WELCOME TO THE SALE

I still remember our very first sale in 2008—bidding off cattle right in the wash rack of the barn. Here we are 19 years later, and while a lot has changed, the passion behind this operation remains the same. We've grown, learned, navigated our share of challenges, and made incredible memories along the way.

First and foremost, **THANK YOU**. An operation like this doesn't run on an individual—it survives and thrives on a team.

To my wife, Emily: Thank you for keeping our family running, excelling at your career, and keeping the wheels on the bus here at Schaeffer Show Cattle. You keep us all grounded, from the cattle to our two sons, Braylen and Colyer.

To my parents, Paul and Tracy: Thank you for pushing boundaries, opening doors, and giving me the opportunities to build what has become the backbone of this operation.

To the Schaeffer Show Cattle Team: Thank you to Ian, Burk, Fulton, Mackenzie, Mika, Quinton, and everyone who keeps the show team, the cow herd, and the farm maintenance running. We are blessed to have the absolute best team in the business. Thank you for making this inaugural event special!

To our customers, partners, and supporters: Your drive to win, passion for this industry, and belief in our program are the reason for our success. Thank you for believing in the Schaeffer Show Cattle team over the last 19 years.

When deciding to go live to showcase our genetics, stock, and brand, I knew we had to bring our absolute best—and boy, did we pick a year to go wild! **This set is FUN!**

We have been fortunate to produce countless champions and proven donors over the last 19 years, but I can whole-heartedly say there has never been a set on this farm this good. It is hands-down the most unique and elite offering we have ever put forward. We have always stayed focused on the cow power to give our customers a safety net—proven predictability that offers a clear path to success both in the show ring and in the pasture. Maybe that's part of the reason we decided to go live this year. These cattle are more than just youth projects; they are pathways to future livelihoods, marketing opportunities, and genetic generators long after the banner is hung.

Nate Tice and I sat down years ago as teenagers with a shared vision, passion, and drive. I don't think either of us imagined it would grow into this, but there is no better way to celebrate a little vision, dream, and daily grind than with one heck of a bash at our **first-ever LIVE EVENT**.

We invite everyone to visit the farm on or before **September 12th** to view this special offering and join our show family. Thank you to everyone who stops by to look, help, bid, and believe in our program. From all of us at Schaeffer Show Cattle and Schaeffer-Tice, **THANK YOU FOR YOUR TIME**. It means more than you know.

Respectfully,

Tim Schaeffer

TIM, EMILY, BRAYLEN & COLYER SCHAEFFER

SELDOM REST FARMS "THE ANGUS CONNECTION" SALE

Niles, MI · 6:00 PM EST

One of the most anticipated and coveted livestock marketing events is going to a LIVE Auction format, and we are humbled to be involved with the Schaeffer Family in this endeavor. This offering is historic in shades of purple and laced with one of the most proven genetic arsenals known in the entire livestock exhibition circle. Tim and Emily have diligently and relentlessly stayed the course by taking ownership on both sides of the pedigree ledgers. Schaeffer Show Cattle is without question one of the most elite and consistent programs of all time with no definitive end to their dominance in the near or distant future.

Tim Schaeffer will be regarded as one of the true "GOATS" of the business as time progresses and peers of the business reflect on the program's accomplishments over the past two decades. The customer service alone set the standards for what is familiar today among the investing families across most of the country. It's not a job; it's a passion fueled by ambition, perseverance and consistent results, and it has built a familiar way of life that the power couple is not willing to trade for anything. The investment in time, labor, genetics, and nutrition is another level, and hence the experience keeps bringing the same, loyal families back with new foot traffic overwhelming the display traps year after year.

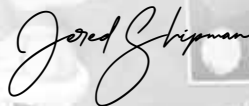

We are confident that you will be more than intrigued by what is between the covers of this catalog. The entire bull battery of the Schaeffer team is on full display throughout the top side of nearly every pedigree as each stud is strategically mated to the diversified and proven donor pen. The presentation of those genetic outcomes is on another level, shaped by climate and the professional crew that readies them daily in preparation for your appraisal. Meticulous attention to detail and dedication to excellence are evident throughout the entire offering.

As most know, Tim aligned himself with some of the very best in the industry and applied the knowledge and experience gained to this program. He has spent time mentoring his team to see and execute what is needed to reach this level and maintain the competitive edge associated with the name. Paul Schaeffer, Tim's father, is very much the same in terms of establishing a path to expected excellence. A successful businessman, who perfected his craft to be in demand at the highest level, but in a different career. That example has shaped the Schaeffer Family name and is certain to carry forward through the third generation. Humble, disciplined roots, backed by generations of work ethic and a proven knowledge of what it takes to succeed, remain the foundation of this elite, family-forged operation.

This offering of haltered stock is unlike any other. It is diversified across breed lines and saturated with the right kind that will have the highest probability to capture those backdrop opportunities draped in shades of purple. The post-show career experience can be equally rewarding as one can hang their hat on the production and profit potential of every animal in the sale. The tools are all inclusive when one invests in Hagerstown, as you have access to the years of dedication to making the best better, genetically and nutritionally.

This is your invitation to come visit the family and the stock at Schaeffer Show Cattle on the second weekend of September. The cattle will look the part, but the hospitality and experience will be the very best part. We strongly encourage you to schedule a presale farm visit or to allow your schedule the Friday prior to, if possible, to come take in the offering. If you are unable to attend, we are here to assist anyway possible so do not hesitate to reach out to the Schaeffer Show Cattle Family or anyone on the Innovation AgMarketing team for guidance or answers regarding this year's sale offering. We look forward to seeing you there!

Enjoy the cattle,

TERMS & CONDITIONS

The terms of the sale are cash or good check payable in U.S. funds to Innovation AgMarketing, LLC immediately upon the conclusion of the sale before animals will be transferred or removed from the sale facility. Cattle sell under the standard terms of their respective breed association. All sales are final, and the cattle will become the property of the buyer when the auctioneer says "SOLD". All females are sold as sound breeders. Seller guarantees each female to produce a live calf or transferrable embryos.

REGISTRATION PAPERS

Registration papers will be transferred upon completion of payment for purchases. Please let the clerk know at the time of settlement how you wish to have your purchase(s) transferred. If you need your registration paper transfers expedited, please make plans to make settlement the night of the sale.

