Nebraska. 155E was a past show heifer that was competitively shown by the Kersten family!
- 153M is a very smooth made, sound structured bull that is bold ribbed, long bodied, and offers a very eye appealing look from the side!

TL LEDGER | \$250,000 Maternal Grandsire of Lot 4

- Undeniably one of the very best promotional AI sires to ever surface at Hartman Cattle Company! A powerful son of the \$120,000 4/B Dynamo, one of the most consistent sons of the \$530,000 SO Remedy 7F in existence.
- BOWJ Manifest 985M is an extra stout featured, big footed, square made son of HCCO Countess 985F, a daughter of the \$250,000 TL Ledger that is further influenced by the iconic WAGR Driver 706T.
- 985M offers a look of balance and quality from the side that is difficult to mirror. His neck attachment ties high at the top of his neatly laid in shoulder. He transitions into a bold forerib and center body shape that is second to none. He is massive in terms of his hip and pin set, offering tremendous power from behind.
- In addition to the impeccable skeletal quality and balance that BOWJ Manifest 985M offers, he has been blessed with extreme hair quality. There is no doubt that 985M has the credentials to sire elite Simmental and SimGenetic seedstock!

HCCO PAYBACK 166H | Maternal Brother of Lot 5

- BOWJ Mandate 166M is a rugged designed son of the impressive 4/B Dynamo that deserves serious consideration if you're in the market for a Purebred herd sire prospect that will positively enhance your breeding program.
- 166M is another powerful son of HCCO Countess 477C that has surfaced to the front of the herd bull pen in Tecumseh. A maternal brother to 166M, sired by Profit, was the selection of Buck Creek Ranch in the 2021 Hartman Cattle Company Bull Sale. HCCO Payback 166H was a reliable herd bull in the Yale, Oklahoma based operation. He sired cattle with extra stoutness, eye-appeal, and structural integrity. Several sons and daughters of HCCO Payback 166H have been featured in the annual marketing events at Buck Creek Ranch.
- BOWJ Mandate 166M is a tremendously long bodied, big topped, wide based herd sire prospect that is built right from the ground up. We love the ruggedness and extra performance that he possesses. There is no doubt that he will positively enhance any program that deploys his service!

- Herbster Dynamic 451M is a true sale feature and arguably one of the most eye-appealing herd sire prospects in the entire sale! An extremely proud featured, long fronted, clean made son of the \$120,000 4/B Dynamo that is supported by the \$225,000 record selling FRKG Countess 924J donor that calls home to Falls City, Nebraska!
- The dam of Herbster Dynamic 451M is the result of one of the most successful ET flushes ever produced at Freking Cattle Company. The influence of the legendary 924G donor supports the maternal side of his pedigree.
- HCCO Countess 924G is the dam of the \$225,000 FRKG Countess 924J, the \$160,000 FRKG New Fashion 75J, the \$105,000 FRKG Countess of 924 013L, and the \$60,000 FRKG Countess of 924 011L. This is a cow family that yields results year after year!
- His textbook hip and hind leg design is further enhanced by a look of quality and balance from the side that is nothing short of astonishing to say the very least!
- A full sister to Herbster Dynamic 451M was a featured lot in the 2023 Hartman Cattle Company Customer Appreciation Female Sale. Herbster Countess 11L was selected by Tom Klinger of Missouri.
- The immortal influence of HCCO Countess 924G will NEVER go out of style. Generating power is all-inclusive with the purchase of Herbster Dynamic 451M!
- **NWSS DISPLAY BULL.**

LOT 7 | GPG MOTIVE 49M

- GPG Motive 49M is a homozygous black and polled Purebred son of 4/B Dynamo that is supported by the very productive Horstman LAH Lola 733E donor that is a daughter of STCC Long Haul 033X. The maternal side of his pedigree traces to the everlasting influence of the famed Limestone Lola W232 cow family. This cow family is influenced by a FULL SISTER to the very influential B C Lookout 7024, one of the truly elite breeding bulls that the Angus breed has ever known!
- A sharp featured blaze faced herd sire prospect that is easy fleshing, big hipped, and offers the look of a true "cow maker".
- A range ready herd bull prospect that is certain to leave behind a set of daughters that will make a substantial imprint on any breeding program.

