2:00 PM CT West Texas Elite Female Sale

WELCOME

Welcome to the Inaugural "West Texas Elite" female offering! A sale offering with the long-term goal of growth in numbers without compromising quality. Quality is used throughout everyday American culture. There are certainly varying degrees of "quality," but the one tied to this group of people would be of the highest form when one discusses character and integrity. The multigenerational West Texas families are their own tribe, as they know no strangers and they are willing to do whatever it takes for those in need, neighbors or otherwise. They are resilient, as they accept more environmental challenges than most on a year-after-year basis. Their appreciation for production agriculture comes with depth and dedication, fueled by passion and ambition that knows no boundaries. These are a few of the reasons why this group of breeders have been able to maintain the path of success for their families that they are now bringing to you to take advantage of for your family and exhibiting youth.

The ol' bull, Bruce Lawrence, has had this idea for several years but was waiting on certain things to align before he presented it. Although this is much more intimate in terms of numbers than he initially visioned, he agreed that the level of competitive quality needed to stay above certain parameters to preserve success. Lawrence Family Limousin, Parkinson Cattle, Foster Brothers Farms, Beerwinkle Livestock, and Richburg Cattle have all experienced success at Texas Majors and National shows. Each of these family entities is responsible for multiple Champion females at each of the Texas Majors for their own families and customers, with Junior National and major National show wins as well. When opportunities arise to invest in your youth with experience and integrity attached, who wouldn't consider taking a serious look into this elite, handpicked offering?

As the chosen sale management team, we ask that you take a serious approach to evaluating the skeletal quality and design this set has to offer outside of their pedigrees and genetic lines. Several in this set would be from past Champion donor females or full and maternal sisters to some that have collected their fair share of banners. The spring borns represented will fall in the upcoming validation window and could be an investment for two full years of exhibition in Texas if that is on your list of investment priorities. The fall yearling cattle will be great senior yearling makers for next summer's state and national breed shows and futurities. We can also assure you that each lot sells with the promise and guarantee to receive advice or physical assistance from the seller, as your success is their success.

We strongly encourage you all to take in The Tri-State Fair experience for the weekend of September 19th and 20th and make plans to join us on Sunday at 2:00 PM for the inaugural offering of elite females from some of the industry leading firms with deep roots in West Texas. The Lawrence Family sale facility is located right off US Highway 84 a short 30 minutes from Lubbock, TX or two hours south of Amarillo. We can assure you the cattle and hospitality will be worth the trip. For those who cannot make it in person, feel free to reach out to any of the breeders or the Innovation AgMarketing team for guidance and assistance.

Enjoy the cattle,

Graham Blagg Jared Shipman Tim Anderson Tucker Wagner

TERMS & CONDITIONS

The terms of the sale are cash or good check payable in U.S. funds to Innovation AgMarketing, LLC immediately upon the conclusion of the sale before animals will be transferred or removed from the sale facility. Cattle sell under the standard terms of their respective breed association. All sales are final, and the cattle will become the property of the buyer when the auctioneer says "SOLD". All females are sold as sound breeders. Seller guarantees each female to produce a live calf or transferrable embryos.

RETAINED IVF CYCLES

The breeders of the West Texas Elite Sale reserve the right to two successful flushes or IVF aspirations, with a minimum of four freezable embryos and a maximum of 10 per flush or aspiration. Flushes or aspirations will be at the seller's expense and the buyer's convenience within the first three years of production.

REGISTRATION PAPERS

Registration papers will be transferred upon completion of payment for purchases. Please let the clerk know at the time of settlement how you wish to have your purchase(s) transferred. If you need your registration paper transfers expedited, please make plans to make settlement the night of the sale.

LIVESTOCK MORTALITY INSURANCE

Talon Alexander, 580.677.2125
Ben Ballou, 615.633.2131
Jake Grossnicklaus, 405.320.4170
Stephanie Myers, 530.237.6282

SUPPLEMENTAL INFORMATION

A supplement sheet and sale order will be available with up-to-date information the day prior to the sale. All announcements made on the sale block as well as updates to the supplement sheet will take precedence over material listed in this catalog.