Mackenzie Neal, 937.336.3066

HERD HEALTH

All of the cattle selling will be ready for immediate shipment and accompanied by proper health certificates. Schaeffer Show Cattle has a full vaccination program.

SUPPLEMENTAL INFORMATION

A supplement sheet and sale order will be available with up-to-date information the day prior to the sale. All announcements made on the sale block as well as updates to the supplement sheet will take precedence over material listed in this catalog.

LIABILITY

All persons who attend the sale do so at their own risk, legal or otherwise, for their safety or for behavior of the animals. Schaeffer Show Cattle, the sale management firm, and the sale staff assume no liability for property loss or any accident that may occur.

LOAD OUT & TRUCKING

Load out will begin at the conclusion of the sale. We ask that you pick up your purchases within a reasonable time. We are happy to assist you with reliable and affordable trucking arrangements. However, we assume no responsibility for trucking rates.

RETAINED FLUSH/CELL LINE

Schaeffer Show Cattle reserves the right to two successful flushes at the buyer's convenience and seller's expense on all animals sold unless otherwise noted. Schaeffer Show Cattle reserves the right to the DNA cell line and cloning rights on all animals sold.

ANNIE LU

2023 NAILE 4TH OVERALL JUNIOR BREEDING HEIFER

24K 230K

THE BACKDROP WAS **ONLY**
THE BEGINNING.

Core Annie Lu 24K 230K is unquestionably one of the most influential females to ever call Hagerstown, Indiana home. While her championship career placed her among the elite, it is her production record that has cemented her legacy as a true cornerstone of our breeding program. Generation after generation, she continues to produce cattle with the look, structural integrity, and genetic quality that today's industry demands.

Lots 1 - 5 are direct daughters of **Core Annie Lu 24K 230K**, offering a rare opportunity to invest in the very cow family that has helped define our program. Their consistency, quality, and proven maternal strength make this one of the deepest and most exciting groups of Angus females we have ever assembled.

- The first of several direct daughters from the productive Core Annie Lu 24K 230K donor dam! This direct daughter of BNWZ Dignity 8017 has been a standout since day one!
- 230K was a dominant champion for Braylen Schaeffer, winning countless titles during her career. Her impressive resume began the moment she stepped into the ring for the first time, being slapped as the Grand Champion Breeding Heifer at the 2022 Hoosier Beef Congress. She was then selected as the 2023 Cattlemen's Congress Reserve Grand Champion Junior Angus Heifer. She returned in the fall of 2023 to be selected as the NAILE Reserve Grand Champion Junior Angus Heifer and 4th Overall Junior Breeding Heifer.
- She is undeniable from the side, offering an angular and feminine look about her front third, while maintaining a robust shape to her rib cage and near perfect squareness in her basic build.
- A true show stopper and one of the most complete and fault free Angus females we have EVER offered at Schaeffer Show Cattle!
- **Selling 2/3 Embryo Interest & Possession.**

- Come back to the auction! Ladies and gentlemen, it is with great excitement that we introduce another dynamic daughter of Core Annie Lu 24K 230K, a donor that is quickly establishing herself as one of the most consistent sources of elite Angus and composite show heifer prospects ever utilized here in Hagerstown, Indiana.
- Core Annie Lu 24K 230K is also the dam of TSSC Annie Lu Who 5076N, a FULL SISTER to 6101P and another standout sired by the great ROSE MC Encore 0463. A past Embryos on Snow high seller, ROSE MC Encore 0463 has rapidly emerged as one of the most influential Angus AI sires in the business. TSSC Annie Lu Who 5076N earned Spring Heifer Calf Champion honors at the 2025 NAILE for Cambria Cook of Clovis, California.
- A maternal sister, BSSC TSSC Annie Oakley 5091, has been campaigned by Braylen Schaeffer this past show season. She was selected as the 2025 King of the Ridge 3rd Overall Breeding Heifer and the 2016 KY Beef Expo 3rd Overall Breeding Heifer. A dominant champion that is just getting started!
- 6101P is an absolute specimen in terms of her unique combination of style, presence and balance. She ties so high at the top of her shoulder, is clean chested and offers a picture-perfect look of balance from the profile.
- One of the most unique females in the entire offering, plain and simple!
- **Selling 2/3 Embryo Interest & Possession.**

- A dynamic daughter of KR Casino 6243 that is backed by the iconic 230K donor dam. 629P is the youngest Angus female that is out of Core Annie Lu 24K 230K, however her basic build and genuine stoutness is what elevates her to the forefront of this offering!
- 230K was a dominant champion and her daughters are following in her footsteps at the largest and most competitive shows in the nation. From every angle, 629P has the look and quality that have become synonymous with this proven cow family.
- She is so refined and feminine about her front third, yet robust in the shape of her rib cage, neat chested and offers tremendous progression of depth back into her rear rib and flank. What is so unique about this KR Casino 6243 daughter is that she remains smooth shouldered, clean jointed and extremely flexible despite her added power and substance.
- From the ground up she is simply flawless in terms of her foot size, shape and quality. While she is a bit greener in her kind, her angles and lines suggest that this very futuristic built female has a very bright future ahead of her!
- BSSC BT Annie Oakley 629P also offers incredible mating flexibility to add further validity to her campaign!
- **Selling 2/3 Embryo Interest & Possession.**

EMBRYO LOT INFORMATION

All embryos selling are IVF sexed female embryos. Schaeffer Show Cattle guarantees one 60-day pregnancy per package of 3 embryos if transferred by a certified embryologist. Buyer pays bid price x number of embryos selling. All costs associated with shipping embryos purchased are the responsibility of the buyer. Embryos will be released following payment.

AFTER THE GAVEL: FEEDING & SHOW CARE

Once the sale ends, our commitment to you doesn't. Behind Schaeffer Show Cattle is a crew built on experience, hard work and an uncompromising standard of care. From the day-to-day at home to getting them ready for the backdrop, our team has the knowledge and experience to keep your investment looking its best. You buy with confidence. We'll help take it from there.

Cattle remaining at Schaeffer Show Cattle following the sale will receive the same high-level care and attention we expect for our own. Feeding and daily care will be charged at the applicable daily rate, with additional expenses incurred for cattle attending shows. Veterinary expenses beyond routine care will be the responsibility of the owner, and all cattle remaining in our care must be insured. Accounts will be settled monthly.