4/B DYNAMO

- Power in the blood! Ladies and gentlemen, it is with great pride that we introduce BOWJ Mandan 153M, another member of the Bowling Cattle Company NWSS Pen of Three Purebred Simmental Bulls. This powerful son of the \$620,000 STCC Tecumseh 058J is certain to catch your attention on sale day!
- STCC Tecumseh 058J has evolved as one of the all-time greatest breeding bulls that the Simmental breed has ever known! He is the sire of the \$700,000 world record selling FRKG Alpha 311L, as well as 14 daughters that averaged an astonishing \$44,571 in the 2024 Hartman Cattle Company Customer Appreciation Female Sale!
- The dam of BOWJ Mandan 153M is one of the premier young donors in the M&E Cattle Company donor pen. MECC Annie Oakley 211A is a daughter of the \$530,000 SO Remedy 7F that is backed by the everlasting influence of STN Miss Star Light, therefore making her a FULL SISTER to the \$510,000 GPG Cornerstone 1K. STN Miss Star Light is a daughter of the \$400,000 TJ High Calibre 556B, one of the industry's most prevalent female makers. She is a maternal sister to the \$300,000 TL Bottomline and the \$250,000 TL Ledger.
- There is no denying the sheer athleticism, skeletal quality, and real world performance that he offers. BOWJ Mandan 153M is destined for greatness as a breeding bull based on pedigree alone.
- The credentials that support BOWJ Mandan 153M are nothing short of incredible. His resume combined with his elite phenotype position him as one of the premier sons of STCC Tecumseh 058J to ever surface!
- **MEMBER OF BOWLING CATTLE COMPANY NWSS PEN OF THREE.**

TERMS ANNOUNCED SALE DAY.

MECC ANNIE OAKLEY 211A | Dam of Lot 9

GPG CORNERSTONE 1K | \$510,000 Full Brother to Dam of Lot 9

BEJV MS PROFIT J008 | \$90,000 Maternal Sister to Dam of Lot 9

- BOWJ Memphis 219M is another standout herd sire prospect from the STCC Tecumseh 058J sire group. There is no denying the incredible eye-appeal and style that this Purebred herd sire prospect can contribute to any progressive breeding program.
- The dam of BOWJ Memphis 219M is the incredible Perfect Angel 58H donor dam that calls home to Bowling Cattle Company. Perfect Angel 58H is the \$110,000 high selling heifer calf from the 2020 Hartman Cattle Company Customer Appreciation Sale. Perfect Angel 58H is a FULL SISTER to the 2018-2019 Triple Crown Winning Mari 785E, one of the leading ladies in the Bloomberg Cattle Company donor pen.
- Perfect Angel 58H was a many times champion turned dominant producer. She is the dam of the \$175,000 BOWJ Perfect Angel 1K, a leading member of the donor pen at Freking Cattle Company. 58H is also the dam of the \$200,000 high selling heifer from the 2024 Hartman Cattle Company Customer Appreciation Female Sale that was purchased by Morgan Jackson of Kaufman, Texas.
- A trio of full sisters to BOWJ Memphis 219M sold for an average just north of \$25,000 per head in the 2024 One & Only Simmental Sale at the National Western Stock Show! Nyla was the \$50,000 selection of Baty Livestock of Loveland, Colorado.
- 219M is one of the smoothest made, longest fronted, most attractive profiling herd sire prospects in the entire sale offering. There is no denying that he will leave his mark on the industry when it comes to siring elite show heifer prospects that command big premiums!
- **NWSS DISPLAY BULL.**

- FRKG Melbourne 189M is the first of four ET flushmate brothers that are sired by the \$620,000 STCC Tecumseh 058J and backed by the everlasting influence of the prolific HCCO Countess 923G donor.
- 923G began her career in production with a trio of heifer calves that were featured in the Summer Gala commanding \$43,000, \$29,000, and \$24,000 for an average of \$32,000 per head! She is also the dam of the \$30,000 FRKG Justice 113J, a resident herd sire for Wayne and Barb Ohlrichs. The five ET flushmate brothers out of 923G averaged an impressive \$13,250 in the 2022 Hartman Cattle Company Bull Sale.
- FRKG Melbourne 189M offers a well-balanced and ultra-complete phenotype. He is a sound footed, athletic herd sire prospect that is loaded with quality!