HERD HEALTH

All of the cattle selling will be ready for immediate shipment and accompanied by proper health certificates. All cattle have been on a full vaccination program.

LIABILITY

All persons who attend the sale do so at their own risk, legal or otherwise, for their safety or for behavior of the animals. Lawrence Family Limousin, the sale management firm, sale partners and the sale staff assume no liability for property loss or any accident that may occur.

LOAD OUT & TRUCKING

Load out will begin at the conclusion of the sale. We ask that you pick up your purchases within a reasonable time. We are happy to assist you with reliable and affordable trucking arrangements. However, we assume no responsibility for trucking rates.

PLUM CREEK ANNIE LU 4472

Quite the welcoming presence in the lead-off position of the inaugural West Texas Elite Female Sale. As most good things start with a positive motherly influence, FBF Penny 103N would be no different. Her mother is sired by the infamous BNWZ Dignity 8017 out of the mainstay Angus female of the Boyert-Core firm, Plum Creek Annie Lu 4472. This makes her a maternal sister to Core Annie Lu 24K 230K, who is building quite the notable career in the donor pen for Schaeffer Show Cattle. Braxton Cole successfully exhibited 206K to Reserve Calf Champion honors at the 2023 National Western Stock Show and Champion Angus Female honors at the San Angelo Stock Show and Rodeo in 2024. 103N comes with an impeccable show heifer look, with appropriate and attractive angulation to her joints, refined and feminine in her head and neck while still being robust and soft in her body. Truly a female that should garner lots of hardware for a young exhibitor!

Offered by: Foster Brothers Farms

VOYAGER GEORGINA 867

The lone fall born Angus female, MSCC Georgina 2533, has both a royal look and pedigree. 2533 stems from the "Georgina" cow family that has set the prototype for Angus phenotype at the legendary Champion Hill firm. This Silveiras Style 9303 daughter has the elegant silhouette we expect from the "Georgina" name while still having three-dimensional shape to her body cavity. We foresee Intermediate Division success in the upcoming Texas Major run.

PVF MISSIE 6228

Females sired by the \$280,000 Embryos on Snow™ highlight, UDE New Heights 62/87, took the fall season by storm in 2025. It surely looks like the hype will remain with females like Lot 3 offered here by the Foster family. The dam of 6113 was a many-time champion for Braxton Cole on both the state and national levels and carries the "Missie" namesake, an important pillar for the PVF brand. Green and young today, this female reads incredible in her lines, with a refined, long neck and correct structure. A keen eye will look incredibly smart going into the majors next fall and winter with this one on board.

For those that follow Texas Major outcomes, the Beerwinkle girls are often recognized for their success in the Hereford ring, both steers and heifers. To add to their validity, a majority of those successful cattle hail from the homeplace in Earth, Texas. They did not shy away from the opportunity to offer their best in the inaugural West Texas Elite Female Sale. A centerfold Horned female sired by the breed mainstay BK Red River H18 ET, SMB KTRCC H18 Peyton 420P ET comes impeccable in terms of her structural build. Her ability to reach and grab ground is to be appreciated, along with having the right kind of body to be successful in today's show ring setting. With presence and poise in excess, we feel she has the necessary pieces to go the distance.