For a complete list of pricing for daily care and exhibition costs, please contact **Tim Schaeffer** at **765.541.0738**.

- Core Annie Lu 24K 230K continues to leave her mark not only within the Angus breed, but across breed lines as one of the most influential donors in the Schaeffer program.
- 230K produced the \$105,000 S&S BT Raggedy Anne 573N female, a daughter of MR HOC Broker that was the high seller in the 2025 Schaeffer-Tice "Christmas Collection" and was selected by Hogan Hendrickson.
- This Maine Angus female sired by JBOY One For All 001J ET is an absolute unit to say the very least! Incredible from the side, high tying in her neck attachment, tucked up in her chest floor and incredibly balanced and symmetrical from the side. When set into motion she is absolutely flawless, covering her tracks with comfort and ease.
- Her pedigree aligns some of the most decorated champions of the last decade, offering a premium blend of cow power! Her paternal granddam, Miss Hidden Gem 899F ET, was the 2019 American Royal Grand Champion Maine-Anjou Heifer and 2020 NWSS Grand Champion Maine-Anjou Heifer for Sara Sullivan.
- A royal pedigree supports this elite Maine Angus heifer that we believe will compete at the highest level!

- 6311P combines the influence of arguably the two hottest individuals to ever set foot in Hagerstown, Indiana! Her pedigree merges the influence of Revelation 2K, SCC SCH 24 Karat 838 and the famed "Annie Lu" tribe!
- We love the youthfulness, femininity and shear symmetry that she possesses from every angle of evaluation. Her combination of elegance and maternal functionality is what makes this female truly special.
- Over the years we have been blessed to raise, market and campaign several very special SimGenetic females that have found tremendous success. It's safe to say that 6311P ranks at the top of the list at this stage of the game... invest with confidence!

- COW POWER at its finest! KCC TSSC Miss Annie Lu 614P is a dynamic daughter of BRDG Mahogany Prime 904B that is supported by the very influential Plum Creek Annie Lu 9271 donor, a female that needs little introduction to the business!
- 9271 is the dam of Kruse's Annie Lu 9273, the 2024 NJAS Reserve Grand Champion Owned Heifer for Sloane Curtin of Iowa. 9273 was also selected as the 2024 American Royal ROV Grand Champion Heifer. 9271 is also the dam of the 2023 IA State Fair Supreme Champion 4-H Breeding Heifer for Simon Thorsen. Another daughter of 9271 was selected in 2024 by Circle M Farms for \$109,500!
- 614P is a robust bodied, ultra-complete female that is immaculate in her basic build, big footed and square built. We love the genuine stoutness and dimension that she offers, while maintaining an elite look of quality from the profile.
- Study this female closely on sale day!

SLL ELLIE 2201

- The next pair of females is backed by one of the most decorated Angus donors at Sullivan Farms, the legendary UDE Ellie 9230!
- Purchased by John Sullivan for \$100,000, 9230 enjoyed a dominant show career for Sara, earning Grand Champion Owned Heifer honors at the 2020 National Junior Angus Show and was the Grand Champion Junior Angus Heifer at the NAILE.
- Since entering production in Dunlap, Iowa, 9230 has quickly established herself as one of the breed's most prolific donors, consistently producing high-demand, premium-valued offspring.
- A Colburn Primo 5153 daughter commanded \$40,000 in 2024, making her a full sister to Lot 8. Additional maternal sisters by KR Casino 6243 have also highlighted past sales, bringing \$20,000 to \$50,000.
- A full sister campaigned by Max Fredrickson was selected Reserve Supreme Champion 4-H Breeding Heifer at the 2025 Minnesota State Fair.
- Exceptionally balanced and eye appealing, she combines a bold rib shape, tremendous squareness at the surface, and the added substance required to compete at the highest level.
- Genetics like this don't cost—they pay!

- Undeniably the most unique featured female in the ENTIRE offering!
- SULL Ellie 6374P is a truly dynamic individual that is loaded with quality and presence that is simply second to none! She ties her refined neck so high at the top of her blade, has zero chest and offers an aggressive progression of depth back into her rear rib and flank. She is giant footed and boned, big hiped and square pinned. In addition, she has been blessed with incredible hair quality!
- This pedigree has already proven its value. Full sisters have commanded \$201,500, \$111,000, and \$64,000 over the past year. The \$201,500-valued SULL Ellie 5659N was successfully campaigned by Josie Phillips and was selected Reserve ROV Junior Heifer Calf Champion at the 2026 Cattlemen's Congress. The UDE New Heights 62/87 x UDE Ellie 9230 mating needs no introduction.
- If you're searching for an Angus female that separates herself from the crowd, pull up a seat—this is your girl!

- LMAN Snowball 621P is a tremendous Charolais show heifer/donor prospect that is sired by the proven sire of champions, BOY Outlier 812 ET PLD! The dam of 621P is the prolific T/R Ms Ledger E4 donor that calls home to Shelby, Ohio. Kathy Lehman has been a long-time customer and friend of the Schaeffer Show Cattle program, and we are elated to have this female in Hagerstown!
- 621P is a three-quarter sister in blood to LMAN KLL Angie 15L ET, the 2024 MD State Fair Supreme Champion Open Breeding Heifer and 2024 KILE Reserve Supreme Champion Junior Breeding Heifer!
- We love the genuine stoutness, robust rib cage and flexibility that this female possesses. Her ability to balance with such symmetry from the side is breath taking!
- We've been fortunate to market several elite Charolais females through the years, and we believe 621P deserves to be mentioned among the very best.
- Mark your calendars for June 12-18, 2027, in Indianapolis, Indiana!

THE FOUNDATION
BEHIND THE FUTURE.

The foundation behind this year's Chianina offering is as strong as any set we have assembled. Generations of proven, predictable, and profitable cow families stand behind the show heifers that will sell on September 12th, in Hagerstown, Indiana. Our program has always been built around elite females that consistently generate cattle with the look, quality, and competitive edge demanded at the highest level.

Leading the charge are **JSUL Who Dat Lady 2037Z** and **JSUL Who's Playing 6973D ET**, two of the most influential daughters of ASHW Who Da Man to ever enter production. Their impact continues to grow with each generation as they leave behind daughters that become donors, champions, and foundation females in some of the nation's most progressive programs.

