WHEELER LIVESTOCK AUCTION

OSCEOLA, MISSOURI

WELCOME T

O THE SALE

WELCOME

These are great times in the cattle business. We are living in and making history, record low numbers that is showing slow growth, and steady demand in our product makes for a healthy future.

I'm on the constant hunt for our next herd sire, to produce bulls and replacement females for your operation, for calving ease, weaning weights, and heifer retention.

My goal is to grow these bulls, not fatten them, they can go home and go to work for you staying in sound condition.

Thank you for your interest in our bulls. I'm only a phone call away if you have any questions!

Sincerely,

Bruce Bradley