- FRKG MR Tecumseh 80M ET is one of the most uniquely designed herd sire prospects in the entire sale! His extra length and extension is further complimented by an extremely well balanced look from the profile. There is no denying his proud presence and the captivating look that he offers. He is so high tying in his neck attachment, bold in the shape of his forerib, big topped, and wide based. A big pinned, stout hipped herd bull candidate that is supported by one of the most prolific cow families in the entire breed!
- The dam of 80M is the profound SWSN Panarama 900G, a FULL SISTER to the \$400,000 Profit, one of the most influential sires in the history of the Simmental breed. 80M is a maternal brother to the \$210,000 FRKG Victory 78J, an influential sire that was a member of the illustrious herd sire battery at Bruhn Cattle Company.
- A full sister to FRKG MR Tecumseh 80M ET sold for \$29,000 in the 2024 Hartman Cattle Company Customer Appreciation Female Sale to Ladd Landgraf of Oklahoma. Maternal sisters to 80M also sold for \$30,000 and \$29,000 in the 2021 Summer Gala.
- The dam of 80M, SWSN Panarama 900G, is also a full sister to the \$130,000 Panarama 52C, a powerful female that was selected as the 2017 NWSS Reserve Grand Champion Purebred Simmental Heifer. The maternal granddam of 80M, WAGR Panarama 204Z has produced over \$2 million in progeny sales, making her one of the high income producing females in the Simmental breed.
- A true genetic gem that will catapult any breeding program to the forefront of the business!

- This past summer during the annual trip that Mike takes through South Dakota he stopped in at Josh and Abbie Cribbs' place and the rest is history! Allow us to introduce CRIB Landman 010M, a son of the Triple Crown winning MR HOC Broker that is destined to leave his mark on the industry!
- The dam of CRIB Landman 010M is the breathtaking RJ PF Penny 01H. She is a daughter of the \$435,000 Ruby's Currency 7134E, one of the leading studs in the Freking Cattle Company herd sire battery. Her dam, SHER Lady Husker 639D, one of the top daughters of W/C Executive Order 8543B ever produced. The deceased SHER Lady Husker 639D was one of the leading ladies that ever called home to RJ Cattle Company in Mitchell, South Dakota. A maternal sister to RJ PF Penny 01H, RJ JWC Sherri 0151H, is one of the up and coming young donors at Jared Werning Cattle. A maternal brother to RJ PF Penny 01H sold for \$25,000 and is a member of the herd sire battery at Lee's Cattle Company of Brush, Colorado. RJ PF Penny 01H is the dam of Miss Penny 202L, a daughter of W/C Bankroll 811D that was selected by Elsie Hogan of Iowa. Other progeny have highlighted "The Direction" Fall Online Sale held annually at Cribbs Cattle Company.
- CRIB Landman 010M is a powerfully constructed, bold bodied, big topped, thick ended bull that offers superior skeletal quality.
- It is no secret that MR HOC Broker has left behind a string of daughters across the continent that have become some of the most prolific matriarchs in the business. With a void left behind by the legendary MR HOC Broker, it only seems fitting that CRIB Landman 010M is the perfect candidate to step into the spotlight!