We invite you to make the trip to Schaeffer Show Cattle on September 12th and experience the tradition firsthand. We are proud of the females represented in this offering and confident they have the genetic foundation to make a lasting impact wherever they call home!

- 57P is a FULL SISTER to Hadley Hendrickson's \$201,000 TSSC Who's Gonna Play 4015M ET, the 2024 American Royal Grand Champion Open Chianina Heifer, 2024 KILE Supreme Champion Junior Breeding Heifer, and 2024 Hoosier Beef Congress Grand Champion Chianina Heifer.
- The JSUL Who's Playing 6973D ET cow family has produced an unmatched string of champions and influential donors. The Colburn Primo 5153 mating alone generated both the 2020 and 2022 NAILE Grand Champion Chianina Females.
- Those champions include TSSC Who's Lizzo 907G, campaigned by Ashtin Guyer, whose résumé included a 2020 NAILE National Championship, Reserve Grand Champion Owned Female at the National Junior Heifer Show, and Reserve Grand Champion Junior AOB Female at the American Royal. Also from this mating are Preston's Ethel ET, the 2022 NAILE National Champion for Sara Sullivan, TSSC I'm Gonna Be 048H, the 2021 National Champion for the Jones family, and Kennedy Arthur's 2023 Down 4 the Cause Grand Champion Chianina Female.
- Backed by one of the most proven and timeless cow families in the Chianina breed, 57P offers the pedigree, phenotype, and earning potential to follow in the footsteps of her elite maternal siblings!

SCC TRADITION OF 24
SCC SCH 24 KARAT 838 X **JSUL WHO DAT LADY 2037Z**
 FCF PROVEN QUEEN 419 JSUL SULTRY 6640

- Another direct daughter of the "OG" known as JSUL Who Dat Lady 2037Z, the 2013 NAILE Grand Champion Open Chianina Heifer! This stunning female is sired by the immortal SCC SCH 24 Karat 838, a bull that continues to defy the odds and has sired as many champions across breed line as any other AI sire in the last decade!
- TSSC Who Dat Lady 6110P is simply breathtaking from the side, tying her long and extended neck high at the top of her neatly laid in blade, while maintaining a bold shape to her forerib and center body. She is flawless in her basic build and has been blessed with the "bells and whistles" necessary to compete at a very high level.
- A full sister to 6110P, TSSC Dirty Dancing 3056L ET, was the 2025 National Junior Heifer Show 3rd Overall for Addison Poe of Texas. There is simply no denying the relevance and sheer generating power of the ASHW Who Da Man x JSUL Sultry 6640 mating when it comes to producing dominant champions for well over a decade!
- If you're serious about hanging a big banner in the Chianina ring and making a hard run in the Supreme drive, then make plans now to be in Hagerstown, Indiana. Let's make memories together!

2018 NWSS Grand Champion
Open ChiAngus Heifer
Dam of Lot 17

- They say it only takes ones, and that is exactly our mantra with the ChiAngus division. This special female carries the torch for her breed, and is going to be a fun one to campaign as she is going to catch a look every time she steps onto the shavings.
- MMK Cocky Fresh 609P ET stems from the Kinna program's JHC Ms. Cocky Fresh donor, who was the 2018 NWSS Grand Champion ChiAngus Female, and has now turned into a steadfast producer of elite show heifers.
- The combination of the Denver champion, with the illusive LLW Cardinal Crossover 236J sire, sets the stage for something very special, and we think there is no limit to the potential for this female, and as she continues to mature, we think she is only going to keep impressing.
- She comes with a futuristic look of quality, coming with the loose ankles, extra flexible skeleton, high and captivating neck extension, crisp lines and untrainable show heifer presence, this show pony is bound to turn heads and hang big banners!

ARGUABLY THE MOST DOMINANT PRODUCER

IN THE SCHAEFFER SHOW CATTLE DONOR BATTERY!

In recent history, few females have impacted an entire breed as quickly or as profoundly as **Riverstone Charmed**. A Triple Crown winner, "**Larissa**" made history as the 2016 NAILE Supreme Champion Junior Breeding Heifer, becoming the first female to later produce a daughter that captured the same prestigious title. Her influence continues to shape the Limousin breed, and this year's offering features a direct daughter as Lot 21, along with nine maternal granddaughters in Lots 22-30.

Among her greatest accomplishments is **JSZC TSSC Larissa 49G ET**, one of the most influential young donors at Schaeffer Show Cattle. Since entering production, **49G** has become one of the highest revenue-generating females in Hagerstown, consistently transmitting elite phenotype, structural integrity, and show ring presence regardless of sire selection. Her remarkable consistency has established her as one of the breed's premier young donors, and this fall presents a rare opportunity to invest in her legacy as seven outstanding daughters sell as Lots 24-30!

WHO MADE WHO 411F
ASHW WHO DA MAN
ASHW CA X MA X SM 55

TMCK DURHAM WHEAT 6030X
RIVERSTONE CHARMED
HSF YOUR FANTASY

- A very special female here, the last of her kind, but one that will never let the memories fade. TUBB/TSSC The Last Dance ET reigns from the combination of ASHW Who Da Man and the 2016 NAILE Supreme Champion Female, Riverstone Charmed, or as many know her - "Larissa". She is a full sister to TUBB/TSSC Larissa Who 201K ET the 2023 NAILE Reserve Supreme Champion Junior Breeding Heifer and dam of Lot 22.
- There is no folklore surrounding the impact that Riverstone Charmed has had on the business, and there is no other way to describe her own career on the shavings other than unbeatable. This important quality has been one she likes to pass along to her progeny too, as the resume of success that is boasted by her daughters and granddaughters will rival any other female in the business, across breed lines. She was also responsible for the first ever mother-daughter duo of NAILE Supreme Champions when Ratliff How Bout It 008H ET won in 2021.
- Maternal sisters to this unicorn include the highest revenue generating female to call Crull Road home, JSZC TSSC Larissa 49G ET, and a laundry list of other breed influencing or championship winning females across the business. If you are looking for a blue-chip investment, then set the satchel here and don't look back. This female is what dreams are made of!
- **Selling 1/2 Embryo Interest. Possession will be retained by Schaeffer Show Cattle at the conclusion of her show career.**

- TSSC Pamela 6122P ET is a daughter of the TUBB/TSSC Larissa Who 201K ET donor that has quickly arisen as one of the females to tie to in Hagerstown. 201K has been a tourist attraction from day one, being past high seller in the Pasture Sale, that graduated into a dominant champion all fall long for Sullivan, claiming the 2023 American Royal Grand Champion Junior Chianina Heifer, 2023 NAILE Grand Champion Junior Chianina Heifer and then eventually being slapped the 2023 NAILE Reserve Supreme Champion Junior Breeding Heifer behind another of Sara's heifers.
- Here you find a daughter that follows in her footsteps of outlier feature and kind, as this SCC SCH 24 Karat 838 sired female is one that is elevated and inspiring about her front third, built so shapely and dense about her body cavity and then when set into motion, she comes alive and just carries herself with so much grace and class that it's hard not to just stop and stare.
- Power, substance, balance, and an absolute impeccable structural build combined are bound to make this female a front runner in the Chi-Composite division and beyond!