TEXAS LIMOUSIN ASSOCIATION

LONE STAR SHOOT-OUT

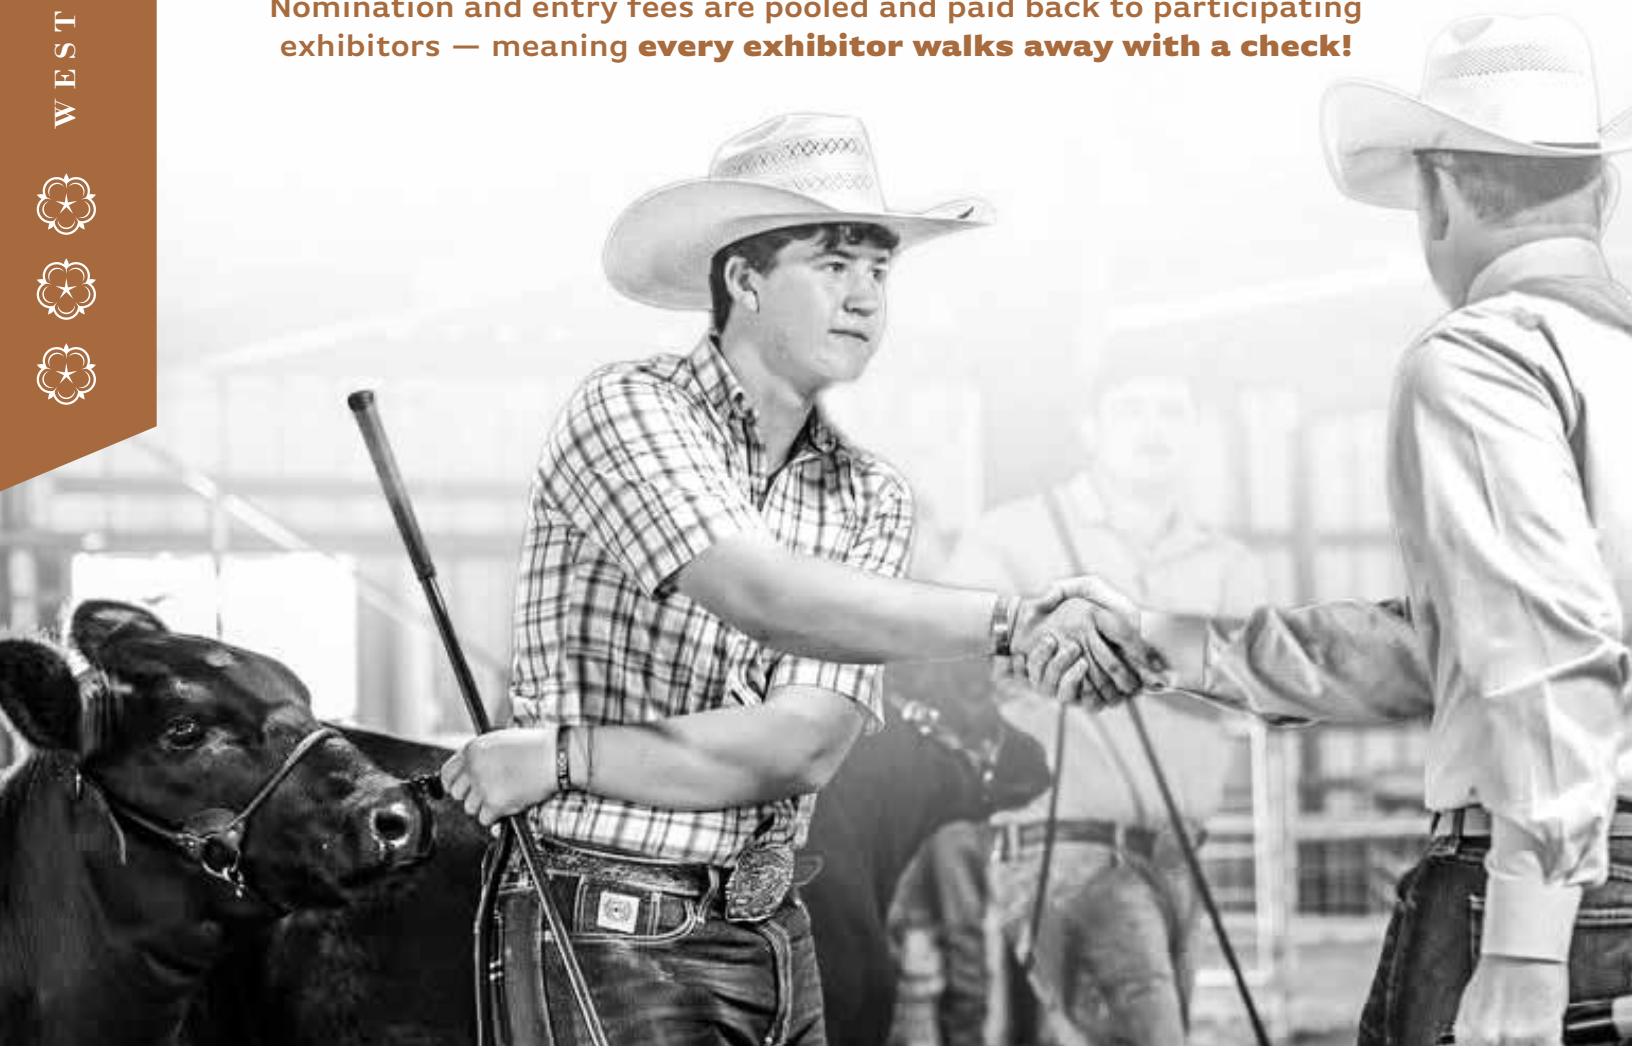

**LOTS 7-15 | LIM-FLEX
ARE ELIGIBLE!**

AN INVESTMENT WITH ADDED OPPORTUNITY

Held annually during the Fort Worth Stock Show & Rodeo, the Texas Limousin Association Lone Star Shoot-Out gives junior exhibitors another opportunity to put their purchase to work in the show ring while competing for added premiums.

Nomination and entry fees are pooled and paid back to participating exhibitors — meaning every exhibitor walks away with a check!

YOUR ROAD TO THE SHOOT-OUT

1. FIND YOUR NEXT CHAMPION

Select any of the Lone Star Shoot-Out eligible Lim-Flex females selling as Lots 7–15.

2. NOTIFY YOUR BREEDER

At settlement, let us know you intend to participate in the Lone Star Shoot-Out, or notify the breeder following the sale. This ensures the breeder entry is submitted and paid prior to the December 1 deadline.

3. JOIN THE TJLA

Make sure your Texas Junior Limousin Association dues are current.

4. COMPLETE YOUR ENTRY

Complete the Exhibitor Shoot-Out Entry Form and submit it with the required exhibitor entry fee.

FOR COMPLETE DETAILS & THE EXHIBITOR ENTRY FORM, VISIT:

TEXASLIMOUSIN.COM/LONE-STAR-SHOOT-OUT

THE LONE STAR ADVANTAGE

- Added premiums for participating exhibitors
- Guaranteed payout to every exhibitor
- Additional show ring opportunity at Fort Worth
- Added value to your Lone Star-eligible investment
- Greater involvement within the Limousin breed

