## Bill Sale

1:00 PM - MARCH 15, 2025 - YALE, OK

The Moore Family and I would like to give a warm welcome to each and every one of you and invite you to our 4th Annual Bull Sale. Thank you for this opportunity to serve you as we present this offering of bulls for your appraisal. It is our commitment at Buck Creek Ranch to improve our offering each year to add value to your program for years to come.

This lineup includes 30+ yearling and age advantage bulls that are deep in quality and backed by proven genetics; registered Purebred Simmental, Percentage SimAngus, and a select group of Purebred Angus. This offering will include progeny from our leading donor cows and hand selected Al cows. We firmly believe in this set of bulls and have developed them with our customers in mind!

From all of us here at Buck Creek Ranch thank you for your time and consideration in viewing our cattle. Feel free to contact us with any questions. We look forward to seeing you on Saturday, March 15th!

**GARRETT, ROXIE & WALKER CLOUD** *Oklahoma Division Manager* 

Best Regards, *Garrett Cloud* 

The Moore Family

What a pleasure it is for the Innovation AgMarketing crew to welcome you to another edition of the bull offering hosted by Buck Creek Ranch. Jacob and Garret have put together one of their very best sets of bulls together for your appraisal and evaluation. The firm is known for their attention to detail and their enthusiasm to make the next generation of seedstock better.

These bulls would be brothers to several of the high selling sale features in the annual female event held every year in December. This would be the biggest group of the Chestnut Perfect Timing 341 sons offered in the country! The now deceased herd bull left quite a group in terms of body shape, quality, look, and skeletal integrity. As far as the Simmental sired cattle are concerned, they are as good as they have been with plenty of options to select from.

If you are involved in producing cattle with great phenotype and cow families are a must, then Buck Creek Ranch is the place to do business on your next herd sire for use on those potential sale breds or to use on your cowherd to make the next year's high selling heifer prospects. If you're a progressive commercial operation that enjoys quality and eye appeal in your stock, with heifer retention at the forefront of your selection criteria, then Buck Creek Ranch is your stop. If your operation's focus is to sell calves at weaning time, then there is a bull in this sale to meet your needs as well. All of these bulls will have passed a BSE and will be ready for turn out.

The Buck Creek Ranch crew is on deck to assist you with any additional information that you may need prior to sale day. We also want you to know that you can reach out to Innovation AgMarketing as well for any assistance with selection or sale day purchase. We certainly encourage you to schedule a ranch visit at any time leading up to sale day to come walk through the cattle being offered. We hope that this letter finds you planning to make the annual event and we look forward to seeing all of you on March 15, 2025.

Enjoy the stock and may God continue to bless the greatest nation on Earth.

### **BULL GUARANTEE**

Unless otherwise noted, all the breeding age bulls will have passed a breeding soundness exam prior to pick up/delivery. In addition to the standard Terms and Conditions of the American Simmental Association, we will provide the first breeding season (the 90-day period immediately following turn out) guarantee on all yearling and older bulls. This guarantee is not an insurance or mortality policy, but a guarantee on functional fertility. It is not a substitute or replacement for poor management. Buyer assumes all risks for injury due to running bulls together or management decisions outside genetic control. For the guarantee to apply, we ask that you contact us as soon as a condition is observed and before the animal is sold. We will work with you to determine whether the animal is returned or sold for slaughter. We will attempt to provide a suitable replacement. If one cannot be provided of equal or greater value, we will issue a sale credit to be used in a future sale for the full purchase price less the salvage value of the animal.

### **TERMS AND CONDITIONS**

All lots sell in accordance with the suggested guidelines of the American Simmental Association, American Angus Association, or their respective breed association. For updated EPD's and information please visit www.simmental.org. Announcements made sale day from the block during the sale take precedence over printed material in this catalog. Payment will be accepted in the form of cash, cashier's check, or check. All cattle must be paid for prior to release. All funds are to be paid to Innovation AgMarketing, LLC in U.S. currency. No cattle will be transferred, delivered, or released without full payment. In the event you need expedited registration paper transfers please make plans to pay in full on sale day. All sales are final.

### **ANNOUNCEMENTS**

A supplement sheet will be available sale day with updated information, corrections and additional information. This sheet and any announcements made sale day and from the auction block during the sale will take precedence over printed material associated with this sale.

### LIABILITY

Buck Creek Ranch, Innovation AgMarketing, LLC, and authorized sale personnel assume NO liability for injury, accident, or damage to persons or personal property. All persons who attend the sale do so at their own risk.

- The dam of B C R River Spirit 087M is BOY Proven Queen 949 ET, a daughter of the late Silveiras Style 9303 that is supported by the world famous FCF SCC PVF Proven Queen 615! His dam is a maternal sister to the incredibly popular and proven FCF Proven Queen 419, a many times National Champion that is most commonly known across the industry as the dam of the popular Al sire, SCC SCH 24 Karat 838!
- His royal pedigree is further supported by an elite phenotype. A huge footed, stout boned, square built Angus herd sire prospect that is robust in the shape of his rib cage, stout hipped, and big pinned. We love the smoothness of built and athleticism that he offers despite his extra power and dimension.
- A truly impressive Angus herd sire prospect that ranks among the most complete and fault-free individuals to ever carry the brand at Buck Creek Ranch!