- You can put all your faith in the pedigree of the lone Purebred Limousin to sell on September 12th as she shares mornings around the Christmas tree with a set of full sisters that have amassed a very impressive array of national show banners.
- Three different full sisters have been campaigned to big banners over the past two years, each of them claimed a title to include being the 2026 NJLSC Reserve Grand Champion Limousin Heifer, 2025 NJLSC Grand Champion Limousin Heifer and the 2025 American Royal Reserve Grand Champion Open Limousin Heifer. We aren't sure there are many matings that could match this kind of consistent domination.
- KAKG Phantom 108P ET is flawless in regard to her skeletal design, she comes massive and robust about the shape of her rib cage, being extra big hipped, and impressively square built...she is quite the sight to see!
- We think this female is going to add another feather in the cap of this incredible mating.

- The pedigree of this high Chianina female is just as intriguing as her build, meshing together two legends in the show heifer business, and the synergy is one that is hard to mimic. The impact that ASHW Who Da Man daughters have had on the show heifer business is astonishing, particularly when you consider how few there have been born. While several have had incredible show careers, it is what they have done for changing the realm of possibility in production that is the most staggering.
- The warpath that JSZC TSSC Larissa 49G ET has been on is incredible, stacking up high sellers, national champions, supreme accolades and individuals of influence, there is no limits to what has and is possible when her influence is on board. If you are serious about winning, and then seeing dividend checks once the halter is hung up then this is the place to start.
- This eccentric female is in a league of her own when it comes to feature and intrigue, you can bet your bottom dollar you will hear of her again.

- If you had have asked us 10 years ago if we thought that 8 of the 50+ females we would sell each September would be Limousin influenced, and we would never believe you, and yet here we are, starting the Lim-Flex division with what we think might be one of the best yet.
- When cows like Riverstone Charmed and in turn, JSZC TSSC Larissa 49G ET come about then it doesn't matter what breed they are, you need to get involved. The set of ROSE MC Encore 0463 daughters that lead off the division are ones that we think should be entertained by everyone that enjoys purple banners, and doesn't let breed affiliation get in the way, because they have the fortitude to be legitimate contenders every time they are saddled.
- TSSL BTOM Pandora 602P ET has never had a bad day, the kind that we knew, and she knew herself was destined for big things from the beginning. All has come to fruition to this point, and we have major aspirations for her as a banner collector.
- This ROSE MC Encore 0463 daughter is one that always draws a crowd, she has that special aura that only the most elite show heifers carry themselves with. Grab the reigns and hold on here, there are some big moments ahead for the junior with the privilege of leading this project around.

- The rampage that ROSE MC Encore 0463 daughters went on this past summer was unbelievable, as it seemed to be every week there was one cracking into or winning appendix shows at the most competitive junior nationals. Limousin Junior Nationals was no different!
- The same can be said about the bottom side of the pedigree, as the 49G donor is far from an up and comer, but has become a staple source of the most elite Limousin show heifers to be campaigned ever since the dominant streak that she herself had in the ring.
- TSSL BTOM Penelope Cruz 6105P ET is right for the times, coming with a perfect balance of body shape, added dimension, flawless structural design and intriguing look from the profile. In a world where we look for cattle with the least number of issues, its ones like 6105P that float to the top in a hurry. You will study for a long time to find a problem here.
- Once you see this female in person it will be easy to get on board with the hype, add a showman and a little feed, the stage is set for a very fun time every day you pull out of the driveway.

- Cover girl status is deserved by this gaze catching supermodel. TSSL BTOM Paris Hilton 601P ET is one of the most intriguing Angus sired daughters of the JSZC TSSC Larissa 49G ET dynasty yet, coming with a build and design that is easy to like regardless of your ideals, we think she's only going to add more sparkle to the illustrious resume that her monarchy has wrote.
- Full sisters to Lots 27 & 28 have already found themselves at the backdrop, with TSSL MAIN Larissa 3032L ET being crowned the 2024 NAILE Grand Champion Open Limousin Heifer, and the 2025 Cattlemen's Congress Champion Lim-Flex and 5th Overall Junior Breeding Heifer for Makayla Jo Massey. Another has been successful for Gerstell Farms winning the Limousin's at Keystone and being the Supreme Champion Breeding Heifer at the 2026 VCCP.
- Beyond her show career, we think her quality of build and consistency of genetic package is going to make this Lim-Flex female a lucrative addition to a donor pen shortly after her time on the tanbark.
- Supported by the most elite cow family in the breed, and stemming from a track record of success, this stunner will be a force at every level of competition!

- It's no mistake, this female is named after Tim's favorite karaoke tune, a hobby he takes just as seriously as raising national champion show heifers, so it's a compliment for this bombshell to be donned, TSSC BTOM Purple Rain 6226P ET.
- All jokes aside, this SLIK Me Too 5K has the arsenal of quality to play every single time she steps into the ring, regardless of how you like them, this critter will be one that gets considered.
- JSZC TSSC Larissa 49G ET steps into a new dimension with every calf crop that hits the ground, she's unrivaled when it comes to clicking with incredible consistency across sire options and this new mating on the matron has blown the doors off, generating a young star that is bound for the big lights.
- We love the BIG pieces and extreme look of quality and style that she possesses. From the ground up she's massive in terms of her foot and bone work, while maintaining a "lady like" look of quality and balance from the side. This one is young and mighty, and is bound to be a big leaguer. We can't even begin to imagine what she's going to look like on the green shavings come next November.
- **Selling 1/2 Embryo Interest. Possession will be retained by Schaeffer Show Cattle at the conclusion of her show career.**