Purple pedigree to head up the offering from Lawrence Family Limousin. LFL Priscilla 6086P is a full sister to the decorated ELCX Kate 332K, whom Carter Kornegay led to many titles. ELCX Kate 332K was the Bronze Medallion Percentage Female at the 2023 Oklahoma Youth Expo, Grand Champion Open Limousin Female at the 2023 North American, and ultimately returned to Louisville with a calf at side to be named Supreme Cow/Calf Pair at the 2024 edition of the North American. She commands the same attention as her sister, with an undeniable presence combined with the structural and body build that has become the standard of modern-day Limousin-influenced cattle. A female that hits the surface with softness and flexibility, with true width and shape to her body. She may be one of the early offered May females of the season, but she has the quality that will rival any offered ALL fall!

SBLX XTRA SPECIAL

Limousin elegance! The service of KR Casino 6243 to some of the top donors in Anton was suggested by Tucker before the untimely passing of a great young stockman. There is no doubt that Bruce's follow-through has led to a tremendous offering of fall-aged females for your appraisal. The use of "Casino" on a great daughter of Silveiras Style 9303 and full sister to Peyton Collum's 2022 OYE Grand Champion Limousin heifer has truly produced a higher degree of quality. LFL Newest Edition 5148N ET offers one of the best structural builds across the whole offering. She reads appropriately in the set to her knee and shoulder, with a hip and hind-leg construction that is textbook worthy. She does this while still having good shape and softness to her body and an incredibly long, well-attached neck. The opportunity to be competitive in the senior yearling division through Junior Nationals and fall fairs lies right here!