FRKG JOURNEY 71J | Maternal Brother to Lot 22

- BOWJ Medallion 914M is a standout among the entire offering! He is sired by the \$210,000 FRKG Victory 78J, the deceased son of MR CCF 20-20 that has left a lasting impression on the Bruhn Cattle Company breeding program. The dam of FRKG Victory 78J is a FULL SISTER to the \$400,000 Profit.
- BOWJ Medallion 914M is a dense made, bold ribbed, easy fleshing herd sire prospect that is massive from every angle of evaluation. The dam of 914M is a daughter of the \$250,000 TL Ledger that is backed by the everlasting influence of the legendary WAGR Lullaby 703T, one of the most notable daughters of 3C Melody M668 BZ. In fact, the pedigree that supports BOWJ Medallion 914M aligns the influence of this iconic 3C Melody M668 BZ a total of five times throughout! Talk about genetic consistency and generating power!
- A maternal brother to BOWJ Medallion 914M sired by the \$435,000 Ruby's Currency 7134E was selected by Steinbronn Farms of Iowa. FRKG Journey 71J was a past sale feature that highlighted the 2022 Hartman Cattle Company Simmental Bull Sale!
- A royal pedigree supports this elite Purebred Simmental AI sire prospect!
- **MEMBER OF BOWLING CATTLE COMPANY NWSS PEN OF THREE.**

TERMS ANNOUNCED SALE DAY.

LOT 23 | G/S REVOLUTION M47

- G/S Revolution M47 is an extremely stout featured son of the \$100,000 TL Revenant 35, one of the premier sons of the \$250,000 TL Ledger that has ever surfaced. M47 was bred in the Grass Simmentals breeding program located in Le Roy, Minnesota.
- M47 is a huge footed, stout boned, square made herd sire prospect that offers tremendous length of body and overall shape. We love the athleticism and muscularity that he possesses. M47 is a big scrotal, stout hiped, wide pinned bull that transitions from end to end seamlessly.
- TL Revenant 35 is a son of RJ Miss Ellie 7052E, the dam of TL Sadie 37K, the 2024 NAILE Grand Champion Junior Purebred Simmental Heifer that was campaigned by Colt Roeder of Illinois. M47 is supported by a cow family that is rich in history and tradition!
- A must see sale attraction that will highlight the offering on February 2, 2025... join the "Revolution"!
- **NWSS DISPLAY BULL.**

TL REVENANT 35 | \$100,000 Sire of Lot 23

LOT 24 | B BAR MAN UP 550M

- B Bar Man Up 550M is a son of the 2021 Cattlemen's Congress Reserve Grand Champion Purebred Simmental Bull, WHF/JS/CCS Double Up G365. The dam of WHF/JS/CCS Double Up G365 is the legendary WHF Summer 365C donor, one of the high income producing females in the Simmental breed.
- The dam of B Bar Man Up 550M is Elvira J550, a daughter of JSUL Something About Mary 8421 that is further influenced by RW Krisha-ET! RW Krisha-ET is the dam of the 2020 NWSS Grand Champion Percentage Simmental Bull, Reckoning 711F.
- 550M is a heavy duty built Purebred herd sire prospect that is flawless at the surface, correct in his angles, and robust in the shape of his rib cage.
- B Bar Man Up 550M offers a unique pedigree, which would be an outcross to all Hartman Cattle Company herd sires!

LOT 25 | MOORE FUTURE 28M

- Moore Future 28M was raised by our good friend, Dennis Moore of Illinois. There is no denying the genuine stoutness, power, and rugged design that this blaze faced herd sire prospect brings to the equation.
- The sire of Moore Future 28M is OMF/DKSM Density J354, the \$52,000 herd bull selection that was made from Oak Meadow Farms in 2022. OMF/DKSM Density J354 is a son of the popular MR SR Mic Drop G1534 that is supported by the influence of OMF/DK Cheers C88, one of the high income generating donors at Oak Meadow Farms.
- He is supported by an outcross pedigree that traces to the influence of a FULL SISTER to the legendary HPF Quantum Leap Z952.
- 28M ranks among the top 2% of the breed for WW and YG, top 3% YW, top 4% REA, top 10% MWW, and top 15% CW.