- We adore the intriguing look and outline of this special MaineTainer female, she's built like you used to sketch them up in the steno. Her lines are crisp and meticulous, with a perfect flow of femininity and lady like feature, back to a powerful and heavy-duty body and bone work. She is the kind that are tough to make, look picture perfect on the stand and then only elevate their quality in movement, but with the powers of 49G anything is possible.
- She is a full sister to one of the most popular champions MaineTainer females to be shown in the 2025 season, as Hogan Hendrickson campaigned her to Reserve Grand Champion Junior MaineTainer Heifer at the American Royal, Grand Champion Junior MaineTainer Heifer at the NAILE and 4th Overall Open Breeding Heifer at Keystone.
- Followers of the program know that the powers of JSZC TSSC Larissa 49G ET should be never questioned, as she's one of the most potent and dynamic breeding pieces we have ever utilized, and while her daughters always impress at sale time, its show day that they truly shine.
- **Selling 2/3 Embryo Interest & Possession.**

BUTLERS MS KESHA K549 ET

SIRE OPTION: ROSE MC ENCORE 0463

- We have had a lot of fun showing and breeding these Gelbvieh cattle, and what started as a hobby has quickly become much more thanks to the incredible female behind this special show prospect.
- BSSC Players Only 6144P ET is a full sister to BSSC BCFG Simply Irresistible, Braylen's 2026 Cattlemen's Congress Grand Champion Junior Balancer Heifer and 2026 AGJA Grand Champion Balancer Heifer. We believe this female is ready to take another family on the same unforgettable ride.
- We think you would have to scour the world to find a Balancer female like this one, being such a big ribbed, deep sided female that offers a tremendous look of balance and symmetry from the profile, all while being beautiful about her head and neck, clean chested, and offering a futuristic look of quality. While we think that 6144P is a one in a million kind of creature, she comes by it honestly as her mother, Butlers Ms Kesha K549 ET was a North American Champion herself, and is still outbreeding any expectations we could have ever had.
- Power is in the blood here, and still, we think this female could rewrite the record books.

JBT DADDY'S GIRL 10F

2019 NAILE GRAND CHAMPION MAINE-ANJOU HEIFER

A cornerstone in the Maine-Anjou breeding program at Schaeffer Show Cattle!

JBT MISS DADDY'S GIRL 4633M ET

2025 KILE RESERVE SUPREME CHAMPION OPEN BREEDING HEIFER

Congratulations Grant Rump!

The Maine-Anjou division of this year's sale offering represents the deepest and most impressive set of genetics we have ever assembled at Schaeffer Show Cattle. Anchored by proven cow families and National Champion influence, this elite lineup is highlighted by full sisters and direct daughters of some of the most dominant females in the breed.

Leading the way is a direct daughter of **JBT Daddy's Girl 10F**, the National Champion Maine-Anjou female that has become the cornerstone of our Maine-Anjou program. Her influence continues to grow with each generation, and her daughter selling as Lot 33 offers the same elite combination of phenotype, quality, and genetic value that has made this cow family so influential.

Our program has been built around generating cattle that compete and produce at the highest level, and this offering reflects that commitment. Lot 34 is a full sister to McKay Gensini's 2025 National Junior Heifer Show Grand Champion Maine-Anjou Heifer.

From top to bottom, this is the strongest and most complete Maine-Anjou, Maine Angus, and MaineTainer offering we have ever presented. We are confident these females possess the pedigree, quality, and generating ability to make a lasting impact in the show ring and in the nation's most progressive breeding programs!

SIRE OPTION(S): JBOY ONE FOR ALL 001J ET OR SLIK ME TOO 5K

- There are no doubts that the JBOY One For All 001J ET stock can get it done, and when he is combined here with the North American Champion Maine Female, JBT Daddy's Girl 10F, there is no shortage of quality to rave about.
- The Maine-Anjou business continues to jump leaps and bounds towards phenotypic excellence, and the breeding versatility that they have to offer makes them a reliable choice for show heifer connoisseurs that want to be competing in the Supreme drives.
- TSSC MAIN Daddys Girl 6136P ET will be a fan favorite of those who enjoy cattle that are built sound in their foundations, bold in their muscle shape and extra-large in their features.
- Just last year, Grant Rumple campaigned, JBT Miss Daddy's Girl 4633M, a TJSC End Game 61G sired maternal sister to Lot 33 to 2025 KILE Reserve Supreme Champion Open Breeding Heifer and Third Overall in the Junior Show.
- Another maternal sister was a \$50,000 high seller in the 2022 Schaeffer-Tice Pasture Sale that went on to win the calf division at the North American in both the Open & Junior Shows.

- You read that right, here is the full sister to Mcklay Gensini's dominant champion from the 2025 season, GDMN Miss Gigi ET. There is no questioning the fact that the Gensini family will do what it takes to show the best Maine-Anjou stock in the country, and GDMN Miss Gigi ET will go down as one of the best they have drug yet!
- Her full sister went on an impressive streak, being Grand Champion Owned Maine-Anjou Female at the Junior National and was later crowned 2025 IL State Fair Reserve Supreme Champion Junior Breeding Heifer.
- This new edition of the family offers the same look of upper echelon quality that made the Gensini heifer so popular every time she stepped onto the chips.
- JBT Miss Blitz 607P ET is blessed with the big bone work, extra swoopy underline, chiseled front third and super neat outline, she has all the pieces to follow in the footsteps of her sister and be competing for the biggest banners on the biggest stages.

- You don't find High Maine-Anjou females like this one every day, as this JBOY One For All 001J ET daughter is perfectly proportionate, with a massive set of feet and bone, incredible hair quality, and perfect length of hip, leading to her extra flexibility, she's going to compete on the chips, and go on to be a generator, just like the cows that line her pedigree.
- Her maternal pedigree is loaded with the good stuff, tracing to the pedigrees that changed the business, and built the program for many. Its these defining pedigrees that have injected the extra neat and futuristic look you will find here. High tying, big pieces, and extra square and sharp lined, this is one that is going to feed with a lot of promise and be an absolute force as a big one.
- We love the versatility that offers the interesting pedigree twist of this dual registered High Maine-Anjou and High Chianina daughter of JBOY One For All 001J ET. She can show both ways and is going to be extra competitive in either division.
- Extremely complete, well-designed female from the famed "Who Dat" cow family!