The Foster crew dug one right out of the arsenal with this high-end Fall Maine Angus female. Not only is she show ring ready, but she also comes with the backing of one of the most decorated females to grace the show barn in Lockney. In her incredible run, PVF Lucy 1056 garnered Supreme British Female titles at San Antonio, Austin, and Houston. Since entering production, she has further solidified her value with progeny like those found in Lots 18 and 19. Sired by the Purebred Maine standout BBR Made Man 15K, BC Nostalgia offers added length and stretch in her kind. A female that paints the kind of silhouette desired by the most critical evaluators. The hard work is done – hit the show road tomorrow with this female.

An offering of a direct daughter of PVF Lucy 1056, more affectionately known as "Ginger" around Lockney and to those who admired her unprecedented Texas Major run in 2022 and 2023. For many Texas families, "maxing out" scholarship winnings at the highly competitive San Antonio Livestock Stock Show & Rodeo is a show career goal that typically takes an entire junior career to accomplish. Few get it done, and a significantly shorter list have done it with one singular animal. Mr. Braxton Cole would be on that short list through his campaign of "Ginger," where she was named Supreme Champion British Heifer as a calf in 2022 and defended her title in 2023 as a senior yearling. Her success spanned beyond the limits of the Alamo City, with Supreme British titles in Houston and Austin as well. This RJ Trust Fund 212K sired daughter offers as much post show career earning potential as any in the sale. Beyond her pedigree, she comes high tying and productive in her front-end construction, round and robust in her rib cage, and feeds back into a long, square hip. She maintains her balance and poise well as she cruises the pen. Opportunity knocks!

FBFS Pearl 110P is the product of a calculated embryo purchase by one of the industry's discerning young couples, Chase and Syann Young. The dam of 110P, KCC1 SWC Harmony 847H, has scripted quite the story and is well on her way to generating seven figures in male and female progeny for Megan Brown and company. Most recently, a daughter had tremendous success for Makenzie DeBerry as Grand Champion Junior Simmental Heifer at the Fort Worth Stock Show and Grand Champion Purebred Cow/Calf Pair at the AJSA National Classic this summer. You will be hearing more of the full brother to the DeBerry heifer, KCC1 SWC Black Label 4019M, when his first calf crop hits the scene this fall and winter. The mating to the long-standing Simmental king of phenotype, SO Remedy 7F, proved to might be as quality as we have seen from 847H. A female with real shape and dimension, combined with the added stretch and look you would expect from such a mating. Put your flag in the ground on this one!

Look in on this striking baldy female! JARR Miss Perfect 5P embraces her namesake with a bald face and impeccable build. Sired by the Griswold stud GEFF County O, this long necked female is up headed and bold centered, with the appropriate angle and softness to her joints to become a competitive big one. As a necessity in today's competitive show ring, this female comes with the backing of a firm that cares for nothing more than the success and development of the young person at the end of the halter. Invest wisely!

LKCC Miss Genesis 72G has continuously been a solid contributor of good made, stout-built cattle for the Richburg firm. Her offspring have highlighted offerings year after year, and this TJSC Coping with Destiny 9K daughter continues to carry the torch. The cattle sired by TJSC Coping with Destiny 9K made their mark this past summer at the 2026 AJSA National Classic in Grand Island. With the quality and consistency, we expect from 72G, we see this April daughter to continue the trend.

WHF/JS/CCS WOODFORD J001
 2023 NAILE Grand Champion
 Percentage Simmental Bull
Sire of Lot 25

DXSC Pearl 0320P comes from a program that has never skimped on quality when adding to their female roster. This Purebred female, sired by WHF/JS/CCS Woodford J001, stems from one of the early Simmental female investments for the DeBerry family of Olton, Texas. She is soft centered, with added length of spine and extension from her shoulder forward. She will be on your short list on sale day!