OMF/DKSM DENSITY J34 | \$52,000 Sire of Lot 25

LOT 26 | KC2 JOURNEYMAN 8019M

- KC2 Journeyman 8019M is one of the true performance standouts within the entire sale offering. He is a son of the \$110,000 OMF Journeyman J24 that is supported by the strong maternal influence of HPF Victoria B396E, one of the most lucrative females in the Simmental breed.
- 8019M was bred in the King Cattle Company breeding program of Indiana, a firm that is known for producing some of the top Simmental and SimGenetic cattle in the country!
- A maternal sister to KC2 Journeyman 8019M was a featured lot in the 2024 Hartman Cattle Company Customer Appreciation Female Sale. KC2 Miss Victoria 396M was the stunning baldy female sired by STCC Tecumseh 058J that was the \$50,000 selection of Jon Ern Farms of Blenheim, Ontario, Canada.
- 8019M is one of the true power bulls in this offering that possesses extra frame, length of body, and overall stoutness. A rugged made herd sire prospect that is ready for heavy service!

2025

The Female Offering

For more information about this elite bred heifer offering please contact
Les Vogler at (402) 450-2340 or Loren Vogler at (402) 432-9070.

The female offering is saturated with quality, cow family significance, and overall generating potential. We have sourced an incredible set of females from Vogler Cattle Company of Ashland, Nebraska. The Vogler family has a long standing reputation for breeding, raising, and marketing superior Simmental seedstock.

The opportunity to tap directly into the maternal source that has played and continues to play an instrumental role in the evolution of the Hartman Cattle Company Simmental cowherd has presented itself again in 2025! This set of females are worth the trip to Tecumseh, Nebraska to see for yourself!

DUE TO CALVE 3/21/25 TO RUBY NFF SRIRACHA K247 (ASA: 4136078).

- Again in 2025, we proudly offer an elite set of bred heifers that are supported by the most lucrative and productive cow families that call home to Tecumseh, Nebraska. FRKG Countess 924L is a daughter of the very productive HCCO Countess 924G donor, one of the premier young cows in the Freking Cattle Company donor pen. 924G is the dam of countless high sellers and individuals of influence.
- FRKG Countess 924L is a full sister to the \$225,000 record selling FRKG Countess 924J, a past high selling heifer that was purchased by Herbster Angus Farms. 924J is the dam of Herbster Dynamic 451M, the featured lot 6 herd sire prospect in this year's bull offering.
- Other full sibs to FRKG Countess 924L would include the \$160,000 FRKG New Fashion 75J, a resident herd sire at Bowling Cattle Company of Indiana. Other full sisters have sold for \$105,000, \$60,000, and \$34,000.
- 924L is a bold bodied, dense made female that is built with tremendous shape and dimension. We love her extra stoutness and power, which is further complimented by an efficient and low input look. A true sale feature that is supported by one of the most consistent pedigrees in the business!
- There is no denying the influence of the iconic "924" donor dam. This is your chance to own a direct daughter of this high income generating matriarch!

- FRKG Countess 947L is another tremendous Purebred donor prospect that is sired by the \$400,000 Profit. The dam of 947L is a full sister to the legendary HCCO Countess 924G donor dam.
- HCCO Countess 490F is also a member of the Freking Cattle Company donor arsenal. She is a productive daughter of MR CCF Vision that is supported by the influential Limestone Brylee 125B donor.
- The first born son of HCCO Countess 490F was GPG Benefit 247H, a son of the \$325,000 SWSN Cash Flow 81E that was a member of the 2021 Cattlemen's Congress Grand Champion Pen of Three Purebred Simmental Bulls. A daughter of 490F is also working for Kale Robison of Cushing, Oklahoma.
- FRKG Countess 947L is a beautiful profiling, smooth made female that offers a look of quality and balance from the side that is hard to mimic.
- She sells safe in calf to the now deceased 3BCC KCC1 Krypton 100K, a past sale feature that commanded a \$450,000 hammer price. Power in the blood would be an understatement!

LOT 107 | HCCO COUNTESS 743L

- VCL Countess 6L is an extremely well-balanced and eye appealing daughter of the record selling SO Remedy 7F, a herd sire that has made a drastic influence on the Simmental breed over the past three years. The daughters are so maternal and practical in their body style, while the male progeny are rugged and dense.
- SO Remedy 7F daughters have been dominant champions over the past few years, winning at the highest level in the country. What is more impressive is their ability to enter production in the same domineering fashion!
- 6L represents the body mass, fleshing ease, and udder quality that has become synonymous with this sire group. Her practicality and maternal function is only further solidified by the influence of MR CCF Vision on the bottom side of her pedigree.