- There is not a hotter breed in the business right now than Maine-Anjou influenced cattle, and that can be attributed to the incredible junior program that they have fostered. If you and the family haven't made it to a Maine-Anjou Junior National, then this may just be the perfect reason to make the trip to Louisville next June!
- This eye-catching female ties to one of the females that has helped shape the modern-day Maine-Anjou business and helped point the breed in the direction of where you will find it today. The iconic BPFC Shelby 542Z was and continues to be a source of phenotypically elite stock.
- TSSC ETL Salty Shelby 623P is a daughter of KMEM No Hard Feelings 414L ET, an AI Sire that is gaining some traction as a sire to opt for to injecting high end show heifer look and design, and that's what he did here, as this Purebred Maine-Anjou female offers a high-end look of quality.

DREAM ON

2016 NAILE GRAND CHAMPION JUNIOR SHORTHORN HEIFER **5158 ET**

National Champion after National Champion, **SULL Dream On 5158 ET** has reached legendary status in production as one of the highest dollar generating females in Hagerstown, Indiana. A two-time National Western Stock Show Grand Champion, **SULL Dream On 5158 ET** has reserved her place in the history books as one of the most dominant Shorthorn show heifers of all time! Her legacy continues with a direct daughter that headlines the Shorthorn Plus division as Lot 38.

Depth of pedigree and proven cow power define this year's Shorthorn and Shorthorn Plus offering. The division is backed by many of the most influential and productive cow families in breed history, with pedigrees stacked full of National Champions, elite donors, and proven generators. The females selling are direct daughters, full sisters, and maternal sisters to countless champions, high sellers, and breed-leading individuals that continue to shape the future of the Shorthorn business. Simply put, this is the strongest and most proven Shorthorn offering we have assembled, built around the kind of genetics that consistently generate banners, returns, and lasting influence!

- The first-born daughter of RWFC Crystal's Limit 22M sells here. She was the 2025 KILE Reserve Grand Champion Open Shorthorn Plus Heifer and 2025 NAILE Grand Champion Bred & Owned Shorthorn Plus Heifer that was campaigned by Alyssa Slimmer. Her first one out of the gate is an absolute stunner and sets the tone for what is bound to be an incredible career in production.
- This dual registered beauty is a February born show heifer prospect that is so smooth from the side, offering a perfect design to her shoulder and tying high at the top of her blade. She is incredible in the shape and depth of her mid-rib and underline, offering tremendous progression of depth through her flank.
- We think that this one needs to be high on the list if you're hunting a show heifer prospect that will compete at the highest level and then transition into a lucrative donor!

SULL RIGHT DIRECTION ET
SULL DREAM ON 5158 ET
 SS DREAM LADY 161 ET

- It is no secret that we have a pretty special place in our hearts for SULL Dream On 5158 ET. She is a two-time National Western Stock Show Grand Champion herself and has reserved her place in the history books as one of the most dominant Shorthorn show heifers and donor dams of all time. She has well surpassed the million-dollar mark in revenue sales, and her sons and daughters have followed in her hallowed footsteps to win national championships and be the source of serious ROI.
- The dominance of 5158C as a producer in the Shorthorn Plus ring has been immense with both sons and daughters being sashed on the green shavings of Freedom Hall. Angus sired daughters of 5158C were crowned the Grand Champion Shorthorn Plus Female at the NAILE from 2021 through 2023.
- She offers the unique ability to balance with so much quality and femininity from the side yet possesses tremendous skeletal width and flexibility, all while carrying herself with genuine power and undeniable presence. The contrasting shape of her head and neck, to her body shape and underline is unlike any we have ever witnessed before.
- While the story behind this female is legitimate. It wouldn't matter how impressive the family tree is, she has the elite quality that no family tree could ever shade. S/T TSSC Painted In Purple 6162P E ET is a special creature that would even capture the imagination of the most pessimistic, she's the kind that make this business a lot of fun.

- If you're ok with not your everyday kind of Shorthorn female, then look in here! If you like them with extra punch, added shape and width, big feet, and rugged bone work, then here is your girl.
- Her mother was a different kind of beast that came with as much turn and shape to her body cavity as we have ever seen in a Shorthorn female, and in many cases she was well received, claiming the 2023 Cattlemen's Congress Spring Heifer Calf Champion and the 2023 FWSS Reserve Grand Champion Open Shorthorn Heifer titles. While the banners were fun, we knew that her biggest days were yet to come.
- BSSC ATW Pay To Play 632P ET is a combination kind of female, as we love the maternal look to her center body, the structural integrity, and the overall balance and symmetry that she possesses, yet there is no denying that she offers the extra shot of bone and power that made her mother so special, and a breeding piece that will be important in our donor pen for a long time to come.

AF MARGIES DREAM LADY 05 ET

- TSSC CF Crystals Dream 6140P ET stems from one of the most prolific and legendary females in the history of the Shorthorn breed. Breed for breed, the stranglehold that the Lady Crystal influence has had on the Shorthorn business is as comprehensive and dominating as any female in this sale, perhaps in history.
- For two decades, the presence of the "Lady Crystal" influence has been felt across the show cattle business. This is a cow family that can stand up to change and the trends of the business, the phenotypic quality of the Lady Crystal's is right for the times!
- Perhaps the most impressive wins for the 434P influence have happened within the last couple of years, showing a true testament to her incredible influence. Most recently, daughters of 434P and Colburn Primo 5153 have been Reserve and 3rd Overall Shorthorn Plus Females at Junior Nationals in 2025 & 2026 and a BNWZ Dignity 8017 female was the 2023 NAILE Reserve Grand Champion Open Shorthorn Plus Heifer. On the Purebred side of things, the 2024 NWSS Reserve Grand Champion Junior Shorthorn Heifer, S/N Lady Crystal Lottery 3100 ET was a \$90,000 maternal sister to Lot 42.
- Never bet against a "Lady Crystal," they are always in the hunt, and this SULL Dream Maker 9141G ET daughter will always get another look!

