

WD

CATTLE COMPANY

BULL SALE

APRIL 9, 2025 AT 6 P.M.

Washington, Kansas

WELCOME

Welcome to the inaugural WD Cattle Company LiveOnline™ Bull Sale! It is a great pleasure to represent the Durst family as they transition from selling bulls privately for many years to a live auction format hosted by CCI.live on April 9, 2025 in Washington, Kansas! Wyatt Durst is no stranger to the business, having bred, raised, and marketed Red Angus seedstock for the greater part of his life. He has a keen eye for quality with some of the most stringent and strict culling practices in the industry. Wyatt understands how cattle should be built and has a zero tolerance policy for cattle that are not designed with the utmost skeletal integrity.

Over the past decade Wyatt has slowly and methodically built one of the most impressive cowherds in the breed. A strong commercial background and production oriented mindset has allowed this cowherd to flourish when it comes to embracing the fundamentals such as foot quality, squareness of build, udder design, fleshing ability, and fertility. Through key genetic acquisitions, precise matings, and a disciplined approach to producing, raising, and marketing Red Angus seedstock, it's no surprise that this offering offers a level of quality of this magnitude!

In addition to the bull offering, Wyatt and Tayler are hesitantly offering genetics straight from the heart of their families budding Red Angus program. These genetics represent the very best cow families that call home to Washington, Kansas! Full sib embryos to WD Robust 406 ET, the featured lot 2 bull will sell, alongside full sib sexed female embryos to the \$49,500 high selling heifer calf that sold to the Fischer family of Texas last October!

Do not hesitate to reach out to Wyatt or Tayler with any questions about the sale offering that you may have. The bulls will be available for viewing any time prior to the sale by appointment at the ranch. We encourage you to make the trip to North Central Kansas to view this impressive set of herd sire prospects in the flesh, we promise you will not be disappointed! The sale will take place at 6:00 PM CST on April 9, 2025 on CCI.live in a LiveOnline™ format with real time bidding. Please reach out with any questions about the sale offering or the bidding and buying process prior to the sale. We look forward to visiting with you about the cutting-edge genetics that stand behind this offering!

Enjoy the cattle and God bless,

GRAHAM BLAGG · JERED SHIPMAN · TIM ANDERSON

TERMS & CONDITIONS

Terms of sale are cash or check payable immediately upon conclusion of the sale and before animals will be removed. The cattle will sell under the standard terms and conditions of the Red Angus Association of America and the American International Charolais Association.

TERMS, CONDITIONS & GUARANTEE

Unless otherwise noted, all the breeding age bulls will have passed a breeding soundness exam prior to pick up/delivery. In addition to the standard Terms and Conditions of the Red Angus Association of America and the American International Charolais Association, we will provide the first breeding season (the 90-day period immediately following turn out) guarantee on all yearling and older bulls. This guarantee is not an insurance or mortality policy, but a guarantee on functional fertility. It is not a substitute or replacement for poor management. Buyer assumes all risks for injury due to running bulls together or management decisions outside genetic control. For the guarantee to apply, we ask that you contact us as soon as a condition is observed and before the animal is sold. We will work with you to determine whether the animal is returned or sold for slaughter. We will attempt to provide a suitable replacement. If one cannot be provided of equal or greater value, we will issue a sale credit to be used in a future sale for the full purchase price less the salvage value of the animal.

RISK

Each animal becomes the risk of the purchaser as soon as sold. Animals purchased are at the purchaser's risk as to loss or injury, and will be loaded according to purchaser's direction. Insurance will be available sale day.

ANNOUNCEMENTS

Announcements made sale day and from the auction block during the sale take precedence over printed material in the catalog or other printed material associated with this sale. Anyone attending this sale, attends at their own risk. Breeders or any of the sale force will not be held responsible for any injury while attending this sale.

INSURANCE

Insurance will be available sale day. We suggest a mortality policy, especially if you plan to leave your bull(s) to be wintered until May 1, 2025. To properly insure your investment please contact *Sheila Jensen*, 785.262.1116.

SUPPLEMENTAL INFORMATION

Current weights and scrotal circumference measurements will be available the week of the sale.

DELIVERY

Free delivery within 300 miles on all bulls and we will assist in finding delivery options to other parts of the country!

- What a place to initiate the WD Cattle Company Inaugural Bull Sale! WD Valor 270 is a strong aged herd sire that is straight from the heart of the herd bull battery that resides in Washington, Kansas! WD Valor 270 is a FULL BROTHER TO WD Extra 271, the promotional AI sire that works for Marlow Cattle Services, Rosebud Cattle Company, and Robinson Cattle Company.

- WD Valor 270 has seen heavy service within the program through extensive AI, ET, and natural service use. A son of the promotional AI sire known as EGL GCC Red Eagle E7194 and backed by the everlasting influence of the iconic C-Bar Mimi 458B, one of the all-time great daughters of the high-income generating Damar Mimi W085.

- A dark cherry red hided stud that defines skeletal quality and sets a new standard among his contemporaries when it comes to athleticism. A perfect shape to his hoof, ideal depth of heel, and textbook angulation is what allows this massive bodied, big topped, square pinned herd bull to glide across the Flint Hills with ease.

- His first progeny have been met with high demand, with several daughters being retained in the herd at WD Cattle Company. This is your chance to tap into a proven herd sire that offers potential for use on well-managed heifers. An aggressive breeder that is ready for heavy service upon deployment.