MR CCF VISION
Maternal Grand sire of Lot 106

- HCCO Countess 743L is a bold ribbed, big topped, stout hipped female that is loaded with power and capacity from end to end. She is another top shelf daughter of the record selling SO Remedy 7F that deserves serious consideration on sale day!
- The dam of this SimGenetic masterpiece is a daughter of the \$400,000 Profit. The influence of Profit daughters has been monumental across the Simmental breed.
- This powerful bred heifer sells safe in calf to the \$450,000 3BCC KCC1 Krypton 100K, a son of the \$175,000 FRKG CKCC Platinum 009H ET that is backed by the breeds most prolific young donor, KCC1 SWC Harmony 847H!

DUE TO CALVE 2/25/25 TO 3BCC KCC1 KRYPTON 100K (ASA: 4142616).

- A beautiful profiling daughter of STCC Tecumseh 058J that is supported by the \$325,000 SWSN Cash Flow 81E on the maternal side of her pedigree. 42L further traces to the influence of the legendary WAGR Driver 706T, a bull that left a substantial mark on the beef cattle industry through his elite female progeny.
- She sells safe in calf to the deceased calving ease specialist, 3BCC KCC1 Krypton 100K for a quick return on investment!

DUE TO CALVE 2/25/25 TO 3BCC KCC1 KRYPTON 100K (ASA: 4142616).

- 52L is another daughter of STCC Tecumseh 058J that deserves serious consideration on sale day! This bold bodied, dense made female is sensible in her frame size and offers the look of a future herd matriarch.
- The dam of 52L is sired by the \$400,000 TJ High Calibre 556B, one of the most underutilized sires in the breed that has left behind a sensational set of daughters that excel in production. The bottom side of her pedigree is further enhanced by the cornerstone donor at Vogler Cattle Company, Foxy Lady 1B, a powerful daughter of MR HOC Broker.
- Another logical investment opportunity that will result in a quick ROI!

DUE TO CALVE 2/23/25 TO 3BCC KCC1 KRYPTON 100K (ASA: 4142616).

- HCCO Countess 692L is a bold bodied, dense made daughter of STCC Tecumseh 058J that is backed by the prolific HCCO Countess 985G, a daughter of the \$250,000 TL Ledger that has been a reliable producer year after year.
- 692L is a maternal sister to Bowling's Thor 985K, the \$15,000 selection of M&E Cattle Company from the 2023 Hartman Cattle Company Bull Sale. He has been used extensively on heifers with great success.
- She sells safe in calf to 3BCC KCC1 Krypton 100K, a young sire that is backed by true maternal excellence and generating power!

EC ANGEL 135M
\$51,000 daughter of STCC Tecumseh 058J

- STCC Tecumseh 058J is arguably the greatest breeding bull ever utilized at Hartman Cattle Company! There is no denying his ability to enhance quality, skeletal integrity, and real-world performance within a single generation!
- The first male progeny sired by the \$620,000 STCC Tecumseh 058J highlighted the 2024 Hartman Cattle Company 10th Annual Bull Sale where 14 sons averaged an astonishing \$76,285 per head! He did it again this past December as his daughters were the "buzz" at the Hartman Cattle Company 28th Annual Customer Appreciation Female Sale where 14 daughters averaged \$44,571 per head. There is simply no arguing the results! STCC Tecumseh 058J is the sire of the \$700,000 world record selling FRKG Alpha 311L. He also sired the \$300,000 OMF Doc Lynn L92!
- STCC Tecumseh 058J is a son of the legendary HF Serena, one of the highest income generating donors in the history of the Simmental breed.
- Sons of STCC Tecumseh 058J will highlight this year's bull sale offering as lots 9 through 20.
- Semen has only been available via breeder packages from Hartman Cattle Company. This will be the first time in 2025 that semen will be sold in smaller packages. All semen being sold is IVF flush quality that was made and professionally stored at Vogler Semen Centre in Ashland, Nebraska.
- Help yourself to the opportunity to utilize one of the HOTTEST Simmental bulls in the breed and catapult your program to the next level!
- Tecumseh... "come find your treasure"!