JSUL SOMETHING ABOUT MARY 8421

JSUL TSSC LADY IN BLACK 2181K
PEINE/GS ROSIE 677D

- Here is the WLE Copacetic E02 daughter of the highly coveted JSUL TSSC Lady In Black 2181K female that was the one to beat from early on, shortly after the Hendrickson family purchased her in the fall of 2022, she went on a rampant winning spree, being crowned the American Royal Grand Champion Open Purebred Simmental Heifer and the NAILE Reserve Grand Champion Junior Purebred Simmental Heifer as a calf. She backed this up as a bred heifer too, closing out her career of major championships at the 2024 Cattleman's Congress where she was crowned the Grand Champion Junior Purebred Simmental Heifer.
- There is no lack of power in the blood here, as both sides of the pedigree contribute national championships, and is littered with generations of highly elite, phenotypically superior beef cattle.
- This is one of the younger females in the sale but reads with about as much future and excitement as any, she looks like the kind that is going to be a contender at the end and has the longevity of build and stamp of quality and balance that it takes to win on the biggest stages, when the banners count for the most!

LLSF ADDICTION AY792

PEINE/GS ROSIE 677D

GUNN Z27 DO BLACK ROSE

- This phenom is the product of one of the most formidable matings the Simmental breed has witnessed in the last decade. The combination of JSUL Something About Mary 8421 and GS Rosie 677D "Peine" has produced countless national champions and generated into the millions of dollars of revenue and the trend looks to be going to continue here with what we believe is one of the best yet.
- JSUL Rosie 6155P rises to the top as perhaps the most elite daughter of this legendary combination to date. She offers an elevated degree of build quality, a smooth, seamless design, and the ideal structural foundation, while still possessing all the "bells and whistles" that have come to define this mating.
- The roster of direct daughters from the JSUL Something About Mary 8421 x Peine/GS Rosie 677D mating that have gone on to win at the national level is staggering. Over the past five years, few—if any—matings can rival the resume this cross has assembled. Most recently, the Bartlow family's JSUL Rosie 3418L headlined the list with Supreme Champion Junior Breeding Female honors at the American Royal, Reserve Supreme Champion Junior Breeding Female at the NAILE, and Supreme Open and Junior Champion Female at Cattlemen's Congress.
- Our aspirations for this female are extremely high. She is a shining example of this legendary mating, and if history tells the story, she's built to win big and often.

REVELATION 2K
Sire of Lot 49

- Without a doubt, S&S TSSC Beyond Beautiful 6185P is one of the greatest Purebred Simmental females that we have EVER offered to the public. This daughter of the red-hot Revelation 2K is backed by the up-and-coming WHF Delilah 450H donor dam.
- From the ground up she is simply unparalleled in terms of stoutness, flexibility and squareness of build. We love the turn and shape to her rib cage that she offers while still maintaining a very feminine and refined look about her front third.
- Revelation 2K produced the 2025 American Royal Supreme Champion Junior and Open Breeding Heifers, the 2025 NAILE Reserve Supreme Champion Junior Breeding Heifer, and the 2026 Cattlemen's Congress Supreme Champion Open Breeding Heifer—arguably the greatest rookie calf crop of any sire we have ever promoted.
- Backed by genuine cow power and loaded with elite phenotype, we believe this female has the credentials to be a major player both in the show ring and the donor pen.
- **Selling 2/3 Embryo Interest & Possession.**

ROSE MC ENCORE 0463

Sire of Lot 50

- Big things are on the horizon for the WHF Delilah 450H donor, and the expectations we have always had for this incredible female are coming fruition this year as she offers up a pair of show heifer prospects that are incredibly elite and ready to make this cow family a household name. While there is a long list to compare this female against, we do think that she's absolutely one of the most incredible Percentage Simmental females that we have ever offered, and that there is no ceiling for her potential on the halter. If you are serious about standing at the backdrop, get to paying attention to this female.
- While we have always been the biggest cheerleaders for ROSE MC Encore 0463, it has been fun to watch 2026 be a turning point for him as there was no escaping his stranglehold on the show heifer business, across breeds. His daughters were found victorious at multiple junior nationals including Simmental, Gelbvieh, Limousin, Angus, and Chianina as he offers the perfect complement to continental breeds and injects high end show heifer components in the first generation.
- The ROSE MC Encore 0463 mating on WHF Delilah 450H is a match made in heaven, and the compliments of both sides of the equation have met in the middle to produce one of the most incredible show heifer prospects to ever stand in Hagerstown. Trying to find a hole in this specimen is a job that we wouldn't want.
- We hope you have plenty of space on your walls to hang banners if you are planning to be the one leading S&S TSSC Beyonce 6304P around, because this show pony has a big career of purple ahead of her.

- The story of Schaeffer Show Cattle has been built alongside the pedigree that backs this OHL Livin' The Dream 389-1 daughter. It all traces to HPF Honey R007, the original cornerstone donor that helped build the program and continues to exceed every expectation more than two decades later.
- The influence of the "Honey" cow family has stood the test of time, consistently producing champions and high-revenue females, generation after generation. There is no stronger maternal foundation at TSSC than what you will find here.
- Her maternal granddam, S&S Stylin' Honey 733E, was the 2018 NAILE Reserve Grand Champion Junior Percentage Simmental Heifer, a Top 5 finisher at the AJSA National Classic, Grand Champion at the American Royal, and later a \$60,000 sale feature.
- Sired by the 2025 Cattlemen's Congress Grand Champion Percentage Simmental Bull, OHL Livin' The Dream 389-1L, LMMK S/T Ms Honey 612P blends eye appeal with the body shape, function, and maternal power this legendary cow family is known for.

TSSL BTOM LETHAL LADY ET
JSZC TSSC LARISSA 49G ET

- The consistency of Revelation 2K matings on "Larissa" influenced pedigrees is proving to be more than just a trend, it is a surefire synergy that is breeding with legitimate potency. Several major league champions to come out of our program follow along the lines of this female, and as we have witnessed first-hand, they are cattle that only mature with more quality. We expect this half-blood female to continue to impress with every stage of development and will be a player late into the season.
- Note that the dam of this female is a full sister to the popular female that was campaigned by Keegan Bohnsack last year, BOYJ CORE Layla 435M ET "Linda", that amassed a long list of championship accolades at shows across the nation, rounding out her showring resume with being the 3rd Overall Open Breeding Heifer at the 2025 North American.
- The family tree of this female is built with strong branches and includes both the legendary females, JSZC TSSC Larissa 49G ET and Riverstone Charmed "Larissa," who not only were champions in the ring, but have both been breed influencers in production.