- **SELLING 100% POSSESSION AND 50% SEMEN INTEREST.**

way, through trials and tribulations this female has surfaced within the herd.

• The pedigree that supports this herd sire in the making is saturated with the most proven and predictable cow families in the Red Angus breed. NIO Progressive 1179 is from the famous WCR Miss Kuruba De 2085Z, while the maternal side of his lineage traces to the \$1 million+ producing Brown Ms Abigrace L7730.

• WD Robust 406 ET is a truly special individual that will see heavy use in the WD Cattle Company breeding program this spring. Individuals of this caliber do not come around very often, invest in the future of your breeding program with an individual that has credentials to leave a lasting impression on the Red Angus breed and beef cattle industry as a whole!

• **SELLING 100% POSSESSION AND 50% SEMEN INTEREST.**

Sire of Lots 2-7

C-BAR ABIGRACE 7104E
Dam of Lot 2

BROWN MS ABIGRACE L7730
\$1 Million+ Producing Matriarch
of the "Abigrace" Cow Family!

• Introducing one of the all-time greatest breeding achievements in the history of the WD Cattle Company program. WD Robust 406 ET is a son of NIO Progressive 1179, one of the most impressive sons of Six Mile John Wick 882E in existence!

• The appropriately named WD Robust 406 ET is massive in the shape of his rib cage, which has facilitated the extra power and substance that he contributes.

• Ideal in terms of his skeletal design would be a severe understatement when describing the basic build that he operates from. A big, well-shaped foot with ideal angulation is what allows him to reach with such confidence when set into motion. He offers an ideal set to his hip and hind leg design, which propels him into a league of his own. The dam that stands behind WD Robust 406 ET is a model brood cow that offers ideal udder quality and teat size. A highly fertile, easy fleshing female that earned her position in the donor pen the old-fashioned

• WD Resolve 402 ET leads off an incredible set of ET flushmate brothers sired by NIO Progressive 1179 that are supported by the immortal influence of the famed “Mimi” tribe.

• This dark cherry red hided stud is smooth as glass, tying together seamlessly from end to end, while still offering an abundance of shape and genuine power. It’s hard not to love the extra length of body that this herd sire prospect possesses. He is masculine in terms of his head and neck, offering a strong jaw line with tremendous skeletal width throughout.

• A moderate birth weight bull that spreads to an impressive 724 pounds of pay weight at weaning. There is no denying that this bull has the credentials to be utilized on well managed heifers or mature cows without sacrificing pounds of performance.

• The donor dam of WD Resolve 402 ET is the impressive C-Bar Mimi 8134F, a daughter of the timeless C-Bar

Miss Mimi 458B! His full brothers sell as lots 4 through 7, and his maternal brother, WD Valor 270, sells as lot 1.

• 402 is the resolution to your spring 2025 breeding decision dilemma!

• Come back to the auction and pull up a seat for a special SALE ATTRACTION! Introducing WD Attraction 455 ET, the second brother from the NIO Progressive 1179 sired flush that is supported by the impressive 8134F donor.

• The stoutest featured, biggest footed, squarest built, boldest bodied, and most expressively shaped stud in the entire sale offering! When it comes to his balance and eye appeal from the profile, WD Attraction 455 ET spares no expense. He ties his extra-long neck high at the top of his correctly laid in shoulder design. We love how he transitions back into a bold and three-dimensional forerib and center body shape.

• There is no denying that this stud has the “bells and whistles” essential to pushing the needle forward when it comes to transcending the normal within the Red Angus breed.

- WD Extra 271 is a maternal brother to WD Attraction 455 ET that offers a striking resemblance in terms of look, quality, and uniqueness of feature.
- A must see on or before sale day if you're in the market for a herd sire that will sire elite Red Angus show cattle!
- **SELLING 100% POSSESSION AND 2/3 SEMEN INTEREST.**

- WD Reliable 401 ET is another stout made, long bodied, dense built herd sire prospect that is supported by a strong maternal foundation that can be identified on both sides of his pedigree.
- Just as his name implies, he will be a reliable breeding bull for years to come due largely in part to the impeccable skeletal design that he offers. A good footed, square toed, deep heeled bull that offers tremendous athleticism when on the go.
- His extra length of body and added frame is conducive to him siring feeder cattle with extra pay weight and in turn more profitability.
- His ET flushmate brothers sell as lots 3, 4, 5, and 7.
- A reliable herd sire prospect that sells with an impressive 777 pounds of adjusted pay weight on his performance ledger!
- **SELLING 100% POSSESSION AND 2/3 SEMEN INTEREST.**

- It is with great pleasure that we present the opportunity to purchase FULL SIB sexed female IVF embryos to the \$49,500 high selling heifer from the 2024 Lafrentz Cattle Online Female Sale, WD Lady Driven 450 ET. She was selected by the Fischer family of Texas and has found the backdrop on numerous occasions!
- WD Lady Driven 450 ET was the very popular 2025 Cattlemen's Congress Division Champion in both the open and junior shows for Madison Fischer. She was undoubtedly a crowd favorite that was praised for her genuine dimension and unrivaled skeletal quality. She continued her winning ways at the Houston Livestock Show & Rodeo this past month where she was slapped Grand Champion Open Red Angus Heifer on the green chips!
- The embryos selling will result in FULL SIBS to the popular high seller and dominant champion. Dig your heels into a blue chip investment opportunity that will put your program on the fast track to success!
- **GUARANTEEING 1-60 DAY PREGNANCY IF TRANSFERRED BY A CERTIFIED EMBRYOLOGIST.**