OWNED BY: KING CATTLE COMPANY, ERIC HANDY, FREKING CATTLE COMPANY,
OAK MEADOW FARMS, & HARTMAN CATTLE COMPANY

- A year ago, OMF Doc Lynn L92 commanded a \$300,000 hammer price selling to King Cattle Company, Eric Handy, and Freking Cattle Company. L92 was one of the most unique built, attractive, and genuine bulls that has ever sold at Hartman Cattle Company!
- OMF Doc Lynn L92 is an own son of the legendary OMF Time Less B100 donor dam that has been a staple in the donor pen at Oak Meadow Farms of Harmony, Minnesota. B100 is the dam of the widely used and very popular AI sire, OMF Epic E27. B100 is also the dam of the \$128,000 OMF Kristy K88, the high selling bred heifer of the spring 2024 sale season that was purchased by Maple Lane Farm and Griswold Cattle Company. Another maternal brother to OMF Doc Lynn L92 commanded a \$70,000 hammer price and is now working in the Nelson Family Farms breeding program of Mabel, Minnesota.
- We unexpectedly lost OMF Doc Lynn L92 this past summer after he covered a small group of cows at Hartman Cattle Company. A very limited amount of semen remains on the budding superstar that was lost too soon.
- This will be the first time EVER that conventional semen has been offered from the \$300,000 OMF Doc Lynn L92. His first progeny are highly anticipated in 2025 by the progressive firms behind this incredible specimen. Take hold of the chance to utilize the astonishing OMF Doc Lynn L92 this coming breeding season!

3BCC KCC1 SWC HARMONY 4019M
\$82,500 maternal sister to 3BCC KCC1 Krypton 100K

- The third AI sire that we will offer a select amount of semen from on February 2, 2025 is the outcross AI sire that was bred by Megan Brown and Kearns Cattle Company. 3BCC KCC1 Krypton 100K is the \$450,000 stud that was a featured lot in the Hartman Cattle Company 9th Annual Simmental Bull Sale.
- 3BCC KCC1 Krypton 100K is sired by the \$175,000 FRKG CKCC Platinum 009H ET and is backed by the influence of the impressive KCC1 SWC Harmony 847H. 847H was the \$60,000 high selling heifer in the 2020 edition of The Black Label. KCC1 SWC Harmony 847H was successfully campaigned by Megan Brown to countless victories. She was reserve in her division at the 2021 Cattlemen's Congress in both the junior and open shows, 2021 Cowgirls in Cowtown Grand Champion Purebred Simmental Heifer, 2021 AJSA Southcentral Regional Grand Champion Purebred Simmental Heifer, and 2022 HLSR Grand Champion Purebred Simmental Heifer to name a few of her greatest accomplishments.
- The first virgin IVF cycle on KCC1 SWC Harmony 847H yielded a \$37,000 daughter by MR HOC Broker that was a high seller in the 2022 edition of The Black Label. Another daughter of KCC1 SWC Harmony 847H was the high selling heifer in the 2024 edition of The Black Label where she sold for \$82,500 to the DeBerry family. Let's not forget about the \$95,000 stud sired by Next Level that topped the Kearns Cattle Company 35th Annual Bull Sale this past spring!
- A full brother to the dam of 3BCC KCC1 Krypton 100K is the \$230,000 KCC1 Countertime 872H, one of the most admired sons of ES Right Time FA110-4. This genetic line is quickly proving to offer superior udder quality and maternal excellence in production. The maternal granddam of 3BCC KCC1 Krypton 100K is the great KCC1 Havana 83E, a direct daughter of TKCC Victoria 57A, the dam of the \$120,000 KCC1 Exclusive 116E. This is the most profitable cow family in the Kearns Cattle Company program.
- Tie to a cow family that continues to outproduce themselves with each generation. This is bull that was also unexpectedly lost this past summer. A limited amount of semen remains, and this will be one of your ONLY chances to utilize his service in 2025!
